For a nonresident, only wagering losses that are attributable to wagering transactions placed at or through a casino or licensed race meeting located in this state may be deducted and must not exceed the gains on wagering transactions

allocated to this state under section 110(2)(d). As used in this subdivision, "casino" and "licensed race meeting" mean those terms as defined in section 110.

(cc) Except as otherwise provided under subparagraph (i), for tax years that begin on and after January 1, 2022, deduct all of the following:

(i) To the extent not deducted in determining adjusted gross income, contributions made by the taxpayer in the tax year less qualified withdrawals made in the tax year from a first-time home buyer savings account, pursuant to the Michigan first-time home buyer savings program act, 2022 PA 6, MCL 565.1001 to 565.1013, not to exceed a total deduction of \$5,000.00 for a single return or \$10,000.00 for a joint return per tax year. (iii) To the extent included in adjusted gross income, distributions that are qualified withdrawals from a first-time home buyer savings account to the qualified beneficiary of that savings account.

(dd) For tax years that begin on and after January 1, 2022, add, to the extent not included in adjusted gross income, the amount of money withdrawn by the taxpayer in the tax year from a first-time home buyer savings account, not to exceed the total amount deducted under subdivision (cc) in the tax year and all previous tax years, if the withdrawal was not a qualified withdrawal as provided in the Michigan first-time home buyer savings program act, 2022 PA 6, MCL 565.1001 to 565.1013. This subdivision does not apply to withdrawals that are less than the sum of all contributions made to a first-time home buyer savings account in all previous tax years for which no deduction was claimed under subdivision (cc), less any contributions for which no deduction was claimed under subdivision (cc) that were withdrawn in all previous tax years.

(2) Except as otherwise provided in subsection (7), and section 30a, a personal exemption of \$3,700.00 multiplied by the number of personal and dependency exemptions shall be subtracted in the calculation that determines taxable income. The number of personal and dependency exemptions allowed shall be determined as follows:

(a) Each taxpayer may claim 1 personal exemption. However, if a joint return is not made by the taxpayer and the taxpayer's spouse, the taxpayer may claim a personal exemption for the spouse if the spouse, for the calendar year in which the taxable year of the taxpayer begins, does not have any gross income and is not the dependent of another taxpayer.

(b) A taxpayer may claim a dependency exemption for each individual who is a dependent of the taxpayer for the tax year.

(c) For tax years beginning on and after January 1, 2019, a taxpayer may claim an additional exemption under this subsection in the tax year for which the taxpayer has a certificate of stillbirth from the department of health and human services as provided under section 2834 of the public health code, 1978 PA 368, MCL 333.2834.

(3) Except as otherwise provided in subsection (7), a single additional exemption determined as follows shall be subtracted in the calculation that determines taxable income in each of the following circumstances:

(a) \$1,800.00 for each taxpayer and every dependent of the taxpayer who is a deaf person as defined in section 2 of the deaf persons' interpreters act, 1982 PA 204, MCL 393.502; a paraplegic, a quadriplegic, or a hemiplegic; a person who is blind as defined in section 504; or a person who is totally and permanently disabled as defined in section 522. When a dependent of a taxpayer files an annual return under this part, the taxpayer or dependent of the taxpayer, but not both, may claim the additional exemption allowed under this subdivision.

(b) For tax years beginning after 2007, \$250.00 for each taxpayer and every dependent of the taxpayer who is a qualified disabled veteran. When a dependent of a taxpayer files an annual return under this part, the taxpayer or dependent of the taxpayer, but not both, may claim the additional exemption allowed under this subdivision. (ii) "Service-connected disability" means a disability incurred or aggravated in the line of duty in the active military, naval, or air service as described in 38 USC 101(16).

(iii) "Veteran" means an individual who served in the active military, naval, marine, coast guard, or air service and who was discharged or released from the individual's service with an honorable or general discharge.

(4) An individual with respect to whom a deduction under subsection (2) is allowable to another taxpayer during the tax year is not entitled to an exemption for purposes of subsection (2), but may subtract \$1,500.00 in the calculation that determines taxable income for a tax year.

(5) A nonresident or a part-year resident is allowed that proportion of an exemption or deduction allowed under subsection (2), (3), or (4) that the taxpayer's portion of adjusted gross income from Michigan sources bears to the taxpayer's total adjusted gross income.

(6) In calculating taxable income, a taxpayer shall not subtract from adjusted gross income the amount of prizes won by the taxpayer under the McCauley-Traxler-Law-Bowman-McNeely lottery act, 1972 PA 239, MCL 432.1 to 432.47.

(7) For each tax year beginning on and after January 1, 2013, the personal exemption allowed under subsection

(2) shall be adjusted by multiplying the exemption for the tax year beginning in 2012 by a fraction, the numerator of which is the United States Consumer Price Index for the state fiscal year ending in the tax year prior to the tax year for which the adjustment is being made and the denominator of which is the United States Consumer Price Index for the 2010-2011 state fiscal year. For the 2022 tax year and each tax year after 2022, the adjusted amount determined under this subsection shall be increased by an additional \$600.00. The resultant product shall be rounded to the nearest \$100.00 increment. For each tax year, the exemptions allowed under subsection (3) shall be adjusted by multiplying the exemption amount under subsection (3) for the tax year by a fraction, the numerator of which is the United States Consumer Price Index for the state fiscal year ending the tax year prior to the tax year for which the adjustment is being made and the denominator of which is the United States Consumer Price Index for the 1998-1999 state fiscal year. The resultant product shall be rounded to the nearest \$100.00 increment.

(8) As used in this section, "retirement or pension benefits" means distributions from all of the following:

(a) Except as provided in subdivision (d), qualified pension trusts and annuity plans that qualify under section 401(a) of the internal revenue code, including all of the following:

(i) Plans for self-employed persons, commonly known as Keogh or HR10 plans.

(ii) Individual retirement accounts that qualify under section 408 of the internal revenue code if the distributions are not made until the participant has reached 59-1/2 years of age, except in the case of death, disability, or distributions described by section 72(t)(2)(A)(iv) of the internal revenue code.

(iii) Employee annuities or tax-sheltered annuities purchased under section 403(b) of the internal revenue code by organizations exempt under section 501(c)(3) of the internal revenue code, or by public school systems.

(iv) Distributions from a 401(k) plan attributable to employee contributions mandated by the plan or attributable to employer contributions.

(b) The following retirement and pension plans not qualified under the internal revenue code:

(i) Plans of the United States, state governments other than this state, and political subdivisions, agencies, or instrumentalities of this state.

(ii) Plans maintained by a church or a convention or association of churches.

(iii) All other unqualified pension plans that prescribe eligibility for retirement and predetermine contributions and benefits if the distributions are made from a pension trust.

(c) Retirement or pension benefits received by a surviving spouse if those benefits qualified for a deduction prior to the decedent's death. Benefits received by a surviving child are not deductible.

(d) Retirement and pension benefits do not include:

(i) Amounts received from a plan that allows the employee to set the amount of compensation to be deferred and does not prescribe retirement age or years of service. These plans include, but are not limited to, all of the following:

(A) Deferred compensation plans under section 457 of the internal revenue code.

(B) Distributions from plans under section 401(k) of the internal revenue code other than plans described in subdivision (a)(iv).

(C) Distributions from plans under section 403(b) of the internal revenue code other than plans described in subdivision (a)(iii).

(ii) Premature distributions paid on separation, withdrawal, or discontinuance of a plan prior to the earliest date the recipient could have retired under the provisions of the plan.

(iii) Payments received as an incentive to retire early unless the distributions are from a pension trust.

(9) Except as otherwise provided in subsection (10) or (11), in determining taxable income under this section, the following limitations and restrictions apply:

(a) For a person born before 1946, this subsection provides no additional restrictions or limitations under subsection (1)(f).

(b) Except as otherwise provided in subdivision (c), for a person born in 1946 through 1952, the sum of the deductions under subsection (1)(f)(i), (ii), and (iv) is limited to \$20,000.00 for a single return and \$40,000.00 for a joint return. After that person reaches the age of 67, the deductions under subsection (1)(f)(i), (ii), and (iv) do not apply and that person is eligible for a deduction of \$20,000.00 for a single return and \$40,000.00 for a joint return, which deduction is available against all types of income and is not restricted to income from retirement or pension benefits. A person who takes the deduction under subsection (1)(e) is not eligible for the unrestricted deduction of \$20,000.00 for a single return and \$40,000.00 for a joint return under this subdivision.

(c) Beginning January 1, 2013 for a person born in 1946 through 1952 and beginning January 1, 2018 for a person born after 1945 who has retired as of January 1, 2013, if that person receives retirement or pension benefits from employment with a governmental agency that was not covered by the federal social security act, chapter 531, 49 Stat 620, the sum of the deductions under subsection (1)(f)(i), (ii), and (iv) is limited to \$35,000.00 for a single return and, except as otherwise provided under this subdivision, \$55,000.00 for a joint return. If both spouses filing a joint return receive retirement or pension benefits from employment with a governmental agency that was not covered by the federal social security act, chapter 531, 49 Stat 620, the sum of the deductions under subsection (1)(f)(i), (ii), and (iv) is limited to \$70,000.00 for a joint return. After that person reaches the age of 67, the deductions under subsection (1)(f)(i), (ii), and (iv) do not apply and that person is eligible for a deduction of

\$35,000.00 for a single return and \$55,000.00 for a joint return, or \$70,000.00 for a joint return if applicable, which deduction is available against all types of income and is not restricted to income from retirement or pension benefits. A person who takes the deduction under subsection (1)(e) is not eligible for the unrestricted deduction of \$35,000.00 for a single return and \$55,000.00 for a joint return, or \$70,000.00 for a joint return if applicable, under this subdivision.

(d) Except as otherwise provided under subdivision (c) for a person who was retired as of January 1, 2013, for a person born after 1952 who has reached the age of 62 through 66 years of age and who receives retirement or pension benefits from employment with a governmental agency that was not covered by the federal social security act, chapter 531, 49 Stat 620, the sum of the deductions under subsection (1)(f)(i), (ii), and (iv) is limited to \$15,000.00 for a single return and, except as otherwise provided under this subdivision, \$15,000.00 for a joint return. If both spouses filing a joint return receive retirement or pension benefits from employment with a governmental agency that was not covered by the federal social security act, chapter 531, 49 Stat 620, the sum of the deductions under subsection (1)(f)(i), (ii), and (iv) is limited to \$30,000.00 for a joint return.

(e) Except as otherwise provided under subdivision (c) or (d), for a person born after 1952, the deduction under subsection (1)(f)(i), (ii), or (iv) does not apply. When that person reaches the age of 67, that person is eligible for a deduction of \$20,000.00 for a single return and \$40,000.00 for a joint return, which deduction is available against all types of income and is not restricted to income from retirement or pension benefits. If a person takes the deduction of \$20,000.00 for a single return and \$40,000.00 for a joint return, that person shall not take the deduction under subsection (1)(f)(iii) and shall not take the personal exemption under subsection (2). That person may elect not to take the deduction of \$20,000.00 for a single return and \$40,000.00 for a joint return and elect to take the deduction under subsection (1)(f)(iii) and the personal exemption under subsection (2) if that election would reduce that person's tax liability. A person who takes the deduction under subsection (1)(e) is not eligible for the unrestricted deduction of \$20,000.00 for a single return and \$40,000.00 for a joint return under this subdivision.

(f) For a joint return, the limitations and restrictions in this subsection shall be applied based on the date of birth of the older spouse filing the joint return. If a deduction under subsection (1)(f) was claimed on a joint return for a tax year in which a spouse died and the surviving spouse has not remarried since the death of that spouse, the surviving spouse is entitled to claim the deduction under subsection (1)(f) in subsequent tax years subject to the same restrictions and limitations, for a single return, that would have applied based on the date of birth of the older of the 2 spouses. For tax years beginning after December 31, 2019, a surviving spouse born after 1945 who has reached the age of 67 and has not remarried since the death of that spouse may elect to take the deduction that is available against all types of income subject to the same limitations and restrictions as provided under this subsection based on the surviving spouse's date of birth instead of taking the deduction allowed under subsection (1)(f), for a single return, based on the date of birth of the older spouse.

(10) In determining taxable income under this section, a taxpayer may elect to deduct retirement or pension benefits as provided under subsection (1)(f) with the following limitations and restrictions or elect to apply the limitations and restrictions in subsection (9), or subsection (11) if applicable:

(a) For the 2023 tax year, a taxpayer who was born after 1945 and before 1959 may deduct an amount of retirement or pension benefits not to exceed 25% of the maximum amount of retirement or pension benefits that the taxpayer would be allowed to deduct for the tax year under subsection (1)(f)(iv) if the taxpayer's retirement or pension benefits were subject to the limitations of that subsection only.

(b) For the 2024 tax year, a taxpayer who was born after 1945 and before 1963 may deduct an amount of retirement or pension benefits not to exceed 50% of the maximum amount of retirement or pension benefits that the taxpayer would be allowed to deduct for the tax year under subsection (1)(f)(iv) if the taxpayer's retirement or pension benefits were subject to the limitations of that subsection only.

(c) For the 2025 tax year, a taxpayer who was born after 1945 and before 1967 may deduct an amount of retirement or pension benefits not to exceed 75% of the maximum amount of retirement or pension benefits that the taxpayer would be allowed to deduct for the tax year under subsection (1)(f)(iv) if the taxpayer's retirement or pension benefits were subject to the limitations of that subsection only.

(d) For the 2026 tax year and each tax year after 2026, a taxpayer may deduct retirement or pension benefits as provided under subsection (1)(f), except that the amounts deductible under subsection (1)(f)(i) and (ii) combined are subject to the same maximum amounts allowed under subsection (1)(f)(iv) for a single return and a joint return for that same tax year.

(e) For a joint return, the limitations and restrictions in this subsection shall be applied based on the date of birth of the older spouse filing the joint return. If a deduction under subsection (1)(f) was claimed on a joint return for a tax year in which a spouse died and the surviving spouse has not remarried since the death of that spouse, the surviving spouse is entitled to claim the deduction under subsection (1)(f) in subsequent tax years subject to the same restrictions and limitations under this subsection, for a single return, that would have applied based on the date of birth of the older of the 2 spouses.

(11) For tax years beginning on and after January 1, 2023, in determining taxable income under this section, a taxpayer with retirement or pension benefits received for services as a public police or fire department employee subject to 1969 PA 312, MCL 423.231 to 423.247, a state police trooper or state police sergeant subject to 1980

PA 17, MCL 423.271 to 423.287, or a corrections officer employed by a county sheriff in a county jail, work camp, or other facility maintained by a county that houses adult prisoners may elect to deduct retirement or pension benefits as provided under subsection (1)(f) without any additional limitations or restrictions or elect to apply the limitations and restrictions in subsection (9) or (10).

(12) As used in this section:

(a) "Oil and gas" means oil and gas subject to severance tax under 1929 PA 48, MCL 205.301 to 205.317.

Sec. 265.

(1) For the 1989 tax year and each tax year after 1989, a taxpayer may credit against the tax imposed by this part for the tax year an amount equal to the tax paid in any prior tax year attributable to income received by the taxpayer in any prior tax year and repaid by the taxpayer during the tax year if the taxpayer is eligible for a deduction or credit against his or her federal tax liability pursuant to section 1341 of the internal revenue code based on the repayment for the tax year. A credit under this section for a tax year is allowed only if the repayment for which a deduction or credit was taken pursuant to section 1341 of the internal revenue code is not deducted in calculating the taxpayer's adjusted gross income for the tax year.

(2) If the credit allowed under this section exceeds the tax liability of the taxpayer for the tax year, that portion of the credit that exceeds the tax liability shall be refunded.

206.266 Rehabilitation of historic resource; tax credit; plan; certification; revocation of certificate or sale of historic resource; rules; report; definitions.

Sec. 266.

(1) A qualified taxpayer with a rehabilitation plan certified after December 31, 1998 and before January 1, 2012 may credit against the tax imposed by this part the amount determined pursuant to subsection (2) for the qualified expenditures for the rehabilitation of a historic resource pursuant to the rehabilitation plan in the year in which the certification of completed rehabilitation of the historic resource is issued. Only those expenditures that are paid or incurred during the time periods prescribed for the credit under section 47(a)(2) of the internal revenue code and

any related treasury regulations shall be considered qualified expenditures.

(2) The credit allowed under this section shall be 25% of the qualified expenditures that are eligible, or would have been eligible except that the taxpayer elected to transfer the credit under subsection (12), for the credit under section 47(a)(2) of the internal revenue code if the taxpayer is eligible for the credit under section 47(a)(2) of the internal revenue code or, if the taxpayer is not eligible for the credit under section 47(a)(2) of the internal revenue code, 25% of the qualified expenditures that would qualify under section 47(a)(2) of the internal revenue code except that the expenditures are made to a historic resource that is not eligible for the credit under section 47(a)(2) of the internal revenue code, subject to both of the following:

(a) A taxpayer with qualified expenditures that are eligible for the credit under section 47(a)(2) of the internal revenue code may not claim a credit under this section for those qualified expenditures unless the taxpayer has claimed and received a credit for those qualified expenditures under section 47(a)(2) of the internal revenue code or the taxpayer has elected to transfer the credit under subsection (12).

(b) A credit under this section shall be reduced by the amount of a credit received by the taxpayer for the same qualified expenditures under section 47(a)(2) of the internal revenue code.

(3) To be eligible for the credit under this section, the taxpayer shall apply to and receive from the Michigan state housing development authority that the historic significance, the rehabilitation plan, and the completed rehabilitation of the historic resource meet the criteria under subsection (6) and either of the following:

(a) All of the following criteria:

(i) The historic resource contributes to the significance of the historic district in which it is located.

(ii) Both the rehabilitation plan and completed rehabilitation of the historic resource meet the federal secretary of the interior's standards for rehabilitation and guidelines for rehabilitating historic buildings, 36 CFR part 67.

(iii) All rehabilitation work has been done to or within the walls, boundaries, or structures of the historic resource or to historic resources located within the property boundaries of the resource.

(b) The taxpayer has received certification from the national park service that the historic resource's significance, the rehabilitation plan, and the completed rehabilitation qualify for the credit allowed under section 47(a)(2) of the internal revenue code.

(4) If a qualified taxpayer is eligible for the credit allowed under section 47(a)(2) of the internal revenue code, the qualified taxpayer shall file for certification with the authority to qualify for the credit allowed under section 47(a)(2) of the internal revenue code. If the qualified taxpayer has previously filed for certification with the authority to qualify for the credit allowed under section 47(a)(2) of the internal revenue code, additional filing for the credit allowed under this section is not required.

(5) The authority may inspect a historic resource at any time during the rehabilitation process and may revoke certification of completed rehabilitation if the rehabilitation was not undertaken as represented in the rehabilitation plan or if unapproved alterations to the completed rehabilitation are made during the 5 years after the tax year in which the credit was claimed. The authority shall promptly notify the department of a revocation.

(6) Qualified expenditures for the rehabilitation of a historic resource may be used to calculate the credit under this section if the historic resource meets 1 of the criteria listed in subdivision (a) and 1 of the criteria listed in subdivision (b):

(a) The resource is 1 of the following during the tax year in which a credit under this section is claimed for those qualified expenditures:

(i) Individually listed on the national register of historic places or state register of historic sites.

(ii) A contributing resource located within a historic district listed on the national register of historic places or the state register of historic sites.

(iii) A contributing resource located within a historic district designated by a local unit pursuant to an ordinance adopted under the local historic districts act, 1970 PA 169, MCL 399.201 to 399.215.

(b) The resource meets 1 of the following criteria during the tax year in which a credit under this section is claimed for those qualified expenditures:

(i) The historic resource is located in a designated historic district in a local unit of government with an existing ordinance under the local historic districts act, 1970 PA 169, MCL 399.201 to 399.215.

(ii) The historic resource is located in an incorporated local unit of government that does not have an ordinance under the local historic districts act, 1970 PA 169, MCL 399.201 to 399.215, and has a population of less than 5,000.

(iii) The historic resource is located in an unincorporated local unit of government.

(iv) The historic resource is located in an incorporated local unit of government that does not have an ordinance under the local historic districts act, 1970 PA 169, MCL 399.201 to 399.215, and is located within the boundaries of an association that has been chartered under 1889 PA 39, MCL 455.51 to 455.72.

(v) The historic resource is subject to a historic preservation easement.

(7) A credit amount assigned under section 39c(7) of former 1975 PA 228 or section 435 of the Michigan business tax act, 2007 PA 36, MCL 208.1435, may be claimed against the partner's, member's, or shareholder's tax liability under this part as provided in section 39c(7) of former 1975 PA 228 or section 435 of the Michigan business tax act, 2007 PA 36, MCL 208.1435.

