The proceedings to appoint such guardian shall be the same as in other cases provided by statute. If it shall appear on the return day of the summons that any respondent cannot be found within the county and has not been served in the manner provided, or is non-resident and has not voluntarily appeared, the court may make an order requiring such respondent or respondents to appear and show cause why the prayer of the petition should not be granted, on a day to be named in the order, and not less than 30 days from the date thereof, and may require that a certified copy of such order be personally served on such respondents wherever found, if practicable, at least 6 days before the time named in order for appearance, or the court may make such order for appearance and require as to any or all such respondents who shall not have been personally served and have not appeared, that service be made by publishing a certified copy of such order for

3 successive weeks, at least once in each week, in at least 1 newspaper published within the municipality, the last publication to be at least 6 days before the day fixed in the order for appearance. Alias and pluries summons may be issued, and the probate court may adjourn the proceedings from time to time as there shall be occasion, and as in other civil cases. Service of such order for appearance in either mode described shall be sufficient notice of the proceedings to bind the respondents and the property represented by them. The return of the officer upon the summons and an affidavit of the due service or the publication of the order for appearance, if any, shall be filed with such probate court before a jury shall be impaneled, and be sufficient evidence of service on the respondents and of the manner of service.

They shall be instructed as to their duties and the law of the case by the probate judge, and shall retire under the charge of an officer and render their verdict in the same manner as on the trial of an ordinary civil case, but the same shall be in writing and be signed by all jurors.

that you will faithfully and impartially discharge all other duties as devolve upon you in this case, and unless discharged by the court, a true verdict give, according to the law and the evidence, so help you God (or under the pains and penalties of perjury).” The jury shall hear the proofs and allegations of the parties, and shall go to the place of the intended improvement, in the charge of an officer, and upon or as near as practicable to the property taken, and examine the premises. They shall be instructed as to their duties and the law of the case by the circuit judge, and shall retire under the charge of an officer and render their verdict in the same manner as on the trial of an ordinary civil case, but the same shall be in writing and shall be signed by all jurors.

The just compensation to be paid for such private property we have ascertained and determined, and hereby award as follows:

105.22 Circuit court; confirmation of proceedings; cost.

Sec. 22. Upon any dismissal of the appeal, or rendition of judgment after trial in the circuit court, said court shall confirm the proceedings and rights of the city to take and appropriate the lands of the appellant for the purpose mentioned in the resolution of the council. 105.24 Verdict confirmed; sums awarded; procedure for collection; assessment; evidence; city purchaser at sale.

Sec. 24. When the verdict of the jury shall have been finally confirmed by the probate court and the time in

which to take an appeal has expired, or, if an appeal is taken and the judgment has been confirmed, thereupon the proper and necessary proceedings, in due course, shall be taken for the collection of the sum or sums awarded by the jury. If the council believe that a portion of the city in the vicinity of the proposed improvement will be benefited by such improvement, they may by an entry in their minutes determine that the whole or any just proportion of the compensation awarded by the jury shall be assessed upon the owners or occupants of real estate deemed to be thus benefited, and thereupon they shall, by resolution, fix and determine the district or portion of the city benefited, and specify the amount to be assessed upon the owners or occupants of the taxable real estate therein. The amount of the benefit thus ascertained shall be assessed upon the owners or occupants of such taxable real estate, in proportion, as nearly as may be, to the advantage which such lot, parcel or subdivision is deemed to acquire by the improvement. The assessment shall be made and the amount levied and collected in the same manner and by the same officers and proceedings, as near as may be, as is provided in this act for assessing, levying and collecting the expense of a public improvement when a street is graded. The assessment roll containing said assessments, when ratified and confirmed by the council, shall be final and conclusive and prima facie evidence of the regularity and legality of all proceedings prior thereto, and the assessment therein contained shall be a lien on the premises on which the same is made until payment thereof. Whatever amount or portion of such awarded compensation shall not be raised in the manner herein provided shall be assessed, levied and collected upon the taxable real estate of the municipality, the same as other general taxes are assessed and collected therein. At any sale which takes place of the assessed premises or any portion thereof delinquent for non-payment of the amount assessed and levied thereon, the city may become a purchaser.

