The treasurer shall at the same time notify the taxpayer so assessed of the filing of such affidavit by mailing notice thereof to him at the address at which the personal property so taxed is then located, or if such location is unknown, then to the address where the same was located on the tax day, to which notice shall be attached a copy of the affidavit filed with the register of deeds: Provided, That failure to mail such notice shall not affect the validity of the jeopardy tax nor impair the lien thereof.

211.695 Jeopardy assessment tax rate; collection of tax; discharge of affidavit.

Sec. 5. The assessor of any tax collection district shall, upon request of the treasurer thereof, furnish his

estimate of the assessed value of any personal property upon which the treasurer proposes to make a jeopardy assessment. Such estimates shall be of the assessed value such property will bear upon completion of the regular personal property assessment procedure for the current year, and such estimate shall be set forth in the treasurer's affidavit as the assessed value of the property described therein. The treasurer shall estimate the tax rate which he believes will be authorized by the taxing unit on whose behalf the jeopardy assessment is made for the current year, which rate shall not be more than 10% in excess of the rate authorized by such unit for the previous year, and the rate so estimated shall be set forth in the affidavit of the treasurer as the jeopardy tax rate. The amount of the jeopardy personal property tax shall be determined therefrom. Upon collection of the amount of the jeopardy tax, the treasurer shall forthwith discharge the jeopardy tax assessment affidavit from the records of the register of deeds. All money received in collection of jeopardy taxes shall be retained by the treasurer in a special account entitled "jeopardy tax account" until receipt of the next regular tax roll of the taxing unit or units on whose behalf the jeopardy assessment was made.

History: 1956, Act 55, Imd. Eff. Apr. 2, 1956.

211.696 Personal property tax; repayment of excess; collection of unpaid regular tax.

Sec. 6. Any personal property which is the subject of a jeopardy assessment hereunder shall remain on the regular tax roll, and no taxpayer or personal property shall be relieved from the tax thereafter assessed thereon, but the treasurer upon receiving the regular tax roll of 1 or more of the units on whose behalf such a jeopardy assessment was made shall credit any amount collected in satisfaction of the jeopardy tax against the regular tax and shall thereupon transfer such sums from the jeopardy tax account to the tax funds of the unit or units for which the jeopardy assessment was made. If the entire jeopardy tax is collected, then each taxing unit on whose behalf the jeopardy tax was assessed shall first receive an amount equal to the jeopardy tax assessed for it or its regular personal property tax, whichever is less, and the balance, if any, shall be divided among those units whose regular personal property tax was not thereby fully paid, in the same proportion as the jeopardy tax of each bears to the total jeopardy tax of all the units sharing the balance. If less than the full amount of the jeopardy tax was collected, each unit on whose behalf the jeopardy tax was assessed shall be paid in the proportion that its jeopardy tax bears to the entire jeopardy tax assessment, but no unit shall be paid a sum in excess of its regular personal property tax. Upon payment of all regular personal property taxes owed to all units in whose behalf a jeopardy assessment was made, the balance collected in satisfaction of such jeopardy tax remaining in the treasurer's hands shall be paid over to the taxpayer. The balance of any regular personal property tax remaining unpaid shall be collected in the same manner as are other personal taxes.

211.697 Treasurer; diligence; liability for uncollected taxes.

Sec. 7. Action taken by the treasurer in accordance with the provisions of this section shall constitute diligent inquiry and the exercise of due diligence in an effort to collect the taxes with respect to which the action was taken as required by sections 55 and 56a and elsewhere in the Michigan general property tax act, being Act No. 206 of the Public Acts of 1893. The treasurer or his bondsman shall not be liable for any taxes which remain uncollected because the treasurer, in his estimate made in good faith, has underestimated the taxes to be paid on any property with respect to which such action is taken.
