Any contracting unit of government may raise the amounts required to be paid under such agreements by collecting connection charges, and rates, charges, or assessments from the users and beneficiaries of the improvements, facilities, and services within that unit of government, or by levy upon the taxable property of any contracting unit of government having the power to tax in accordance with the same procedure as provided under the general tax laws of the state. Any rates, charges, or assessments remaining unpaid and delinquent for a period of 6 months or more may be certified by the agency charged with the collection thereof to the tax assessing officer or agency of the taxing district wherein the lands served are located and shall then be entered upon the county tax rolls against the premises to which such services shall have been rendered. The same shall be collected and the lien shall be enforced in accordance with the provisions of the general tax laws of the state.

46.175a Contracts authorized; methods of raising funds.

Sec. 5a. As an additional or alternative method of acquiring and constructing any of the improvements or facilities authorized by this act, the county, acting through its county agency, and any unit of government may enter into contracts providing for the acquisition, construction, and financing of improvements or facilities in the manner authorized in this act. The contracts shall provide for the allocation and payment of the share of the total cost to be borne by each unit of government in annual installments for a period of not exceeding 40 years, and each contracting unit of government is authorized to pledge its full faith and credit for the payment of the obligation in the manner and times specified in the contracts. A contract described in this section is not subject to the revised municipal finance act, 2001 PA 34, MCL 141.2101 to 141.2821. For the purpose of making payment of its pledged share of the cost of the improvements or facilities, any contracting unit of government may use any, or all, or any combination of the following methods of raising funds:

(a) The levy of a tax on taxable property by a unit of government having the power to tax, which tax may be imposed without limitation as to rate or amount and in addition to any taxes that the unit of government

may be authorized to levy but not more than the rate or amount sufficient for those purposes.

(b) The levy of special assessments on property benefited by the improvements, the procedures relative to the making and collection of the special assessments to conform as near as may be to applicable charter or statutory provisions.

(c) The levy and collection of rates or charges to users and beneficiaries of the service furnished by the improvement.

(d) From money received or to be received derived from the imposition of taxes by this state, except as the use of the money for that purpose is expressly prohibited by the state constitution of 1963.

(e) From any other funds that may be validly used for that purpose. The contracts may provide for any and all matters relating to the acquisition, construction, and financing of the improvements or facilities as are considered necessary, including the authority to the county agency to issue bonds secured by the full faith and credit contractual pledges of the contracting unit of government, as authorized by section 5c. The contracts may provide for appropriate remedies in case of default, including, but not limited to, the right of the contracting unit of government to authorize the state treasurer or other official charged with the disbursement of unrestricted state funds returnable to the governmental units under the state constitution of 1963, to withhold sufficient funds to make up any default or deficiency in funds.

History: Add. 1952, Act 74, Eff. Sept. 18, 1952;—Am. 1953, Act 186, Imd. Eff. June 9, 1953;—Am. 1961, Act 213, Eff. Sept. 8, 1961;—Am. 1974, Act 46, Imd. Eff. Mar. 19, 1974;—Am. 2002, Act 199, Imd. Eff. Apr. 29, 2002.

46.175b Resolution authorizing execution of contract; notice; approval of contract; petition for referendum; special election; verification of signatures; refunding of outstanding bonds.

Sec. 5b. (1) A unit of government desiring to enter into a contract under the provisions of section 5a shall authorize, by resolution of its governing body, the execution of the contract. Subsequent to the adoption of the resolution a notice thereof shall be published in a newspaper of general publication in the unit of government which notice shall state:

(a) That the governing body has adopted a resolution authorizing execution of the contract.

(b) The purpose thereof.

(c) The source of payment of unit of government is contractual obligation.

(d) The right of referendum thereon.

(e) Such other information as the governing body shall determine to be necessary to adequately inform all interested persons of the nature of the obligation.

The contract may be executed and delivered by the unit of government upon approval by its governing body without a vote of the electors thereon, but the contract shall not become effective until the expiration of 45 days after the date of publication of such notice. If within the 45-day period a petition signed by at least 10% or 15,000, whichever is the lesser, of the registered electors residing within the limits of the unit of government is filed with the clerk thereof requesting a referendum upon the contract, the same shall not become effective until approved by the vote of a majority of the electors of the unit of government qualified to vote and voting thereon at a general or special election. Where a unit of government has, prior to the effective date of this 1974 amendment, published a resolution authorizing the execution of a contract hereunder in substantial compliance with this section, as amended, and the referendum period formerly provided by this section has expired, but the bonds have not been issued, the resolution and the publication thereof are hereby validated and, if no petition for a referendum on execution of the contract has been or is signed and filed within the time period formerly provided by this section, the contract may be executed and shall thereupon become effective without submitting the proposition for approval thereof to the electors, or if a petition has been or is so signed and filed, the contract may be executed and thereupon become effective if approved at an election as above provided. When any such contract is to be entered into by any township only on behalf of the unincorporated area of the township, only the registered electors residing within the unincorporated area of the township shall be qualified to sign the petition and vote at the election.

