(e) The applicant, or a corporate officer of the applicant, has a prior state or federal felony or misdemeanor conviction in this state or another state or foreign jurisdiction for motor fuel tax evasion or other tax evasion, or for shipping paper tampering, or for fuel tampering, or is currently charged or under indictment for such an offense.

(f) Other reasonable cause as determined by the department.

(2) If the person is applying for an occasional importer's license or a bonded importer's license, the department shall not issue a license if the applicant is not licensed in the identified source state.

**History:** 2000, Act 403, Eff. Apr. 1, 2001.

**History:** 2000, Act 403, Eff. Apr. 1, 2001.

#### **207.1057 Financial statements.**

Sec. 57. (1) The department may at any time require an applicant or a licensee to furnish current, verified financial statements.

(2) The department is not required to accept as accurate financial statements which have not been certified or independently audited and may independently inquire into the financial condition of an applicant.

**History:** 2000, Act 403, Eff. Apr. 1, 2001.

#### **207.1058 Surety bond or cash deposit.**

Sec. 58. (1) Except as otherwise provided in this section, a person who applies for a license under this act is not required to file with the department a surety bond or cash deposit. However, the department may require a surety bond or cash deposit if the department considers it necessary to ensure payment of the tax liability of an applicant or licensee.

(2) If a surety bond or cash deposit is required, it shall be in an amount determined by the department that is not less than \$2,000.00 or not more than an applicant's 3-month tax liability as estimated by the department.

(3) The department shall require a supplier, a terminal operator, or a bonded importer to post an annual bond of not less than \$2,000,000.00, except that if a person is a motor fuel registrant under section 4101 of the internal revenue code, the bond may be reduced to not less than \$1,000,000.00. In either case, an applicant subject to this subsection may show proof of financial responsibility in lieu of posting bond. Proof of a \$5,000,000.00 net worth is presumptive evidence of financial responsibility in the absence of circumstances indicating that the department is otherwise at risk with respect to collection of the tax due under this act from the applicant.

(4) The department may require an occasional importer to post a bond in an amount determined by the department but not more than \$2,000,000.00. An applicant subject to this subsection may show proof of financial responsibility in lieu of posting bond. Proof of a \$5,000,000.00 net worth is presumptive evidence of financial responsibility in the absence of circumstances indicating that the department is otherwise at risk with respect to collection of the tax due under this act from the applicant.

(5) If an applicant files a bond, the bond must meet all of the following requirements:

- (a) The bond shall be issued by a bonding company licensed to do business in this state.
- (b) The bond shall name the applicant as the principal and the state as the obligee.
- (c) The bond shall be on a form prescribed by the department.
- (d) The bond company's power of attorney is attached.
- (e) The bond remains in effect until the end of the current calendar year.

(6) A person who was licensed and not subject to a bond or cash deposit under this act on the effective date of this section is exempt from the requirement of subsection (1). However, the department may at a later date require the person to post a bond or cash deposit in an amount the department considers necessary to ensure payment.

(7) The department may require a bond or cash deposit in an amount the department considers necessary to ensure payment if a person who is licensed under this act on the effective date of this section forms a new business or joint business and applies under this act for a license for the new or joint business.

**History:** 2000, Act 403, Eff. Apr. 1, 2001.

#### **207.1059 New or increased amount of bond or cash deposit.**

Sec. 59. (1) If the department reasonably determines that the amount of an existing bond or cash deposit is insufficient to ensure payment to the state of the tax and any penalty and interest for which the licensee is or may become liable, the licensee shall, upon written demand of the department, file a new bond or increase the amount of the bond or cash deposit. The department shall allow the licensee at least 30 days to secure the increased bond or cash deposit.

(2) The new bond or increased bond or cash deposit shall meet the requirements set forth in this act.

**History:** 2000, Act 403, Eff. Apr. 1, 2001.

#### **207.1060 Filing new bond; circumstances; release of previous bond; reduced or disposed cash deposit.**

(a) Liability upon the previous bond is discharged or reduced by the judgment rendered, payment made, or otherwise disposed of.

(b) The department determines that a surety on the previous bond has become unsatisfactory.