(8) If the credit allowed under this section for the tax year and any unused carryforward of the credit allowed by this section exceed the taxpayer's tax liability for the tax year, that portion that exceeds the tax liability for the tax year shall not be refunded but may be carried forward to offset tax liability in subsequent tax years for 10 years or until used up, whichever occurs first. For projects for which a certificate of completed rehabilitation is issued for a tax year beginning after December 31, 2008 and for which the credit amount allowed is less than \$250,000.00, a qualified taxpayer may elect to forgo the carryover period and receive a refund of the amount of the credit that exceeds the qualified taxpayer's tax liability. The amount of the refund shall be equal to 90% of the amount of the credit that exceeds the qualified taxpayer's tax liability. An election under this subsection shall be made in the year that a certificate of completed rehabilitation is issued and shall be irrevocable.

(9) For tax years beginning before January 1, 2009, if a taxpayer sells a historic resource for which a credit under this section was claimed less than 5 years after the year in which the credit was claimed, the following percentage of the credit amount previously claimed relative to that historic resource shall be added back to the tax liability of the taxpayer in the year of the sale:

- (a) If the sale is less than 1 year after the year in which the credit was claimed, 100%.
- (b) If the sale is at least 1 year but less than 2 years after the year in which the credit was claimed, 80%.
- (c) If the sale is at least 2 years but less than 3 years after the year in which the credit was claimed, 60%.
- (d) If the sale is at least 3 years but less than 4 years after the year in which the credit was claimed, 40%.
- (e) If the sale is at least 4 years but less than 5 years after the year in which the credit was claimed, 20%.
- (f) If the sale is 5 years or more after the year in which the credit was claimed, an addback to the taxpayer's tax liability shall not be made.

(10) For tax years beginning before January 1, 2009, if a certification of completed rehabilitation is revoked under subsection (5) less than 5 years after the year in which a credit was claimed, the following percentage of the credit amount previously claimed relative to that historic resource shall be added back to the tax liability of the taxpayer in the year of the revocation:

- (a) If the revocation is less than 1 year after the year in which the credit was claimed, 100%.
- (b) If the revocation is at least 1 year but less than 2 years after the year in which the credit was claimed, 80%.
- (c) If the revocation is at least 2 years but less than 3 years after the year in which the credit was claimed, 60%.
- (d) If the revocation is at least 3 years but less than 4 years after the year in which the credit was claimed, 40%.
- (e) If the revocation is at least 4 years but less than 5 years after the year in which the credit was claimed, 20%.
- (f) If the revocation is 5 years or more after the year in which the credit was claimed, an addback to the taxpayer's tax liability shall not be made.

(11) For tax years beginning after December 31, 2008, if a certificate of completed rehabilitation is revoked under subsection (5) or if the historic resource is sold or disposed of less than 5 years after being placed in service as defined in section 47(b)(1) of the internal revenue code and related treasury regulations, the following percentage of the credit amount previously claimed relative to that historic resource shall be added back to the tax liability of the qualified taxpayer that received the certificate of completed rehabilitation and not the assignee in the year of the revocation:

- (a) If the revocation is less than 1 year after the historic resource is placed in service, 100%.
- (b) If the revocation is at least 1 year but less than 2 years after the historic resource is placed in service, 80%.
- (c) If the revocation is at least 2 years but less than 3 years after the historic resource is placed in service, 60%.
- (d) If the revocation is at least 3 years but less than 4 years after the historic resource is placed in service, 40%.
- (e) If the revocation is at least 4 years but less than 5 years after the historic resource is placed in service, 20%.
- (f) If the revocation is at least 5 years or more after the historic resource is placed in service, an addback to the qualified taxpayer tax liability shall not be required.

(12) A qualified taxpayer who receives a certificate of completed rehabilitation after December 31, 2008 may elect to forgo claiming the credit and transfer the credit along with the ownership of the property for which the credit may be claimed to a new owner. The new owner shall be treated as the qualified taxpayer having incurred the rehabilitation costs and shall be subject to the recapture provisions under subsection (11) if the new owner sells or disposes of the property within 5 years after the new owner acquired the property. For purposes of this subsection and subsection (11), the placed in service date for a new owner is the date the new owner acquired the property for which the credit is claimed.

(13) The authority may impose a fee to cover the administrative cost of implementing the program under this section.

(14) The qualified taxpayer shall attach all of the following to the qualified taxpayer's annual return under this part:

- (a) Certification of completed rehabilitation.
- (b) Certification of historic significance related to the historic resource and the qualified expenditures used to claim a credit under this section.

(c) A completed assignment form if the qualified taxpayer is an assignee under section 39c of former 1975 PA 228 or section 435 of the Michigan business tax act, 2007 PA 36, MCL 208.1435, of any portion of a credit allowed under that section.

(15) The authority may promulgate rules to implement this section pursuant to the administrative procedures act of 1969, 1969 PA 306, MCL 24.201 to 24.328.

(16) The total of the credits claimed under this section and section 39c of former 1975 PA 228 or section 435 of the Michigan business tax act, 2007 PA 36, MCL 208.1435, for a rehabilitation project shall not exceed 25% of the total qualified expenditures eligible for the credit under this section for that rehabilitation project.

(17) The authority shall report all of the following to the legislature annually for the immediately preceding state fiscal year:

(a) The fee schedule used by the center and the total amount of fees collected.

(b) A description of each rehabilitation project certified.

(c) The location of each new and ongoing rehabilitation project.

Admin Rule: R 206.151 et seq. of the Michigan Administrative Code.

206.266a Rehabilitation of historic resource; tax credit; plan; certification; revocation of certificate or sale of historic resource; rules; report; definitions.

Sec. 266a.

(1) Subject to the limitations under this section, a qualified taxpayer with a certificate of completed rehabilitation issued pursuant to subsection (4) after December 31, 2020 and before January 1, 2031 may credit against the tax imposed by this part the amount determined pursuant to subsection (2) for the qualified expenditures for the rehabilitation of a historic resource pursuant to the rehabilitation plan in the year in which the certificate of completed rehabilitation of the historic resource is issued. The qualified taxpayer shall initially claim a credit under this section within 5 years after the certificate of completed rehabilitation is issued pursuant to subsection (4). If the credit is not initially claimed within 5 years after the certificate is issued, the certificate is no longer valid and the qualified taxpayer is no longer eligible to claim a credit under this section for that rehabilitation plan. Only those expenditures that are paid or incurred during the time periods prescribed for the credit under section 47(a)(2) of the internal revenue code and any related treasury regulations shall be considered qualified expenditures.

(2) Subject to the limitations under this section, a qualified taxpayer that has claimed and received a credit for qualified expenditures under section 47(a)(2) of the internal revenue code or has entered into an agreement under subsection (10) may claim a credit under this section equal to 25% of the qualified expenditures that are eligible, or would have been eligible except that the qualified taxpayer entered into an agreement under subsection (10), for the credit under section 47(a)(2) of the internal revenue code or, if the qualified taxpayer is not eligible for the credit under section 47(a)(2) of the internal revenue code, 25% of the qualified expenditures that would qualify under section 47(a)(2) of the internal revenue code except that the expenditures are made to a historic resource that is not eligible for the credit under section 47(a)(2) of the internal revenue code.

(3) To be eligible for the credit under this section, a person shall submit an application and a rehabilitation plan to the state historic preservation office. Completed applications must be considered in the order in which the office received the completed applications and approved or denied within 120 days of receipt of the completed applications. If the office determines that the application is complete and the rehabilitation plan meets the criteria for a credit under this section, the office shall issue a preapproval letter to the applicant that states that the rehabilitation plan qualifies for the credit under this section and the maximum total amount of the credit reserved for which a credit may be claimed when the project is complete and a certificate of completed rehabilitation is issued for qualified expenditures pursuant to that rehabilitation plan. If an application is denied under this subsection, the applicant may file an appeal in a form and manner as prescribed by the office or subsequently reapply for the same rehabilitation plan or for another rehabilitation plan, or both. Subject to the limitations under this section, the total of all credits reserved under preapproval letters for rehabilitation plans approved under this section and section 676 shall not exceed \$5,000,000.00 per calendar year. To the extent the office receives applications for the rehabilitation of small nonresidential historic resources for credits in excess of \$2,000,000.00, not less than \$2,000,000.00 of the \$5,000,000.00 each calendar year shall be approved for small nonresidential historic resources. To the extent the office receives applications for the rehabilitation of large nonresidential historic resources for credits in excess of \$2,000,000.00, not less than \$2,000,000.00 of the \$5,000,000.00 each calendar year shall be approved for large nonresidential historic resources. To the extent the office receives applications for the rehabilitation of residential historic resources for credits in excess of \$1,000,000.00, not less than \$1,000,000.00 of the \$5,000,000.00 each calendar year shall be approved for residential historic resources. The office shall not issue a preapproval letter or certificate of completed rehabilitation that authorizes a qualified

taxpayer to claim a credit of more than \$2,000,000.00 in a single tax year for the same historic resource. If, for any calendar year, the office issues preapproval letters and reserves the maximum amount of tax credits allowed under this section for that calendar year, the office shall notify all applicants who have submitted completed applications and rehabilitation plans then awaiting approval or submitted for approval after the calculation is made that no additional preapproval letters for rehabilitation plans will be issued during that calendar year. The office shall also notify those applicants of the priority number given to the applicant's application and rehabilitation plan awaiting approval. The applications and plans will remain in priority status for 2 years from the date of the original application and plan and will be considered for approval and reservation of tax credits in the priority order established in this subsection in the event that additional credits become available resulting from the rescission of approvals under this subsection or subsection (5) and at the beginning of the next calendar year. An applicant that has received a preapproval letter shall commence rehabilitation, if it has not previously begun, within 1 year after the issuance of the preapproval letter and complete the rehabilitation plan within 8 years after the issuance of the preapproval letter or the office will rescind the preapproval letter and reallocate the amount of the credit reserved for that rehabilitation plan. Upon completion of a rehabilitation plan for which a preapproval letter was issued, the applicant shall submit to the office documentation that the rehabilitation is complete and the completed rehabilitation of the historic resource meets the criteria under subsection (6) and either of the following:

(a) All of the following criteria:

- (i) The historic resource contributes to the significance of the historic district in which it is located or is individually listed on the National Register of Historic Places or state register of historic sites.
- (ii) Both the rehabilitation plan and completed rehabilitation of the historic resource meet the federal secretary of the interior's standards for rehabilitation and guidelines for rehabilitating historic buildings, 36 CFR part 67.
- (iii) All rehabilitation work has been done to or within the walls, boundaries, or structures of the historic resource or to historic resources located within the property boundaries of the resource.

(b) The applicant has received certification from the national park service that the historic resource's significance, the rehabilitation plan, and the completed rehabilitation qualify for the credit allowed under section 47(a)(2) of the internal revenue code.

(4) The office shall verify that the rehabilitation is complete and meets the criteria under subsection (3). However, if the applicant is eligible for the credit allowed under section 47(a)(2) of the internal revenue code, additional documentation that the rehabilitation is complete for the credit allowed under this section is not required. Within 120 days after receiving verification, in a form and manner as prescribed by the office, that the rehabilitation is complete and meets the requirements of subsection (3), the office shall issue a certificate of completed rehabilitation to the applicant that states the rehabilitation plan submitted by the applicant has been completed, the amount of qualified expenditures, and the total amount of the credit allowed to be claimed by a qualified taxpayer under this section. If the amount of qualified expenditures incurred exceeds the amount of the tax credits reserved by the preapproval letter issued under subsection (3), the applicant may submit a request to the office, in a form and manner as prescribed by the office, for the issuance and approval of a certificate of completed rehabilitation in excess of the amount initially authorized in the preapproval letter. If the office determines that less than \$5,000,000.00 has been reserved under preapproval letters issued for the calendar year, after priority has been given to those notified under subsection (3), then the office may issue a certificate of completed rehabilitation in excess of the amount included in the preapproval letter.

(5) The office may inspect a historic resource at any time during the rehabilitation process and may revoke the preapproval letter or the certificate of completed rehabilitation if the rehabilitation was not undertaken as represented in the rehabilitation plan or if unapproved alterations to the completed rehabilitation are made within 5 years after the tax year in which the certificate of completed rehabilitation was issued. The office shall promptly notify the department of a revocation.

(6) Qualified expenditures for the rehabilitation of a historic resource may be used to calculate the credit under this section if the historic resource is 1 of the following during the tax year in which a credit under this section is claimed for those qualified expenditures:

(a) Individually listed on the National Register of Historic Places or state register of historic sites.

(b) A contributing resource located within a historic district listed on the National Register of Historic Places or the state register of historic sites.

(c) A contributing resource located within a historic district designated by a local unit pursuant to an ordinance adopted under the local historic districts act, 1970 PA 169, MCL 399.201 to 399.215.

(7) A person that has been issued a certificate of completed rehabilitation under subsection (4) may assign all or any portion of the credit allowed under this section. A credit assignment under this subsection is irrevocable and shall be made in the tax year in which a certificate of completed rehabilitation is issued. A qualified taxpayer may claim a portion of a credit and assign the remaining amount. If the qualified taxpayer both claims and assigns portions of the credit, the qualified taxpayer shall claim the portion it claims in the tax year in which a certificate of completed rehabilitation is issued pursuant to this section. Except as otherwise provided under this subsection, an assignee may subsequently assign the credit or any portion of the credit assigned under this subsection to 1 or more assignees. An assignment or subsequent reassignment of a credit shall be made in the year the certificate of

completed rehabilitation is issued. A credit assignment or subsequent reassignment under this section shall be made on a form prescribed by the office. The office shall review and issue a completed assignment or reassignment certificate to the assignee or reassignee. A credit amount assigned under this subsection may be claimed against the assignee's tax liability under this part or part 2. A credit amount authorized or assigned to a partnership, limited liability company, or subchapter S corporation under this section or section 676 may be claimed against the partner's, member's, or shareholder's tax liability under this part based on the partner's, member's, or shareholder's proportionate share of ownership or an alternative method approved by the office. An assignee or subsequent reassignee shall attach a copy of the completed assignment certificate to the annual return required to be filed under this part for the tax year in which the assignment or reassignment is made and the assignee or reassignee first claims the credit, which shall be the same tax year.

(8) If the credit allowed under this section for the tax year and any unused carryforward of the credit allowed by this section exceed the qualified taxpayer's tax liability for the tax year, that portion that exceeds the tax liability for the tax year shall not be refunded but may be carried forward to offset tax liability in subsequent tax years for 10 years or until used up, whichever occurs first. If a qualified taxpayer has an unused carryforward of a credit under this section, the amount otherwise added under subsection (9) to the qualified taxpayer's tax liability may instead be used to reduce the qualified taxpayer's carryforward under this section.

(9) Except as otherwise provided under subsection (10), if a certificate of completed rehabilitation is revoked under subsection (5) or if the historic resource is sold or disposed of less than 5 years after the certificate of completed rehabilitation is issued, the following percentage of the credit amount previously claimed relative to that historic resource shall be added back to the tax liability of the qualified taxpayer that received the certificate of completed rehabilitation and not the assignee in the year of the revocation:

(a) If the revocation is less than 1 year after the certificate of completed rehabilitation is issued, 100%.

(b) If the revocation is at least 1 year but less than 2 years after the certificate of completed rehabilitation is issued, 80%.

(c) If the revocation is at least 2 years but less than 3 years after the certificate of completed rehabilitation is issued, 60%.

(d) If the revocation is at least 3 years but less than 4 years after the certificate of completed rehabilitation is issued, 40%.

(e) If the revocation is at least 4 years but less than 5 years after the certificate of completed rehabilitation is issued, 20%.

(f) If the revocation is at least 5 years or more after the certificate of completed rehabilitation is issued, an addback to the qualified taxpayer tax liability is not required.

(10) Subsection (9) shall not apply if the qualified taxpayer enters into a written agreement with the office that will allow for the transfer or sale of the historic resource and provides the following:

(a) Reasonable assurance that subsequent to the transfer the property will remain a historic resource during the 5-year period after the certificate of completed rehabilitation is issued.

(b) A method that the department can recover an amount from the qualified taxpayer equal to the appropriate percentage of credit added back as described under subsection (9).

(c) An encumbrance on the title to the historic resource being sold or transferred, stating that the property must remain a historic resource throughout the 5-year period after the certificate of completed rehabilitation is issued.

(5) Instead of quarterly payments, a person subject to this section may pay an estimated annual tax for the succeeding tax year. The payment shall be made at the same time the person files the annual return for the previous full tax year.

(6) A farmer or fisherman who elects to file and pay his or her federal income tax under an alternative schedule provided in section 6654 of the internal revenue code may file and pay the tax imposed by this part in the same manner. Sec. 301a.

Notwithstanding any other provision of this part, a person required to make and file an annual return that is otherwise due on or before April 15, 2021 for the 2020 tax year under this part automatically receives an extension to file that return until May 17, 2021. Accordingly, if the Internal Revenue Service extends the federal income tax filing due date for the 2020 tax year for federal taxpayers after the effective date of the amendatory act that added this section, then the deadline under this section for a person required to make and file an annual return under this part for the 2020 tax year is also automatically extended, and that extension to file that return must coincide with that extended due date established by the Internal Revenue Service for that same tax year. A taxpayer is not subject to any interest or penalties during this extension period.

The department may require a tentative return and payment of an estimated tax.

(3) Taxpayers who are husband and wife and who file a joint federal income tax return pursuant to the internal revenue code shall file a joint return.

(4) Except as provided in subsection (5), if the taxpayer has been granted an extension or extensions of time within which to file a final federal return for a taxable year, the filing of a copy of the extension or extensions automatically extends the due date of the final return under this part for an equivalent period. The taxpayer shall remit with the copy of the extension or extensions the estimated tax due. In computing the tax due for the tax year, interest at the rate established in, and penalties imposed by, section 23 of 1941 PA 122, MCL 205.23, shall be added to the amount of tax unpaid for the period of the extension.

(5) If the taxpayer is eligible for an automatic extension of time within which to file a federal return based on service in a combat zone, the due date for filing an annual or final return or a return and payment of an estimated tax under this part is automatically extended for an equivalent period of time. The taxpayer is not required to file a copy of any federal extension, but shall print "COMBAT ZONE" in red ink at the top of his or her return when the return is filed. The taxpayer is not required to pay the amount of tax due at the time the return is originally due, and the department shall not impose any interest or penalties for the amount of tax unpaid for the period of the extension.

206.325 Furnishing copy of federal tax return and supporting schedules; filing amended return showing final alteration, modification, recomputation, or determination of deficiency; assessment of increased tax resulting from federal audit; payment of additional tax; credit or refund of overpayment; partnership audit or adjustment reporting; definitions.

Sec. 325.

(1) A taxpayer required to file a return under this part may be required to furnish a true and correct copy of any tax return or portion of any tax return and supporting schedules that the taxpayer has filed under the provisions of the internal revenue code.

(2) Except as provided in subsection (3), a taxpayer shall file an amended return with the department showing any final alteration in, or modification of, the taxpayer's federal income tax return that affects the taxpayer's taxable income under this part and of any similarly related recomputation of tax or determination of deficiency under the internal revenue code. If an increase in taxable income results from a federal audit that increases the taxpayer's federal income tax by less than \$500.00, the requirement under this subsection to file an amended return does not apply but the department may assess an increase in tax resulting from the audit. The amended return must be filed within 180 days after the final determination date. If the department finds upon all the facts that an additional tax under this part is owing, the taxpayer shall immediately pay the additional tax. If the department finds that the taxpayer has overpaid the tax imposed by this part, a credit or refund of the overpayment must immediately be made as provided in section 30 of 1941 PA 122, MCL 205.30. This subsection does not apply to the reporting of a final federal adjustment arising from a partnership level audit or an administrative adjustment request required to be reported under chapter 18.

(3) For tax years that begin on and after January 1, 2018, a partnership that is not subject to chapter 18, but has determined that the partners' share of income, deductions, and credits previously reported to its partners and included in a return filed under this part requires adjustment, may, at the discretion of the department, file a report with the department and pay the tax due or claim a refund on behalf of its partners in a manner similar to the process set forth in chapter 18. Any refund issued to the partnership under this subsection is in lieu of any overpayment of taxes that may be claimed by the partners.

(4) As used in this section:

(a) "Administrative adjustment request", "final federal adjustment", and "partnership level audit" mean those terms as defined in section 721.

