- (i) Leisure.
- (j) Work.

(4) “Adult foster care facility” means an adult foster care facility licensed under the adult foster care facility licensing act, 1979 PA 218, MCL 400.701 to 400.737.

(5) “Alcohol and drug abuse counseling” means the act of counseling, modification of substance use disorder related behavior, and prevention techniques for individuals with substance use disorder, their significant others, and individuals who could potentially develop a substance use disorder.

(6) “Applicant” means an individual or his or her legal representative who makes a request for mental health services.

(7) “Approved service program” means a substance use disorder services program licensed under part 62 of the public health code, 1978 PA 368, MCL 333.6230 to 333.6251, to provide substance use disorder treatment and rehabilitation services by the department-designated community mental health entity and approved by the federal government to deliver a service or combination of services for the treatment of incapacitated individuals.

(8) “Assisted outpatient treatment” or “AOT” means the categories of outpatient services ordered by the court under section 468 or 469a. Assisted outpatient treatment may include a case management plan and case management services to provide care coordination under the supervision of a psychiatrist and developed in accordance with person-centered planning under section 712. Assisted outpatient treatment may also include 1 or more of the following categories of services: medication; periodic blood tests or urinalysis to determine compliance with prescribed medications; individual or group therapy; day or partial day programming activities; vocational, educational, or self-help training or activities; assertive community treatment team services; alcohol or substance use disorder treatment and counseling and periodic tests for the presence of alcohol or illegal drugs for an individual with a history of alcohol abuse or substance use disorder; supervision of living arrangements; and any other services within a local or unified services plan developed under this act that are prescribed to treat the individual’s mental illness and to assist the individual in living and functioning in the community or to attempt to prevent a relapse or deterioration that may reasonably be predicted to result in suicide, the need for hospitalization, or serious violent behavior. The medical review and direction included in an assisted outpatient treatment plan shall be provided under the supervision of a psychiatrist.

(9) “Board” means the governing body of a community mental health services program.

(10) “Board of commissioners” means a county board of commissioners.

(11) “Center” means a facility operated by the department to admit individuals with developmental disabilities and provide habilitation and treatment services.

(12) “Certification” means formal approval of a program by the department in accordance with standards developed or approved by the department.

(13) “Child abuse” and “child neglect” mean those terms as defined in section 2 of the child protection law, 1975 PA 238, MCL 722.622.

(14) “Child and adolescent psychiatrist” means 1 or more of the following:

(a) A physician who has completed a residency program in child and adolescent psychiatry approved by the Accreditation Council for Graduate Medical Education or the American Osteopathic Association, or who has completed 12 months of child and adolescent psychiatric rotation and is enrolled in an approved residency program as described in this subsection.

(b) A psychiatrist employed by or under contract as a child and adolescent psychiatrist with the department or a community mental health services program on March 28, 1996, who has education and clinical experience in the evaluation and treatment of children or adolescents with serious emotional disturbance.

(c) A psychiatrist who has education and clinical experience in the evaluation and treatment of children or adolescents with serious emotional disturbance who is approved by the director.

(15) “Children’s diagnostic and treatment service” means a program operated by or under contract with a community mental health services program, that provides examination, evaluation, and referrals for minors, including emergency referrals, that provides or facilitates treatment for minors, and that has been certified by the department.

(16) “Community mental health authority” means a separate legal public governmental entity created under section 205 to operate as a community mental health services program.
