Sec. 7. (1) Except as provided in subsection (7), a local government that proposes a standard related to mobile home parks or seasonal mobile home parks, or related to mobile homes located within a mobile home park or a seasonal mobile home park, that is higher than the standard provided in this act or the code, or that proposes a standard related to the business, sales, and service practices of mobile home dealers, or the business of mobile home installers and repairers, that is higher than the standard provided in this act or the code, shall file the proposed standard with the commission. Except as provided in subsection (7), the commission may promulgate rules to establish the criteria and procedure for implementation of higher standards by a local government. The commission shall review and approve the proposed standard unless the standard is unreasonable, arbitrary, or not in the public interest. If the commission does not approve or disapprove the proposed standard within 60 days after it is filed with the commission, the standard shall be considered approved unless the local government grants the commission additional time to consider the standard. After the proposed standard is approved, the local government may adopt the standard by ordinance. The ordinance shall relate to a specific section of the code.

(2) A local government standard related to mobile homes not located within a mobile home park or seasonal mobile home park need not be filed with the mobile home commission, unless the standard relates to the business, sales, and service practices of mobile home dealers, or the business of mobile home installers and repairers.

(6) A local government ordinance shall not contain roof configuration standards or special use zoning requirements that apply only to, or excludes, mobile homes. A local government ordinance shall not contain a manufacturing or construction standard that is incompatible with, or is more stringent than, a standard promulgated by the federal department of housing and urban development pursuant to the national manufactured housing construction and safety standards act of 1974, 42 USC 5401 to 5426. A local government ordinance may include reasonable standards relating to mobile homes located outside of mobile home parks or seasonal mobile home parks which ensure that mobile homes compare aesthetically to site-built housing located or allowed in the same residential zone.

(7) Notwithstanding anything in section 17 that may be to the contrary, a local government may adopt an ordinance to inspect mobile homes for safety within a mobile home park, a seasonal mobile home park, or mobile homes located outside a mobile home park or a seasonal mobile home park if the mobile home being inspected is being rented to a tenant by the owner of the mobile home. The local government may propose a means to determine which mobile homes located within its jurisdiction are being rented to tenants by the owner, including, but not limited to, imposition of a registration or a licensing requirement for renting mobile homes to tenants. A local government may inspect mobile homes rented to tenants by the owner for safety if the safety inspection ordinance applies to all other rental housing within the local governmental unit. If a local government inspects mobile homes rented to tenants by the owner for safety, the period between inspections shall not be less than 3 years unless the local government is responding to a complaint from a tenant. An inspection shall not be conducted on a mobile home for which an occupancy permit has been issued by the local government in the preceding 3 years unless the local government is responding to a complaint from a tenant. Inspections for safety shall not require enforcement of any mobile home construction standards that are greater than those applicable to the mobile home under the national manufactured housing construction and safety standards act of 1974, 42 USC 5401 to 5426, or standards or codes to which the mobile home was constructed if it was constructed before application of the national manufactured housing construction and safety standards act of 1974, 42 USC 5401 to 5426. As used in this section, "inspection for safety" means an inspection of a rental mobile home that is limited to ensuring the proper functioning, or protection, of the following:

(6) To accomplish the objectives of this act, a mobile home code fund is created. (2) If the department is not satisfied as to the ownership of the mobile home, before issuing a certificate of title for it, the department may require the applicant to file a properly executed surety bond in a form prescribed by the department, executed by the applicant and a company authorized to conduct a surety business in this state. The bond shall be in an amount equal to twice the value of the mobile home as determined by the department and shall be conditioned to indemnify or reimburse the department, any prior owner, any holder of a security interest in the mobile home, and any subsequent purchaser of the mobile home, and their successors in interest, against any expense, loss, or damage, including reasonable attorney's fees, by reason of the issuance of a certificate of title to the mobile home or on account of any defect in the right, title, or interest of the applicant in and to the mobile home. Each interested person has a right of action to recover on the bond for a breach of its conditions, but the aggregate liability of the surety to all persons shall not exceed the amount of the bond. The bond shall be returned at the end of 5 years, or before 5 years if the currently valid certificate of title is surrendered to the department, unless the department has received notification of the pendency of an action to recover on the bond.

(2) Upon the delivery of a mobile home and the transfer, sale, or assignment of the title or interest in a mobile home, the effective date of the transfer of title or interest shall be the date of execution of either the application for title or the certificate of title.

(3) The purchaser or transferee, unless the purchaser or transferee is a licensed dealer, shall cause to be presented to the department the certificate of title accompanied by the applicable fee, as follows:

(a) Except as provided in subdivision (b) or (c), \$90.00.

(b) Except as provided in subdivision (c), \$15.00, if the sale, assignment, or other transfer will require the addition or deletion from the certificate of title of any of the following:

(i) The owner's spouse.

(ii) A person related to the owner within the fourth degree of consanguinity as computed by the civil law method.

(iii) A person related to the owner's spouse within the fourth degree of consanguinity as computed by the civil law method.