(b) "Final determination date" means the following:

(i) Except as provided in subparagraphs (ii) and (iii), if the federal adjustment arises from an IRS audit or other action by the IRS, the final determination date is the first day on which no federal adjustments arising from that audit or other action remain to be finally determined, whether by IRS decision with respect to which all rights of appeal have been waived or exhausted, by agreement, or, if appealed or contested, by a final decision with respect to which all rights of appeal have been waived or exhausted. For agreements required to be signed by the IRS and the taxpayer, the final determination date is the date on which the last party signed the agreement.

(ii) For federal adjustments arising from an IRS audit or other action by the IRS, if the taxpayer is a member of a unitary business group and required to file a combined return under section 691, the final determination date means the first day on which no related federal adjustments arising from that audit or other action remain to be finally determined, as described in subparagraph (i), for the entire unitary business group.

(iii) If the federal adjustment results from filing an amended federal return, a federal refund claim, or an administrative adjustment request or if the federal adjustment is reported on an amended federal return or other similar report filed under section 6225(c) of the internal revenue code, the final determination date means the day on which the amended return, refund claim, administrative adjustment request, or other similar report was filed.

206.520 Credit for property taxes on homestead; credit for person renting or leasing homestead; credit in excess of tax liability due; assignment of claim to mortgagor by senior citizen for rent reduction; eligibility to claim credit on property rented or leased as credit for person receiving aid to families with dependent children, state family assistance, or state disability assistance payments; reduction of credit for claimant whose household income exceeds certain amount; adjustment; credit claimable by senior citizen; limitations; rules; form; determining qualification to claim credit after move to different rented or leased homestead; reduction of claim for return of less than 12 months; total credit allowed by section and MCL 206.522; "United States consumer price index" defined.

Sec. 520.

(1) Subject to the limitations and the definitions in this chapter, a claimant may claim against the tax due under this part for the tax year a credit for the property taxes on the taxpayer's homestead deductible for federal income tax purposes pursuant to section 164 of the internal revenue code, or that would have been deductible if the claimant had not elected the zero bracket amount or if the claimant had been subject to the federal income tax. The property taxes used for the credit computation shall not be greater than the amount levied for 1 tax year. An owner is not eligible for a credit under this section if the taxable value of his or her homestead excluding the portion of a parcel of real property that is unoccupied and classified as agricultural for ad valorem tax purposes in the year for which the credit is claimed is greater than \$135,000.00 through the 2021 tax year. Beginning with the 2021 tax year and each tax year after 2021, the taxable value cap under this subsection for the immediately preceding tax year shall be adjusted by the percentage increase in the United States consumer price index for the immediately preceding calendar year and rounded to the nearest \$100.00 increment. The department shall annualize the amount in this subsection as necessary. As used in this subsection, "taxable value" means that value determined under section 27a of the general property tax act, 1893 PA 206, MCL 211.27a.

(2) A person who rents or leases a homestead may claim a similar credit computed under this section and section 522 based upon 20% of the gross rent paid for tax years before the 2018 tax year or 23% of the gross rent paid for tax years after the 2017 tax year. A person who rents or leases a homestead subject to a service charge in lieu of ad valorem taxes as provided by section 15a of the state housing development authority act of 1966, 1966 PA 346, MCL 125.1415a, may claim a similar credit computed under this section and section 522 based upon 10% of the gross rent paid.

(3) If the credit claimed under this section and section 522 exceeds the tax liability for the tax year or if there is no tax liability for the tax year, the amount of the claim not used as an offset against the tax liability shall, after examination and review, be approved for payment, without interest, to the claimant. In determining the amount of the payment under this subsection, withholdings and other credits shall be used first to offset any tax liabilities.

(4) If the homestead is an integral part of a multipurpose or multidwelling building that is federally aided housing or state aided housing, a claimant who is a senior citizen entitled to a payment under subsection (2) may assign the right to that payment to a mortgagor if the mortgagor reduces the rent charged and collected on the claimant's homestead in an amount equal to the tax credit payment provided in this chapter. The assignment of the claim is valid only if the Michigan state housing development authority, by affidavit, verifies that the claimant's rent has been so reduced.

(5) Only the renter or lessee shall claim a credit on property that is rented or leased as a homestead.

(6) A person who discriminates in the charging or collection of rent on a homestead by increasing the rent charged or collected because the renter or lessee claims and receives a credit or payment under this chapter is guilty of a misdemeanor. Discrimination against a renter who claims and receives the credit under this section and section 522 by a reduction of the rent on the homestead of a person who does not claim and receive the credit is a misdemeanor. If discriminatory rents are charged or collected, each charge or collection of the higher or lower payment is a separate offense. Each acceptance of a payment of rent is a separate offense.

(7) A person who received aid to families with dependent children, state family assistance, or state disability assistance pursuant to the social welfare act, 1939 PA 280, MCL 400.1 to 400.119b, in the tax year for which the person is filing a return shall have a credit that is authorized and computed under this section and section 522 reduced by an amount equal to the product of the claimant's credit multiplied by the quotient of the sum of the claimant's aid to families with dependent children, state family assistance, and state disability assistance for the tax year divided by the claimant's total household resources. The reduction of credit shall not exceed the sum of the aid to families with dependent children, state family assistance, and state disability assistance for the tax year. For the purposes of this subsection, aid to families with dependent children does not include child support payments that offset or reduce payments made to the claimant.

(8) For tax years before the 2018 tax year, a credit under subsection (1) or (2) shall be reduced by 10% for each

claimant whose total household resources exceed the minimum total household resources amount of \$41,000.00 and by an additional 10% for each increment of \$1,000.00 of total household resources in excess of \$41,000.00. Except as otherwise provided under this subsection, for the 2018 tax year and each tax year after 2018, the minimum total household resources amount is \$51,000.00. For the 2018 tax year and each tax year after 2018, a credit under subsection (1) or (2) shall be reduced by 10% for each claimant whose total household resources exceed the minimum total household resources amount established under this subsection and by an additional 10% for each increment of \$1,000.00 of total household resources in excess of the minimum total household resources amount for that tax year. For the 2021 tax year and each tax year after 2021, the minimum total household resources threshold amount established under this subsection for the immediately preceding tax year shall be adjusted by the percentage increase in the United States consumer price index for the immediately preceding calendar year and rounded to the nearest \$100.00 increment.

(9) If the credit authorized and calculated under this section and section 522 and adjusted under subsection (7) or (8) does not provide to a senior citizen who rents or leases a homestead that amount attributable to rent that constitutes more than 40% of the total household resources of the senior citizen, the senior citizen may claim a credit based upon the amount of total household resources attributable to rent as provided by this section.

(10) A senior citizen whose gross rent paid for the tax year is more than the percentage of total household resources specified in subsection (9) for the respective tax year may claim a credit for the amount of rent paid that constitutes more than the percentage of the total household resources of the senior citizen specified in subsection (9) and that was not provided to the senior citizen by the credit computed pursuant to this section and section 522 and adjusted pursuant to subsection (7) or (8).

(11) The department may promulgate rules to implement subsections (9) to (15) and may prescribe a table to allow a claimant to determine the credit provided under this section and section 522 in the instruction booklet that accompanies the respective income tax or property tax credit forms used by claimants.

(12) A senior citizen may claim the credit under subsections (9) to (15) on the same form as the property tax credit permitted by subsection (2). The department shall adjust the forms accordingly.

(13) A senior citizen who moves to a different rented or leased homestead shall determine, for 2 tax years after the move, both his or her qualification to claim a credit under subsections (9) to (15) and the amount of a credit under subsections (9) to (15) on the basis of the annualized final monthly rental payment at his or her previous homestead, if this annualized rental is less than the senior citizen's actual annual rental payments.

(14) For a return of less than 12 months, the claim for a credit under subsections (9) to (15) shall be reduced proportionately.

(15) For tax years before the 2018 tax year, the total credit allowed by this section and section 522 shall not exceed \$1,200.00 per year. Except as otherwise provided under this subsection, for the 2018 tax year and each tax year after 2018, the total credit allowed by this section and section 522 shall not exceed \$1,500.00 per year. Beginning with the 2021 tax year and each tax year after 2021, the maximum amount of the credit allowed under this section and section 522 for the immediately preceding tax year shall be adjusted by the percentage increase in the United States consumer price index for the immediately preceding calendar year. The department shall round the amount to the nearest \$100.00 increment.

(16) As used in this section, "United States consumer price index" means the United States consumer price index for all urban consumers as defined and reported by the United States Department of Labor, Bureau of Labor Statistics.

(xi) For a claimant with total household resources of more than \$30,000.00, an amount equal to 60% of the difference between the property taxes on the homestead or the credit for rental of the homestead for the tax year and 3.5% of total household resources for tax years before the 2018 tax year or 3.2% of total household resources for the 2018 tax year and each tax year after 2018.

(c) A claimant who is a senior citizen with total household resources of \$21,000.00 or less or a paraplegic,

hemiplegic, or quadriplegic and for tax years that begin after December 31, 1999, a claimant who is totally and permanently disabled, deaf, or, for tax years that begin after December 31, 2012, blind is entitled to a credit against the state income tax liability for the amount by which the property taxes on the homestead, the credit for rental of the homestead, or a service charge in lieu of ad valorem taxes as provided by section 15a of the state housing development authority act of 1966, 1966 PA 346, MCL 125.1415a, for the tax year exceeds the percentage of the claimant's total household resources for that tax year computed as follows:

Total household resources	Percentage
Not over \$3,000.00	.0%
Over \$3,000.00 but not over \$4,000.00	1.0%
Over \$4,000.00 but not over \$5,000.00	2.0%
Over \$5,000.00 but not over \$6,000.00	3.0%
Over \$6,000.00 for tax years before the 2018 tax year	3.5%
Over \$6,000.00 for tax years after the 2017 tax year	3.2%

(d) A claimant who is an eligible serviceperson, eligible veteran, or eligible widow or widower is entitled to a credit against the state income tax liability for a percentage of the property taxes on the homestead for the tax year not in excess of 100% determined as follows:

(i) Divide the taxable value allowance specified in section 506 by the taxable value of the homestead or, if the eligible serviceperson, eligible veteran, or eligible widow or widower leases or rents a homestead, divide 20% of the total annual rent paid for tax years before the 2018 tax year or 23% of the total annual rent paid for tax years after the 2017 tax year on the property by the property tax rate on the property.

(ii) Multiply the property taxes on the homestead by the percentage computed in subparagraph (i).

(e) A claimant who is blind is entitled to a credit against the state income tax liability for a percentage of the property taxes on the homestead for the tax year determined as follows:

(i) If the taxable value of the homestead is \$3,500.00 or less, 100% of the property taxes.

(ii) If the taxable value of the homestead is more than \$3,500.00, the percentage that \$3,500.00 bears to the taxable value of the homestead.

(2) A person who is qualified to make a claim under more than 1 classification shall elect the classification under which the claim is made.

(3) Only 1 claimant per household for a tax year is entitled to the credit, unless both the husband and wife filing a joint return are blind, then each shall be considered a claimant.

(4) As used in this section, "totally and permanently disabled" means disability as defined in section 216 of title II of the social security act, 42 USC 416.

(5) A senior citizen who has total household resources for the tax year of \$6,000.00 or less and who for 1973 received a senior citizen homestead exemption under former section 7c of the general property tax act, 1893 PA 206, may compute the credit against the state income tax liability for a percentage of the property taxes on the homestead for the tax year determined as follows:

(a) If the taxable value of the homestead is \$2,500.00 or less, 100% of the property taxes.

(b) If the taxable value of the homestead is more than \$2,500.00, the percentage that \$2,500.00 bears to the taxable value of the homestead.

(6) For a return of less than 12 months, the claim shall be reduced proportionately.

(7) The department may prescribe tables that may be used to determine the amount of the claim.

(8) The total credit allowed in this section for each year shall not exceed the amount determined under section 520.

(9) The total credit allowable under this part and part 361 of the natural resources and environmental protection act, 1994 PA 451, MCL 324.36101 to 324.36117, shall not exceed the total property tax due and payable by the claimant in that year. The amount by which the credit exceeds the property tax due and payable shall be deducted from the credit claimed under part 361 of the natural resources and environmental protection act, 1994 PA 451, MCL 324.36101 to 324.36117.

The right may be exercised on behalf of a claimant by an agent, guardian, attorney-in-fact, executor or administrator, or other persons charged with the care of the person or property of a claimant. When a claimant dies before he could have filed or after having filed a timely claim, the amount thereof may be paid to another member of the household or to the mortgagor of the state or federally aided housing, which is a multipurpose or multidwelling building, who has reduced the rent on the claimant's homestead because of the tax credit and payment provided in this chapter as determined by the department. If the claimant was the only member of his household and was not renting his homestead in a multipurpose or multidwelling building that is state or federally aided housing, the claim shall be paid to his executor or administrator, but if neither is appointed within 2 years after the filing of the claim, the amount of the claim shall escheat to the state.

206.527a Credit for heating fuel costs for homestead; home weatherization assistance; study; rules; direct vendor payments by department of health and human services; federal appropriation; methods of improving processing of claims; reporting requirements; definitions.

Sec. 527a.

(1) Subject to subsections (18) and (19), a claimant may claim a credit for heating fuel costs for the claimant's homestead in this state. An adult foster care home, nursing home, home for the aged, or substance abuse center is not a homestead for purposes of this section. The credit shall be determined in the following manner:

(a) Subject to subsections (18) and (19), the following table shall be used for the computation of a credit as computed under subdivision (c):

Exemptions	0 or 1	2	3	4	5	6 or more
Credit	\$272	\$326	\$379	\$450	\$525	\$601 + \$76 for each exemption over 6

(b) The amounts in the table in subdivision (a) shall be adjusted each year as necessary by the department so that a claimant with total household resources of less than 110% of the federal poverty income standards as defined and determined annually by the United States Office of Management and Budget is not denied a credit.

(c) A claimant shall receive the greater of the credit amount as determined in subparagraph (i) or (ii):

(i) Subtract 3.5% of the claimant's total household resources from the amount specified in subdivision (a) that corresponds with the number of exemptions claimed in the return filed under this part, except that the number of exemptions for purposes of this subdivision shall not exceed the actual number of individuals living in the household plus the additional personal exemptions allowed under section 30, and any dependency exemptions for individuals living in the household under a custodial arrangement, even if the exemptions may not be claimed for other income tax purposes. For a claimant whose heating costs are included in his or her rent, multiply the result of the preceding calculation by 50%.

(ii) Subject to subsection (2), for a claimant whose total household resources do not exceed the maximum specified in the following table, as adjusted, that corresponds with the number of exemptions claimed in the return filed under this part, subtract 11% of claimant's total household resources from the total cost incurred by a claimant for heating fuel from a heating fuel provider during the 12 consecutive monthly billing periods ending in October of the tax year, and multiply the resulting amount by 70%:

Exemptions	0 or 1	2	3	4	5	For each exemption over 5, add \$2,441.00 to the maximum total household resources
------------	--------	---	---	---	---	--

Maximum

Total

Household

Resources \$7,060 \$9,501 \$11,943 \$14,382 \$16,824

(d) The maximum cost incurred by a claimant for heating fuel during a tax year shall be adjusted by multiplying the maximum cost for the immediately preceding tax year by the percentage by which the average all urban Detroit

Consumer Price Index for fuels and other utilities for the 12 months ending August 31 of the tax year for which the credit is claimed exceeds that index's average for the 12 months ending on August 31 of the previous tax year, but not more than 10%. That product shall be added to the maximum cost of the immediately preceding tax year and then rounded to the nearest whole dollar. That dollar amount is the new maximum cost for the current tax year. If the claimant received any credits to his or her heating bill during the tax year, as provided for in subsection (6), the credits shall be treated as costs incurred by the claimant.

(e) The maximum total household resources specified in subdivision (c)(ii) shall be adjusted by multiplying the respective maximum total household resources for the immediately preceding tax year by the percentage by which the average all urban Detroit Consumer Price Index for all items for the 12 months ending August 31 of the tax year for which the credit is claimed exceeds that index's average for the 12 months ending on August 31 of the immediately preceding tax year, but not more than 10%. That product shall be added to the immediately preceding tax year's respective maximum total household resources and then rounded to the nearest whole dollar. That dollar amount is the new maximum level for total household resources for the then current tax year.

(2) An enrolled heating fuel provider shall notify each of its customers, not later than December 15 of each year, of the availability, upon request, of the information necessary for determining the credit under this section. For a claimant for whom, at the time of filing, the department of health and human services is making direct vendor payments to an enrolled heating fuel provider, the enrolled heating fuel provider that accepts the direct payments shall provide the information necessary to determine the credit before February 1 of each year. If an enrolled heating fuel provider refuses or fails to provide to a customer the information required to determine the credit, or if the claimant is not a customer of an enrolled heating fuel provider, a claimant may determine the credit provided in subsection (1)(c)(ii) based on his or her own records.

(3) A credit claimed on a return that covers a period of less than 12 months shall be calculated based on subsection (1)(c)(i) and shall be reduced proportionately.

(4) The allowable amount of the credit under this section shall be remitted to the claimant, other than a claimant whose heating costs are included in his or her rent, in the form of an energy draft that states the name of the claimant and is issued by the department. For a claimant for whom, at the time of filing, the department of health and human services has identified the enrolled heating fuel provider or is making direct vendor payments to an enrolled heating fuel provider, the department shall send the energy draft directly to the claimant's enrolled heating fuel provider, as identified by the claimant. If the department establishes a program or pilot program for the direct payment of energy drafts to enrolled heating fuel providers, enrolled heating fuel providers may submit to the department, in a manner prescribed by the department, the names of their customers who are claimants. If a claimant whose name has been submitted meets the standards established by the department, the department shall send that claimant's energy draft directly to the claimant's enrolled heating fuel provider. If the enrolled heating fuel provider submits names of claimants who are not its customers and the energy drafts of any of those claimants are sent to the enrolled heating fuel provider, the enrolled heating fuel provider shall return the energy drafts or pay the value of the energy drafts to the department plus interest on the amount of the energy drafts at the rate calculated under section 23 of 1941 PA 122, MCL 205.23, for deficiencies in tax payments. Except as provided in subsection (5), after July 31, a refundable credit for a prior tax year may be paid in the form of a negotiable warrant. The energy draft shall be negotiable only through the claimant's enrolled heating fuel provider upon remittance by the claimant.

(5) If a claimant received home heating assistance from the department of health and human services, a governmental agency, or a nonprofit organization 12 months prior to remitting an energy draft to the claimant's enrolled heating fuel provider and the amount of the energy draft is greater than the total of outstanding bills incurred by the claimant with the enrolled heating fuel provider as of the date that the energy draft was remitted to the enrolled heating fuel provider, the enrolled heating fuel provider shall first apply the full amount of the energy draft to the claimant's outstanding bills and then apply any remaining amount to subsequent bills of the claimant until the full amount of the energy draft is used up or the expiration of 9 months after the date on which the energy draft was first applied to cover the claimant's outstanding bills. If there is any remaining energy draft amount at the end of the 9-month period, or if before the end of the 9-month period the claimant is no longer a customer of the enrolled heating fuel provider, the enrolled heating fuel provider shall remit the remaining amount to the claimant in the form of a fully negotiable check within 14 days after the end of the 9-month period or 14 days after the termination of services, whichever occurs sooner. If the claimant did not receive home heating assistance from the department of health and human services, a governmental agency, or a nonprofit organization 12 months prior to remitting an energy draft, the claimant, by checking the appropriate box to be included on the energy draft or application for participation with an enrolled heating fuel provider, may request from the enrolled heating fuel provider a payment equal to the amount of the energy draft less the amount of the outstanding bills. The enrolled heating fuel provider shall issue the payment within 14 days after the claimant's request. For purposes of this subsection, home heating assistance does not include the credit allowed under this section.

(6) If a claimant whose energy draft exceeds his or her outstanding bills does not request a payment from an enrolled heating fuel provider under subsection (5), an energy draft remitted to an enrolled heating fuel provider shall be applied upon receipt to the claimant's designated account. The energy draft may be used to cover

outstanding bills that the claimant has incurred with the enrolled heating fuel provider and to cover subsequent heating costs until the full amount of the energy draft is used or until 1 year after the date on which the energy draft is first applied to the claimant's designated account. If a credit amount remains from this energy draft after the 1-year period, or if prior to the end of the 1-year period a claimant is no longer a customer of the enrolled heating fuel provider, the heating fuel provider shall remit the remaining unused portion to the claimant in the form of a fully negotiable check within 14 days after the end of the 1-year period or within 14 days after termination of service, whichever is sooner.

(7) A claimant who is no longer a resident of this state, who is not a customer of an enrolled heating fuel provider, or whose heating fuel provider refuses to accept an energy draft shall return the energy draft to the department and request the issuance of a negotiable warrant. A claimant may return an energy draft to the department and request issuance of a negotiable warrant if the energy draft is impractical because the claimant has already purchased his or her energy supply for the year and does not have an outstanding obligation to an enrolled heating fuel provider. The department may honor that request if it agrees that the use of the energy draft is impractical. The department shall issue the warrant within 14 days after receiving the energy draft from the claimant.