105.25 Verdict confirmed; sums awarded; payment within year; raising of funds; treasurer, duties; right of entry; writ of assistance.

Sec. 25. Within 1 year after the confirmation of the verdict of the jury, or after the judgment of confirmation shall on appeal be confirmed, the council shall set apart and cause to be provided in the treasury, unless already provided, the amount required to make compensation to the owners and persons interested, for the private property taken, as awarded by the jury, and shall, in the resolution setting apart and providing said sum, if not already provided, direct the city to pay the persons respectively entitled to the money so set apart and provided, to each his or her portion, as ascertained and awarded by said verdict. And it shall be the duty of the treasurer to securely hold such money in the treasury for the purpose of paying for the property taken, and pay the same to the persons entitled thereto, according to the verdict of the jury, on demand, and not pay out the money for any other purpose whatever. The council may provide the necessary amount by borrowing from any other money or fund in the treasury and repay the same from money raised to pay the compensation awarded by the jury when collected or otherwise, as they may provide. Whenever the necessary sum is actually in the treasury for such purpose, the treasurer shall make and sign duplicate certificates, verified by his oath, showing that the amount of compensation awarded by the jury is actually in the treasury for payment of the private property taken in the case, giving the title of the case; he shall cause 1 of the certificates to be filed in the office of the probate court before whom such proceedings were had, or his successor, or in case an appeal has been had, then in the office of the clerk of the court in which the proceedings were had, and the other to be filed with the city clerk, which certificate shall be prima facie evidence of the matters therein stated. Whenever the amount of such compensation is in the treasury and thus secured to be paid, the council may enter upon and take possession of and use such private property for the purposes for which it was taken, and may remove all buildings, fences and other obstructions therefrom. In case of resistance or refusal on the part of any one to the council or their agents and servants entering upon and taking possession of such private property for the use and purpose for which it was taken, at any time after the amount of the compensation aforesaid is actually in the treasury, ready to be paid to those entitled thereto, the council, by the city attorney, may apply to the court, and shall be entitled, on making a sufficient showing, to a writ of assistance to put them in possession of the property.

105.26 Court proceedings; officers, jurors, witnesses; fees, compensation.

Sec. 26. Officers, jurors and witnesses in any proceedings under this chapter shall be entitled to receive the same fees and compensation as are provided by law for similar services in an ordinary action at law in the probate courts of this state, and in cases of appeals, the same fees and compensation as are provided by law for similar services in circuit courts.

105.27 Property; ownership; prima facie evidence.

It shall be prima facie evidence as to who are owners of, and persons interested in, any property proposed to be taken in the proceedings instituted under this act, if the register or deputy register of deeds of the county shall testify in open court that he has examined the records and titles of his office, and states who such records show are the owners of, and persons interested in such property, and the nature and extent of such ownership and interest; and an abstract of the title of such property, or of any parcel or parcels thereof, certified by the register or deputy register of deeds shall also be prima facie evidence as to ownership, and persons having an interest in any such property, and the extent and nature of such interest.

105.28 Property; sale of buildings; moneys, disposition.

Sec. 28. In case there is on the private property taken a building or other structure, the same shall be sold by or under direction of the council; the amount produced by this sale shall belong and be paid to the fund for paying the compensation awarded for the property taken, and the council shall cause such amount to be credited and applied in reduction pro rata of the assessment and apportionment made to pay for the property taken.

