If any examination discloses malfeasance, misfeasance, nonfeasance, or gross neglect of duty on the part of any officer or employee of any county office, for which a criminal penalty is provided by law, an additional copy of the report shall be made and filed with the attorney general, and the attorney general, within 60 days after receipt

If, after the uniform accounting system has been installed in any county, it becomes necessary for an examiner employed under this act to perform any service, which a county officer has neglected or refused to do, in order to properly continue the system, then the per diem and expense incurred is a proper charge against the county where the service was performed. A statement covering that per diem and expense may be forwarded by the state treasurer to the county clerk who shall immediately issue his or her warrant upon the county treasurer who shall pay it from the general fund of the county. Money so received by the state shall be paid into the state treasury to the credit of the general fund.
