Pastor Sean Holland, Pastor of Epicenter of Worship Church in Lansing, offered the following invocation:

"Father we ascend this morning to the Mountain of Government to submit our hearts, the people and the districts of this great state. We stand recognizing that You Heavenly Father are the ultimate Chief Legislator. Your laws are pure, righteous, just, and are written in love to bring human harmony. Father we admit that we as a people have strayed away from the covenants which invoke Your full blessings upon this great Nation and our state, Michigan.

So we pray this morning for those who have been elected to help steward this State.

God, I ask that You would raise up Your Joseph counselors to those who sit in these high seats of authority like You did in days gone by.

I pray Lord, like Solomon, give them wisdom beyond their years. For the fear of the Lord is the beginning of wisdom.

I pray that You would give us a heart of purity that will keep us from the evil way and preserve us in the hours of temptation.

We pray that they would truly understand the real issues of this State and communicate intelligently Your vision for their respective districts.

I pray, You cover their hidden weaknesses, limitations and allow them to be more sensitive to Your will and desires.

I pray that they would be tenacious to establish unity and bipartisanship. That they would realize a greater sense of urgency and accountability. Accountability to those who have elected them but more so to those citizens who need them to do the right thing.

I stand declaring that Michigan shall lead this Nation out of the darkness and our elected officials will pioneer a new move. I declare that the government of Michigan shall rest upon Your shoulders and that Your power, counsel, protection and peace will rest over this State. We ask all these blessings in Jesus Name, Amen!"

### Motions and Resolutions

Reps. Pettalia and Crawford offered the following resolution:

#### **House Resolution No. 108.**

A resolution to encourage the Michigan Department of Natural Resources and the Natural Resources Commission to allow baiting of deer in northeast Michigan for a trial period of two years.

Whereas, The prevalence of bovine tuberculosis (TB) in whitetail deer in northeast Michigan has been steadily declining since 1995. In part, the decline of bovine TB has been achieved with the assistance of hunters. There is agreement that to reduce further bovine TB incidents in northeast Michigan, it is necessary to encourage a greater harvest of whitetail deer during hunting season; and

Whereas, A ban on baiting deer had been instituted in all of lower Michigan three years ago when chronic wasting disease (CWD) was found in a whitetail deer in Kent County. There is consensus that prohibiting deer baiting had an adverse effect on an already economically depressed state; and

Whereas, The baiting ban has recently been lifted in all of lower Michigan except for the six county area in northeast Michigan where bovine TB remains prevalent. However, allowing baiting in Alcona, Alpena, Iosco, Montmorency, Oscoda, and Presque Isle counties will encourage hunters to increase the harvest of whitetail deer, thereby further decreasing the incidents of bovine TB in both deer and cattle. Hunters will be more willing to hunt in the six-county area knowing that they have an equal opportunity to attract deer as their fellow hunters in other areas of the state; and

Whereas, A greater harvest of whitetail deer from northeast Michigan may boost the decline in bovine TB incidents. A two-year trial period in which baiting is allowed will give the Department of Natural Resources time to study the effect on the deer harvest as well as the impact on TB incidents; now, therefore, be it

Resolved by the House of Representatives, That we encourage the Department of Natural Resources and the Natural Resources Commission to allow baiting of deer in Alcona, Alpena, Iosco, Montmorency, Oscoda, and Presque Isle for a trial period of two years so that a study may be conducted on the effect of baiting on the status of bovine tuberculosis in the deer population and cattle herds; and be it further

Resolved, That copies of this resolution be transmitted to the director of the Department of Natural Resources, the chair of the Natural Resources Commission, and the Governor.

The resolution was referred to the Committee on Natural Resources, Tourism, and Outdoor Recreation.

Reps. Santana, Segal, Irwin, Lipton, Townsend, Darany, Byrum, Hammel, Brunner, Hobbs, Rutledge, Slavens, McCann, Barnett, Smiley, Stallworth, Howze, Bauer, Tlaib, and Lindberg having reserved the right to explain their protest against the passage of the bill, made the following statement:

“Mr. Speaker and members of the House:

I voted ‘no’ on Senate Bill 498 because, among a number of other reasons, the process leading up to passage of the bill and the plan itself violates the Voting Rights Act of 1965 and is illegal. The Republican Majority in the House and Senate have drawn gerrymandered and partisan redistricting maps that are not fair to the citizens of Michigan. The Republican majority are not letting voters choose their representatives, as they should be. They are choosing their voters.

The Republican Majority introduced Senate Bill 498 on Thursday, June 16th, without any information describing the Senate and House maps that are before us today. Just late yesterday, SB 498 was revised with a new House map and we have yet to receive that new map that fully describes the changes that were before the Redistricting and Elections Committee this morning and is before us on the House floor now. Today, without giving us any time to analyze this plan, I have been asked to vote on it.

A number of nonpartisan organizations have asked the Republican majority to slow down this process so the public has an opportunity to weigh in on the newly-drawn lines. Democrats and the nonpartisan organizations asked for more time so a meaningful analysis of this plan can occur, an analysis that would include a thorough understanding of the implications of these new lines on Michigan’s citizens and communities, and to ensure the plan is compliant with state and federal law. The Republican Majority has not provided the necessary time to evaluate their plan, nor the analysis, or assurance that the plan is legal.

