247.429 Deficiency assessments; surplus, crediting, transfer.

Such shortage may be raised and collected in 1 installment, for which the county road commissioners or the state highway commissioner shall make their special assessment roll. Such roll shall be collected at the same time state, county and township taxes are collected. In case there is a surplus after completing the improvement amounting to 3 per cent or more of the cost of the improvement, such surplus shall be refunded or credited on the next installment of the assessment pro rata according to their assessments whether due from individuals or municipalities; where the surplus is less than 3 per cent and more than 1 per cent such surplus shall be credited to the road fund to which it belongs and applied to reducing the payments on the last annual installment, or if there is more money than is required to pay the last installment it shall be applied to reducing the last preceding installment or installments pro rata to their assessments whether due from individuals or municipalities; but any surplus less than 1 per cent shall constitute a maintenance fund to be expended under the direction of the county road commissioners or the state highway commissioner as the case may be, for the proper maintenance and repair of such road, and the state highway commissioner or the board of county road commissioners, as the case may be, shall make such refund or give such credit in all cases of roads heretofore built in which such funds may not already have been expended under the provisions of this act prior to this amendment: Provided, however, That in case such surplus amounts to \$15,000.00 or less on roads already constructed under the provisions of this act, and where said road is being maintained by the county road commissioners, such surplus may be transferred by the county road commissioners to a fund to be established as a general Covert fund and to be used for the maintenance of all Covert roads, including bridges, in said county.

Such order shall be payable by any county treasurer having in custody any portion of the funds of such special assessment district or out of such funds. In any case where the special assessment district is situated in 2 or more counties, no orders shall be drawn upon the treasurer of either of said counties payable out of the funds of said district in excess of the amounts that will come into his custody as a part of said fund under the provisions hereof.

247.432 Donation of money; application, return.

Sec. 32. Donations of money may be received by either the state highway commissioner or the county road commissioners for the benefit of any road sought to be improved in accordance with the provisions of this act. Such money shall be paid to the treasurer of the county in which such special assessment district, or the greater portion thereof, is situated. Donations received before the preparation of the assessment roll shall be so applied as to decrease proportionately special assessments apportioned against individual property owners. In the event that the proposed improvement is not made, money so donated shall be returned to the donor on the warrant of the state highway commissioner or the board of county road commissioners as the case may be.

When the rolls are delivered to the township boards, they shall be collected in the same manner as state and other general taxes are collected. Collecting officers are hereby vested with the same power and authority in the collection of such taxes, as are, or may be conferred by law for collecting general taxes. All taxes not collected, shall be returned to the county treasurer, as are state and other general taxes, and may be paid to such officer. All uncollected taxes shall, by the county treasurer, be returned, together with the lands upon which they were levied, at the same time, and in the same manner as lands are returned for state, county and township taxes, and such taxes shall follow such lands the same as all other taxes, and all the general provisions of law now existing or that may be hereafter enacted for enforcing the payment of state, county and township taxes, shall apply to these special taxes, and to lands returned delinquent therefor, in the same manner, and with like effect. All taxes levied under the provisions of this act, with all lawful costs, interest and charges, shall be, and remain a perpetual lien upon the lands upon which they are assessed, and a personal claim against the owner of such lands, until they are paid.

Sec. 34. If any tax assessed under this act is rejected because of an error in the description of the premises sought to be charged, the tax shall be ordered charged back by the board of supervisors, and reassessed upon the lands in the same manner that unpaid or rejected taxes may be charged back by the state treasurer and reassessed under the general provisions of law applicable to state, county, and township taxes.

The county road commissioners or the department of transportation shall give the parties in interest 5 days' notice of their hearing, by posting a notice of the hearing in a conspicuous place on each of such premises. On apportioning the tax as provided in this section, the county road commissioners or the department of transportation shall change their roll accordingly, and if any rolls have been delivered to the county or township clerks, or to collecting officers, shall certify the change to them. The county or township clerk or other collecting officer shall correct the roll in their hands, and collection shall be made accordingly. This change may be made at any time before final decree is taken by the state treasurer for the sale of the lands for delinquent taxes.

meeting, notice, duties.

