207.212 Motor carrier fuel tax; calculation; rate; quarterly return and tax payment; form determining amount of motor fuel consumed and average miles per gallon; presumption; remittance; filing returns and paying tax for other than quarterly periods; road tax on fuel containing percentage of biodiesel; "biodiesel" defined; rate differential; determination.

Sec. 2. (1) A motor carrier licensed under this act shall pay a road tax calculated on the amount of motor fuel consumed in qualified commercial motor vehicles on the public roads or highways within this state. Except as otherwise provided under subsection (6), the tax shall be at the rate of 15 cents per gallon on motor fuel consumed on the public roads or highways within this state. In addition, qualified commercial motor vehicles licensed under this act that travel in interstate commerce will be subject to the definition of taxable motor fuels and rates as defined by the respective international fuel tax agreement member jurisdictions. A return shall be filed, and the tax due paid, quarterly to the department on or before the last day of January, April, July, and October of each year on a form prescribed and furnished by the department. Each quarterly return and tax payment shall cover the liability for the annual quarter ending on the last day of the preceding month.

(2) The amount of motor fuel consumed in the operation of a motor carrier on public roads or highways within this state shall be determined by dividing the miles traveled within Michigan by the average miles per gallon of motor fuel. The average miles per gallon of motor fuel shall be determined by dividing the miles traveled within and outside of Michigan by the total amount of motor fuel consumed within and outside of Michigan.

(3) In the absence of records showing the average number of miles operated per gallon of motor fuel, it shall be presumed that 1 gallon of motor fuel is consumed for every 4 miles traveled.

(4) The quarterly tax return shall be accompanied by a remittance covering any tax due.

(5) The commissioner, when he or she considers it necessary to ensure payment of the tax or to provide a more efficient administration of the tax, may require the filing of returns and payment of the tax for other than quarterly periods.

(6) The road tax required under this section shall be at a rate of 12 cents per gallon for diesel fuel that contains at least 5% biodiesel. As used in this subsection, "biodiesel" means a fuel composed of mono-alkyl esters of long chain fatty acids derived from vegetable oils or animal fats and, in accordance with standards specified by the American society for testing and materials, designated B100 and meeting the requirements of D-6751, as approved by the department of agriculture.

(7) Beginning on September 1, 2006, the state treasurer shall annually determine, for the 12-month period ending May 1 and for any additional times that the treasurer may determine, the difference between the amount of motor fuel tax collected and the amount of motor fuel tax that would have been collected but for the differential rates on motor fuel in section 8 of the motor fuel tax act, 2000 PA 403, MCL 207.1008, and on motor fuel in subsection (6). Subsection (6) is no longer effective the earlier of 10 years after September 1, 2006 or the first day of the first month that is not less than 90 days after the state treasurer certifies that the total cumulative rate differential due to the differential rates in section 8 of the motor fuel tax act, 2000 PA 403, MCL 207.1008, and subsection (6) from September 1, 2006 is greater than \$2,500,000.00.

(8) The legislature shall annually appropriate to the Michigan transportation fund created in 1951 PA 51, MCL 247.651 to 247.675, the amount determined as the rate differential certified by the state treasurer for the 12-month period ending on May 1 of the calendar year in which the fiscal year begins. Subsection (6) shall not be effective beginning January of any fiscal year for which the appropriation required under this subsection has not been made by the first day of the fiscal year.

Sec. 2a. Pursuant to this subsection, the department shall enter into the international fuel tax agreement.

(2) The department may promulgate rules to implement and enforce the provisions of the international fuel tax agreement. Rules promulgated under this subsection shall be promulgated pursuant to the administrative procedures act of 1969, Act No. 306 of the Public Acts of 1969, being sections 24.201 to 24.328 of the Michigan Compiled Laws.

(3) Pursuant to the requirements of the intermodal surface transportation efficiency act of 1991, Public Law 102-240, 105 Stat. 1914, if the department entered into the international fuel tax agreement, and if the provisions set forth in that agreement are different from this act, then the provisions of the agreement shall control.

(4) This section constitutes complete authority for the imposition of motor fuel taxes upon an apportionment or allocation basis.

207.214 Tax credit; refund; receipt required; false statement as misdemeanor; penalty.

Sec. 4. (1) A person filing a return under section 2 who purchased motor fuel in this state upon which a tax was imposed and not refunded under the motor fuel tax act, 2000 PA 403, MCL 207.1001 to 207.1170, shall be entitled to a credit against the tax imposed by this act equal to the tax paid when purchasing the motor fuel under the motor fuel tax act. The excess of a credit allowed by this subsection over tax liabilities imposed by this act shall be refunded to the taxpayer.

