(c) The remainder of the amount of the grant after completion of 2 academic years of enrollment at an approved postsecondary educational institution. However, the student is not eligible for this installment, and forfeits any remaining grant amount to which he or she is otherwise entitled under this act, unless the student earned an associate's degree, earned a 2-year certificate of completion in a vocational education program, completed a comparable vocational training program approved by the department, or completed 50% or more of the academic requirements for the award of a bachelor's degree at an approved postsecondary educational institution within 4 years of his or her initial enrollment in that institution and meets 1 of the following:

(4) If in any fiscal year the department determines that the amount appropriated by the legislature for the payment of Michigan promise grants under this act is not sufficient to pay each eligible student the amount required under this section for the academic year, the department shall adjust the Michigan promise grant amounts paid under this section by prorating the amounts as necessary to reflect the available resources and amounts appropriated in that fiscal year. The department shall notify the governor, the speaker of the house of representatives, and the majority leader of the senate in writing at least 30 days before implementing a proration under this subsection.

an approved postsecondary educational institution.

(b) The name of the approved postsecondary educational institution at which the student was awarded the associate's degree or 2-year certificate of completion in a vocational education program, completed the comparable vocational training program approved by the department, or completed 50% or more of the academic requirements in a bachelor's degree program and the name of any other approved postsecondary educational institution the student attended if credits from that institution were transferred to and considered by the approved postsecondary educational institution in determining whether to award the student the associate's degree or 2-year certificate of completion in a vocational training program, whether the student had completed a comparable vocational education program, or whether the student had completed 50% or more of the academic requirements for the award of a bachelor's degree.

(4) An approved postsecondary educational institution shall not consider a Michigan promise grant in determining a student's eligibility for a financial aid program administered by this state. It is the intent of the legislature that an approved postsecondary educational institution does not reduce other institutionally funded student aid for which a student is eligible because of the student's receipt of or eligibility for a Michigan promise grant.

**History:** 2006, Act 479, Imd. Eff. Dec. 21, 2006.

The student has no further right to any money returned to the department under this subdivision.

(3) Subsection (2) shall not be considered as creating an obligation on the part of an approved postsecondary educational institution to loan or advance money to a student for the payment of tuition, fees, or other costs or expenses incurred by the student at that institution.

(4) The department may promulgate rules to implement and administer this act, including, but not limited to, 1 or more of the following:
