285.67 Grain dealer's license; application; form; contents; receipt of completed application; issuance of license within certain time period; submission; report.

Sec. 7. (1) A grain dealer shall file an application for a new license or for renewal or amendment of a license with the department. The department may determine the time when an application is filed and the form of the application. A complete application shall include all of the following:

(a) The name and ownership interest of each owner, stockholder, member, or partner of the grain dealer who owns at least 5% of the shares, other than publicly traded shares, or other ownership interests of the grain dealer, or for a grain dealer described in section 9(3), at least 5% of the shares, other than publicly traded shares, or other ownership interests of the parent corporation.

(b) The location and storage capacity of each facility of the grain dealer.

(c) Proof of insurance for all farm produce stored at each facility of the grain dealer.

(d) A statement that none of the events described in section 10 have occurred within the 5 years preceding the date of the license application, or if any of those events have occurred, a description of those events.

(e) A statement of the total bushels of farm produce handled by the grain dealer during the grain dealer's most recent completed fiscal year.

(f) If the grain dealer's most recent completed fiscal year was for a period of less than 12 months or the grain dealer materially changed its farm produce handling practices in that fiscal year, a projection of the total bushels of farm produce the grain dealer expects to handle in the current fiscal year.

(g) Copies of all warehouse receipt forms, price later agreement forms, and acknowledgment forms used by the grain dealer.

(h) Copies of all of the grain dealer's facility lease agreements and bin charts.

(i) If the grain dealer does not maintain an office in this state and does not have a resident agent in this state, the application shall include a written appointment of a statutory agent upon whom process, notice, or demand may be served. The statutory agent shall be an individual residing in this state or a corporation whose principal place of business is located in this state. If the identity or address of the statutory agent changes while the application is pending or after a license is issued, the grain dealer shall within 3 days file with the department a written appointment of the new statutory agent or written notice of the new address, as applicable.

(j) The license fee described in section 8.

(2) If an application described in subsection (1) is considered incomplete by the department, the department shall notify the applicant in writing or electronically within 30 days after receipt of the incomplete

application, describing the deficiency and requesting the additional information. The 30-day time period described in subsection (6) is tolled upon notification by the department of a deficiency until the date the requested information is received by the department. The determination of the completeness of an application does not operate as an approval of the application for the license and does not confer eligibility of an applicant determined otherwise ineligible for issuance of a license. The tolling of the 30-day time period under this subsection does not allow the department to otherwise delay the processing of the application, and that application, upon completion, shall be placed in sequence with other complete applications received at that same time.

(3) For a license renewal, a licensee shall submit the complete application to the department at least 30 days before the expiration of the current license term.

(4) If an application is withdrawn before a license or renewal is approved, the department shall retain \$50.00 for processing and return the remainder of the license fee to the grain dealer.

(5) By submitting an application, a grain dealer consents to inspection and auditing of its farm produce and financial records and its operations by the department. The grain dealer shall make the records available to the department in this state if the department makes a request to inspect or audit the records.

(6) The department shall issue or deny an initial or renewal license within 30 days after the department receives a complete application from an applicant.

(7) If the department fails to issue or deny a license within the time required by this section, the department shall return the license fee and shall reduce the license fee for the applicant's next renewal application, if any, by 15%. The department shall not discriminate against an applicant in the processing of the application based upon the fact that the license fee was refunded or discounted under this subsection.

(8) Beginning October 1, 2005, the director of the department shall submit a report by December 1 of each year to the standing committees and appropriations subcommittees of the senate and house of representatives concerned with agricultural issues. The director shall include all of the following information in the report concerning the preceding fiscal year:

(a) The number of initial and renewal applications the department received and completed within the 30-day time period described in subsection (6).

(b) The number of applications denied.

(c) The number of applicants not issued a license within the 30-day time period and the amount of money returned to licensees and registrants under subsection (7).

(a) For each receiving point of the grain dealer that has total bushel capacity of:

(i) 100,000 or less..... \$ 500.00

(ii) More than 100,000 and 200,000 or less..... \$ 625.00

After the payment of the amounts appropriated by the legislature for the necessary expenses incurred in the administration of this act, the money remaining in the grain dealer's fees fund shall not revert or be credited to the general fund at the close of the fiscal year but shall remain in the grain dealer's fees fund. The department shall be the administrator of the fund for audit purposes.

(3) A license fee determined under subsection (1) is the fee for a 1-year license. If the department has issued a license for a period of longer than 1 year under section 4(4), it shall require a license fee increased on a proportionate basis to reflect the longer term of the license.