(8) The enrolled heating fuel provider shall bill the department for credit amounts that have been applied to claimant accounts pursuant to subsection (6), and the department shall pay the bills within 14 days of receipt. The billing shall be accompanied by the energy drafts for which reimbursement is claimed.

(9) A claimant whose heating fuel is provided by a utility regulated by the Michigan public service commission is protected against the discontinuance of his or her heating fuel service from the date of filing a claim for the credit under this section through the date of issuance of an energy draft and during a period beginning December 1 of the tax year for which the credit is claimed and ending March 31 of the following year if the claimant participates in the winter protection program set forth in R 460.131 of the Michigan Administrative Code or if the utility accepts the claimant's energy draft. The acceptance of an energy draft by a utility is considered a request by the claimant for the winter protection program. The energy draft shall be coded by the department to denote claimants who are 65 years of age or older. If the claimant is a claimant whose heating cost is included in his or her rent payments, the amount of the claim not used as an offset against the state income tax, after examination and review, shall be approved for payment, without interest, to the claimant.

(10) If an enrolled heating fuel provider does not issue a payment or a negotiable check within 14 days or as otherwise provided in subsection (5) or (6), beginning on the fifteenth day or the fifteenth day after the expiration of the 9-month period under subsection (5), the amount due to the claimant is increased by adding interest computed on the basis of the rate of interest prescribed for delayed refunds of excess tax payments in section 30(3) of 1941 PA 122, MCL 205.30. The enrolled heating fuel provider shall pay the interest and shall not bill the interest to or be reimbursed for the interest by the department.

(11) Only the renter or lessee shall claim a credit on property that is rented or leased as a homestead. Only 1 credit may be claimed for a household. The credit under this section is in addition to other credits to which the claimant is entitled under this part. An individual who is a full-time student at a school, community college, or college or university and who is claimed as a dependent by another individual is not eligible for the credit provided by this section. A claimant who shares a homestead with other eligible claimants shall prorate the credit by the number of claimants sharing the homestead.

(12) A claimant who is eligible for the credit provided by this section shall be referred by the department to the appropriate state agency for determination of eligibility for home weatherization assistance and shall accept weatherization assistance if eligible and if assistance is available. A heating fuel provider that is required by the Michigan public service commission to participate in the residential conservation services home energy analysis program shall annually contact each claimant to whom it provides heating fuel, and whose usage exceeds 200,000 cubic feet of natural gas or 18,000 kilowatt hours of electricity annually, and shall offer to provide a home energy analysis at no cost to the claimant. A heating fuel provider that is not required to participate in the residential conservation services program shall not be required to conduct a home energy analysis for its customers. For all rental properties that are weatherized pursuant to this section, each agency that determines eligibility for weatherization assistance shall require that not less than 25% of the total cost of the weatherization services for that property shall be contributed by the property owner unless the property owner is also eligible for weatherization assistance or is a nonprofit organization, governmental agency, or municipal corporation.

(13) If an enrolled heating fuel provider is regulated by the Michigan public service commission, the Michigan public service commission may use an enforcement method authorized by law or rule to enforce the requirements prescribed by this section on the enrolled heating fuel provider. If an enrolled heating fuel provider is not regulated by the Michigan public service commission, the department of health and human services may use an enforcement method authorized by law or rule to enforce the requirements prescribed by this section on the enrolled heating fuel provider.

(14) The department shall mail a home heating credit return to every individual who received assistance through the department of health and human services pursuant to the social welfare act, 1939 PA 280, MCL 400.1 to 400.119b, during the tax year.

(15) The department shall complete a study by August 1 of each year, of the actual heating costs of each claimant who received a credit from the department under this section for the immediately preceding tax year.

(16) The department may promulgate rules necessary to administer this section pursuant to the administrative procedures act of 1969, 1969 PA 306, MCL 24.201 to 24.328.

(17) The department shall provide a simplified procedure for claiming the credit under this section for claimants for whom, at the time of filing, the department of health and human services is making direct vendor payments to an enrolled heating fuel provider.

(18) The credit under this section is allowed only if there has been a federal appropriation for the federal fiscal year beginning in the tax year of federal low income home energy assistance program block grant funds of any amount. If the amount of federal low income home energy assistance program block grant funds available for the home heating credit is less than the full home heating credit amount, each individual credit claimed under this section shall be reduced by multiplying the credit amount by a fraction, the numerator of which is the amount available for the home heating credit and the denominator of which is the full home heating credit amount. As used in this subsection, "amount available for the home heating credit" means the sum of the federal low income home energy assistance program block grant allotment for this state for the federal fiscal year beginning in the tax year and the amount as certified by the director of the department of health and human services carried forward from the immediately preceding fiscal year for the low income home energy assistance program block grant minus the sum of the amount certified by the director of the department of health and human services for administration of the low income home energy assistance program block grant, the amount certified by the director of the department of health and human services for crisis assistance programs, and the amount certified by the director of the department of health and human services for weatherization. For the 2014-2015 fiscal year and continuing through the 2026-2027 fiscal year, the amount used for weatherization each fiscal year shall be determined as provided under this subsection. If the total federal low income home energy assistance program block grant received for the current fiscal year is greater than or equal to 90% of the amount of block grant funds received in the immediately preceding fiscal year, then the amount of federal low income home energy assistance program block grant funds used for weatherization for that fiscal year shall be at least \$6,000,000.00 but not greater than 15% of the total federal low income home energy assistance program block grant funds received for that fiscal year. If the total federal low income home energy assistance program block grant received for the current fiscal year is less than 90% of the amount of block grant funds received in the immediately preceding fiscal year, then the amount of federal low income home energy assistance program block grant funds used for weatherization for that fiscal year shall be at least \$5,000,000.00 but not greater than 15% of the total federal low income home energy assistance program block grant funds received for that fiscal year. The amounts under this subsection that require certification by the director of the department of health and human services or by the state treasurer and the director of the department of technology, management, and budget shall be certified on or before December 30 of the tax year and each tax year thereafter. As used in this subsection, "full home heating credit amount" means the amount certified by the state treasurer and the director of the department of technology, management, and budget to be the estimated amount of the credits that would have been provided under this section for the tax year if no reduction as provided in this subsection were made for that tax year.

(19) A claimant who claims a credit under this section shall not report the credit amount on the claimant's income tax return filed under this part as an offset against the tax imposed by this part, but shall claim the credit on a separate form prescribed by the department. A credit claimed under this section shall not be allowed unless the claim for the credit is filed with the department on or before the September 30 immediately following the tax year for which the credit is claimed. For tax years after the 2017 tax year, a credit claimed under this section is not allowed unless the claimant provides the department with all of the information, as requested by the department of health and human services, necessary to comply with the requirements of the federal appropriation of the federal low income home energy assistance program block grant. The department shall disclose the information provided under this subsection to the department of health and human services or the United States Department of Health and Human Services or its successor. The confidentiality restrictions provided in section 28(1)(f) of 1941 PA 122, MCL 205.28, do not apply to the disclosure required by this subsection.

(20) Notwithstanding section 30a of 1941 PA 122, MCL 205.30a, the credit allowed under this section is exempt from interception, execution, levy, attachment, garnishment, or other legal process to collect a debt. No portion of the credit allowed or any rights existing under this section shall be applied as an offset to any liability of the claimant under section 30a of 1941 PA 122, MCL 205.30a, or any arrearage or other debt of the claimant.

(21) The department shall meet with interested parties including enrolled heating fuel providers and advocacy groups to identify and implement methods of improving the processing of claims for the credit allowed under this section and payments attributable to those credits.

(22) By July 1, 2018 and by each July 1 thereafter, the department of health and human services shall submit a report on the operation and effectiveness of the home heating and weatherization assistance programs under this section and any recommendations regarding the home heating and weatherization assistance programs to all of the following:

(a) The chairpersons and vice-chairpersons of the senate and house of representatives appropriations committees.

- (b) The senate and house of representatives committees on taxation and finance related issues.
- (c) The senate and house of representatives committees on energy and technology related issues.
- (23) As used in this section:

(a) "Claimant whose heating costs are included in his or her rent" means a claimant whose rent includes the cost of heat at the time the claim for the credit under this section is filed.

(b) "Enrolled heating fuel provider" means a heating fuel provider that is enrolled with the department of health and human services as a heating fuel provider.

(c) "Heating fuel provider" means an individual or entity that provides a claimant with heating fuel or electricity for heating purposes.

(a) The financial institution is subject to a business privilege tax, a net income tax, a franchise tax measured by net income, a franchise tax for the privilege of doing business, or a corporate stock tax or a tax of the type imposed under this part in that state.

(b) That state has jurisdiction to subject the financial institution to 1 or more of the taxes listed in subdivision (a) regardless of whether that state does or does not subject the financial institution to that tax.

(3) Except as otherwise provided in subsection (4), the gross business factor is a fraction, the numerator of which is the total gross business of the financial institution in this state during the tax year and the denominator of which is the total gross business of the financial institution everywhere during the tax year.

(4) Except as otherwise provided under this subsection, for a financial institution that is included in a unitary business group, gross business includes gross business in this state of every financial institution included in the unitary business group without regard to whether the financial institution has nexus in this state. Gross business between financial institutions included in a unitary business group must be eliminated in calculating the gross business factor.

History: Add. 2011, Act 38, Eff. Jan. 1, 2012

206.659 Financial institution; gross business in state; determination.

Sec. 659.

Gross business in this state of the financial institution is determined as follows:

(iii) For a loan secured by real property, if more than 50% of the fair market value of the real property for which the loan is secured is not located within any 1 state but the borrower is located in this state.

(iv) For a loan not secured by real property, the borrower is located in this state.

(e) Receipts from services are in this state if the recipient of the services receives all of the benefit of the services in this state. If the recipient of the services receives some of the benefit of the services in this state, the receipts are included in the numerator of the apportionment factor in proportion to the extent that the recipient receives benefit of the services in this state.

(f) Receipts from investment assets and activities and trading assets and activities, including interest and dividends, are in this state if the financial institution's customer is in this state. If the location of the financial institution's customer cannot be determined, both of the following apply:

(i) Interest, dividends, and other income from investment assets and activities and from trading assets and activities, including, but not limited to, investment securities; trading account assets; federal funds; securities purchased and sold under agreements to resell or repurchase; options; futures contracts; forward contracts; notional

(g) Interest charged to customers for carrying debit balances on margin accounts without deduction of any costs incurred in carrying the accounts is in this state if the customer is located in this state.

(h) Interest from loans secured by real property is in this state if the property is located in this state, if the property is located both within this state and 1 or more other states and more than 50% of the fair market value of the real property is located in this state, or if more than 50% of the fair market value of the real property is not located within any 1 state but the borrower is located in this state.

(i) Interest from loans not secured by real property is in this state if the borrower is located in this state.

(j) Net gains from the sale of loans secured by real property or mortgage service rights relating to real property are in this state if the property is in this state, if the property is located both within this state and 1 or more other states and more than 50% of the fair market value of the real property is located within this state, or if more than 50% of the fair market value of the real property is not located in any 1 state but the borrower is located in this state.

(k) Net gains from the sale of loans not secured by real property or any other intangible assets are in this state if the depositor or borrower is located in this state.

CHAPTER 14

206.661 Tax base; apportionment; taxpayer subject to tax within state, within and outside state, or in another state.

Sec. 661.

(1) Except as otherwise provided in this part, the tax base established under this part shall be apportioned in accordance with this chapter.

(2) The tax base of a taxpayer whose business activities are confined solely to this state shall be allocated to this state. The tax base of a taxpayer whose business activities are subject to tax both within and outside of this state shall be apportioned to this state by multiplying the tax base by the sales factor calculated under section 663. For a taxpayer that has a direct, or indirect through 1 or more other flow-through entities, ownership interest or beneficial interest in a flow-through entity, the taxpayer's business income that is directly attributable to the business activity of the flow-through entity shall be apportioned to this state using an apportionment factor determined under section 663 based on the business activity of the flow-through entity unless the flow-through entity is unitary with the taxpayer for apportionment purposes as provided under section 663.

(3) A taxpayer is subject to tax in another state in either of the following circumstances:

(a) The taxpayer is subject to a business privilege tax, a net income tax, a franchise tax measured by net income, a franchise tax for the privilege of doing business, or a corporate stock tax.

(b) That state has jurisdiction to subject the taxpayer to 1 or more of the taxes listed in subdivision (a) regardless of whether that state does or does not subject the taxpayer to that tax.

History: Add. 2011, Act 38, Eff. Jan. 1, 2012 ;-- Am. 2011, Act 191, Eff. Jan. 1, 2012 ;-- Am. 2011, Act 310, Eff. Jan. 1, 2012

206.663 Sales factor.

Sec. 663.

(1) Except as otherwise provided in subsection (2) and section 669, the sales factor is a fraction, the numerator of which is the total sales of the taxpayer in this state during the tax year and the denominator of which is the total sales of the taxpayer everywhere during the tax year. The numerator of a taxpayer shall include its proportionate share of the total sales in this state of a flow-through entity that is unitary with the taxpayer. The denominator of a taxpayer shall include its proportionate share of the total sales everywhere of a flow-through entity that is unitary with the taxpayer. A flow-through entity is unitary with a taxpayer when that taxpayer owns or controls, directly or indirectly, more than 50% of the ownership interests with voting rights or ownership interests that confer comparable rights to voting rights of the flow-through entity, and that has business activities or operations which result in a flow of value between the taxpayer and the flow-through entity, or between the flow-through entity and another flow-through entity unitary with the taxpayer, or has business activities or operations that are integrated with, are dependent upon, or contribute to each other.

(2) Except as otherwise provided under this subsection, for a taxpayer that is a unitary business group, sales include sales in this state of every person included in the unitary business group without regard to whether the person has nexus in this state. Sales between persons included in a unitary business group must be eliminated in calculating the sales factor. Sales between a taxpayer and a flow-through entity unitary with that taxpayer shall, to the extent of the taxpayer's interest in the flow-through entity, be eliminated in calculating the sales factor. Sales between a flow-through entity unitary with a taxpayer and another flow-through entity unitary with that same taxpayer shall, to the extent of the taxpayer's interest in the selling flow-through entity, be eliminated in calculating the sales factor.

(3) It is the intent of the legislature that the tax base of a taxpayer is apportioned to this state by multiplying the tax base by the sales factor multiplied by 100% and that apportionment shall not be based on property, payroll, or any other factor notwithstanding section 1 of 1969 PA 343, MCL 205.581.

History: Add. 2011, Act 38, Eff. Jan. 1, 2012 ;-- Am. 2011, Act 308, Eff. Jan. 1, 2012 ;-- Am. 2014, Act 15, Imd. Eff. Feb. 25, 2014

Compiler's Notes: Enacting section 1 of Act 15 of 2014 provides: "Enacting section 1. This amendatory act is retroactive and effective for tax years that begin after December 31, 2011."

206.665 Sales; determination; receipts; definitions; borrower located in this state.

Sec. 665.

(1) Sales of the taxpayer in this state are determined as follows:

(a) Sales of tangible personal property are in this state if the property is shipped or delivered, or, in the case of electricity and gas, the contract requires the property to be shipped or delivered, to any purchaser within this state based on the ultimate destination at the point that the property comes to rest regardless of the free on board point or other conditions of the sales. Property stored in transit for 60 days or more prior to receipt by the purchaser or the purchaser's designee, or in the case of a dock sale not picked up for 60 days or more, shall be deemed to have come to rest at this ultimate destination. Property stored in transit for fewer than 60 days prior to receipt by the purchaser or the purchaser's designee, or in the case of a dock sale picked up before 60 days, is not deemed to have come to rest at this ultimate destination. For purposes of this subdivision:

(i) "Dock sale" means a sale in which the purchaser uses its own or rented vehicles, or makes arrangements with a carrier, to pick up the property at the seller's location.

(ii) "Stored in transit" means storing, staging, forwarding, or consolidating activities undertaken for further shipment or transfer of the property to the purchaser or purchaser's designee.

(b) Receipts from the sale, lease, rental, or licensing of real property are in this state if that property is located in this state.

(c) Receipts from the lease or rental of tangible personal property are sales in this state to the extent that the property is utilized in this state. The extent of utilization of tangible personal property in this state is determined by multiplying the receipts by a fraction, the numerator of which is the number of days of physical location of the property in this state during the lease or rental period in the tax year and the denominator of which is the number of

days of physical location of the property everywhere during all lease or rental periods in the tax year. If the physical location of the property during the lease or rental period is unknown or cannot be determined, the tangible personal property is utilized in the state in which the property was located at the time the lease or rental payer obtained possession.

(d) Receipts from the lease or rental of mobile transportation property owned by the taxpayer are in this state to the extent that the property is used in this state. The extent to which an aircraft will be deemed to be used in this state and the amount of receipts that is to be included in the numerator of this state's sales factor are determined by multiplying all the receipts from the lease or rental of the aircraft by a fraction, the numerator of which is the number of landings of the aircraft in this state and the denominator of which is the total number of landings of the aircraft. If the extent of the use of any transportation property within this state cannot be determined, then the receipts are in this state if the property has its principal base of operations in this state.

(e) Royalties and other income received for the use of or for the privilege of using intangible property, including patents, know-how, formulas, designs, processes, patterns, copyrights, trade names, service names, franchises, licenses, contracts, customer lists, custom computer software, or similar items, are attributed to the state in which the property is used by the purchaser. If the property is used in more than 1 state, the royalties or other income shall be apportioned to this state pro rata according to the portion of use in this state. If the portion of use in this state cannot be determined, the royalties or other income shall be excluded from both the numerator and the denominator. Intangible property is used in this state if the purchaser uses the intangible property or the rights to the intangible property in the regular course of its business operations in this state, regardless of the location of the purchaser's customers.

(2) Sales from the performance of services are in this state and attributable to this state as follows:

(a) Except as otherwise provided in this section, all receipts from the performance of services are included in the numerator of the apportionment factor if the recipient of the services receives all of the benefit of the services in this state. If the recipient of the services receives some of the benefit of the services in this state, the receipts are included in the numerator of the apportionment factor in proportion to the extent that the recipient receives benefit of the services in this state.

(b) Sales derived from securities brokerage services attributable to this state are determined by multiplying the total dollar amount of receipts from securities brokerage services by a fraction, the numerator of which is the sales of securities brokerage services to customers within this state, and the denominator of which is the sales of securities brokerage services to all customers. Receipts from securities brokerage services include commissions on transactions, the spread earned on principal transactions in which the broker buys or sells from its account, total margin interest paid on behalf of brokerage accounts owned by the broker's customers, and fees and receipts of all kinds from the underwriting of securities. If receipts from brokerage services can be associated with a particular customer, but it is impractical to associate the receipts with the address of the customer, then the address of the customer shall be presumed to be the address of the branch office that generates the transactions for the customer.

(c) Sales of services that are derived directly or indirectly from the sale of management, distribution, administration, or securities brokerage services to, or on behalf of, a regulated investment company or its beneficial owners, including receipts derived directly or indirectly from trustees, sponsors, or participants of employee benefit plans that have accounts in a regulated investment company, shall be attributable to this state to the extent that the shareholders of the regulated investment company are domiciled within this state. For purposes of this subdivision, "domicile" means the shareholder's mailing address on the records of the regulated investment company. If the regulated investment company or the person providing management services to the regulated investment company has actual knowledge that the shareholder's primary residence or principal place of business is different than the shareholder's mailing address, then the shareholder's primary residence or principal place of business is the shareholder's domicile. A separate computation shall be made with respect to the receipts derived from each regulated investment company. The total amount of sales attributable to this state shall be equal to the total receipts received by each regulated investment company multiplied by a fraction determined as follows:

(i) The numerator of the fraction is the average of the sum of the beginning-of-year and end-of-year number of shares owned by the regulated investment company shareholders who have their domicile in this state.

(ii) The denominator of the fraction is the average of the sum of the beginning-of-year and end-of-year number of shares owned by all shareholders.

(iii) For purposes of the fraction, the year shall be the tax year of the regulated investment company that ends with or within the tax year of the taxpayer.

(3) Receipts from the origination of a loan or gains from the sale of a loan secured by residential real property are deemed a sale in this state only if 1 or more of the following apply:

(a) The real property is located in this state.

(b) The real property is located both within this state and 1 or more other states and more than 50% of the fair market value of the real property is located within this state.

(c) More than 50% of the real property is not located in any 1 state and the borrower is located in this state.