(6) If the transferee of a mobile home is a mobile home dealer who holds the mobile home for resale, the dealer shall not be required to forward the certificate of title to the department, but the dealer shall retain possession of the assigned certificate of title. Upon transfer of the dealer's title or interest to another person, the dealer shall execute and acknowledge an assignment and warranty of title upon the certificate of title and deliver it to the person to whom the transfer is made if the person is a licensed dealer; otherwise application for a new title shall be made by the transferor as provided in section 30a(1).

125.2330d Creation of security interest in mobile home; assignment of security interest; assignee named as holder of security interest; perfection of security interest; termination statement; issuance of new certificate.

Sec. 30d. (1) All of the following apply if an owner named in a certificate of title creates a security interest in the mobile home described in the certificate:

(a) The owner shall immediately execute an application in the form prescribed by the department showing the name and address of the holder of the security interest and deliver the certificate of title, the application, and a copy of the application which need not be signed, to the holder of the security interest.

(b) The holder of the security interest shall cause the certificate of title, the application, the required fee, and the copy of the application to be mailed or delivered to the department.

(c) The department shall indicate on the copy of the application the date and place of filing of the application and return the copy to the person presenting it.

(d) Upon receipt of the certificate of title, application, and the required fee, the department shall issue a new certificate in the form provided in section 30b, setting forth the name and address of each holder of a security interest in the mobile home for which a termination statement has not been filed and the date on which the application first stating the security interest was filed, and mail the certificate to the owner.

(2) A holder of a security interest may assign, absolutely or otherwise, the security interest to a person other than the owner without affecting the interest of the owner or the validity of the security interest, but a person without notice of the assignment is protected in dealing with the holder of the security interest as the holder of the security interest. The assignee may have its interest as the holder of the security interest shown on the certificate of title by providing the department with a copy of the assignment instrument but the failure of the assignee to do so does not affect the validity of the security interest or the assignment of the security interest.

(3) Receipt by the department of a properly tendered application for a certificate of title on which a security interest in a mobile home is to be indicated, whether the application is tendered under this act, is a condition of perfection of a security interest in the mobile home and is equivalent to filing a financing statement under the uniform commercial code, 1962 PA 174, MCL 440.1101 to 440.11102, with respect to the mobile home. When a security interest in a mobile home is perfected, it has priority over the rights of a lien creditor, as defined in section 9102 of the uniform commercial code, 1962 PA 174, MCL 440.9102.

(4) If there is not an outstanding obligation or commitment to make advances, incur obligations, or otherwise give value, secured or to be secured by a security interest in a mobile home, the secured party shall, within 30 days after satisfaction of the obligation, execute a termination statement in the form prescribed by the department and mail or deliver the termination statement to the owner or other person as the owner may direct. An owner who is not a dealer holding the mobile home for resale shall promptly cause the certificate, all termination statements, and an application for certificate of title to be mailed or delivered to the department. The department shall issue a new certificate.

Sec. 30e. (1) If the interest of the owner in a mobile home is terminated by the enforcement of a security agreement, the transferee of the owner's interest shall promptly mail or deliver to the department the last certificate of title, if the transferee has possession of it, an application for a new certificate in the form prescribed by the department, and an affidavit made by or on behalf of the holder of the security interest so enforced that the mobile home was repossessed, that the interest of the owner was lawfully terminated by enforcement of the security agreement, and whether the holder has delivered the last certificate of title to the transferee of the owner's interest, naming the transferee, or if not, the reason delivery was not made and the then location of the certificate of title so far as known to the holder. If the holder of the security interest succeeds to the interest of the owner and holds the mobile home for resale, the holder shall not be required to secure a new certificate of title but, upon transfer to another person, shall promptly mail or deliver to the transferee or to the department the certificate, if in the holder's possession, the affidavit, and other documents required to be sent to the department by the transferee.

(2) If the interest of the owner in a mobile home is terminated by sale pursuant to a levy of execution, attachment, or other process of a court, the transferee of the owner's interest shall promptly mail or deliver to the department the last certificate of title, if the transferee has possession of it, an application for a new certificate of title in the form prescribed by the department and an affidavit, upon a form prescribed by the department, made by the officer of the court who conducted the sale, setting forth the date of the sale, and the name of the purchaser and whether the officer has delivered the certificate of title to the purchaser and if not, the reason delivery was not made and the then location of the certificate of title so far as known to the officer.

(3) A person holding a certificate of title where the interest of the owner named in the certificate has been

terminated in the manner provided by subsection (1) or (2) shall mail or deliver the certificate to the department upon its request. The delivery of the certificate pursuant to the request of the department does not affect the rights of the person surrendering the certificate, and the action of the department in issuing a new certificate of title is not conclusive upon any rights of an owner or holder of a security interest named in the old certificate.

(4) The department, upon receipt of an application for a new certificate of title by a transferee in the manner provided by subsection (1) or (2), with proof of the transfer, the required fee, and any other documents required by law, shall issue a new certificate of title in the name of the transferee as owner, setting forth all security interests noted on the last certificate of title as having priority over the security agreement so enforced and shall mail or deliver the new certificate to the owner. If the outstanding certificate of title is not delivered, the department shall make demand for the outstanding certificate of title from the holder.

