124.4 Public utility; joint ownership and operation.

Sec. 4. Nothing contained in this act shall be construed to grant the right to jointly own or operate a public utility for supplying transportation, gas, light, telephone service, or electric power except as may be provided by the statutes or constitution of the state of Michigan, nor to contract to furnish municipal services outside corporate limits except in accordance with the constitutional limitations on such sales. Nothing contained in this act shall be construed as to grant to municipal corporations acting jointly any power or authority which they do not have acting singly.

Sec. 5. (1) Notwithstanding any other provision of law to the contrary, any 2 or more municipal corporations, by intergovernmental contract, may form a group self-insurance pool to provide for joint or cooperative action relative to their financial and administrative resources for the purpose of providing to the participating municipal corporations risk management and coverage for pool members and employees of pool members, for acts or omissions arising out of the scope of their employment, including any or all of the following:

(a) Casualty insurance, including general and professional liability coverage.

(b) Property insurance, including marine insurance and inland navigation and transportation insurance coverage.

(c) Automobile insurance, including motor vehicle liability insurance coverage and security for motor vehicles owned or operated, as required by section 3101 of the insurance code of 1956, 1956 PA 218, MCL 500.3101, and protection against other liability and loss associated with the ownership of motor vehicles.

(d) Surety and fidelity insurance coverage.

(e) Umbrella and excess insurance coverages.

(2) A group self-insurance pool may not provide for hospital, medical, surgical, or dental benefits to the employees of the member municipalities in the pool except as follows:

(5) In addition to any other powers granted by this act, the power to enter into intergovernmental contracts under this section specifically includes the power to establish the pool as a separate legal or administrative entity for purposes of effectuating group self-insurance pool agreements.

(6) The legislature hereby finds and determines that insurance protection is essential to the proper

functioning of municipal corporations; that the resources of municipal corporations are burdened by the securing of insurance protection through standards carriers; that proper risk management requires spreading risk to minimize fluctuation in insurance needs; and that, therefore, all contributions of financial and administrative resources made by a municipal corporation pursuant to an intergovernmental contract authorized under this act are made for a public and governmental purpose, and that those contributions benefit each contributing municipal corporation.

(7) Two or more municipal corporations shall not form a group self-insurance pool to provide the coverages described in subsection (1) other than pursuant to sections 5 to 12b.

The aggregate excess insurance or deposit or combination of aggregate excess insurance and deposit shall be, at a minimum, in the amount of \$5,000,000.00 unless the commissioner determines a lesser amount of aggregate excess insurance would be adequate.

The commissioner of insurance shall review it for compliance with this act.

(2) A copy of each coverage document form issued by the pool shall be filed with the commissioner of insurance.

(3) Each group self-insurance pool shall maintain aggregate excess insurance or a deposit with the state treasurer of unimpaired surplus which aggregate excess insurance or deposit shall be used in the event that the pool's resources are exhausted in a given fiscal period. The aggregate excess insurance or deposit, or combination of aggregate excess insurance and deposit shall be, at a minimum, in the amount of

\$5,000,000.00 unless the commissioner determines a lesser amount of aggregate excess insurance would be adequate. A copy of the aggregate excess insurance contract obtained by a group self-insurance pool pursuant to this section shall be filed with the commissioner of insurance who shall review it for compliance with this act.

(4) A group self-insurance pool shall set aside cash reserves that are adequate for the payment of claims.

(3) In addition to the penalties provided in section 12a, a person who violates this section is guilty of a misdemeanor punishable by imprisonment for not more than 90 days or by a fine of not more than \$100.00 for each violation.

Sec. 8. (1) Each group self-insurance pool created in this state shall file with the members of the pool, within 120 days after the end of the pool's fiscal year, audited financial statements certified by an independent certified public accountant. Two additional copies of the audited financial statements shall be filed with the commissioner of insurance. The commissioner of insurance shall forward a copy of the audited financial statement to the state treasurer.

(5) If a group self-insurance pool fails to maintain compliance with the financial requirements of this act, the commissioner of insurance shall notify the pool and the state treasurer that the pool has failed to maintain compliance with the financial requirements of this act. Within 30 business days after notification by the commissioner of noncompliance with the financial requirements of this act, the pool shall file a plan to restore compliance. Failure of the pool to file a plan shall create a presumption that the pool does not meet the financial requirements of this act. The commissioner, upon written request by the pool, may grant a period of time within which to restore compliance. The period of time may be granted only if the commissioner is satisfied the pool is safe, reliable, and entitled to public confidence; is satisfied the pool would suffer a material financial loss from an immediate forced conversion of its assets; and approves the plan filed by the pool for restoring compliance within the time granted. If the plan is not approved by the commissioner, or if the plan is approved, and, at the end of 1 year the pool still does not comply with the financial requirements of this act, or if the pool does not file a plan to restore compliance, the commissioner may grant additional time

to comply, or the commissioner may suspend, revoke, or limit the right of the pool to do business in this state.