111.1 Tax assessment and collection by supervisors; city assessor, duties; rules.

Sec. 1. The supervisors of every city shall, in each year, make and complete an assessment of all the real and personal property within their respective wards liable to taxation under the laws of the state, and of all the property of any person liable to be assessed therein, in the same manner, and within the same time as required by law for the assessment of property in the townships of the state, and in so doing they shall conform to the provisions of law governing the action of supervisors of townships performing like services, and in all other respects within their respective wards, they shall, unless otherwise in this act provided, conform to the provisions of law applicable to the action and duties of supervisors in townships, in the assessment of property, the levying of taxes, and in the issuing of warrants for the collection and return thereof: Provided, Rendered Friday, July 1, 2016

That any city now incorporated, and which shall become re-incorporated under this act, now having an assessor for the assessment of property and the levying of taxes, such city may retain its present method of assessing property and levying taxes, and such assessor in office at the time this act shall take effect, shall remain in office until the expiration of the term for which he was appointed or elected and until his successor shall have been appointed and qualified. The council of any city re-incorporated under the provisions of this act may by ordinance provide for the appointment by the council upon the recommendation of the mayor, a city assessor who shall hold his office for 1 year from and after the first Monday in March of the year in which he shall have been appointed, and such appointment shall be made as aforesaid on or before the second Monday in April in each year. Such assessor shall make an assessment of all real and personal property within such city in the same manner, and have the same powers, and perform the same duties touching the assessment of such property and the levying of such taxes as are performed by supervisors in townships in such matters, which powers shall be exercised and duties shall be performed by such assessor instead of being executed and performed by the supervisor of the several wards in any such city as hereinbefore provided. Such assessor shall make his assessment of all such property in a single roll. Where, however, the council has decided to have the taxes levied and collected in 2 installments, such assessments shall be made in 2 separate rolls, 1 for the city taxes and special assessments to be known as the "city or July tax roll," the other for the state, county and school taxes, to be known as the "December tax roll," and in the making of such assessments and in the levying of taxes such city shall be treated as a whole or as 1 assessment district as townships are treated under the general tax laws of the state.

111.2 Personal property; assessment; tax exemption.

Sec. 2. If any person residing in the city a part of the time during the year shall, in the opinion of any supervisor, unjustly or falsely claim exemption from taxation therein on the ground that he or she has a residence, and is taxed or liable to taxation elsewhere than in said city, the supervisor shall, notwithstanding, assess such person for such amount of personal property as in his opinion shall be just, and such assessment shall be conclusive as to the liability of such person to be assessed and to pay the tax levied in pursuance thereof, unless such person shall present to the treasurer, or officer requiring payment of such tax, a receipt duly signed and authenticated by the affidavit of some other collector of taxes, and also by the affidavit of the person charged with the tax, showing that such person has paid a tax upon all of the same property for the same year to such other collector or receiver of taxes.

111.3 Personal property; assessment; situs.

Sec. 3. All personal property found in any ward may be assessed therein, whether the owner thereof resides in such ward or elsewhere. If there shall be any doubt as to the ward in which any person shall be assessed for personal property belonging to such person, the board of review hereinafter mentioned may direct as to the ward in which the assessment shall be made, and any assessment so made shall be conclusive as to the liability of such person to be assessed in such ward for said property.

If on examination they shall deem the valuation of the several wards to be relatively unequal, they shall equalize the same by adding to or deducting from the total valuation of the taxable property in any ward such an amount as, in their judgment, will produce relatively an equal and uniform valuation of the real estate in the city; and the amount added to or deducted from the total valuation in any such ward shall be so stated in the certificate attached to the assessment roll of such ward; and all taxes for state, county, school, general city and sewer purposes shall be apportioned according to said equalization, in the manner hereinbefore provided, and said equalization shall not be changed with regard to the relative valuation of the several wards of said city, and the board of supervisors of the county in which such city is located shall equalize such city as a unit the same as a township is equalized, and any amount added to or deducted from the total valuation of such city as a unit, shall be apportioned by the clerk of the board of supervisors among the several wards, according to the equalized valuation of the real property in each ward as fixed by the board of review.

They may examine on oath any person touching the matter of his or her assessment, and the chairman or any member of said board may administer oaths. They shall keep a record of their proceedings, and all changes made in said rolls, and the amount added to or deducted from the total valuation in each ward shall be entered upon such record, which record shall be deposited with the city clerk, who shall be clerk of said board.

