The People of the State of Michigan enact:

This act shall not apply to the rate of interest on any note, bond or other evidence of indebtedness issued by any corporation, association or person, the issue and rate of interest of which have been expressly authorized by the public service commission or the securities bureau of the department of commerce, or is regulated by any other law of this state, or of the United States, nor shall it apply to any time price differential which may be charged upon sales of goods or services on credit.