Sec. 42. The probate court upon the receipt of any such application for appeal, shall forthwith notify the county road commissioners or the state highway commissioner in writing of such an appeal. The probate court shall thereupon make an order appointing the day of hearing upon such application, and shall require notice of such hearing to be given the county at large, if subject to assessment hereunder, to the several township boards of the townships interested, and to any city liable to an assessment at large, and the county road commissioners, or the state highway commissioner, at least 3 days before such hearing. Such notice may be served on the clerk of the board of supervisors, on the city clerk and upon the township clerks of the respective townships. At such hearing, the probate court shall thereupon make an order, appointing 3 disinterested and competent freeholders of such county, not residents or freeholders of the township or townships affected or assessed for the proposed improvement, as members of a board of review. The persons so appointed shall constitute the board of review. The court shall thereupon immediately fix a time and place where the said board of review shall hold its first meeting to review such assessments, which time shall not be less than 5, nor more than 15 days from the date of such hearing. The county road commissioners, or the state highway commissioner, shall thereupon give notice to the persons so appointed of their appointment, and of the time and place of their first meeting, and shall give notice of such first meeting by posting notices in at least 5 public and conspicuous places in each township within the assessment district affected by such assessment, and by giving notice to the prosecuting attorney in the county, in all cases where the state is an interested party. Said notice shall be served and posted at least 10 days before the meeting: Provided, That if the road to be improved, or the assessment district, shall lie in 2 or more counties, the application referred to in the preceding section shall be presented simultaneously to the probate court in each of said counties. Thereupon each said court, proceeding as above set forth, shall appoint a disinterested and competent freeholder of such county as a member of the board of review. Upon certification to him of such appointment the state highway commissioner shall fix the time and place of the first meeting thereof and shall give notice as above provided, to the members so appointed, of the time and place of such meeting. If but 2 counties are concerned, and if the members appointed therefrom are unable to agree, such members shall select a third member of the board, who shall be a competent and disinterested freeholder from another county of the state. Notice of such appointment shall be given to the state highway commissioner who shall notify the member so appointed thereof and thereupon the members of the board shall proceed in the same manner as is herein provided in the case of a board appointed within 1 county by the probate court thereof. In case of the selection of a third member of the board as herein provided the state highway commissioner shall fix the time and place of meeting of the board to be held thereafter and shall notify all members accordingly.

247.467 Tax assessment; irregularities not prejudicial; presumptions; prima facie evidence; absent or omitted records; signing of papers; deeds.

Sec. 67. A tax assessed under this act upon any property or sale of the property shall not be held invalid by any court of this state on account of any irregularity in any assessment, or on account of any tax roll not having been made, or proceeding had within the time required by law, or on account of the property having been assessed without the name of the owner, or in the name of any person other than the owner, or on account of any other irregularity, informality, omission, or want of any matter or form or substance in any proceeding that does not prejudice the property rights of the person whose property is taxed. All proceedings in assessing and levying taxes, and in the sale and conveyance therefor, shall be presumed by all the courts of this state to be legal until the contrary is affirmatively shown. All records, statements and certificates provided for under this act shall be prima facie evidence of the facts therein set forth. The absence of any record of any

proceeding or proceedings, or the omission of any mention in any record of any vote or proceeding, or mention of any matter in any statement or certificate that should appear therein under this act, does not affect the validity of any proceeding, tax, or title thereon, if the fact that the vote or proceeding was had or tax authorized is shown by any other record, statement or certificate made evidence by the terms of this act or any other law of this state. A tax or sale of property for any tax shall not be rendered or held invalid by showing that any record, statement, affidavit, certificate, paper, or return cannot be found in the proper office. Unless the contrary is affirmatively shown, the presumption shall be that the record was made, and that the certificate, statement, affidavit, paper, or return was duly made and filed. If any statement, certificate, or record is required to be made or signed by the county road commissioners, that statement, certificate, or record may be made and signed by the members of the commission, or a majority of them, and it is not necessary that other members be present when each signs the statement, certificate, or record. The provisions of this section shall not be construed to authorize any showing impeaching the validity of any deed executed by the state treasurer under this act, but the deed shall be held absolute and conclusive as provided in general tax laws of this state.