(2) If the department determines that the form and amount of the new bond is satisfactory, the department shall in writing release the surety on the previous bond from any liability accruing after the effective date of the new bond.

(3) If a licensee has placed a cash deposit with the department and the cash deposit is reduced by a judgment rendered, payment made, or otherwise disposed of, the department may require the licensee to make a new deposit that is, at a minimum, equal to the amount of the reduction, or may require a new bond in an amount the department considers necessary.

**History:** 2000, Act 403, Eff. Apr. 1, 2001.

#### **207.1061 Release from bond or cash deposit.**

Sec. 61. (1) If the surety of a bond provides the department with a written request for a release from the bond, the surety is released from any liability to the state accruing on the bond more than 60 days after the date of the request. The release does not affect any liability accruing before the expiration of the 60-day period. After receiving a written request for release, the department shall promptly notify the licensee furnishing the bond that a release has been requested. If the licensee does not obtain a new bond that meets the requirements of this act and does not file the new bond with the department within the 60-day period, the department may revoke the licensee's license.

(2) Sixty days after a licensee makes a written request to the department for release of a cash deposit, the cash deposit is canceled as security for any obligation accruing after the expiration of the 60-day period. However, the department may retain all or part of the cash deposit for up to 4 years and 1 day as security for any obligations accruing before the effective date of the cancellation. Any part of the deposit that is not retained by the department shall be released to the licensee. Before the expiration of the 60-day period, the licensee may be required to provide the department with a bond that satisfies the requirements of this act. The department may cancel the license if the licensee does not provide the bond required by this subsection.

(3) A licensee who filed a bond or other security under this act may request that the department return, refund, or release the bond or security if the department determines that the licensee has continuously complied with the provisions of this act for the previous 4 years. However, if the department determines that the revenues of the state would be jeopardized by a return, refund, or release of the bond or security, the department may retain the bond or security, or having released it, may reimpose a requirement for bond or security to protect the revenues of this state. If requested by a licensee, the department's determination may be reviewed in accordance with 1941 PA 122, MCL 205.1 to 205.31.

**History:** 2000, Act 403, Eff. Apr. 1, 2001.

#### **207.1062 Denial of license application.**

(2) Before denying an application, the department shall provide an applicant with a reasonable opportunity to cure any defect in the application.

(3) An applicant may appeal the department's denial pursuant to section 22 of 1941 PA 122, MCL 205.22. If the applicant does not file a timely appeal, the denial is final.

**History:** 2000, Act 403, Eff. Apr. 1, 2001.

#### **207.1063 Issuance of license.**

Sec. 63. (1) If an application and the accompanying bond or cash deposit, if any, are approved, the department shall issue a license to the applicant.

(2) A licensee shall retain a copy of its license at each of its business locations unless the department waives this requirement.

(3) A licensee is not required to renew a license and a license is valid unless and until it is suspended, canceled, or revoked for cause by the department, or discontinued by the licensee. However, the department may require a licensee to update the information required under section 53 or 153.

(4) The department shall maintain a list containing the name and address of each person licensed under this act. The department may post the list on the department's website. The department shall regularly update the list in order to reflect the current status of a licensee.

**History:** 2000, Act 403, Eff. Apr. 1, 2001;—Am. 2015, Act 176, Eff. Jan. 1, 2017.

**Compiler's note:** Enacting section 2 of Act 468 of 2014 provides:

"Enacting section 2. This amendatory act does not take effect unless House Joint Resolution UU of the 97th Legislature becomes a part of the state constitution of 1963 as provided in section 1 of article XII of the state constitution of 1963."

House Joint Resolution UU was presented to the electors as Proposal 15-1 at the May 5, 2015 special election. The proposal to amend the constitution was not approved by the voters and Act 468 of 2014 does not go into effect.

#### **207.1064 Transfer of license; prohibition.**

Sec. 64. (1) A licensee shall not transfer a license issued under this act to another person. If a licensee transfers or attempts to transfer a license, the license is automatically revoked on that date.

(2) If a licensee transfers a majority interest in a business association other than a publicly-held association, including a corporation, partnership, trust, joint venture, limited liability company, limited liability partnership, or any other business association, the license is revoked on the date of the transfer.