(4) Interest from loans secured by real property is in this state if the property is located within this state, if the property is located both within this state and 1 or more other states and if more than 50% of the fair market value

of the real property is located within this state, or if more than 50% of the fair market value of the real property is not located within any 1 state but the borrower is located in this state. The determination of whether the real property securing a loan is located within this state shall be made as of the time the original agreement was made and any and all subsequent substitutions of collateral shall be disregarded.

(5) Interest from a loan not secured by real property is in this state if the borrower is located in this state.

(6) Gains from the sale of a loan not secured by real property, including income recorded under the coupon stripping rules of section 1286 of the internal revenue code, are in this state if the borrower is in this state.

(7) Receipts from credit card receivables, including interest, fees, and penalties from credit card receivables and receipts from fees charged to cardholders, such as annual fees, are in this state if the billing address of the cardholder is in this state.

(8) Receipts from the sale of credit card or other receivables are in this state if the billing address of the customer is in this state. Credit card issuer's reimbursements fees are in this state if the billing address of the cardholder is in this state. Receipts from merchant discounts, computed net of any cardholder chargebacks, but not reduced by any interchange transaction fees or by any issuer's reimbursement fees paid to another for charges made by its cardholders, are in this state if the commercial domicile of the merchant is in this state.

(9) Loan servicing fees derived from loans of another secured by real property are in this state if the real property is located in this state, if the real property is located both within and outside of this state and 1 or more states if more than 50% of the fair market value of the real property is located in this state, or if more than 50% of the fair market value of the real property is not located in any 1 state but the borrower is located in this state. Loan servicing fees derived from loans of another not secured by real property are in this state if the borrower is located in this state. If the location of the security cannot be determined, then loan servicing fees for servicing either the secured or the unsecured loans of another are in this state if the lender to whom the loan servicing service is provided is located in this state.

(10) Receipts from the sale of securities and other assets from investment and trading activities, including, but not limited to, interest, dividends, and gains are in this state in either of the following circumstances:

(a) The person's customer is in this state.

(b) If the location of the person's customer cannot be determined, both of the following apply:

(i) Interest, dividends, and other income from investment assets and activities and from trading assets and activities, including, but not limited to, investment securities; trading account assets; federal funds; securities purchased and sold under agreements to resell or repurchase; options; futures contracts; forward contracts; notional principal contracts such as swaps; equities; and foreign currency transactions are in this state if the average value of the assets is assigned to a regular place of business of the taxpayer within this state. Interest from federal funds sold and purchased and from securities purchased under resale agreements and securities sold under repurchase agreements is in this state if the average value of the assets is assigned to a regular place of business of the taxpayer within this state. The amount of receipts and other income from investment assets and activities is in this state if assets are assigned to a regular place of business of the taxpayer within this state.

(ii) The amount of receipts from trading assets and activities, including, but not limited to, assets and activities in the matched book, in the arbitrage book, and foreign currency transactions, but excluding amounts otherwise sourced in this section, is in this state if the assets are assigned to a regular place of business of the taxpayer within this state.

(11) Receipts from transportation services rendered by a person subject to tax in another state are in this state and shall be attributable to this state as follows:

(a) Except as otherwise provided in subdivisions (b) through (e), receipts shall be proportioned based on the ratio of revenue miles of the person in this state to the revenue miles of the person everywhere.

(b) Receipts from maritime transportation services shall be attributable to this state as follows:

(i) 50% of those receipts that either originate or terminate in this state.

(ii) 100% of those receipts that both originate and terminate in this state.

(c) Receipts attributable to this state of a person whose business activity consists of the transportation both of property and of individuals shall be proportioned based on the total receipts for passenger miles and ton mile fractions, separately computed and individually weighted by the ratio of receipts from passenger transportation to total receipts from all transportation, and by the ratio of receipts from freight transportation to total receipts from all transportation, respectively.

(d) Receipts attributable to this state of a person whose business activity consists of the transportation of oil by pipeline shall be proportioned based on the ratio of the receipts for the barrel miles transported in this state to the receipts for the barrel miles transported by the person everywhere.

(e) Receipts attributable to this state of a person whose business activities consist of the transportation of gas by pipeline shall be proportioned based on the ratio of the receipts for the 1,000 cubic feet miles transported in this state to the receipts for the 1,000 cubic feet miles transported by the person everywhere.

(12) For purposes of subsection (11), if a taxpayer can show that revenue mile information is not available or cannot be obtained without unreasonable expense to the taxpayer, receipts attributable to this state shall be that portion of the revenue derived from transportation services performed everywhere that the miles of transportation

services performed in this state bear to the miles of transportation services performed everywhere. If the department determines that the information required for the calculations under subsection (11) are not available or cannot be obtained without unreasonable expense to the taxpayer, the department may use other available information that in the opinion of the department will result in an equitable allocation of the taxpayer's receipts to this state.

(13) Except as provided in subsections (14) through (19), receipts from the sale of telecommunications service or mobile telecommunications service are in this state if the customer's place of primary use of the service is in this state. As used in this subsection, "place of primary use" means the customer's residential street address or primary business street address where the customer's use of the telecommunications service primarily occurs. For mobile telecommunications service, the customer's residential street address or primary business street address is the place of primary use only if it is within the licensed service area of the customer's home service provider.

(14) Receipts from the sale of telecommunications service sold on an individual call-by-call basis are in this state if either of the following applies:

- (a) The call both originates and terminates in this state.
- (b) The call either originates or terminates in this state and the service address is located in this state.

(15) Receipts from the sale of postpaid telecommunications service are in this state if the origination point of the telecommunication signal, as first identified by the service provider's telecommunication system or as identified by information received by the seller from its service provider if the system used to transport telecommunication signals is not the seller's, is located in this state.

(16) Receipts from the sale of prepaid telecommunications service or prepaid mobile telecommunications service are in this state if the purchaser obtains the prepaid card or similar means of conveyance at a location in this state. Receipts from recharging a prepaid telecommunications service or mobile telecommunications service are in this state if the purchaser's billing information indicates a location in this state.

(17) Receipts from the sale of private communication services are in this state as follows:

- (a) 100% of the receipts from the sale of each channel termination point within this state.
- (b) 100% of the receipts from the sale of the total channel mileage between each termination point within this state.
- (c) 50% of the receipts from the sale of service segments for a channel between 2 customer channel termination points, 1 of which is located in this state and the other is located outside of this state, which segments are separately charged.
- (d) The receipts from the sale of service for segments with a channel termination point located in this state and in 2 or more other states or equivalent jurisdictions, and which segments are not separately billed, are in this state based on a percentage determined by dividing the number of customer channel termination points in this state by the total number of customer channel termination points.

(18) Receipts from the sale of billing services and ancillary services for telecommunications service are in this state based on the location of the purchaser's customers. If the location of the purchaser's customers is not known or cannot be determined, the sale of billing services and ancillary services for telecommunications service is in this state based on the location of the purchaser.

(19) Receipts to access a carrier's network or from the sale of telecommunications services for resale are in this state as follows:

- (a) 100% of the receipts from access fees attributable to intrastate telecommunications service that both originates and terminates in this state.
- (b) 50% of the receipts from access fees attributable to interstate telecommunications service if the interstate call either originates or terminates in this state.
- (c) 100% of the receipts from interstate end user access line charges, if the customer's service address is in this state. As used in this subdivision, "interstate end user access line charges" includes, but is not limited to, the surcharge approved by the federal communications commission and levied pursuant to 47 CFR 69.
- (d) Gross receipts from sales of telecommunications services to other telecommunication service providers for resale shall be sourced to this state using the apportionment concepts used for non-resale receipts of telecommunications services if the information is readily available to make that determination. If the information is not readily available, then the taxpayer may use any other reasonable and consistent method.

(20) Except as otherwise provided under this subsection, for a taxpayer whose business activities include live radio or television programming as described in subsector code 7922 of industry group 792 under the standard industrial classification code as compiled by the United States department of labor or are included in industry groups 483, 484, 781, or 782 under the standard industrial classification code as compiled by the United States department of labor, or any combination of the business activities included in those groups, media receipts are in this state and attributable to this state only if the commercial domicile of the customer is in this state and the customer has a direct connection or relationship with the taxpayer pursuant to a contract under which the media receipts are derived. For media receipts from the sale of advertising, if the customer of that advertising is commercially domiciled in this state and receives some of the benefit of the sale of that advertising in this state, the media receipts from the advertising to that customer are included in the numerator of the apportionment factor in

proportion to the extent that the customer receives the benefit of the advertising in this state. For purposes of this subsection, if the taxpayer is a broadcaster and if the customer receives some of the benefit of the advertising in this state, the media receipts for that sale of advertising from that customer shall be proportioned based on the ratio that the broadcaster's viewing or listening audience in this state bears to its total viewing or listening audience everywhere. As used in this subsection:

(a) "Media property" means motion pictures, television programs, internet programs and websites, other audiovisual works, and any other similar property embodying words, ideas, concepts, images, or sound without regard to the means or methods of distribution or the medium in which the property is embodied.

(b) "Media receipts" means receipts from the sale, license, broadcast, transmission, distribution, exhibition, or other use of media property and receipts from the sale of media services. Media receipts do not include receipts from the sale of media property that is a consumer product that is ultimately sold at retail.

(c) "Media services" means services in which the use of the media property is integral to the performance of those services.

(21) Terms used in subsections (13) through (20) have the same meaning as those terms defined in the streamlined sales and use tax agreement administered under the streamlined sales and use tax administration act, 2004 PA 174, MCL 205.801 to 205.833.

(22) For purposes of this section, a borrower is considered located in this state if the borrower's billing address is in this state.

206.667 Alternative to apportionment provisions of part; rebuttable presumption; filing of return.

Sec. 667.

(1) If the apportionment provisions of this part do not fairly represent the extent of the taxpayer's business activity in this state, the taxpayer may petition for or the state treasurer may require the following, with respect to all or a portion of the taxpayer's business activity, if reasonable:

(a) Separate accounting.

(b) The inclusion of 1 or more additional or alternative factors that will fairly represent the taxpayer's business activity in this state.

(c) The use of any other method to effectuate an equitable allocation and apportionment of the taxpayer's tax base.

(2) An alternate method may be used only if it is approved by the department.

(3) The apportionment provisions of this part shall be rebuttably presumed to fairly represent the business activity attributed to the taxpayer in this state, taken as a whole and without a separate examination of the specific elements of the tax base unless it can be demonstrated that the business activity attributed to the taxpayer in this state is out of all appropriate proportion to the actual business activity transacted in this state and leads to a grossly distorted result or would operate unconstitutionally to tax the extraterritorial activity of the taxpayer.

(4) The filing of a return or an amended return is not considered a petition for the purposes of subsection (1).

206.669 Receipts; sourcing.

Sec. 669.

All other receipts not otherwise sourced under this part shall be sourced based on where the benefit to the customer is received or, if where the benefit to the customer is received cannot be determined, to the customer's billing address.

CHAPTER 15

206.671 Tax credit; requirements; determination of disqualification; reduction percentage; compensation paid by professional employer organization to officers of client and employees of professional employer; unitary business group; definitions.

Sec. 671.

(1) The credit provided in this section shall be taken before any other credit under this part and is available to any taxpayer, other than those taxpayers subject to the tax imposed under chapter 12 or 13, with gross receipts that do not exceed \$20,000,000.00 and with adjusted business income minus the loss adjustment that does not exceed \$1,300,000.00 as adjusted annually for inflation using the Detroit consumer price index, and subject to the following:

(a) A corporation or unitary business group is disqualified if either of the following occurs for the respective tax year:

(i) Compensation and directors' fees of a shareholder or officer exceed \$180,000.00.

(ii) The sum of the following amounts exceeds \$180,000.00:

(A) Compensation and directors' fees of a shareholder.

(B) The product of the percentage of outstanding ownership or of outstanding stock owned by that shareholder multiplied by the difference between the following:

(I) The sum of business income and, to the extent deducted in determining federal taxable income, a carryback or a carryover of a net operating loss or capital loss.

(II) The loss adjustment.

(b) Subject to the reduction percentage determined under subsection (3), the credit determined under this subsection shall be reduced by the following percentages in the following circumstances:

(i) If compensation and directors' fees of a shareholder or officer are, or if the sum of the amounts in subdivision (a)(ii)(A) and (B) is, more than \$160,000.00 but less than \$165,000.00, the credit is reduced by 20%.

Sec. 673.

(1) A taxpayer that has claimed a credit under former 1975 PA 228 or under the Michigan business tax act, 2007 PA 36, MCL 208.1101 to 208.1601, that included a provision that allowed for a reduction in the credit amount, a termination of the credit, or a percentage of the credit amount previously claimed added back to the tax liability of that taxpayer under that act if the taxpayer failed to comply with any terms of the agreement or other conditions of that credit or if the taxpayer sells or otherwise moves the property for which a credit was claimed fewer than 5 years after the year in which the credit was originally claimed under former 1975 PA 228 or the Michigan business tax act, 2007 PA 36, MCL 208.1101 to 208.1601, shall have a percentage, or the entire amount, of the credit amount previously claimed under former 1975 PA 228 or the Michigan business tax act, 2007 PA 36, MCL 208.1101 to 208.1601, added back to the taxpayer's tax liability under this act in the year that the taxpayer failed to satisfy or breached the conditions of that credit set forth under former 1975 PA 228 or the Michigan business tax act, 2007 PA 36, MCL 208.1101 to 208.1601.

(2) A taxpayer that has claimed a credit under section 35a of former 1975 PA 228 or under section 403 of the Michigan business tax act, 2007 PA 36, MCL 208.1403, for a tangible asset that the taxpayer has sold, transferred out of this state, or otherwise disposed of during the current tax year shall have an amount equal to the sum of the amounts calculated under subdivisions (a), (b), and (c) added back to the taxpayer's liability under this act for that same tax year:

(a) Calculate the gross proceeds or benefit derived from the sale or other disposition of tangible assets, other than mobile tangible assets, minus the gain, multiplied by the apportionment factor for the taxable year as prescribed in chapter 14, and plus the loss, multiplied by the apportionment factor for the taxable year as prescribed in chapter 14 from the sale or other disposition reflected in federal taxable income. This amount shall be multiplied by the rate at which the credit was used and to the extent the credit was used under either former 1975 PA 228 or section 403 of the Michigan business tax act, 2007 PA 36, MCL 208.1403, as applicable.

(b) Calculate the gross proceeds or benefit derived from the sale or other disposition of mobile tangible assets minus the gain and plus the loss from the sale or other disposition reflected in federal taxable income. This amount shall be multiplied by the apportionment factor for the tax year as prescribed in chapter 14. The resulting amount shall then be multiplied by the rate at which the credit was used and to the extent the credit was used under either former 1975 PA 228 or section 403 of the Michigan business tax act, 2007 PA 36, MCL 208.1403, as applicable.

For purposes of this subdivision, transfer means removal from this state of tangible assets, other than mobile tangible assets, by means other than sale or other disposition.

206.676 Rehabilitation of historic resource; tax credit; plan; certification; revocation of certificate or sale of historic resource; rules; report; definitions.

Sec. 676.

(1) Subject to the limitations under this section, a qualified taxpayer with a certificate of completed rehabilitation issued pursuant to subsection (4) after December 31, 2020 and before January 1, 2031 may credit against the tax imposed by this part the amount determined pursuant to subsection (2) for the qualified expenditures for the rehabilitation of a historic resource pursuant to the rehabilitation plan in the year in which the certificate of completed rehabilitation of the historic resource is issued. The qualified taxpayer shall initially claim a credit under this section within 5 years after the certificate of completed rehabilitation is issued pursuant to subsection (4). If the credit is not initially claimed within 5 years after the certificate is issued, the certificate is no longer valid and the qualified taxpayer is no longer eligible to claim a credit under this section for that rehabilitation plan. Only those expenditures that are paid or incurred during the time periods prescribed for the credit under section 47(a)(2) of the internal revenue code and any related treasury regulations shall be considered qualified expenditures.

(2) Subject to the limitations under this section, a qualified taxpayer that has claimed and received a credit for qualified expenditures under section 47(a)(2) of the internal revenue code or has entered into an agreement under subsection (10) may claim a credit under this section equal to 25% of the qualified expenditures that are eligible, or would have been eligible except that the qualified taxpayer entered into an agreement under subsection (10), for the credit under section 47(a)(2) of the internal revenue code or, if the qualified taxpayer is not eligible for the credit under section 47(a)(2) of the internal revenue code, 25% of the qualified expenditures that would qualify under section 47(a)(2) of the internal revenue code except that the expenditures are made to a historic resource that is not eligible for the credit under section 47(a)(2) of the internal revenue code.

(3) To be eligible for the credit under this section, a person shall submit an application and a rehabilitation plan to the state historic preservation office. Completed applications must be considered in the order in which the office received the completed applications and approved or denied within 120 days of receipt of the completed applications. If the office determines that the application is complete and the rehabilitation plan meets the criteria for a credit under this section, the office shall issue a preapproval letter to the applicant that states that the rehabilitation plan qualifies for the credit under this section and the maximum total amount of the credit reserved for which a credit may be claimed when the project is complete and a certificate of completed rehabilitation is issued for qualified expenditures pursuant to that rehabilitation plan. If an application is denied under this subsection, the applicant may file an appeal in a form and manner as prescribed by the office or subsequently reapply for the same rehabilitation plan or for another rehabilitation plan, or both. Subject to the limitations under this section, the total of all credits reserved under preapproval letters for rehabilitation plans approved under this section and section 266a shall not exceed \$5,000,000.00 per calendar year. To the extent the office receives applications for the rehabilitation of small nonresidential historic resources for credits in excess of \$2,000,000.00, not less than \$2,000,000.00 of the \$5,000,000.00 each calendar year shall be approved for small nonresidential historic resources. To the extent the office receives applications for the rehabilitation of large nonresidential historic resources for credits in excess of \$2,000,000.00, not less than \$2,000,000.00 of the \$5,000,000.00 each calendar year shall be approved for large nonresidential historic resources. To the extent the office receives applications for the rehabilitation of residential historic resources for credits in excess of \$1,000,000.00, not less than \$1,000,000.00 of the \$5,000,000.00 each calendar year shall be approved for residential historic resources. The office shall not issue a preapproval letter or certificate of completed rehabilitation that authorizes a qualified taxpayer to claim a credit of more than \$2,000,000.00 in a single tax year for the same historic resource. If, for any calendar year, the office issues preapproval letters and reserves the maximum amount of tax credits allowed under this section for that calendar year, the office shall notify all applicants who have submitted completed applications and rehabilitation plans then awaiting approval or submitted for approval after the calculation is made that no additional preapproval letters for rehabilitation plans will be issued during that calendar year. The office shall also notify those applicants of the priority number given to the owner's application and rehabilitation plan awaiting approval. The applications and plans will remain in priority status for 2 years from the date of the original application and plan and will be considered for approval and reservation of tax credits in the priority order

established in this subsection in the event that additional credits become available resulting from the rescission of approvals under this subsection or subsection (5) and at the beginning of the next calendar year. An applicant that has received a preapproval letter shall commence rehabilitation, if it has not previously begun, within 1 year after the issuance of the preapproval letter and complete the rehabilitation plan within 8 years after the issuance of the preapproval letter or the office will rescind the preapproval letter and reallocate the amount of the credit reserved for that rehabilitation plan. Upon completion of a rehabilitation plan for which a preapproval letter was issued, the applicant shall submit to the office documentation that the rehabilitation is complete and the completed rehabilitation of the historic resource meets the criteria under subsection (6) and either of the following:

(a) All of the following criteria:

(i) The historic resource contributes to the significance of the historic district in which it is located or is individually listed on the National Register of Historic Places or state register of historic sites.

(ii) Both the rehabilitation plan and completed rehabilitation of the historic resource meet the federal Secretary of the Interior's standards for rehabilitation and guidelines for rehabilitating historic buildings, 36 CFR part 67.

(iii) All rehabilitation work has been done to or within the walls, boundaries, or structures of the historic resource or to historic resources located within the property boundaries of the property.

(b) The applicant has received certification from the National Park Service that the historic resource's significance, the rehabilitation plan, and the completed rehabilitation qualify for the credit allowed under section 47(a)(2) of the internal revenue code.

(4) The office shall verify that the rehabilitation is complete and meets the criteria under subsection (3). However, if the applicant is eligible for the credit allowed under section 47(a)(2) of the internal revenue code, additional documentation that the rehabilitation is complete for the credit allowed under this section is not required. Within 120 days after receiving verification, in a form and manner as prescribed by the office, that the rehabilitation is complete and meets the requirements of subsection (3), the office shall issue a certificate of completed rehabilitation to the applicant that states the rehabilitation plan submitted by the applicant has been completed, the amount of qualified expenditures, and the total amount of the credit allowed to be claimed by a qualified taxpayer under this section. If the amount of qualified expenditures incurred exceeds the amount of the tax credits reserved by the preapproval letter issued under subsection (3), the applicant may submit a request to the office, in a form and manner as prescribed by the office, for the issuance and approval of a certificate of completed rehabilitation in excess of the amount initially authorized in the preapproval letter. If the office determines that less than \$5,000,000.00 has been reserved under preapproval letters issued for the calendar year, after priority has been given to those notified under subsection (3), then the office may issue a certificate of completed rehabilitation in excess of the amount included in the preapproval letter.

(5) The office may inspect a historic resource at any time during the rehabilitation process and may revoke the preapproval letter or the certificate of completed rehabilitation if the rehabilitation was not undertaken as represented in the rehabilitation plan or if unapproved alterations to the completed rehabilitation are made within 5 years after the tax year in which the certificate of completed rehabilitation was issued. The office shall promptly notify the department of a revocation.

(6) Qualified expenditures for the rehabilitation of a historic resource may be used to calculate the credit under this section if the historic resource is 1 of the following during the tax year in which a credit under this section is claimed for those qualified expenditures:

(a) Individually listed on the National Register of Historic Places or state register of historic sites.

(b) A contributing resource located within a historic district listed on the National Register of Historic Places or the state register of historic sites.

(c) A contributing resource located within a historic district designated by a local unit pursuant to an ordinance adopted under the local historic districts act, 1970 PA 169, MCL 399.201 to 399.215.

(7) A person that has been issued a certificate of completed rehabilitation under subsection (4) may assign all or any portion of the credit allowed under this section. A credit assignment under this subsection is irrevocable and shall be made in the tax year in which a certificate of completed rehabilitation is issued. A qualified taxpayer may claim a portion of a credit and assign the remaining amount. If the qualified taxpayer both claims and assigns portions of the credit, the qualified taxpayer shall claim the portion it claims in the tax year in which a certificate of completed rehabilitation is issued pursuant to this section. Except as otherwise provided under this subsection, an assignee may subsequently assign the credit or any portion of the credit assigned under this subsection to 1 or more assignees. An assignment or subsequent reassignment of a credit shall be made in the year the certificate of completed rehabilitation is issued. A credit assignment or subsequent reassignment under this section shall be made on a form prescribed by the office. The office shall review and issue a completed assignment or reassignment certificate to the assignee or reassignee. If the qualified taxpayer assigns all or any portion of the credit allowed under this section to a partnership, limited liability company, or subchapter S corporation, then the assignees are its partners, members, or shareholders based on the partner's, member's, or shareholder's proportionate share of ownership or on an alternative method approved by the office. A credit amount assigned under this subsection may be claimed against the assignee's tax liability under this part or part 1. An assignee or subsequent reassignee shall attach a copy of the completed assignment certificate to the annual return required to be filed under this part for the

tax year in which the assignment or reassignment is made and the assignee or reassignee first claims the credit, which shall be the same tax year.

(8) If the credit allowed under this section for the tax year and any unused carryforward of the credit allowed by this section exceed the qualified taxpayer's tax liability for the tax year, that portion that exceeds the tax liability for the tax year shall not be refunded but may be carried forward to offset tax liability in subsequent tax years for 10 years or until used up, whichever occurs first. If a qualified taxpayer has an unused carryforward of a credit under this section, the amount otherwise added under subsection (9) to the qualified taxpayer's tax liability may instead be used to reduce the qualified taxpayer's carryforward under this section.

(9) Except as otherwise provided under subsection (10), if a certificate of completed rehabilitation is revoked under subsection (5) or a historic resource is sold or disposed of less than 5 years after the certificate of completed rehabilitation is issued, the following percentage of the credit amount previously claimed relative to that historic resource shall be added back to the tax liability of the qualified taxpayer that received the certificate of completed rehabilitation and not the assignee in the year of the revocation:

(a) If the revocation is less than 1 year after the certificate of completed rehabilitation is issued, 100%.

(b) If the revocation is at least 1 year but less than 2 years after the certificate of completed rehabilitation is issued, 80%.

(c) If the revocation is at least 2 years but less than 3 years after the certificate of completed rehabilitation is issued, 60%.

(d) If the revocation is at least 3 years but less than 4 years after the certificate of completed rehabilitation is issued, 40%.

(e) If the revocation is at least 4 years but less than 5 years after the certificate of completed rehabilitation is issued, 20%.

(f) If the revocation is at least 5 years or more after the certificate of completed rehabilitation is issued, an addback to the qualified taxpayer tax liability is not required.

(10) Subsection (9) shall not apply if the qualified taxpayer enters into a written agreement with the office that will allow for the transfer or sale of the historic resource and provides the following:

(a) Reasonable assurance that subsequent to the transfer the property will remain a historic resource during the 5-year period after the certificate of completed rehabilitation is issued.

(b) A method that the department can recover an amount from the qualified taxpayer equal to the appropriate percentage of credit added back as described under subsection (9).

(c) An encumbrance on the title to the historic resource being sold or transferred, stating that the property must remain a historic resource throughout the 5-year period after the certificate of completed rehabilitation is issued.

(d) A provision for the payment by the qualified taxpayer of all legal and professional fees associated with the drafting, review, and recording of the written agreement required under this subsection.

(11) The office may impose a fee to cover the administrative cost of implementing the program under this section.

(12) The qualified taxpayer shall attach all of the following to the qualified taxpayer's annual return required under this part, if applicable, on which the credit is claimed:

(a) Certificate of completed rehabilitation.

(b) Certification of historic significance related to the historic resource and the qualified expenditures used to claim a credit under this section.

(c) A completed assignment form if the qualified taxpayer or assignee has assigned any portion of a credit allowed under this section or if the qualified taxpayer is an assignee of any portion of a credit allowed under this section.

(13) The office may promulgate rules to implement this section pursuant to the administrative procedures act of 1969, 1969 PA 306, MCL 24.201 to 24.328.

(14) The total of the credits claimed under this section and section 266a for a rehabilitation project shall not exceed 25% of the total qualified expenditures eligible for the credit under this section for that rehabilitation project.

(15) The office shall submit an economic impact report that includes, to the extent available, all of the following to the legislature annually for the immediately preceding state fiscal year:

(a) The fee schedule used by the office and the total amount of fees collected.

(b) A description of each rehabilitation project for which a preapproval letter is issued and for each certificate of completed rehabilitation issued. The description must include the total rehabilitation costs, labor hours generated, jobs added, payroll added, total capital investments, gain in property value after rehabilitation, and the amount of income tax and sales tax generated by the rehabilitation project.

If the assessor for the local tax collecting unit in which the historic resource is located determines the state equalized valuation of that portion, that assessor's determination shall be used for purposes of this subdivision. If the assessor does not determine that state equalized valuation of that portion, qualified expenditures, for purposes of this subdivision, shall be equal to or greater than 5% of the appraised value as determined by a certified appraiser. 206.677 Research and development credit.

Sec. 677.

(1) Subject to the limitations under this section, for tax years beginning on and after January 1, 2025, a taxpayer that is an authorized business may claim a credit against the tax imposed under this part as follows:

(a) For an authorized business with 250 or more employees, an amount equal to the sum of 3% of the taxpayer's qualifying research and development expenses incurred during the calendar year ending with or within the tax year up to the base amount and 10% of the taxpayer's qualifying research and development expenses incurred during the calendar year ending with or within the tax year in excess of the base amount. The credit amount calculated under this subdivision must not exceed \$2,000,000.00 per tax year per taxpayer.

(b) For an authorized business with less than 250 employees, an amount equal to the sum of 3% of the taxpayer's qualifying research and development expenses incurred during the calendar year ending with or within the tax year up to the base amount and 15% of the taxpayer's qualifying research and development expenses incurred during the calendar year ending with or within the tax year in excess of the base amount. The credit amount calculated under this subdivision must not exceed \$250,000.00 per tax year per taxpayer.

(2) Subject to the limitations under this section, a taxpayer that is an authorized business may claim an additional credit equal to 5% of the qualifying research and development expenses used to calculate the credit under subsection (1) that were incurred in collaboration with a research university in this state pursuant to a written agreement between the taxpayer and the research university. In order to claim the additional credit under this subsection, if requested by the department, the taxpayer must provide the department with a copy of the written agreement with the research university. The additional credit allowed under this subsection must not exceed \$200,000.00 per tax year per taxpayer.

(3) To be eligible for a credit under this section, a taxpayer must submit, in a form and manner as prescribed by the department, a tentative claim for which a credit under this section is sought to the department on or before April 1, 2026 for tentative claims made for qualifying research and development expenses incurred during the 2025 calendar year and for tentative claims made for qualifying research and development expenses incurred for each calendar year after 2025 on or before March 15 after the calendar year ending with or within the tax year for which the taxpayer intends to submit a claim for the credit on the taxpayer's annual return required under this part. The tentative claim required under this subsection must include, at a minimum, all of the following information:

(a) If the credit is to be claimed under subsection (1)(a) or (b).

(b) The amount of qualifying research and development expenses incurred for which a credit is being claimed.

(c) If an additional credit is to be claimed under subsection (2) for collaboration with a research university.

(4) The department shall review all tentative claims submitted under subsection (3) and if the amount of tentative claims submitted exceeds the amount of credits allowed under subsection (5), the department shall publish a notice on its website notifying taxpayers of the adjustment to the tentative claims for that calendar year as required under subsection (5).

(5) The aggregate amount of credits allowed to be claimed by all taxpayers under this section and all employers under section 717 based on qualifying research and development expenses incurred in a single calendar year must not exceed \$100,000,000.00. If the aggregate amount of tentative claims submitted under this section and section 717 exceeds \$100,000,000.00, the department shall prorate the amount of credits allowed for each claimant as follows:

(a) If the aggregate amount of tentative claims submitted by all taxpayers qualifying under subsection (1)(b) and all employers qualifying under section 717(1)(b) does not exceed \$25,000,000.00, the amount of credits claimed by each of those claimants must not be prorated. However, for taxpayers submitting a tentative claim for a credit under subsection (1)(a) or employers submitting a tentative claim for a credit under section 717(1)(a), the amount of tentative claims submitted must be prorated so that each claimant's allowed credits equal that claimant's pro rata share of the remaining amount of credits allowed to be claimed under this subsection and section 717(5).

(b) Except as provided in subdivision (c), if the aggregate amount of tentative claims submitted by all taxpayers qualifying under subsection (1)(b) and all employers qualifying under section 717(1)(b) exceeds \$25,000,000.00, the amount of tentative claims submitted by each of those claimants must be prorated so that each claimant's allowed credits equal that claimant's pro rata share of \$25,000,000.00, and the amount of tentative claims submitted by each taxpayer qualifying under subsection (1)(a) or employer qualifying under section 717(1)(a) must be prorated so that each claimant's allowed credits equal that claimant's pro rata share of \$75,000,000.00.

(c) If the aggregate amount of tentative claims submitted by all taxpayers qualifying under subsection (1)(b) and all employers qualifying under section 717(1)(b) exceeds 25% of the aggregate amount of tentative claims submitted by all taxpayers under this section and employers under section 717, then the proration under subdivision (b) does not apply, and the amount of tentative claims submitted by each taxpayer under this section and employer under section 717 shall be prorated so that each claimant's allowed credits equal that claimant's pro rata share of \$100,000,000.00.

(6) A taxpayer shall not assign or transfer all or any portion of a credit allowed under this section. A credit or any portion of a credit allowed under this section is not assignable or transferable either by agreement or by operation of law.

(7) A taxpayer shall, in a form and manner as prescribed by the department, file a claim for a credit under this section with the annual return required to be filed under this part for the same tax year for which a credit under this

section is claimed. The credits allowed under this section must be claimed after all allowable nonrefundable credits under this part. If the amount of the credits allowed under this section exceeds the tax liability of the taxpayer for the tax year, that portion of the credit that exceeds the tax liability of the taxpayer for the tax year must be refunded.

(8) As used in this section:

(a) "Authorized business" means a taxpayer that has incurred during the calendar year ending with or within the tax year for which a credit is being claimed under this section qualifying research and development expenses in excess of the base amount.

(b) "Base amount" means the average annual amount of qualifying research and development expenses incurred during the 3 calendar years immediately preceding the calendar year ending with or within the tax year for which a credit is being claimed under this section. An authorized business with no prior qualifying research and development expenses has a base amount of zero. If qualifying research and development expenses were incurred in only 1 or 2 of the immediately preceding 3 calendar years, the average annual amount must be based on the number of calendar years during which qualifying research and development expenses were incurred.

(c) "Qualifying research and development expenses" means qualified research expenses as that term is defined in section 41(b) of the internal revenue code for research conducted in this state. Qualifying research and development expenses do not include qualified research expenses for research conducted outside of this state.

(d) "Research university" means a public university described in section 4, 5, or 6 of article VIII of the state constitution of 1963 or an independent nonprofit college or university in this state.

CHAPTER 16

206.680 Election to pay tax imposed by Michigan business tax act; duration; taxpayer as member of unitary business group; separate return; annual return; "certificated credit" defined.

Sec. 680.

(1) Notwithstanding any other provision of this part, except as otherwise provided in subsection (2) for a certificated credit under section 435 or 437 of the Michigan business tax act, 2007 PA 36, MCL 208.1435 and 208.1437, or in subsection (5) for a certificated credit under section 431 of the Michigan business tax act, 2007 PA 36, MCL 208.1431, a taxpayer that has been approved to receive, has received, or has been assigned a certificated credit that has not been fully claimed or paid prior to January 1, 2012 may, for the taxpayer's first tax year ending after December 31, 2011 only, elect to file a return and pay the tax imposed by the Michigan business tax act, 2007 PA 36, MCL 208.1101 to 208.1601, in lieu of the tax imposed by this part. An election under this subsection shall continue for the period prescribed in section 500(1) of the Michigan business tax act, 2007 PA 36, MCL 208.1500.

(2) A taxpayer with a certificated credit under section 435 or 437 of the Michigan business tax act, 2007 PA 36, MCL 208.1435 and 208.1437, which certificated credit may be claimed in a tax year ending after December 31, 2011 may elect to pay the tax imposed by the Michigan business tax act, 2007 PA 36, MCL 208.1101 to 208.1601, in the tax year in which that certificated credit or any unused carryforward may be claimed in lieu of the tax imposed by this part.

(3) A taxpayer that is a member of a unitary business group and that has a certificated credit under sections 431 and 434(2) and (5) of the Michigan business tax act, 2007 PA 36, MCL 208.1431 and 208.1434, is not required to file a combined return as a unitary business group and may elect to file a separate return and pay the tax, if any, under the Michigan business tax act, 2007 PA 36, MCL 208.1101 to 208.1601.

(4) A taxpayer that elects to pay the tax imposed by the Michigan business tax act, 2007 PA 36, MCL 208.1101 to 208.1601, under this section is not required to file an annual return under this part.

(5) A taxpayer that acquires, pursuant to the modification of an existing written agreement approved by a resolution of the Michigan strategic fund board on November 27, 2018 and the subsequent transfer of that written agreement, a certificated credit authorized by the Michigan economic growth authority in 2004 under section 431 of the Michigan business tax act, 2007 PA 36, MCL 208.1431, may, for the first tax year ending after October 1, 2018 only, elect to file the return and pay the tax imposed by the Michigan business tax act, 2007 PA 36, MCL 208.1101 to 208.1601, in lieu of the tax imposed by this part as long as the Michigan economic growth authority or its successor determines that the modification and subsequent transfer of that credit reduces the total amount of the

credit. However, if the first tax year ending after October 1, 2018 ends before the effective date of the amendatory act that added this subsection and the taxpayer has already filed a return for that tax year under this part, then the taxpayer may, if within the statute of limitations period prescribed under section 27a of 1941 PA 122, MCL 205.27a, elect under this subsection to file the return and pay the tax imposed by the Michigan business tax act, 2007 PA 36, MCL 208.1101 to 208.1601, for that tax year by filing the necessary amended return under this part and filing an original return as provided under section 505 of the Michigan business tax act, 2007 PA 36, MCL 208.1505. An election under this subsection shall continue for the period prescribed in section 500 of the Michigan business tax act, 2007 PA 36, MCL 208.1500.

(6) As used in this section, "certificated credit" means that term as defined in section 107 of the Michigan business tax act, 2007 PA 36, MCL 208.1107.

History: Add. 2011, Act 38, Eff. Jan. 1, 2012 ;-- Am. 2012, Act 70, Imd. Eff. Mar. 29, 2012 ;-- Am. 2019, Act 92, Imd. Eff. Oct. 10, 2019
Compiler's Notes: Enacting section 1 of Act 92 of 2019 provides: "Enacting section 1. This amendatory act is retroactive and effective for tax years beginning after December 31, 2017."

206.681 Quarterly returns and estimated payments.

Sec. 681.

(1) Except as otherwise provided under this section, a taxpayer that reasonably expects liability for the tax year to exceed \$800.00 shall file an estimated return and pay an estimated tax for each quarter of the taxpayer's tax year.

(2) For taxpayers on a calendar year basis, the quarterly returns and estimated payments shall be made by April 15, July 15, October 15, and January 15. Taxpayers not on a calendar year basis shall file quarterly returns and make estimated payments on the appropriate due date which in the taxpayer's fiscal year corresponds to the calendar year.

(3) Except as otherwise provided under this subsection, the estimated payment made with each quarterly return of each tax year shall be for the estimated tax base that is applicable to the taxpayer under chapter 11, 12, or 13 for the quarter or 25% of the estimated annual liability. The second, third, and fourth estimated payments in each tax year shall include adjustments, if necessary, to correct underpayments or overpayments from previous quarterly payments in the tax year to a revised estimate of the annual tax liability. For a taxpayer that calculates and pays estimated payments for federal income tax purposes pursuant to section 6655(e) of the internal revenue code, that taxpayer may use the same methodology as used to calculate the annualized income installment or the adjusted seasonal installment, whichever is used as the basis for the federal estimated payment, to calculate the estimated payments required each quarter under this section. The interest and penalty provided by this part shall not be assessed if any of the following occur:

(a) If the sum of the estimated payments equals at least 85% of the liability and the amount of each estimated payment reasonably approximates the tax liability incurred during the quarter for which the estimated payment was made.

(b) For the 2013 tax year and each subsequent tax year, if the preceding year's tax liability under this part was \$20,000.00 or less and if the taxpayer submitted 4 equal installments the sum of which equals the immediately preceding tax year's tax liability.

(4) Each estimated return shall be made on a form prescribed by the department and shall include an estimate of the annual tax liability and other information required by the state treasurer. The form prescribed under this subsection may be combined with any other tax reporting form prescribed by the department.

(5) With respect to a taxpayer filing an estimated tax return for the taxpayer's first tax year of less than 12 months, the amounts paid with each return shall be proportional to the number of payments made in the first tax year. A taxpayer with a tax year of less than 4 months is not required to file an estimated tax return or remit estimated payments.

(6) Payments made under this section shall be a credit against the payment required with the annual tax return required in section 685.

(7) If the department considers it necessary to insure payment of the tax or to provide a more efficient administration of the tax, the department may require filing of the returns and payment of the tax for other than quarterly or annual periods.

(8) A taxpayer that elects under the internal revenue code to file an annual federal income tax return by March 1 in the year following the taxpayer's tax year and does not make a quarterly estimate or payment, or does not make a quarterly estimate or payment and files a tentative annual return with a tentative payment by January 15 in the year following the taxpayer's tax year and a final return by April 15 in the year following the taxpayer's tax year, has the same option in filing the estimated and annual returns required by this part.

206.683 Payment for portion of tax year; computation; methods.

Sec. 683.

(1) If a taxpayer's tax year to which this part applies ends before December 31, 2012, then a taxpayer subject to this part may elect to compute the tax imposed by this part for the portion of that tax year to which this part applies in accordance with 1 of the following methods:

(a) The tax may be computed as if this part were effective on the first day of the taxpayer's annual accounting period and the amount computed shall be multiplied by a fraction, the numerator of which is the number of months in the taxpayer's first tax year and the denominator of which is the number of months in the taxpayer's annual accounting period.

(b) The tax may be computed by determining the corporate income tax base in the first tax year in accordance with an accounting method satisfactory to the department that reflects the actual corporate income tax base attributable to the period.

(2) The method chosen by the taxpayer under this section shall be the same as the method used by that same taxpayer when computing the tax imposed under the Michigan business tax act, 2007 PA 36, MCL 208.1101 to 208.1601, for the other portion of that same tax year.

206.685 Annual or final return; filing; form and content; remittance of final liability; calculation; extension.

Sec. 685.

