CONTENT

The bills would amend a number of statutes to refer to "intellectual disability" rather than "mental retardation", and "intellectually disabled" or "developmentally disabled" rather than "mentally retarded".

House Bill 5345 would amend several definitions used in Chapter LXXVI (Rape) of the Michigan Penal Code.

House Bill 5346 would amend the definition of "child caring institution" in Public Act 116 of 1973, the child care licensing act.

House Bill 5347 would amend provisions of Article 17 (Facilities and Agencies) of the Public Health Code regarding criminal history checks and disqualification from employment, contracting, or privileges by a health facility or agency; and nursing homes.

House Bill 5348 would amend a section of the Insurance Code prohibiting the termination of dependent coverage of a policyholder's unmarried adult child who is incapable of self-support due to disability.

House Bill 5349 would amend a provision of the Revised Judicature Act prohibiting the charging or collection of fees for furnishing certified copies in connection with proceedings for the admission and commitment of an individual to a mental hospital or State or Federal institution for the care of people with mental illness or disability.

House Bill 5350 would amend definitions of terms used in the Surrogate Parenting Act, as well as provisions prohibiting surrogate parentage contracts under certain circumstances.

House Bill 5351 would amend a provision of Public Act 31 of 1948 (1st Ex Sess), which governs building authorities, allowing an intermediate school district and a constituent school district to incorporate a building authority for purposes related to a facility for disabled children.

House Bill 5352 would amend the Public School Employees Retirement Act to revise a reference to service performed in a community mental health service program in the definition of "out of system public education service".