247.468 Limitation of actions; tax payment under protest; suit against county.

Sec. 68. No suit shall be instituted to recover any tax or money paid, or for property therefor, or for damages on account thereof, unless brought within 30 days from the time of payment of such money to, or for the sale of such property by, the collecting officers; and if such tax be paid under protest, the reasons therefor shall be specified, and the same procedure observed as is, and may be required by the general tax law: Provided, That suits specified in this section shall be brought against the county at large.

247.469 Injunction restricted.

Sec. 69. After any taxes shall have been assessed for the improvement of any highway under this act, no injunction shall issue to restrain the spreading of the same upon the tax roll, nor to restrain the collection thereof, nor shall the same be in any manner stayed, except as provided in provisions for certiorari unless the amount of such assessment shall be first paid to the county treasurer to be applied upon such taxes in case the court in which the suit upon which such injunction is tried, shall so order.

247.470 Faulty proceedings; collection of tax; new proceedings.

Sec. 70. The collection of no tax levied, or ordered to be levied for the payment of the improvement or construction of any highway laid out under this act shall be perpetually enjoined, or declared absolutely void in consequence of any error or informality appearing in the record of the proceedings under which any highway shall have been constructed or improved, nor on account of any irregularity or informality in the condemnation of the right of way, nor for want of any record thereof, but the court in which any action may be brought to recover any tax or assessment paid, or to declare void the highway proceedings, or to enjoin any tax or assessment levied or ordered to be levied for the payment of the labor and expenses of the improvement thereof, shall, if there be manifest error in the proceedings, allow the county road commissioners, or the state highway commissioner, to begin their proceedings anew at the stage prior to which the error occurred.

Sec. 71. Any taxes that may have been assessed and returned delinquent to the county treasurer upon any lands and by virtue of the provisions of this act and remaining unpaid, may be sued for, by the county road commissioners of the county in which such delinquent lands are situated, or by the state highway commissioner, in an action of assumpsit before any court of competent jurisdiction; or the county road commissioners, or the state highway commissioner, may file their bill in equity to enforce the lien of such tax against the real estate charged therewith, in the same manner as mortgages are foreclosed in chancery. Where lands within the boundaries of the assessment district as established have been omitted by clerical mistake from the apportionment of benefits, or from the special assessment roll, they may be added thereto, and shall be assessed their proportionate share of the cost of the improvement. Where lands have been erroneously described, they shall be correctly described as near as may be. Where the acreage of any parcel is erroneously stated to be more or less than it really is, such acreage shall be correctly stated as near as may be. If a parcel of land theretofore has been assessed too low by reason of a mistake of the acreage of such parcel, the board of county road commissioners or the state highway commissioner, as the case may be, in the aforesaid next roll, shall charge such parcel with the additional tax which said parcel did not pay or was not charged with on prior rolls by reason of the mistake aforesaid, and thereafter shall place such parcel upon the assessment roll as equalized under this act. If any parcel of land has been erroneously omitted from the apportionment of benefits of the tax roll, the board of county road commissioners or the state highway commissioner, as the case may be, in their next assessment roll shall add such parcel to the roll and charge the same with all taxes theretofore omitted, as well as the tax it should regularly bear on that roll, and thereafter shall place the same upon the assessment roll as equalized under this act. It shall be assessed its just proportion of the cost of the same. Where the tax upon any parcel of land as shown by the roll is improper because of some clerical error the same shall be corrected, and the county road commissioners or the state highway commissioner, as the case may be, in their next assessment roll shall charge such parcel with the tax found to have been omitted, or credit said parcel with the amount of tax theretofore charged in excess of what it should have been; and thereafter they shall place said parcel upon the assessment roll as equalized under this act.