- (e) Upon receipt of notification from another state or foreign country that a certificate of title issued by the department has been surrendered by the owner in conformity with the laws of the other state or foreign country.

History: 1987, Act 96, Imd. Eff. July 6, 1987.

125.2330i Affixation of mobile home to real property; ownership interest.

Sec. 30i. (1) If a mobile home is affixed to real property in which the owner of the mobile home has the ownership interest, the owner may deliver all of the following to the department:

- (a) An affidavit of affixture on a form provided by the department that contains all of the following:
 - (i) The name and address of the owner.
 - (ii) A description of the mobile home that includes the name of the manufacturer of the mobile home, the year of manufacture, the model, the manufacturer's serial number and, if applicable, the number assigned by the department.
 - (iii) A statement that the mobile home is affixed to the real property.
 - (iv) The legal description of the real property to which the mobile home is affixed.
 - (v) The name of each holder of a security interest in the mobile home, together with the written consent of each holder to the termination of the security interest and the cancellation of the certificate of title under subsection (2), if applicable.

(b) The certificate of title for the mobile home, the manufacturer's certificate of origin if a certificate of title has not been issued by the department, or sufficient proof of ownership as provided in section 30a or 30e.

(c) A fee in an amount prescribed in section 30a for a certificate of title.

(2) When the department receives an affidavit and certificate of title under subsection (1), the department shall cancel the certificate of title for the mobile home. The department shall not issue a certificate of title for a mobile home described in subsection (1) except as provided in subsection (8).

(3) The owner of the mobile home shall deliver a duplicate original of the executed affidavit under subsection (1) to the register of deeds for the county in which the real property is located. The register of deeds shall record the affidavit.

(4) The department shall maintain the affidavit under subsection (1) for a period of 10 years from the date of filing.

(5) When the department receives an affidavit under subsection (1), the mobile home is considered to be part of the real property, sections 30 to 30h do not apply to that mobile home, any security interest in the mobile home is terminated, a lienholder shall perfect and enforce a new security interest or lien on the mobile home only in the manner provided by law for perfecting and enforcing a lien on real property, and the owner may convey the mobile home only as part of the real property to which it is affixed.

(6) If a mobile home is affixed to real property before July 14, 2003, a person who is the holder of a lien or security interest in both the mobile home and the real property to which it is affixed on July 14, 2003 may enforce its liens or security interests by accepting a deed in lieu of foreclosure or in the manner provided by law for enforcing liens on the real property. The lien or security interest on a mobile home described in this subsection is perfected against the mobile home if the holder of the lien or security interest in both the mobile home and the real property to which it is affixed on July 14, 2003 has perfected a lien on the real property as provided under law for perfecting a lien on real property. The date of perfection of the lien or security interest of the mobile home is the date of perfection of the lien on the real property to which the mobile home is affixed on July 14, 2003.

(7) If the holder of a lien or security interest becomes the owner of a mobile home affixed to real property through the process of real property foreclosure or through a deed in lieu of foreclosure under subsection (6), the holder shall submit an affidavit described in subsection (1) to the department after the redemption period for the foreclosure expires or the deed in lieu of foreclosure is recorded and the department shall cancel the certificate of title for the mobile home.

(8) If an owner of both the mobile home and the real property described in subsection (1) intends to detach the mobile home from the real property, the owner shall do both of the following:

(a) Before detaching the mobile home, record an affidavit of detachment in the office of the register of deeds in the county in which the affidavit is recorded under subsection (3).

(b) Apply for a certificate of title for the mobile home on a form prescribed by the department. The application shall include a duplicate original executed affidavit of detachment and proof that there are no security interests or liens on the mobile home or the written consent of each lienholder of record to the detachment and a fee in the amount prescribed in section 30a for a certificate of title.

(9) An owner of an affixed mobile home shall not detach it from the real property before a certificate of title for the mobile home is issued by the department. If a certificate of title is issued by the department, the mobile home is no longer considered part of the real property and sections 30 to 30h apply.

(10) This section applies to all transactions, liens, and mortgages within its scope even if the transaction, lien, or mortgage was entered into or created before July 14, 2003.

(11) As used in this section:

(a) A mobile home is "affixed" to real property if it meets all of the following:

(i) The wheels, towing hitches, and running gear are removed.

(ii) It is attached to a foundation or other support system.

(b) "Ownership interest" means the fee simple interest in real property or an interest as the lessee under a ground lease for the real property that has a term that continues for at least 20 years after the recording of the affidavit under subsection (3).

(3) Service under subsection (1) or (2) may be made by filing a copy of the process in the office of the commission together with a \$25.00 fee. The service is not effective unless the plaintiff, which may be the commission in an action or proceeding instituted by it, immediately sends notice of the service and a copy of the process by registered or certified mail to the defendant or respondent at his or her last known address or takes other steps which are reasonably calculated to give actual notice, and the plaintiff's affidavit or compliance with this section is filed in the case on or before the return day of the process, if any, or within such further time as the court allows.