(4) Every year, the department may adjust the fee schedule in subsection (1) by an amount determined by the state treasurer to reflect the cumulative annual percentage change in the Detroit consumer price index over the 1-year period. An adjustment under this subsection shall not exceed 5% even if the amount determined by the state treasurer to reflect the cumulative annual percentage change over the 1-year period is more than 5%. A fee adjusted under this subsection shall be rounded to the nearest \$5.00 increment. As used in this subsection, "Detroit consumer price index" means the most comprehensive index of consumer prices available for the Detroit area from the bureau of labor statistics of the United States department of labor.

(3) A licensee that elects to limit the types of farm produce transactions it offers shall post a list of the types of farm produce transactions it offers at a readily visible location in each office or at each scale of the licensee.

(4) If a warehouse receipt or acknowledgment form issued under this act is outstanding by the grain dealer who issued it, the grain dealer shall not issue another warehouse receipt or acknowledgment form for all or any part of that farm produce except as provided in this subsection. If a warehouse receipt or acknowledgment form is lost, stolen, or destroyed, the holder of the warehouse receipt or acknowledgment form is entitled to a substitute warehouse receipt or acknowledgment form. If a substitute warehouse receipt or acknowledgment form is issued under this subsection, it has the same legal effect as the original warehouse receipt or acknowledgment form and the issuance of the substitute cancels the original warehouse receipt or acknowledgment form. (4) If a net deficiency concerning price later agreements exists, based upon daily bid prices, the grain dealer shall cover the deficiency by placing in an escrow account cash, cash equivalents, or marketable securities equal to 80% of the deficiency and offsetting purchase commitments equal to at least 20% of the deficiency. The grain dealer shall file a copy of the escrow agreement with the department. The escrow agreement shall require that the escrow institution submit a monthly statement for the escrow account to the department.

(5) A violation of this section by a grain dealer may result in a fine or suspension or revocation of the grain dealer's license under section 22. If the violation is the intentional filing of a false daily position report, in addition to license revocation, the grain dealer is subject to the penalty described in section 23 for each violation.

History: Add. 2002, Act 80, Eff. Mar. 31, 2003.

***** 285.86a.added THIS ADDED SECTION IS EFFECTIVE SEPTEMBER 26, 2016 *****

285.86a.added Lien; claimant; provisions; enforcement of claims; assignment of applicable lien to claimant in adversary proceeding; liquidation of farm produce assets; reduction of amount of claim; priority of lien.

Sec. 26a. (1) Each of the following has a lien on all of the farm produce assets of a grain dealer:

(a) A lender or other claimant that possesses a warehouse receipt that covers farm produce owned or stored by the grain dealer.

(b) A claimant that possesses a written acknowledgement or other written evidence of ownership of farm produce, other than a warehouse receipt, that establishes that the grain dealer has a storage obligation for the farm produce.

(c) A claimant that surrendered a warehouse receipt as part of a farm produce sales transaction, if the claimant was not paid in full for the farm produce and the grain dealer failed within 21 days after the surrender of the warehouse receipt.

(d) A claimant that possesses any other written evidence of the sale of farm produce to the grain dealer for which the claimant was not paid in full.

(2) All of the following apply to a lien that exists under subsection (1):

(a) The lien secures all claims described in subsection (3) and attaches to the farm produce assets of the grain dealer.

(b) The lien takes effect at the time the farm produce is delivered to the grain dealer for sale or storage under a bailment agreement or at the time money is advanced by the lender.

(c) The lien terminates at the time the liability of the grain dealer to the claimant is discharged. However, the priority of each lien among the respective claimants does not relate to the date the claim arises but is subject to the priorities described in subsection (3).

(d) In the event of a failure of a grain dealer, the lien claims of all claimants of that grain dealer are considered assigned by operation of this section to the department, and in the event of a failure and subsequent liquidation, the lien attaches to assets or proceeds of assets that are either received or liquidated by the department.

(3) Except as provided in subsection (4), and subject to subsection (6), in the event of a failure of a grain

dealer, the director shall enforce the claims of each lienholder under this section against the farm produce assets of the grain dealer and allocate the proceeds as follows:

(a) The director shall give first priority to allocating the proceeds equally to claimants described in subsection (1)(a), (b), and (c).

(b) If any proceeds remain after satisfying the claims described in subdivision (a), the director shall give second priority to allocating the remaining proceeds first to claimants that possess secured price later agreements and then to all remaining claimants that possess price later agreements.

(c) If any proceeds remain after satisfying the claims described in subdivisions (a) and (b), the director shall give third priority to allocating the remaining proceeds to claimants that possess acknowledgment forms, similar farm produce delivery contracts, or other written evidence of the sale of farm produce and that completed delivery and pricing of the farm produce in the 30-day period preceding the date of the failure of the grain dealer.