(2) Any special election called for such purpose shall not be included in any statutory or charter limitation as to the number of special elections to be called within any period of time. Signatures on any such petition shall be verified by some person under oath, as the actual signatures of the persons whose names are signed thereto, and the clerk of the unit of government shall have the same power to reject signatures as city clerks under the provisions of section 25 of Act No. 279 of the Public Acts of 1909, as amended, being section 117.25 of the Michigan Compiled Laws. The number of registered electors in any unit of government shall be determined by the unit of government registration books.

(3) Where a contracting unit of government has outstanding any revenue bonds issued under the provisions of Act. No. 94 of the Public Acts of 1933, as amended, being sections 141.101 to 141.139 of the Michigan

Compiled Laws, for the type of improvements or facilities to be constructed pursuant to this act and the contract, such contract may provide for the refunding of the outstanding bonds and the inclusion, in the total financing required for the construction of the improvements or facilities contemplated by this act of an amount sufficient to provide for the refunding, including such call premiums as may be required in the ordinance authorizing their issuance. Nothing herein contained shall be construed as authorizing the refunding of noncallable unmatured bonds without the consent of the holder or holders thereof. Where the refunding is provided for by the contract, any bonds issued pursuant to section 5c may be issued and sold in a sufficient amount to provide additional funds over and above acquisition and construction costs of the new improvements or facilities to enable the contracting unit of government to retire the outstanding revenue bonds.

46.175c Bonds generally.

Sec. 5c. (1) For the purpose of obtaining funds for the acquisition and construction of the improvements or facilities authorized by this act, the county after the execution of the contract or contracts authorized by sections 5a and 5b, upon resolution adopted by its county board of commissioners, may issue its negotiable bonds secured by the full faith and credit pledges made by each contracting unit of government pursuant to authorization contained in this act and the contract or contracts entered into pursuant to sections 5a and 5b. The bonds shall not be delivered until the contract or contracts become effective as provided in section 5b. The bonds shall be issued in the name of the county and shall be executed in such manner as provided in the resolution authorizing the bonds. Bonds issued under this act shall mature in a period not to exceed 40 years. The bonds and coupons shall taxation by be exempt from all this state or by any taxing authority within this state. The bonds shall not pledge the full faith and credit of the issuing county except as otherwise provided in this section. As additional security for the payment of the principal of and interest on any bonds issued under this section, any issuing county may, upon proper resolution adopted by a majority vote of the members-elect of its county board of commissioners, pledge the full faith and credit of the county for the prompt payment of the principal of and interest on the bonds. In the event the county is required to advance any money by reason of a pledge on account of the delinquency of any contracting unit of government and if provided in the contract, the county treasurer shall notify the state treasurer to deduct the amount of money advanced by the county from any unrestricted money in the state treasurer's possession belonging to the unit of government and to pay the amount to the county. The money shall be paid into the general fund of the county. The right of deduction to receive payment from the state treasurer given to the county by this statute shall not operate to limit the county's right to pursue any other legal remedies for the reimbursement of money advanced under this section. The board of commissioners of any county that has advanced any money and that has not been reimbursed may order a unit of government having taxing power and its officers to levy upon its next tax roll an amount sufficient to make the reimbursement on or before the date when its taxes become delinquent and the unit of government and its tax levying and collecting officials shall levy and collect the taxes and reimburse the county. The resolution authorizing the issuance of the bonds shall contain the terms of the contract or contracts authorized by sections 5a and 5b. Sections 5a, 5b, and 5c shall be construed as an additional and alternative method for the acquisition, construction, and financing of the improvements or facilities contemplated by this act, and shall not affect the other provisions of this act relating to the acquisition, construction, or financing of improvements or facilities. Any improvements and facilities contemplated by this act may be acquired, constructed, and financed in part under the provisions of sections 5a, 5b, and 5c and in part under other sections of this act. This act shall not validate any drain orders or bonds issued prior to April 30, 1954.

(2) Bonds issued under this act are subject to the revised municipal finance act, 2001 PA 34, MCL 141.2101 to 141.2821.