(3) A licensee who transfers 20% or more of beneficial ownership of a business association shall report the change to the department within 30 days after the date of the change in ownership. The department may also require that a new license be obtained.

**History:** 2000, Act 403, Eff. Apr. 1, 2001.

(2) The notice shall be provided on or within 3 business days after the date of discontinuance, sale, or transfer.

(3) The notice shall provide the date of discontinuance, sale, or transfer and, if the business is sold or transferred, the name and address of the purchaser or transferee.

(4) A licensee is liable for all taxes, interest, and penalties that accrue or may be owing before the date the notice required by subsection (1) is received by the department.

(5) A licensee is subject to criminal liability for misuse of the license that occurs before the date the notice required by subsection (1) is received by the department.

**History:** 2000, Act 403, Eff. Apr. 1, 2001.

#### **207.1066 Final report and payment due.**

Sec. 66. Within 15 days after the discontinuance, sale, or transfer of a business licensed under this act, or within 15 days after the cancellation, revocation, or termination by law of a license issued under this act, a licensee shall provide the department with a final report and shall include with the report a payment for all motor fuel taxes, penalties, and interest that are due.

**History:** 2000, Act 403, Eff. Apr. 1, 2001.

#### **207.1067 Noncompliance; suspension or revocation of license.**

Sec. 67. The department may suspend or revoke a license for failure to comply with the provisions of this act after at least 10 days' notice to the licensee and a conference, if a conference is requested. If the license suspension or revocation is upheld at the conference, the licensee may appeal the determination pursuant to section 22 of 1941 PA 122, MCL 205.22.

**History:** 2000, Act 403, Eff. Apr. 1, 2001.

(a) A report or statement required by this act shall be signed by the licensee or an officer or other responsible party of the licensee.

(b) A report or statement required by this act shall be filed on or before the twentieth day of the month following the close of the reporting period for sales, purchases, or other transactions in motor fuel that occurred during the preceding reporting period regardless of whether tax is owed.

(2) For purposes of reporting and determining tax liability under this act, each licensee shall maintain

records as required by this act and 1941 PA 122, MCL 205.1 to 205.31.

(3) If the date a report or payment is due under this act falls on a weekend or on a state or banking holiday, the report or payment is due the next business day.

(4) The department may require a report due to the department under this act to be submitted in electronic format after timely notice by the department.

**History:** 2000, Act 403, Eff. Apr. 1, 2001.

#### **207.1069 Forms development.**

Sec. 69. The department shall develop the forms required under this act after consultation with representatives of licensees and other persons who are required to file a report under this act. In developing the forms, the department shall consider similar federal forms in order to lessen the regulatory burden on licensees and others who file reports under this act.

**History:** 2000, Act 403, Eff. Apr. 1, 2001.

#### **207.1070 Supplier's license; fee; monthly report; violation as misdemeanor.**

(2) A supplier shall file with the department on forms or in a format prescribed by the department a monthly report containing the following information:

(a) The number of gallons of motor fuel for which Michigan is the destination state.

(b) The number of gallons of motor fuel removed by the supplier from the bulk transfer/terminal system in this state on which the tax imposed by this act has been accrued by the supplier.

(c) A statement as to whether the billed gallons are gross gallons or net gallons under the option provided for in section 28(3).

(d) Any other information that the department determines is reasonably required to determine tax liability under this act.

(3) A person who knowingly violates or knowingly aids or abets another to violate this section is guilty of a misdemeanor.

**History:** 2000, Act 403, Eff. Apr. 1, 2001.

#### **207.1071 Tax remittance by supplier.**

Sec. 71. (1) Except as otherwise provided by this act, the tax imposed by this act shall be remitted to the state by the supplier who removes the motor fuel, as shown by the terminal operator's records.

(2) A supplier shall list the amount of tax as a separate line item on all invoices or billings.

(3) A supplier shall pay the amount of tax due on gallons of motor fuel removed during a calendar month on or before the twentieth day of the following month.

(4) A supplier shall not claim a deduction from taxable gallons for gallons actually purchased by a customer notwithstanding that the supplier has issued a correction, credit, or rebilling to a customer adjusting tax liability.