(2) In order to secure credit under subsection (1) for motor fuel purchased in this state the motor carrier shall secure a receipt showing the seller's name, the number of gallons of motor fuel, the type of motor fuel, the tax rate charged, the address of the seller, the license number or unit number of the commercial motor vehicle, and the date of sale.

(3) A refund, when approved by the department, shall be payable from the revenue received under this act.

(4) A person, or an agent, employee, or representative of the person, who makes a false statement in any return under this act or who submits or provides an invoice or invoices in support of the false statement upon which alterations or changes exist in the date, name of seller or purchaser, number of gallons, identity of the qualified commercial motor vehicle into which fuel was delivered or the amount of tax that was paid, or who knowingly presents any return or invoice containing a false statement, or who collects or causes to be paid a refund without being entitled to the refund, forfeits the full amount of the claim and is guilty of a misdemeanor, punishable by a fine of not more than \$5,000.00 or imprisonment for not more than 1 year, or both.

Compiler's note: Former MCL 207.201 to 207.214, deriving from Act 319 of 1947 and pertaining to a diesel motor fuel tax, were repealed by Act 54 of 1951.

207.215 Motor carrier license; application; form and contents; affixing decal to cab; surety bond, cash, or securities; waiver of bond requirement; assignability or transferability of license and decals; replacement decals; duration of license and decals; ceasing to engage in business; notice of discontinuance.

Sec. 5. (1) A person required to be licensed by this act shall not act as a motor carrier in this state unless

the person is the holder of an unrevoked license issued by the department or is the holder of an unrevoked license issued under the international fuel tax agreement by this state or another member jurisdiction of the international fuel tax agreement. To procure a license, a motor carrier shall file with the department a verified application upon a form prescribed and to be furnished by the department. The application shall contain the name and address of the motor carrier and, if a partnership, limited liability company, or corporation, the names and addresses of the persons constituting the firm, partnership, association, joint stock company, limited liability company, syndicate, or corporation, the name of its resident agent, the location of its predominant place of business, both within and outside of this state, and other pertinent information the department may require.

(2) The department shall issue to each motor carrier 1 license per person and 2 decals for each qualified commercial motor vehicle. A decal shall be affixed respectively to the right-hand side and left-hand side of the cab of every qualified commercial motor vehicle while it is being operated in this state by each person licensed under this act. A copy of the license shall be carried in each cab while it is being operated.

(3) For cause, a motor carrier may be required to file with the department a surety bond payable to the state, upon which the applicant is the obligor, in the sum of 3 times the highest estimated quarterly tax, or \$1,000.00, whichever is greater. This surety bond shall be conditioned upon the applicant complying with this act and with the rules promulgated pursuant to this act, promptly filing true reports, and paying the taxes, interest, and penalties required by this act. Each surety bond shall be approved as to amount and sureties by the department. The department may accept cash or securities instead of a surety bond.

(4) The commissioner may waive the bond requirement for a motor carrier exempt from the reporting requirements of section 2 when the collection of taxes would not be impaired by lack of security of a bond required by this section.

(5) The license and decals shall not be assignable or transferable to another person and shall be valid only for the person in whose name they are issued. However, upon application to the department, a motor carrier, upon the sale, conveyance, disposal, or replacement of a qualified commercial motor vehicle, may transfer the license and decals for that qualified commercial motor vehicle to another qualified commercial motor vehicle of the motor carrier which is required to be licensed under this act. The department shall issue replacement decals for the newly licensed qualified commercial motor vehicle that authorizes the holder of the qualified commercial motor vehicle license to use and consume motor fuel in the qualified commercial motor vehicle upon the public roads or highways of this state until the original license would have expired. The department may require the payment of a fee to cover the administrative costs of issuing a replacement license or decals.

(6) Upon filing of the application and upon posting of any bond as required, the department shall issue to the applicant a license and decals that authorize the holder to operate qualified commercial motor vehicles using and consuming motor fuels upon the public roads or highways of this state until January 1 of the year following the date of issuance.

(7) If a licensee ceases to engage in business within this state, the licensee shall notify the department in writing within 15 days after discontinuance.

207.216 Refusing or neglecting to file quarterly report and pay tax; conference; revocation of license; notice; continuation of license; refusal to issue license; conditions; appeal.

Sec. 6. (1) If the holder of the motor carrier license at any time refuses or neglects to file the required quarterly report, and pay the full amount of tax at the time and in the manner and place the quarterly report is required to be filed, the department may revoke, after a conference held with the department, a license issued pursuant to section 5, and shall promptly notify the holder of the license of the revocation by notice sent by registered mail to the last known address of the holder. If the quarterly report is filed and the tax is paid within 7 days after their due date and it is established that the delay was due to accident or reasonable cause, the department may continue the license.

