Sponsor: Senator Sylvia Santana  
Committee: Judiciary and Public Safety

### **CONTENT**

The bill would amend the Social Welfare Act to do the following:

- Create the "Raise the Age Fund" within the State Treasury.
- Require the Department of Treasury to spend money from the Fund to support the cost of raising the age of criminal responsibility for juveniles.
- Require a county, court, or tribe to report expenditures of money for certain costs, including personnel providing direct services to youths and youth placement, care costs, and indirect administrative costs.
- Specify that expenditures under the Fund could be used only for services provided to juveniles who were 17 years old at the time of the offense.

The bill would take effect October 1, 2021.

MCL 400.117i

Legislative Analyst: Stephen Jackson

### **FISCAL IMPACT**

The bill would have no fiscal impact on the Department of Treasury. Based on the level of estimated revenue within the Fund, the ongoing costs associated with administering and investing the Fund would be less than \$100 and would be within current appropriations.

The bill would have minor fiscal impact on the Judiciary and local units of government. A county, court, or tribe would incur additional costs to collect and report on expenditures for certain costs, including personnel providing direct services to youths and youth placement, care costs, and indirect administrative costs. The reporting costs likely would be minor and would be covered by current appropriations.