(5) In addition to the tax due under this act, a supplier is subject to a civil penalty equal to the amount of the tax if the supplier makes sales for export to a person who is not a licensed exporter and the supplier has not collected the destination state tax on motor fuel other than dyed diesel fuel.

**History:** 2000, Act 403, Eff. Apr. 1, 2001.

#### **207.1072 Treatment of removals by licensed supplier; election.**

Sec. 72. (1) A licensed supplier or licensed permissive supplier shall treat all removals from all of its terminals within the United States with a destination in this state as shown on the terminal-issued shipping paper as if the motor fuel were removed across the rack by the supplier from a terminal in this state for all purposes.

(2) A licensed supplier or licensed permissive supplier may elect to treat all removals from all of its terminals located outside of the United States with a destination in this state as shown on the terminal-issued shipping paper as if the motor fuel were removed across the rack by the supplier from a terminal in this state for all purposes.

(3) The election provided under subsection (2) shall be made by filing with the department a notice of election.

(4) The department shall release a list of electing suppliers under subsection (2) upon request by any person.

(5) The absence of an election by a supplier under subsection (2) does not relieve the supplier of

responsibility for remitting the tax imposed by this act upon the removal of motor fuel from a terminal located outside of this state for import into this state by the supplier.

(6) A supplier who makes the election provided for in subsection (2) shall from the date the election is filed with the department precollect the tax imposed by this act on all removals from a terminal on its account either as a position holder or as a person receiving fuel from a position holder pursuant to a 2-party exchange agreement. The supplier shall precollect the tax without regard to any of the following:

- (a) The license status of the person acquiring the fuel from the supplier.
- (b) The point or terms of sale.
- (c) The character of delivery.

(7) A supplier who elects to precollect tax under subsection (2) waives any defense that the state lacks jurisdiction to require collection on all sales made outside of this state by the supplier on which the supplier had knowledge that the shipments were destined for this state. This state imposes this requirement under its general police powers to regulate the movement of motor fuel.

**History:** 2000, Act 403, Eff. Apr. 1, 2001.

### **207.1073 Permissive supplier.**

Sec. 73. (1) A person shall not operate as a permissive supplier unless licensed under this act as a permissive supplier.

(2) A person who desires to collect the tax imposed by this act as a supplier and who otherwise qualifies as a permissive supplier shall apply for a permissive supplier's license pursuant to section 53.

(3) The fee for a permissive supplier's license is \$50.00.

(4) Application for or possession of a permissive supplier's license does not itself subject the applicant or licensee to the jurisdiction of this state for any other purpose than administration and enforcement of this act.

**History:** 2000, Act 403, Eff. Apr. 1, 2001.

### **207.1074 Collection of tax from purchaser; election.**

Sec. 74. (1) A supplier who sells motor fuel shall collect from the purchaser the tax imposed on that fuel by section 8.

(2) At the election of an eligible purchaser, a supplier shall not require the eligible purchaser to pay the tax to the supplier sooner than 1 business day before the date the tax is required to be remitted to the department under section 71.

(3) Notice of an election shall be evidenced by a written statement from the department that the purchaser is an eligible purchaser under section 75.

(4) An election under this section is subject to the condition that the eligible purchaser's remittances of all tax due to the supplier shall be paid by electronic funds transfer on or before 1 business day before the date of the remittance by the supplier to the department.

(5) An election under this section may be terminated by the supplier if the eligible purchaser does not make timely payments to the supplier as required by this section.

**History:** 2000, Act 403, Eff. Apr. 1, 2001.

### **207.1075 Purchaser's election; evidence of financial responsibility or bonding requirements; revocation of election; alternative; appeal.**

Sec. 75. (1) A purchaser who desires to make an election under section 74 shall provide to the department evidence that the purchaser meets the financial responsibility or bonding requirements imposed by subsection (2) and this act.

