The administrative fee is \$25.00.

(b) Upon notification of eligibility, the enrollee may access the EPIC program by meeting the cost-sharing obligation through a copayment on each prescription that does not exceed 20% of the cost of the prescription being purchased, with a maximum monthly copayment amount calculated based on 1 of the following:

(i) If the applicant's household income is at or below 100% of the federal poverty guidelines, the monthly copayment is 1/12 of 1% of household income as established during the annual application process.

(4) Subsequent to enrollment in the EPIC program, an applicant who has a household income at or below 100% of the federal poverty guidelines shall be referred to the local family independence agency for assessment of eligibility for medicaid. If the federal government establishes a pharmaceutical assistance program that covers EPIC eligible seniors under medicare or another program, the EPIC program shall cover only eligible costs not covered by the federal program. This subsection does not require payment by a local prescription drug discount program or a local emergency prescription drug assistance program for a prescription drug covered under the EPIC program.