(1) An annual or final return shall be filed with the department in the form and content prescribed by the department by the last day of the fourth month after the end of the taxpayer's tax year. Any final liability shall be remitted by the annual due date of the taxpayer's annual or final return, excluding any extension of time to file the return as provided under subsections (2) and (3). A taxpayer, other than a taxpayer subject to the tax imposed under chapter 12 or 13, whose apportioned or allocated gross receipts are less than \$350,000.00 does not need to file a return or pay the tax imposed under this part. The apportioned or allocated gross receipts of a flow-through entity shall be imputed to each of its members based upon the same percentage that each member's proportionate share of distributive income is to the total distributive income of the flow-through entity. A taxpayer whose tax liability under this part is less than or equal to \$100.00 does not need to file a return or pay the tax imposed under this part.

(2) If a taxpayer has apportioned or allocated gross receipts for a tax year of less than 12 months, the threshold amount of \$350,000.00 in subsection (1) shall be multiplied by a fraction, the numerator of which is the number of months in the tax year and the denominator of which is 12.

(3) The department, upon application of the taxpayer and for good cause shown, may extend the date for filing the annual return. Interest at the rate under section 23(2) of 1941 PA 122, MCL 205.23, shall be added to the amount of the tax unpaid for the period of the extension. The state treasurer shall require with the application payment of the estimated tax liability unpaid for the tax period covered by the extension.

(4) If a taxpayer is granted an extension of time within which to file the federal income tax return for any tax year, the filing of a copy of the request for extension together with a tentative return and payment of an estimated tax with the department by the due date provided in subsection (1) shall automatically extend the due date for the filing of an annual or final return under this part until the last day of the eighth month following the original due date of the return. Interest at the rate under section 23(2) of 1941 PA 122, MCL 205.23, shall be added to the amount of the tax unpaid for the period of the extension.

206.687 Furnishing copy of return filed under internal revenue code; amended return; partnership audit or adjustment reporting.

Sec. 687.

(1) A taxpayer required to file a return under this part may be required to furnish a true and correct copy of any return or portion of any return filed under the provisions of the internal revenue code.

(2) Except as provided in subsection (3), a taxpayer shall file an amended return with the department showing any alteration in or modification of a federal income tax return that affects its tax base under this part. The amended return must be filed within 180 days after the final determination date. This subsection does not apply to the reporting of a final federal adjustment arising from a partnership level audit or an administrative adjustment request required to be reported under chapter 18.

(3) For tax years that begin on and after January 1, 2018, a partnership that is not subject to chapter 18, but has determined that the partners' share of income, deductions, and credits previously reported to its partners and included in a return filed under this part requires adjustment, may, at the discretion of the department, file a report with the department and pay the tax due or claim a refund on behalf of its partners in a manner similar to the process set forth in chapter 18. Any refund issued to the partnership under this subsection is in lieu of any overpayment of taxes that may be claimed by the partners.

(4) A taxpayer that expects to owe additional tax as a result of a pending federal audit may make payments, in a form and manner as prescribed by the department, prior to the final determination date. The department shall credit any payments made under this subsection against any tax liability due on that taxpayer's amended return filed as a result of the federal audit. Payments made under this subsection limit the accrual of any further statutory interest on the amount due. If the department finds that the taxpayer has overpaid the tax due on the amended return, a refund of the overpayment must immediately be made as provided in section 30 of 1941 PA 122, MCL 205.30.

(5) As used in this section:

(a) "Administrative adjustment request", "final federal adjustment", and "partnership level audit" mean those terms as defined in section 721.

(b) "Final determination date" means that term as defined in section 325.

206.689 Information return of income paid to others.

Sec. 689.

206.691 Filing of combined return by unitary business group.

Sec. 691.

(1) Except as otherwise provided under section 680(3), a unitary business group shall file a combined return that includes each United States person that is included in the unitary business group. Each United States person

included in a unitary business group or included in a combined return shall be treated as a single person, and all transactions between those persons included in the unitary business group shall be eliminated from the corporate income tax base, the apportionment formulas, and for purposes of determining exemptions, credits, and the filing threshold under this part. If a United States person included in a unitary business group or included in a combined return is subject to the tax under chapter 12 or 13, any corporate income attributable to that person shall be eliminated from the corporate income tax base and any sales attributable to that person shall be eliminated from the apportionment formula under this part.

(2) A person that is part of an affiliated group may elect without the consent of the department to have all of the persons that are included in that affiliated group to be treated as a unitary business group. A taxpayer that elects to file as a unitary business group pursuant to this subsection shall compute its tax under this part in accordance with all other provisions of this part that apply to a unitary business group. The taxpayer shall make the election under this subsection on a form or in a format as prescribed by the department that is to be filed in a timely manner with the taxpayer's annual return. Each person included in the affiliated group is deemed to have agreed to be bound by the election made under this subsection and any renewal of that election and to have waived any objection to its inclusion in the affiliated group and treatment as a unitary business group. Each person that subsequently enters the affiliated group after the tax year for which the election is made is deemed to have consented to the application of and is bound by the election and to have waived any objection to its inclusion in the affiliated group and treatment as a unitary business group. An election made pursuant to this subsection is irrevocable and binding for and applicable to the tax year for which it is made and for the next 9 tax years. The election shall remain in effect for the time period in which the ownership requirements under this section are met irrespective of whether a federal consolidated group to which the unitary business group belongs discontinues the filing of a federal consolidated return or whether the common parent changes due to a reverse acquisition or acquisition by a related person. Upon the expiration of the election after it has been in effect for 10 tax years, an election may be renewed for another 10 tax years, without the consent of the department; provided however, that in the case of a nonrenewal a new election under this subsection is not permitted in any of the immediately following 3 tax years. The renewal shall be made on a form or in a format as prescribed by the department that is to be filed in a timely manner with the taxpayer's annual return after the completion of a 10-year period for which an election under this subsection was in place.

206.693 Administration of tax; conflicting provisions; rules; forms; additional tax liability; statistics detailing distribution of tax receipts.

Sec. 693.

(1) The tax imposed by this part shall be administered by the department of treasury pursuant to 1941 PA 122, MCL 205.1 to 205.31, and this part. If a conflict exists between 1941 PA 122, MCL 205.1 to 205.31, and this part, the provisions of this part apply.

(2) The department may promulgate rules to implement this part pursuant to the administrative procedures act of 1969, 1969 PA 306, MCL 24.201 to 24.328.

(3) The department shall prescribe forms for use by taxpayers and may promulgate rules in conformity with this part for the maintenance by taxpayers of records, books, and accounts, and for the computation of the tax, the manner and time of changing or electing accounting methods and of exercising the various options contained in this part, the making of returns, and the ascertainment, assessment, and collection of the tax imposed under this part.

(4) The tax imposed by this part is in addition to all other taxes for which the taxpayer may be liable.

(5) The department shall prepare and publish statistics from the records kept to administer the tax imposed by this part that detail the distribution of tax receipts by type of business, legal form of organization, sources of tax base, timing of tax receipts, and types of deductions. The statistics shall not result in the disclosure of information regarding any specific taxpayer.

Sec. 696.

(1) The revitalization and placemaking fund is created within the state treasury. The state treasurer may receive money or other assets from any source for deposit into the revitalization and placemaking fund. The state treasurer shall direct the investment of the revitalization and placemaking fund. Compiler's Notes: This section was assigned the compilation number "206.701". To avoid a conflict with another section numbered "206.701" added by Act 38 of 2011, Sec. 701 of 2006 PA 513 has been renumbered as 206.901.

206.703 Tax withholding; deduction; amount; computation; duties of employer; flow-through entity; casino licensee; racing licensee or track licensee; eligible production company; publicly traded partnership; agreement with community college; nonresident individual; exemption certificate; disbursement pursuant to qualified charitable gift annuity; receipt of exemption certificate from member other than nonresident individual; tax withheld by flow-through entity; revocation of election provided in subsection (16); election to file return and pay tax; exception from certain withholding requirements; conditions.

Sec. 703.

(1) A person who disburses pension or annuity payments, except as otherwise provided under this section, shall withhold a tax in an amount computed by applying the rate prescribed in section 51 on the taxable part of payments from an employer pension, annuity, profit-sharing, stock bonus, or other deferred compensation plan as well as from an individual retirement arrangement, an annuity, an endowment, or a life insurance contract issued by a life insurance company. Withholding shall be calculated on the taxable disbursement after deducting from the taxable portion the same proportion of the total amount of personal and dependency exemptions of the individual allowed under this act. Withholding is not required on any part of a distribution that is not expected to be includable in the recipient's gross income or that is deductible from adjusted gross income under section 30(1)(e) or (f).

(2) Every employer in this state required under the provisions of the internal revenue code to withhold a tax on the compensation of an individual, except as otherwise provided, shall deduct and withhold a tax in an amount computed by applying, except as provided by subsection (14), the rate prescribed in section 51 to the remainder of the compensation after deducting from compensation the same proportion of the total amount of personal and dependency exemptions of the individual allowed under this act that the period of time covered by the compensation is of 1 year. The department may prescribe withholding tables that may be used by employers to compute the amount of tax required to be withheld.

(3) Except as otherwise provided under this section, for tax years that begin before July 1, 2016, every flow-through entity in this state shall withhold a tax in an amount computed by applying the rate prescribed in section 51 to the distributive share of taxable income reasonably expected to accrue after allocation and apportionment under chapter 3 of each nonresident member who is an individual after deducting from that distributive income the same proportion of the total amount of personal and dependency exemptions of the individual allowed under this act. All of the taxes withheld under this section shall accrue to the state on April 15, July 15, and October 15 of the flow-through entity's tax year and January 15 of the following year, except a flow-through entity that is not on a calendar year basis shall substitute the appropriate due dates in the flow-through entity's fiscal year that correspond to those in a calendar year. Withholding for each period shall be equal to 1/4 of the total withholding calculated on the distributive share that is reasonably expected to accrue during the tax year of the flow-through entity.

(4) Except as otherwise provided under this section, for tax years that begin before July 1, 2016, every flow-

through entity with business activity in this state that has more than \$200,000.00 of business income reasonably expected to accrue in the tax year after allocation or apportionment shall withhold a tax in an amount computed by applying the rate prescribed in section 623 to the distributive share of the business income of each member that is a corporation or that is a flow-through entity. For purposes of calculating the \$200,000.00 withholding threshold, the business income of a flow-through entity shall be apportioned to this state by multiplying the business income by the sales factor of the flow-through entity. The sales factor of the flow-through entity is a fraction, the numerator of which is the total sales of the flow-through entity in this state during the tax year and the denominator of which is the total sales of the flow-through entity everywhere during the tax year. As used in this subsection, "business income" means that term as defined in section 603(2). For a partnership or S corporation, business income includes payments and items of income and expense that are attributable to business activity of the partnership or S corporation and separately reported to the members. As used in this subsection, "sales" means that term as defined in section 609 and sales in this state is determined as provided in sections 665 and 669. All of the taxes withheld under this section shall accrue to the state on April 15, July 15, and October 15 of the flow-through entity's tax year and January 15 of the following year, except a flow-through entity that is not on a calendar year basis shall substitute the appropriate due dates in the flow-through entity's fiscal year that correspond to those in a calendar year. Withholding for each period shall be equal to 1/4 of the total withholding calculated on the distributive share of business income that is reasonably expected to accrue during the tax year of the flow-through entity.

(5) For tax years that begin before July 1, 2016, if a flow-through entity is subject to the withholding requirements of subsection (4), then a member of that flow-through entity that is itself a flow-through entity shall withhold a tax on the distributive share of business income as described in subsection (4) of each of its members. The department shall apply tax withheld by a flow-through entity on the distributive share of business income of a member flow-through entity to the withholding required of that member flow-through entity. All of the taxes withheld under this section shall accrue to the state on April 15, July 15, and October 15 of the flow-through entity's tax year and January 15 of the following year, except a flow-through entity that is not on a calendar year basis shall substitute the appropriate due dates in the flow-through entity's fiscal year that correspond to those in a calendar year. Withholding for each period shall be equal to 1/4 of the total withholding calculated on the distributive share of business income that is reasonably expected to accrue during the tax year of the flow-through entity.

(6) Every casino licensee shall withhold a tax in an amount computed by applying the rate prescribed in section 51 to the winnings of a nonresident reportable by the casino licensee under the internal revenue code.

(7) Every race meeting licensee or track licensee shall withhold a tax in an amount computed by applying the rate prescribed in section 51 to a payoff price on a winning ticket of a nonresident reportable by the race meeting licensee or track licensee under the internal revenue code that is the result of pari-mutuel wagering at a licensed race meeting.

(8) Every casino licensee or race meeting licensee or track licensee shall report winnings of a resident reportable by the casino licensee or race meeting licensee or track licensee under the internal revenue code to the department in the same manner and format as required under the internal revenue code.

(9) Every eligible production company shall, to the extent not withheld by a professional services corporation or professional employer organization, deduct and withhold a tax in an amount computed by applying the rate prescribed in section 51 to the remainder of the payments made to the professional services corporation or professional employer organization for the services of a performing artist or crew member after deducting from those payments the same proportion of the total amount of personal and dependency exemptions of the individuals allowed under this act.

(10) Every publicly traded partnership that has equity securities registered with the securities and exchange commission under section 12 of title I of the securities and exchange act of 1934, 15 USC 781, shall not be subject to withholding.

(11) Except as otherwise provided under this subsection, all of the taxes withheld under this section shall accrue to the state on the last day of the month in which the taxes are withheld but shall be returned and paid to the department by the employer, eligible production company, casino licensee, or race meeting licensee or track licensee within 15 days after the end of any month or as provided in section 705. For an employer that has entered into an agreement with a community college pursuant to chapter 13 of the community college act of 1966, 1966 PA 331, MCL 389.161 to 389.166, a portion of the taxes withheld under this section that are attributable to each employee in a new job created pursuant to the agreement shall accrue to the community college on the last day of the month in which the taxes are withheld but shall be returned and paid to the community college by the employer within 15 days after the end of any month or as provided in section 705 for as long as the agreement remains in effect. For purposes of this act and 1941 PA 122, MCL 205.1 to 205.31, payments made by an employer to a community college under this subsection shall be considered income taxes paid to this state.

(12) A person required by this section to deduct and withhold taxes on income under this section holds the amount of tax withheld as a trustee for this state and is liable for the payment of the tax to this state or, if applicable, to the community college and is not liable to any individual for the amount of the payment.

(13) An employer in this state is not required to deduct and withhold a tax on the compensation paid to a

nonresident individual employee, who, under section 256, may claim a tax credit equal to or in excess of the tax estimated to be due for the tax year or is exempted from liability for the tax imposed by this act. In each tax year, the nonresident individual shall furnish to the employer, on a form approved by the department, a verified statement of nonresidence.

(14) A person required to withhold a tax under this act, by the fifteenth day of the following month, shall provide the department with a copy of any exemption certificate on which a person with income subject to withholding under subsection (6) or (7) claims more than 9 personal or dependency exemptions, claims a status that exempts the person subject to withholding under subsection (6) or (7) from withholding under this section.

(15) A person who disburses annuity payments pursuant to the terms of a qualified charitable gift annuity is not required to deduct and withhold a tax on those payments as prescribed under subsection (1). As used in this subsection, "qualified charitable gift annuity" means an annuity described under section 501(m)(5) of the internal revenue code and issued by an organization exempt under section 501(c)(3) of the internal revenue code.

(16) Notwithstanding the requirements of subsections (4) and (5), if a flow-through entity receives an exemption certificate from a member other than a nonresident individual, the flow-through entity shall not withhold a tax on the distributive share of the business income of that member if all of the following conditions are met:

(a) The exemption certificate is completed by the member in the form and manner prescribed by the department and certifies that the member will do all of the following:

(i) File the returns required under this act.

(ii) Pay or withhold the tax required under this act on the distributive share of the business income received from any flow-through entity in which the member has an ownership or beneficial interest, directly or indirectly through 1 or more other flow-through entities.

(iii) Submit to the taxing jurisdiction of this state for purposes of collection of the tax under this act together with related interest and penalties under 1941 PA 122, MCL 205.1 to 205.31, imposed on the member with respect to the distributive share of the business income of that member.

(b) The department may require the member to file the exemption certificate with the department and provide a copy to the flow-through entity.

(c) The department may require a flow-through entity that receives an exemption certificate to attach a copy of the exemption certificate to the annual reconciliation return as required by section 711. A flow-through entity that is entirely exempt from the withholding requirements of subsection (4) or (5) by this subsection may be required to furnish a copy of the exemption certificate in another manner prescribed by the department.

(d) A copy of the exemption certificate shall be retained by the member and flow-through entity and made available to the department upon request. Any copy of the exemption certificate shall be maintained in a format and for the period required by 1941 PA 122, MCL 205.1 to 205.31.

(17) The department may revoke the election provided for in subsection (16) if it determines that the member or a flow-through entity is not abiding by the terms of the exemption certificate or the requirements of subsection (16). If the department does revoke the election option under subsection (16), the department shall notify the affected flow-through entity that withholding is required on the member under subsection (4) or (5), beginning 60 days after notice of revocation is received.

(18) Notwithstanding the requirements of subsections (4) and (5), a flow-through entity is not required to withhold in accordance with this section for a member that voluntarily elects to file a return and pay the tax imposed by the Michigan business tax act under section 680 or section 500 of the Michigan business tax act, 2007 PA 36, MCL 208.1500.

(19) Notwithstanding the withholding requirements of subsection (3), (4), or (5), a flow-through entity is not required to comply with those withholding requirements to the extent that the withholding would violate any of the following:

206.717 Research and development credit.

Sec. 717.

(1) Subject to the limitations under this section, for tax years beginning on and after January 1, 2025, an employer that is an authorized business may claim a credit against the taxes required to be withheld and remitted to this state under this chapter as follows:

(a) For an authorized business with 250 or more employees, an amount equal to the sum of 3% of the employer's qualifying research and development expenses incurred during the calendar year ending with or within the tax year up to the base amount and 10% of the employer's qualifying research and development expenses incurred during the calendar year ending with or within the tax year in excess of the base amount. The credit amount calculated under this subdivision must not exceed \$2,000,000.00 per tax year per employer.

(b) For an authorized business with less than 250 employees, an amount equal to the sum of 3% of the employer's qualifying research and development expenses incurred during the calendar year ending with or within the tax year up to the base amount and 15% of the employer's qualifying research and development expenses incurred during the calendar year ending with or within the tax year in excess of the base amount. The credit amount calculated under this subdivision must not exceed \$250,000.00 per tax year per employer.

(2) Subject to the limitations under this section, an employer that is an authorized business may claim an additional credit equal to 5% of the qualifying research and development expenses used to calculate the credit under subsection (1) that were incurred in collaboration with a research university in this state pursuant to a written agreement between the employer and the research university. In order to claim the additional credit under this subsection, if requested by the department, the employer must provide the department with a copy of the written agreement with the research university. The additional credit allowed under this subsection must not exceed \$200,000.00 per tax year per employer.

(3) To be eligible for a credit under this section, an employer must submit, in a form and manner as prescribed by the department, a tentative claim for which a credit under this section is sought to the department on or before April 1, 2026 for tentative claims made for qualifying research and development expenses incurred during the 2025 calendar year and for tentative claims made for qualifying research and development expenses incurred for each calendar year after 2025 on or before March 15 after the calendar year ending with or within the tax year for which the employer intends to submit a claim for the credit. The tentative claim required under this subsection must include, at a minimum, all of the following information:

(a) If the credit is to be claimed under subsection (1)(a) or (b).

(b) The amount of qualifying research and development expenses incurred for which a credit is being claimed.

(c) If an additional credit is to be claimed under subsection (2) for collaboration with a research university.

(4) The department shall review all tentative claims submitted under subsection (3) and if the amount of tentative claims submitted exceeds the amount allowed under subsection (5), the department shall publish a notice on its website notifying claimants of the adjustment to the tentative claims for that calendar year as required under subsection (5).

(5) The aggregate amount of credits allowed to be claimed by all employers under this section and all taxpayers under section 677 based on qualifying research and development expenses incurred in a single calendar year must not exceed \$100,000,000.00. If the aggregate amount of tentative claims submitted under this section and section 677 exceeds \$100,000,000.00, the department shall prorate the amount of credits allowed for each claimant as follows:

(a) If the aggregate amount of tentative claims submitted by all employers qualifying under subsection (1)(b) and all taxpayers qualifying under section 677(1)(b) does not exceed \$25,000,000.00, the amount of credits claimed by

each of those claimants must not be prorated. However, for employers submitting a tentative claim for a credit under subsection (1)(a) or taxpayers submitting a tentative claim for a credit under section 677(1)(a), the amount of tentative claims submitted must be prorated so that each claimant's allowed credits equal that claimant's pro rata share of the remaining amount of credits allowed to be claimed under this subsection and section 677(5).

(b) Except as provided in subdivision (c), if the aggregate amount of tentative claims submitted by all employers qualifying under subsection (1)(b) and all taxpayers qualifying under section 677(1)(b) exceeds \$25,000,000.00, the amount of tentative claims submitted by each of those claimants must be prorated so that each claimant's allowed credits equal that claimant's pro rata share of \$25,000,000.00, and the amount of tentative claims submitted by each employer qualifying under subsection (1)(a) or taxpayer qualifying under section 677(1)(a) must be prorated so that each claimant's allowed credits equal that claimant's pro rata share of \$75,000,000.00.

(c) If the aggregate amount of tentative claims submitted by all employers qualifying under subsection (1)(b) and all taxpayers qualifying under section 677(1)(b) exceeds 25% of the aggregate amount of tentative claims submitted by all employers under this section and all taxpayers under section 677, then the proration under subdivision (b) does not apply, and the amount of tentative claims submitted by each employer under this section and taxpayer under section 677 shall be prorated so that each claimant's allowed credits equal that claimant's pro rata share of \$100,000,000.00.

(6) A member of a flow-through entity that submits a claim for a credit under this section is not allowed to claim any portion of that credit. An employer shall not assign or transfer all or any portion of a credit allowed under this section. A credit or any portion of a credit allowed under this section is not assignable or transferable either by agreement or by operation of law.

(7) An employer shall, in a form and manner as prescribed by the department, file a claim for a credit under this section with the annual return required under section 711 for the tax year in which a tentative claim for a credit under this section is submitted. The credits allowed under this section must be claimed after all allowable nonrefundable credits under this act. If the amount of the credits allowed under this section exceeds the tax liability of the employer for the tax year, that portion of the credit that exceeds the tax liability of the employer for the tax year must be refunded.

(8) As used in this section:

(a) "Authorized business" means, except as otherwise provided under this subdivision, a flow-through entity that is subject to the withholding requirements under section 703(2) and that has incurred during the calendar year ending with or within the tax year for which a credit is being claimed under this section qualifying research and development expenses in excess of the base amount. Authorized business does not include a flow-through entity that is subject to the Michigan business tax act, 2007 PA 36, MCL 208.1101 to 208.1519, or part 2, for the tax year.

(b) "Base amount" means the average annual amount of qualifying research and development expenses incurred during the 3 calendar years immediately preceding the calendar year ending with or within the tax year for which a credit is being claimed under this section. An authorized business with no prior qualifying research and development expenses has a base amount of zero. If qualifying research and development expenses were incurred in only 1 or 2 of the immediately preceding 3 calendar years, the average annual amount must be based on the number of calendar years during which qualifying research and development expenses were incurred.

(c) "Qualifying research and development expenses" means qualified research expenses as that term is defined in section 41(b) of the internal revenue code of 1986, 26 USC 41, for research conducted in this state. Qualifying research and development expenses do not include qualified research expenses for research conducted outside of this state.

(d) "Research university" means a public university described in section 4, 5, or 6 of article VIII of the state constitution of 1963 or an independent nonprofit college or university in this state.

History: Add. 2022, Act 148, Imd. Eff. July 19, 2022

Compiler's Notes: Enacting section 1 of Act 148 of 2022 provides: "Enacting section 1. This amendatory act is retroactive and applies to all tax years that begin on and after January 1, 2018."

206.723 Partnership level audits; administrative adjustment requests; reporting requirements; state partnership representative; irrevocable election to pay tax; reporting to partners; alternative reporting and payment methods; credit or refund of overpayment; rules.

Sec. 723.

(1) Except for adjustments required to be reported for federal purposes by taking those adjustments into account in the partnership return for the year of adjustment, partnerships and partners shall report final federal adjustments arising from a partnership level audit or an administrative adjustment request and make payments as required under this section.

(2) With respect to an action required or permitted to be taken by a partnership under this section and any other proceeding or action permitted under this chapter or 1941 PA 122, MCL 205.1 to 205.31, the state partnership representative for the reviewed year has the sole authority to act on behalf of the partnership. The partnership's direct partners and indirect partners are bound by those actions. The state partnership representative for the reviewed year is the partnership's federal partnership representative unless the partnership designates in writing another person as its state partnership representative. The department may establish reasonable qualifications and procedures for designating a person, other than the federal partnership representative, to be the state partnership representative.

(3) Except for final federal adjustments subject to a properly made election under subsection (4), final federal adjustments must be reported as follows:

(a) No later than 90 days after the final determination date, the partnership shall do all of the following:

(i) File a completed federal adjustments report, including information as required by the department.

(ii) Report to each of its direct partners for the reviewed year their distributive share of the final federal adjustments including information as required by the department.

(iii) Submit a payment on behalf of any nonresident partner previously included on a composite return for the reviewed year for the additional amount of tax that would have been due had the final federal adjustments been reported properly as required.

(b) If the partner's increase in the amount of tax due that results from the final federal adjustment is \$25.00 or more, no later than 180 days after the final determination date, each direct partner for that reviewed year that is a corporate partner, resident partner, or nonresident partner whose payment is not included in the composite return

payment under subdivision (a)(iii) shall file a federal adjustments report reporting that partner's share of the adjustments reported under subdivision (a)(ii) and pay any additional amount of tax due as if final federal adjustments had been properly reported, plus any penalty and interest as provided under 1941 PA 122, MCL 205.1 to 205.31. If the department determines that the taxpayer has overpaid the tax imposed by this act, a credit or refund of the overpayment must be issued immediately as provided in section 30 of 1941 PA 122, MCL 205.30.

(4) An audited partnership that makes an election under this subsection is subject to the laws related to reporting, assessment, payment, and collection of the tax calculated under this act and under 1941 PA 122, MCL 205.1 to 205.31, and shall do all of the following:

(a) No later than 90 days after the final determination date, file a completed federal adjustments report, including information as required by the department, and notify the department that it is making the election under this subsection.

(b) Subject to the limitation in subsection (5), no later than 180 days after the final determination date, exclude from final federal adjustments the distributive share of those adjustments attributed to direct exempt partners not subject to the tax under this act and pay an amount equal to the sum of the following along with any penalty and interest as provided in 1941 PA 122, MCL 205.1 to 205.31, in lieu of taxes owed by its direct partners and indirect partners:

(i) For the distributive shares of the remaining final federal adjustments that are attributed to direct corporate partners, determine the amount allocated or apportioned to this state under part 2 and multiply that share amount by the tax rate imposed under section 623 for the reviewed year.

(ii) For the distributive shares of the remaining final federal adjustments that are attributed to direct tiered partners determine, as prescribed by the department, as follows:

(A) The distributive shares that are attributed to indirect corporate partners and that are allocated or apportioned to this state under part 2 and multiply that amount by the tax rate imposed under section 623 for the reviewed year.

(B) The distributive shares that are attributed to indirect resident or nonresident partners and that are allocated or apportioned to this state under part 1 and multiply that amount by the tax rate imposed under section 51 for the reviewed year.

(C) For the remaining distributive shares of the final federal adjustments that are not attributed under subparagraph (A) or (B), determine the amount allocated or apportioned to this state under part 2 and multiply that amount by the tax rate imposed under section 623 for the reviewed year.

(iii) For the distributive shares of the remaining final federal adjustments that are attributed to direct partners subject to the tax under part 1, determine the amount allocated and apportioned to this state under part 1 and multiply that amount by the tax rate imposed under section 51 for the reviewed year.

(5) In determining the amount of the tax under subsection (4)(b), if reasonably identified by the audited partnership, final federal adjustments must not include the distributive share of final federal adjustments attributed to any direct or indirect corporate partner that is unitary with the audited partnership for apportionment purposes as provided under section 663.

(6) The direct and indirect partners of an audited partnership that are tiered partners, and all of the partners of those tiered partners that are subject to tax under this act are subject to the reporting and payment requirements of subsection (3) and the tiered partners are entitled to make the elections provided in subsections (4) and (7). The tiered partners or their partners shall make required reports and payments no later than 90 days after the time for filing and furnishing statements to tiered partners and their partners as established under section 6226 of the internal revenue code.

(7) In accordance with procedures adopted by the department, an audited partnership or tiered partner may submit an application to the department, in a form and manner as prescribed by the department, for an alternative reporting and payment method within the time allowed for an election under subsection (3) or (4), as applicable. If the application is approved by the department, an audited partnership or tiered partner shall enter into an agreement with the department to utilize an alternative reporting and payment method, including applicable time requirements or any other provision of this section, if the audited partnership or tiered partner demonstrates that the requested method will reasonably provide for the reporting and payments of taxes, penalties, and interest due under this section.

(8) An election made under subsection (4) or (7) is irrevocable, unless the department, in its discretion, determines otherwise. If properly reported and paid by the audited partnership or tiered partner, the amount determined under subsection (4)(b) or alternatively under subsection (7) is considered paid in lieu of taxes owed by its direct and indirect partners, to the extent applicable, on the same final federal adjustments. The direct partners or indirect partners may not take any deduction or credit under this act for this amount or claim a refund of the amount. This subsection does not preclude a direct resident partner from claiming a credit under section 255 against taxes paid to this state under this act, for any amounts paid by the audited partnership or tiered partner on the resident partner's behalf to another state or local tax jurisdiction. If a partnership or tiered partner fails to timely make any report or payment as required under this section, the department may assess direct partners or indirect partners for taxes owed as determined based on the best information available.

(9) If a taxpayer files a federal adjustments report or an amended return as required and within the time period

specified in this section, the department may not assess additional tax, interest, and penalties arising from final federal adjustments after the expiration of the limitations period specified in section 27a of 1941 PA 122, MCL 205.27a. If a taxpayer fails to file the federal adjustments report within the time period specified in this section or the taxpayer files a federal adjustments report that omits adjustments or understates the correct amount of tax owed, the department may assess additional tax, interest, and penalties arising from those federal adjustments if the department issues a notice of assessment to the taxpayer within 6 years after the final determination date.

(10) A taxpayer that expects to owe additional tax as a result of a pending partnership level audit may make payments, as prescribed by the department, prior to the due date of the federal adjustments report. The department shall credit any payments against any tax liability ultimately found to be due under the federal adjustments report and any payments made limit the accrual of further statutory interest on that amount.

(11) Except for adjustments required to be reported for federal purposes by taking those adjustments into account in the partnership return for the year of adjustment, a taxpayer may file a claim for a refund or credit of the overpayment of the tax arising from final federal adjustments before the expiration of the statute of limitations established under section 27a of 1941 PA 122, MCL 205.27a. For a taxpayer that is a partnership, any claim for a refund or credit under this section must be made within 2 years of the final determination date of the federal adjustment.

(12) The time periods provided for in this section may be extended as provided under either of the following:

(a) Automatically, upon written notice to the department, by 60 days for an audited partnership or tiered partner that has 10,000 or more direct partners.

(b) By written agreement between the taxpayer and the department.

(13) The department may promulgate rules to implement this section and establish procedures and interim time periods for the reports and payments required by tiered partners and their partners and for making the elections under this section. To the extent practicable, the department shall establish rules and regulations that conform as closely as possible to the federal rules and procedures.

(b) "Gross receipts" means that term as defined under section 607.

(c) "Physical presence" means any activity conducted by the taxpayer or on behalf of the taxpayer by the taxpayer's employee, agent, or independent contractor acting in a representative capacity. Sec. 813.

For tax years beginning on and after January 1, 2021, a flow-through entity may, in a form and manner as prescribed by the department, elect to file a return and pay the tax imposed by this part. Except as otherwise provided under this section, an election made under this section is an irrevocable election that shall continue for the next 2 subsequent tax years and the taxpayer shall continue to file a return and pay the tax imposed under this part as provided in section 833. For tax years beginning before January 1, 2024, a flow-through entity that elects to pay the tax imposed under this part shall file its election with the department on or before the fifteenth day of the third month of that tax year. However, an election made for any tax year beginning in 2021 must be made before April 15, 2022. For tax years beginning on and after January 1, 2024, a flow-through entity that elects to pay the tax imposed under this part shall file its election with the department on or before the last day of the ninth month after the end of the tax year. A separate election must be made after the expiration of the irrevocable period described in this section to continue to pay the tax imposed by this part. If, in accordance with section 847, the tax is not levied and imposed during any tax year, for any subsequent tax year that the tax is levied and imposed under this part, regardless of whether the taxpayer had previously made an election to pay under this section, the taxpayer is required to make a separate election to pay under this section. If a taxpayer serves written notice upon the department within 60 days of the issuance of a denial of an election made under this section, the taxpayer is entitled to an informal conference on the question in the same manner and under the same procedures provided for under section 21 of 1941 PA 122, MCL 205.21.

Except as otherwise provided under subsection (5), the flow-through entity tax is imposed on the positive business income tax base, after allocation or apportionment to this state, at the same rate levied and imposed under section 51 for that same tax year. A negative business income tax base of a flow-through entity, after allocation or apportionment to this state, is includible in the business income tax base of each member of the flow-through entity and is not available as an offset to the allocated or apportioned business income tax base of the flow-through entity in any other tax year for which an election is made under section 813.

(2) The business income tax base means a taxpayer's business income subject to the following adjustments, before allocation or apportionment, and the adjustment in subsection (4) after allocation or apportionment:

(a) Add interest income and dividends derived from obligations or securities of states other than this state, in the same amount that was excluded from federal taxable income, less the related portion of expenses not deducted in computing federal taxable income because of sections 265 and 291 of the internal revenue code.

(b) Add losses on the sale or exchange of obligations of the United States government, the income of which this state is prohibited from subjecting to a net income tax, to the extent that the loss has been deducted in arriving at federal taxable income.

(c) Deduct, to the extent included in federal taxable income, income derived from obligations, or the sale or exchange of obligations, of the United States government that this state is prohibited by law from subjecting to a net income tax, reduced by any interest on indebtedness incurred in carrying the obligations and by any expenses incurred in the production of that income to the extent that the expenses, including amortizable bond premiums, were deducted in arriving at federal taxable income.

(d) Add charitable contributions to the extent deducted in arriving at federal taxable income.

(e) Add all taxes on or measured by net income including the tax imposed under this part to the extent that the taxes were deducted in arriving at federal taxable income.

(f) Deduct guaranteed payments for services rendered by a member who is an individual to the extent that those guaranteed payments were included in federal taxable income.

(g) Deduct, to the extent included in federal taxable income, all of the following:

(i) The amount of a refund received in the tax year based on taxes paid under this part.

(ii) The amount of a refund received in the tax year based on taxes paid under the city income tax act, 1964 PA 284, MCL 141.501 to 141.787.

(h) Deduct business income received as a member of another flow-through entity to the extent that the business income increased federal taxable income.

(i) Eliminate all of the following:

(i) Income from producing oil and gas to the extent included in federal taxable income.

(ii) Expenses of producing oil and gas to the extent deducted in arriving at federal taxable income.

(iii) Income derived from a mineral to the extent included in federal taxable income of a qualified taxpayer.

(iv) Expenses related to the income deductible under subparagraph (iii) to the extent deducted in arriving at federal taxable income.

(3) For a taxpayer that has a direct, or indirect through 1 or more other flow-through entities, ownership or beneficial interest in a flow-through entity for which an election was made under section 813 and that reported positive business income in a tax year ending on or within the taxpayer's tax year, the adjustments in subsection (2) shall not include the taxpayer's share of the electing flow-through entities adjustments under subsection (2).

(4) For a taxpayer that has a direct, or indirect through 1 or more other flow-through entities, ownership or beneficial interest in a flow-through entity for which an election was not made under section 813, add the taxpayer's share of the non-electing flow-through entity's positive business income as determined under section 817(2).

(5) In computing the tax due under this part, the taxpayer shall pay the tax due only on the business income tax base allocable to those members who are individuals, flow-through entities, estates, or trusts and exclude the business income tax base allocable to those members that are corporations, insurance companies, or financial

institutions. The department may require the taxpayer to disclose identifying information for all members of the taxpayer and the allocable share of business income for each member.

(6) As used in this section:

(a) "Mineral" means that term as defined in section 2 of the nonferrous metallic minerals extraction severance tax act, 2012 PA 410, MCL 211.782.

(b) "Oil and gas" means oil and gas that is subject to severance tax under 1929 PA 48, MCL 205.301 to 205.317.

(2) For a taxpayer that has a direct, or indirect through 1 or more other flow-through entities, ownership interest or beneficial interest in a flow-through entity, the taxpayer's business income that is directly attributable to the business activity of the flow-through entity shall be apportioned to this state using an apportionment factor determined under chapter 3 based on the business activity of the flow-through entity.

(3) A taxpayer is subject to tax in another state in either of the following circumstances:

(a) The taxpayer is subject to, or would be subject to, if the taxpayer was not a flow-through entity, a business privilege tax, a net income tax, a franchise tax measured by net income, a franchise tax for the privilege of doing business, or a corporate stock tax.

(b) That state has jurisdiction to subject the taxpayer to 1 or more of the taxes listed in subdivision (a) regardless of whether, in fact, that state does or does not subject the taxpayer to that tax.

CHAPTER 23

206.831 Estimated payments and quarterly returns.

Sec. 831.

(1) Except as otherwise provided under this section, a taxpayer that reasonably expects liability for the tax year to exceed \$800.00 shall file an estimated return and pay an estimated tax for each quarter of the taxpayer's tax year in the same manner as provided in section 301.

(2) The interest and penalty provided by this part shall not be assessed for the 2022 tax year and 2023 tax year, if the preceding year's tax liability under this part was \$20,000.00 or less and if the taxpayer submitted 4 equal installments the sum of which equals the immediately preceding tax year's tax liability. For tax years beginning on and after January 1, 2024, both of the following apply:

(a) The interest and penalty provided by this part shall not be assessed if the taxpayer submitted 4 equal installments the sum of which equals at least 1 of the following:

- (i) 90% of the taxpayer's current year's tax liability.
- (ii) 100% of the taxpayer's previous year's tax liability.

(b) The interest and penalty provided by this part shall not be assessed for any quarterly estimated payment due prior to the taxpayer making the election to pay the tax due under this part for that tax year, unless the department determines that the deficiency is due to the taxpayer's intentional disregard of the law.

(3) Each estimated return shall be made on a form prescribed by the department and shall include an estimate of the annual tax liability and other information required by the state treasurer. The form prescribed under this subsection may be combined with any other tax reporting form prescribed by the department.

(4) Payments made under this section shall be a credit against the payment required with the annual tax return required in section 833.

(5) If the department considers it necessary to insure payment of the tax or to provide a more efficient administration of the tax, the department may require filing of the returns and payment of the tax for other than quarterly or annual periods.

Any final liability shall be remitted by the annual due date of the taxpayer's annual or final return, excluding any extension of time to file the return as provided under subsections (2) and (3). A taxpayer that elected to file a return for 3 years under section 813 whose tax liability under this part is less than or equal to \$100.00 shall file an information return in accordance with section 711.

(2) The department, upon application of the taxpayer and for good cause shown, may extend the date for filing the annual return. Interest at the rate under section 23(2) of 1941 PA 122, MCL 205.23, shall be added to the amount of the tax unpaid for the period of the extension. The state treasurer shall require with the application payment of the estimated tax liability unpaid for the tax period covered by the extension.

(3) If a taxpayer is granted an extension of time within which to file the federal income tax return for any tax year, the filing of a copy of the request for extension together with a tentative return and payment of an estimated tax with the department by the due date provided in subsection (1) shall automatically extend the due date for the filing of an annual or final return under this part until the last day of the sixth month following the original due date of the return. Interest at the rate under section 23(2) of 1941 PA 122, MCL 205.23, shall be added to the amount

of the tax unpaid for the period of the extension.

Sec. 839.

(1) A taxpayer or a flow-through entity that did not make the election under section 813 shall, in a form and manner as prescribed by the department, provide on or before the due date of the return under section 833, upon the amendment of a return filed under section 833 or the adjustment of the tax under this part by the department, to any member to which the provision of information is required by the internal revenue code all of the following for the tax year:

If a member is allocated different portions of separately reported categories of income and gain, then the allocated share of tax must be based on the tax imposed under this part on each separate category of income or gain.

(f) Any additional information determined by the department to be necessary for the filing of a direct or indirect member's tax return under this act.

(2) An estate or trust that is either a member of a flow-through entity that elects to file a return and pay the tax imposed under this part or a direct or indirect member of another flow-through entity that elects to file a return and pay the tax imposed under this part shall on or before the due date of the return required under part 1 report to its beneficiaries their allocable share of the tax imposed under this part and reported to the estate or trust under subsection (1)(d) in the same tax year.