(d) If any proceeds remain after satisfying the claims described in subdivisions (a) to (c), the director shall give fourth priority to allocating the remaining proceeds on a pro rata basis to all other claimants that possess written evidence of the sale of farm produce to the grain dealer.

(e) If any proceeds remain after satisfying the claims described in subdivisions (a) to (d), the director shall distribute those proceeds jointly to the grain dealer and any secured parties.

(4) In the event that an adversary proceeding is commenced to recover farm produce assets on which a lien described in this section is attached and the department declines to enter the proceeding, the director, if he or she receives an application from a claimant that holds a lien under this section, shall assign to the claimant the applicable lien to permit the claimant to pursue the claimant's lien in the adversary proceeding, to the extent that assignment will not delay the resolution of the proceeding, the prompt liquidation of the assets, or the ultimate distribution of the assets of all claimants.

(5) In the event of the failure of a grain dealer, the department shall liquidate the farm produce assets of the grain dealer to satisfy valid claims of claimants described in subsection (3) by taking possession of all farm produce in the grain dealer facility, distributing or selling the farm produce, and distributing the proceeds under subsection (3).

(6) The director may reduce the amount of a claim described in this section to reflect the liabilities owed to the grain dealer by the claimant.

(7) A lien that exists under subsection (1) has priority over a conflicting security interest in or agricultural lien on the same collateral, except that a conflicting security interest or agricultural lien on the collateral that is perfected on the effective date of this section has priority over a lien that exists under subsection (1) for a period of 1 year after the effective date of this section.

285.87 Repealed. 2012, Act 148, Imd. Eff. May 30, 2012.

Compiler's note: The repealed section pertained to surety bond to be provided by grain dealer before issuance of license.

285.88 Grain merchandiser or farm produce trucker; surety bond; requirements.

Sec. 28. (1) Before a license is issued to a grain merchandiser or farm produce trucker, the grain merchandiser or farm produce trucker shall provide a bond to the department in the amount of \$100,000.00.

(2) A bond provided under this section shall name the department as payee, be executed by the applicant as principal, and be issued by a surety authorized to conduct business in this state. The department shall prescribe the form and terms and conditions of the bond.

(3) A bond provided under this section shall secure the faithful performance of the grain merchandiser or farm produce trucker of his or her obligations in any farm produce transaction outstanding on or after the effective date of the bond and outstanding at the time the license of the grain merchandiser or farm produce trucker is revoked or the bond is canceled as provided in this act, whichever occurs first. The bond shall secure the faithful performance by the grain merchandiser or farm produce trucker of those obligations whether the grain merchandiser or farm produce trucker is licensed or not.

(4) The total aggregate liability of a surety under a bond provided under this section is limited to the amount of the bond without regard to the number of claimants involved in a transaction in which a claim on the bond is made. The liability of a surety on a bond provided under this section shall not accumulate for any successive license period.

(5) A grain merchandiser or farm produce trucker required to provide a bond to the department under this section may at his or her option provide the department with a certificate of deposit or other security acceptable to the department in lieu of all or part of the bond, payable to the department as trustee. The principal amount of the certificate of deposit or other security provided, or the aggregate amount of the bond

provided and the principal amount of the certificate of deposit or other security provided, shall be the same as the amount of the bond otherwise required under this section. The interest on the certificate of deposit or other security provided under this subsection shall be made payable to the grain merchandiser or farm produce trucker or other purchaser of the certificate of deposit or other security. The certificate of deposit or other security shall remain on deposit until it is released, canceled, or discharged as provided for by rule of the department. The provisions of this section that apply to a bond required under this section apply to a certificate of deposit or other security provided under this subsection.

(6) If the department determines that a bond previously provided under this section is insufficient, the department shall require that the grain merchandiser or farm produce trucker provide an additional bond. The additional bond shall be in an amount determined by the department and conform with all other requirements of this section.

(7) A grain merchandiser or farm produce trucker shall not cancel a bond required by this section without the consent of the department and the department's prior approval of a substitute bond.

(8) The surety on a bond required by this section may not cancel the bond unless it sends a notice of intent to cancel to the department more than 60 days before it cancels the bond. If the department receives a notice from a surety under this subsection, it shall promptly notify the grain merchandiser or farm produce trucker that provided the bond. The department shall revoke the license of a grain merchandiser or farm produce trucker who fails to provide a new bond within 60 days after the department receives notice of intent to cancel from a surety.
