(a) Is in an amount fixed by the department but not less than \$20,000.00 or more than \$50,000.00.

A contestant shall submit to a urinalysis or chemical test before or after a contest if the commission, the department, a designated representative of the commission or department, or an inspector described in subsection (11) directs him or her to do so. If a contestant fails or refuses to submit to a urinalysis or chemical test under this subsection, or the results of the urinalysis or chemical test confirm or demonstrate that the contestant has violated this act, he or she is subject to disciplinary action by the commission under this act. In addition to any other disciplinary action by the commission, if the contestant won the contest or the contest was a draw, the commission may change the result of that contest to a no decision. The department may promulgate rules to define the terms "stimulants" or "performance enhancing drugs."