(2) The department may refuse to issue a license if the application meets 1 or more of the following conditions:

(a) Is filed by a person whose license at any time has been revoked by the department.

(b) Contains a misrepresentation, misstatement, or omission of information required by the application.

(c) Is filed by another person as a subterfuge for the real person in interest whose license has been revoked for cause by the department.

(d) Is filed by a person who is delinquent in the payment of a fee, tax, penalty, or other amount due the department.

(3) A person whose license has been revoked or a person who has been refused a license may appeal the decision of the department under the procedures prescribed in Act No. 122 of the Public Acts of 1941, being sections 205.1 to 205.31 of the Michigan Compiled Laws.

Sec. 6a. (1) The tax imposed by this act shall be administered pursuant to Act No. 122 of the Public Acts of 1941. In case of conflict between Act No. 122 of the Public Acts of 1941 and this act, this act shall prevail.

(2) Tax due other member jurisdictions of the international fuel tax agreement incurred by persons while operating on a current, suspended, or revoked license issued by the department under the international fuel tax agreement shall be considered tax imposed by this act and a tax debt due this state.

History: Add. 1996, Act 584, Eff. Mar. 31, 1997.

207.217 Trip permit; fee; issuance; application.

Sec. 7. (1) A motor carrier may obtain a trip permit which shall authorize an unlicensed motor carrier to operate 1 specific commercial motor vehicle in this state for a period of 5 consecutive days, beginning and ending on the dates specified on the face of the permit. The fee for this permit shall be \$20.00. Collections of fees imposed by this section shall be credited to the Michigan transportation fund.

(2) Fees for trip permits shall be instead of the license fee otherwise assessable against a motor carrier. Taxes imposed by this act and reports of mileage shall not be required with respect to a vehicle operating pursuant to a trip permit.

(3) The trip permit shall be issued instead of a license only if the motor carrier operates on public roads or highways in this state not more than 3 times in 1 calendar year.

(4) The trip permit may be obtained from the department by application in the same manner as a license, or may be made available by contacting the department by telegram or similar transmission. The cost of a telegram or similar transmission shall be the responsibility of the motor carrier requesting the trip permit.

Sec. 8. (1) Every qualified commercial motor vehicle leased to a motor carrier shall be subject to this act, to the same extent and in the same manner as qualified commercial motor vehicles owned by a motor carrier.

(2) A lessor of qualified commercial motor vehicles may be considered a motor carrier with respect to qualified commercial motor vehicles leased to others, if the lessor supplies or pays for the motor fuel consumed by the vehicles or bills rental or other charges calculated to include the cost of motor fuel. A lessee motor carrier may exclude a qualified commercial motor vehicle leased from others from the reports and liabilities required by this act if that qualified commercial motor vehicle has been leased from a lessor who is a motor carrier pursuant to this act and the lease agreement provides for the lessor to pay the cost of motor fuel and motor fuel taxes.

(3) Upon application by the licensed motor carrier, the department may authorize a licensed motor carrier leasing qualified commercial motor vehicles from 2 or more lessors to file consolidated reports for these lessors.

(4) This section shall govern the primary liability under this act of lessors and lessees of qualified commercial motor vehicles. For tax liabilities incurred before April 1, 2005, if a lessor or lessee primarily liable fails, in whole or in part, to discharge his or her liability, the failing party and the other lessor or lessee party to the transaction shall be jointly and severally responsible and liable for compliance with this act and for the payment of tax due. However, the aggregate of taxes collected from a lessor and lessee by this state under this act shall not exceed the total amount of taxes due and costs and penalties imposed.

(5) For tax liabilities arising after April 1, 2005, if a lease agreement identifies a party responsible for the payment of taxes, the nonresponsible party under the lease shall obtain a copy of the responsible party's valid international fuel tax agreement registration and keep the copy on file. If the nonresponsible party does not obtain a copy of the responsible party's valid international fuel tax agreement registration and the responsible party fails in whole or in part to discharge his or her liability, then the responsible and nonresponsible parties shall be jointly and severally responsible and liable for compliance with this act and payment of tax due. If the lease agreement does not identify the party responsible for payment of fuel taxes under this act, then both

parties shall be jointly and severally responsible and liable for compliance with this act and payment of tax due. However, the aggregate of taxes collected from a lessor and lessee by this state under this act shall not exceed the total amount of taxes due and costs and penalties imposed. If the nonresponsible party under the lease maintains a copy of the responsible party's valid international fuel tax agreement registration on file, the nonresponsible party shall have no responsibility or liability for compliance with this act or payment of any taxes, costs, or penalties due under this act relating to the motor fuel consumed under the lease.
