Each record of transaction form shall be filled out in duplicate by the dealer or agent with 1 copy going to the customer, and 1 copy to be retained by the dealer. At the time a dealer receives or purchases a used motor vehicle part from a person other than a licensee, the dealer or agent shall accurately record all of the following information on a record of transaction form:

(a) A general description of the used motor vehicle part received or purchased.

(b) The vehicle identification number of the vehicle the used motor vehicle part came from.

However, the thumbprint or fingerprint shall only be required on the record of transaction form retained by the dealer. The thumbprint or fingerprint shall be made available to

the local police agency or the department of state police only during the course of a police investigation involving a used motor vehicle part described on the record of transaction. A dealer who goes out of business or changes his or her business address to another local jurisdiction either within or out of this state shall transmit to the local police agency the records of all transactions made by the dealer not more than 1 year before his or her closing or moving. After a period of 1 year from the date of the transaction, if a police investigation concerning a used motor vehicle part described on the record of transaction has not occurred, the dealer and local police agency shall destroy, and not keep a permanent record of, the records of the transaction.