During Committee, Republican staff members testified on the details of the Senate and House maps. The staff members were unable to address basic drafting and legal questions. Democratic Members asked if we would have the opportunity to have an expert answer questions. We never received a response. Democratic members of the Redistricting and Elections Committee asked the Republican Chair and Republican staff members how they determined whether the percentages in the majority-minority districts were in compliance with the Voting Rights Act. The Republicans failed to answer that question. The Republican Chair and Republican staff members also failed to answer the question of whether the percentages of African American voters in the majority-minority districts would provide African American voters the opportunity to elect representatives of their choice—a critical determination under the United States Supreme Court holding in *Thornburg v. Giggles* and *Bartlett v. Strickland*.

The Republican Majority egregiously splits the Latino community in Detroit which is close to a 45% Latino voting age population in the current HD 12. Now, under the new House map, House Districts 5 and 6 now split the strong Southwest Detroit Latino community down to an estimated 24.51% in the newly drawn HD 5 and an estimated 17.39% in the newly drawn HD 6.

The Republican majority has also drawn gerrymandered, partisan districts in the plan. Examples of these districts include:

- The House map splits the City of Grand Rapids in a strange, gerrymandered configuration with HD 76 snaking around HD 75 for partisan purposes; and
- The House map creates a gerrymandered, claw-like appearance in Ingham County's HD 68 for partisan purposes.

Finally, the \$30,000 appropriation contained in this legislation is unacceptable because at last report there was over \$333,000 left in the fund that we set aside last year for the costs associated with the redistricting process.

The Michigan House Democrats and the Michigan Legislative Black Caucus have both offered House and Senate alternative maps that create districts that more fairly represent the citizens of Michigan and more closely adhere to state and federal requirements, including the Voting Rights Act. The Republican Majority has failed to even consider these better alternatives.

The redistricting process involves decisions that will have a long-lasting impact on our state. This should not be a partisan issue. Instead of drawing fair lines that follow community and county boundaries, this plan draws gerrymandered districts to benefit Republican incumbents and violates state and federal laws, including the Voting Rights Act. I cannot support this plan."

Rep. Roy Schmidt, having reserved the right to explain his protest against the passage of the bill, made the following statement:

"Mr. Speaker and members of the House:

Rep. Cavanagh, having reserved the right to explain his protest against the passage of the bill, made the following statement:

"Mr. Speaker and members of the House:

I voted 'no' on Senate Bill 498 because it is a partisan, unfair and gerrymandered plan. The people of Michigan deserve state legislative districts that will ensure fair representation in keeping with Michigan's history of competitive districts that respect communities of interest. This map clearly was drawn to let the Republican Representatives choose their voters.

Furthermore, the \$30,000 appropriation contained in this legislation is unacceptable because there is over \$333,000 left in the fund that we set aside last year for the costs associated with the redistricting process.

The redistricting process involves decisions that will have a long-lasting impact on our state. This isn't and should not be a partisan issue. Instead of drawing fair lines that follow community and county boundaries, this plan draws gerrymandered districts to benefit Republican incumbents. I cannot support it."

Rep. Constan, having reserved the right to explain his protest against the passage of the bill, made the following statement:

"Mr. Speaker and members of the House:

I voted 'no' on Senate Bill 498 because the process leading up to passage of the bill and the plan itself violates the Voting Rights Act of 1965. The Majority Party in the House and Senate have drawn gerrymandered and partisan redistricting maps that are not fair to the citizens of Michigan. The Republican majority are not letting voters choose their representatives, as they should be. They are choosing their voters.

The Majority Party introduced Senate Bill 498 on Thursday, June 16th, without any information describing the Senate and House maps that are before us today. Late in the day on June 27, 2011SB 498 was revised with a new House map. The Representatives in the House of Representatives have not been able to review the new map that fully describes the changes that were before the Redistricting and Elections Committee earlier today that we are forced to vote on now. Today, without being given any time to analyze this new plan, I have been asked to vote on it.

Rep. Durhal, having reserved the right to explain his protest against the passage of the bill, made the following statement:

"Mr. Speaker and members of the House:

I voted no on this legislation because of the material damage to the African-American and people of color communities in this state. The Michigan Legislative Black Caucus is opposed to the bill and we expect to challenge this measure if it is signed into law. Our challenge will continue to the courts."

Rep. Brown, having reserved the right to explain her protest against the passage of the bill, made the following statement:

"Mr. Speaker and members of the House:

I voted 'no' on Senate Bill 498 because the process leading up to passage of the bill and the plan itself violates the Voting Rights Act of 1965 and is illegal. A number of nonpartisan organizations have asked the House leadership to slow down this process so the public has an opportunity to weigh in on the newly-drawn lines. The nonpartisan organizations asked for more time so a meaningful analysis of this plan can occur, an analysis that would include a thorough understanding of the implications of these new lines on Michigan's citizens and communities, and to ensure the plan is compliant with state and federal law. Rep. Olumba, having reserved the right to explain his protest against the passage of the bill, made the following statement:

"Mr. Speaker and members of the House:

Senate Bill 498 violates the 14th amendment and is otherwise unconstitutional and unlawful in that it refuses to properly count certain minority populations and areas that demonstrate political cohesion as is required by the voting rights act, and as is set apart in Supreme Court landmark decision *Thornburgh v. Gingles*.

The Republican Majority egregiously splits the Latino community in Detroit which is close to a 45% Latino voting age population in the current HD 12. Now, under the new House map, House Districts 5 and 6 now split the strong Southwest Detroit Latino community down to an estimated 24.51% in the newly drawn HD 5 and an estimated 17.39% in the newly drawn HD 6. The Michigan House Democrats and the Michigan Legislative Black Caucus have both offered House and Senate alternative maps that create districts that more fairly represent the citizens of Michigan and more closely adhere to state and federal requirements, including the Voting Rights Act. I cannot support these unconstitutional bills."
