The assurance shall be filed in the records of the administrator, shall be open for public inspection, and shall not constitute on the part of the facility making the assurance an admission of any issue of law or fact. The assurance subject to agreement by all parties, may contain provisions whereby:

(a) The facility will refund to an individual consumer an amount of money agreed upon by the parties.

(b) A facility shall take such affirmative action as is appropriate in the judgment of the administrator to correct an alleged violation of this act or a rule.

(c) A facility shall place in escrow a sum of money for the purposes of restitution to an aggrieved consumer pending the outcome of an action pursuant to this act. Sec. 31. A person who engages or attempts to engage in the business or trade of a motor vehicle repair facility or specialty or master mechanic without a registration or certificate, or engages in an act or practice in violation of this act or a rule is barred from bringing or maintaining an action at law or equity on a contract or for the collection of compensation for work performed or materials or parts provided to any other person. In addition, the person is barred from asserting a mechanic's, garageman's, or similar lien upon a motor vehicle,

including the repossession of a motor vehicle. A customer is entitled to recover any amount paid to an unregistered facility for the repair of a motor vehicle belonging to that customer.

History: 1974, Act 300, Eff. Apr. 1, 1975.

257.1332 Written estimate required; consent to excess charge; payment of actual cost if cost less than estimate; cost of returning vehicle to original condition; cost of diagnosis; waiver of rights.

Sec. 32. (1) A motor vehicle repair facility shall give to the customer a written estimate, itemizing as closely as possible the price for labor and parts necessary for a specific job prior to the commencement of work. A facility shall not charge for work done or parts supplied in excess of the estimated price or in excess of the limit stated by the customer in the waiver provided for in subsection (3) without the knowing written or oral consent of the customer which shall be obtained at some time after it is determined that the estimated price or stated limit is insufficient and before any work not estimated or in excess of the limit is done or the parts not estimated or in excess of the limit are supplied. If a waiver is not signed as provided in subsection (3) and the estimated price is exceeded by not more than 10% or \$10.00 whichever is lesser, the written or oral consent of the customer for the excess charge need not be obtained unless specifically requested by the customer. This section shall not be construed as requiring a motor vehicle repair facility, mechanic, or mechanic trainee to give a written estimated price if he agrees not to perform the requested repair. If the actual cost of repair is less than the agreed upon estimated cost, the customer shall pay only the actual cost.

(2) If the facility or mechanic informs the customer that the price for repair will exceed the written estimate or the stated limit in the waiver and the customer does not want the repair work performed then the customer is liable for all reasonable costs to return the vehicle to the condition it was in when it entered the facility. These costs should be indicated in written form itemizing the costs as closely as possible with a copy given to the customer. The cost of a diagnosis to be made, whether or not the customer authorizes repairs to be performed, shall be contained in the written estimate before the diagnosis is undertaken.

(3) If a customer initiates a request for service or parts for the repair of a motor vehicle without receiving a written estimate and voluntarily agrees to pay all reasonable costs of repair up to an amount stated by the customer, a repair facility may obtain from the customer a waiver of his right to receive a prior estimate of repair costs. The waiver shall be in 14 point or larger bold capital type face and executed with 1 copy to the customer requesting the repairs and shall read as follows:

“I, _____, voluntarily request _____ to provide services or parts in the repair of the below described motor vehicle without receiving an estimate of repair costs. By signing this form, I understand that I will give up my right to:

1. Receive a written estimate of the cost for repairs;
2. Approve in advance any repairs or costs with a total cost under \$ _____; and
3. Refuse to pay for repairs with a total cost less than the amount stated above.

The facility may exceed the amount stated above only after I give my written or oral approval.

Motor vehicle description:

Customer signature _____

Date _____

Time _____”

This waiver shall not be effective unless given by the customer voluntarily and with full knowledge of the implications of the waiver. A motor vehicle repair facility or anyone in its employ shall not make use of the waiver in an attempt to evade this act.

Sec. 33. (1) The administrator shall determine by rule the time and manner in which the motor vehicle repair facility shall return replaced parts to the customer at the time of the completion of the work. This requirement does not apply to parts exempted by the administrator because of size, weight, or similar factors from this requirement, and except for parts that the motor vehicle repair facility or mechanic is required to return to the manufacturer or distributor under a warranty or exchange arrangement. If the parts must be returned to the manufacturer or distributor, the facility or mechanic shall offer to show and upon acceptance of the offer or upon request shall show the parts to the customer upon completion of the work, except the facility shall not be required to show a replacement part when a charge is not being made for the replacement thereof.

(2) A customer shall be informed of his right to receive or see replaced parts as provided in this section prior to the customer executing any document or engaging the facility or mechanic for the work. The

information shall be given to the customer on the face of any contract, work order form, or sign, or other document evidencing the engagement of the facility or mechanic or by separate written document, in at least 12 point boldface type as follows:

YOU ARE ENTITLED BY LAW TO THE RETURN OF ALL PARTS REPLACED, EXCEPT THOSE WHICH ARE TOO HEAVY OR LARGE, AND THOSE REQUIRED TO BE SENT BACK TO THE MANUFACTURER OR DISTRIBUTOR BECAUSE OF WARRANTY WORK OR AN EXCHANGE AGREEMENT. YOU ARE ENTITLED TO INSPECT THE PARTS WHICH CANNOT BE RETURNED TO YOU.
