If the application is considered incomplete by the department, the department shall notify the applicant in writing, or make the information electronically available to the applicant, within 30 days after the date of filing of the incomplete application, describing the deficiency and requesting the additional information. The 90-day period is tolled from the date of notification by the department of a deficiency until the date the requested information is received by the department. The failure to issue a license within the time required under this section does not allow the department to otherwise delay the processing of the application, and the department shall place that application, when completed, in sequence with other completed applications received at that same time. The department shall not discriminate against an applicant in the processing of the application based on the fact that the license fee was refunded or discounted under this subsection.

(11) The director shall submit a report by December 1 of each year to the standing committees and appropriations subcommittees of the senate and house of representatives concerned with occupational issues.