Sec. 1. All cities heretofore incorporated under any general or special law of this state, and having a population of 10,000 or less, according to the last preceding census, are hereby reincorporated under and made subject to the provisions of this act, as cities of the fourth class, such reincorporation to take effect on the first day of January, in the year of our Lord 1896, and all acts by virtue of which such cities have been incorporated are hereby repealed from and after the said first day of January, in the year of our Lord 1896, except as hereinafter in this section provided. However, if 50 or more of the qualified voters of any city described in this section as a city of the fourth class, which city has been incorporated under a special act of the legislature, shall file with the city council, on or before the first day of November, in the year of our Lord 1895, a petition praying that an election of the qualified voters of such city be called to determine the question as to whether such city shall remain incorporated under the special act under which it was incorporated and by which it is governed at the time of the filing of the petition, or whether it shall become subject to the provisions of this act, thereupon it shall be the duty of the city council, within 10 days after the filing of the petition, to call a special election of the qualified voters of the city to determine the question. If a majority of all the votes cast at the election are in favor of remaining incorporated under the special act by which the city is governed at the time of the filing of the petition, then the city shall not be reincorporated under the provisions of this act, but shall remain incorporated under the special act, which shall remain in full force and effect as if this law had not been enacted. However, if a city of this state, when the population of the city is 10,000 or less, according to the last preceding state census even though the voters of the city previously elected to remain incorporated under the special act governing the city, may be incorporated under and made subject to the provisions of this act and the act of which this act is amendatory, as a city of the fourth class as provided in this section. If 100 or more registered electors residing within the city files with the city council, on or before the first day of July in any year, a petition praying that an election of the qualified voters of the city be called to determine the question as to whether the city shall become incorporated as a city of the fourth class under this act, then the city council shall within 10 days after the filing of the petition call a special election of the qualified voters of the city to determine the question. Except as otherwise provided in this section, an election held under this chapter shall be held upon such day, and at such time and in such places in the city as may be designated by a resolution of the city council. However, an election shall be held on or before the first day of December in the year in which the petition under this section is filed. Notice of the election shall be given in the same manner and for the same length of time as is provided in the charter of the city for the calling of special elections, and the votes shall be counted and canvassed, and the returns shall be made, and the result declared and determined in the same manner as is provided in the charter for the counting, canvassing, and returning of votes, and the determining of the result of the election at special elections. No new registration shall be necessary for the holding of the election, and only those whose names appear in the registration books used at the next previous annual city election shall be entitled to vote at the election. The ballots used at the election shall contain the instructions required by the general election laws of the state, and the proposition to be submitted shall be in the following language:

If a majority of the votes cast at the election shall be in favor of reincorporating under the provisions of this act, then the city shall become reincorporated under and made subject to the provisions of this act on the first day of January in the year following the special election. At the next regular meeting, the council shall, by a resolution to be entered in the record of their proceedings, recite that at the election, stating the date of the election, the question as to whether the city should be reincorporated as a city of the fourth class under the provisions of this act was submitted to a vote of the electors of the city, and that a majority of those voting upon the question, voted for reincorporation, and shall in the resolution declare that, in accordance with said vote, the city shall be and is reincorporated as a city of the fourth class; the clerk of the city shall record the same in the record of the proceedings of the council and shall make a copy of so much of the record of the proceedings of the meeting at which the resolution was adopted as may be necessary to show the time and place of holding the meeting, and the names of the members of the council who were present, and the passage of the resolution, including a true copy of the record. The clerk and the mayor of the city shall annex their certificate to the true copy of the record, under the corporate seal of the city showing the same to be a true copy of the record, which said certified copy of the record and resolution shall be designated as a "declaration of reincorporation" and shall be transmitted to, and filed and recorded in the office of the secretary of state, and the declaration of reincorporation filed in the office of the secretary of state, or the records of the secretary of state, or certified copies of such records shall be prima facie evidence of the due and legal