(2) The department may require a purchaser who pays to a supplier the tax imposed by this act to file with the department a surety bond payable to the state, upon which the purchaser is the obligor, or a cash deposit, in an amount the department believes is reasonable but not to exceed 3 times the amount due to a supplier each month. If a purchaser makes an election with more than 1 supplier, the bond amount shall be based on the tax due to all suppliers with whom the elections were made. The department may require, but is not limited to requiring, that the bond be reasonably sufficient to indemnify the department against uncollectible tax credits claimed by the supplier under section 16.

(3) The department may, after a properly noticed hearing before the department administrator responsible for implementing and enforcing this act or his or her designee, and after a showing of good cause, revoke a purchaser's election under section 74. For purposes of this section, good cause includes, but is not limited to, a showing that the purchaser failed to make a timely tax payment to a supplier as required by section 74.

(4) As an alternative to termination of the purchaser's election, the department may require further assurance of the purchaser's financial responsibility, or may increase the bond requirement for that purchaser,

or may take any other action that the department may reasonably require to ensure remittance of the tax.

(5) A purchaser may appeal the department's decision under this section pursuant to section 22 of 1941 PA 122, MCL 205.22.

**History:** 2000, Act 403, Eff. Apr. 1, 2001.

#### **207.1076 Sale of motor fuel by bonded or occasional importer; license requirements.**

Sec. 76. (1) A person who desires to import motor fuel into this state from another country by transport truck, tank wagon, pipeline, or marine vessel into a storage facility other than a qualified terminal shall be licensed as either of the following:

(a) An occasional importer.

(b) A bonded importer.

(2) An applicant for a license under subsection (1) may choose which license the person shall operate under. The fee for either license is \$1,000.00.

(3) A bonded importer or occasional importer who sells motor fuel shall collect from the purchaser the tax imposed by section 8 on that motor fuel.

(4) In addition to the license application information required by section 53, an applicant for an occasional importer's license or a bonded importer's license shall provide a copy of the applicant's license to purchase or handle motor fuel tax-exempt in the specified province, country, or other source jurisdiction for which the license is to be issued.

(5) This section does not apply to a person who imports motor fuel if both of the following conditions are met:

(a) All of the motor fuel is subject to 1 or more tax precollection agreements with a supplier as provided in section 72.

(b) All of the motor fuel is expressly evidenced on the terminal-issued shipping paper as provided in section 101.

(6) A person who desires to import motor fuel into a destination in this state from outside the United States, and who has not entered into an agreement to prepay to the supplier or permissive supplier this state's motor fuel tax with respect to the motor fuel, shall obtain an occasional importer's license or a bonded importer's license subject to the special bonding requirements of section 58(2).

(7) A person who obtains a license to import motor fuel pursuant to subsection (5) shall do all of the following:

(a) Obtain an import verification number from the department within 24 hours before entering the state for each separate import into the state but not later than actual entry into this state.

(b) Display the import verification number on the terminal-issued shipping paper required under section 104.

(c) Comply with the payment requirements under section 78 or 80, whichever is applicable.

(8) An occasional importer's license or a bonded importer's license issued under subsection (5) shall be specific to each foreign country or other jurisdiction outside the United States.

(9) If the foreign country or other jurisdiction outside the United States has adopted reciprocal legislation or entered into a compact with this state providing for collection of destination jurisdiction tax by the terminal supplier in accordance with terminal-issued shipping papers designating the intended state or country of destination, then the importer is ineligible for a license to import motor fuel outside of the bulk transfer terminal system from the other country, and a license to so import is canceled.

(10) The department shall not issue an occasional importer's license or a bonded importer's license if the applicant is not licensed in the foreign country or other jurisdiction outside the United States.

**History:** 2000, Act 403, Eff. Apr. 1, 2001.

#### **207.1077 Licensed occasional or bonded importer; reporting requirements; waiver; violation as misdemeanor.**

Sec. 77. (1) Except as otherwise provided in subsection (2), a licensed occasional importer shall file with the department on forms or in a format prescribed by the department a report containing the following information:

(a) The number of gallons of motor fuel where the tax imposed by this act has been prepaid to a supplier upon removal from a terminal outside the United States.

(b) The number of gallons of motor fuel subject to the 3-day payment rule in section 80 sorted by foreign jurisdiction outside the United States, by supplier, and by terminal or bulk plant location.

(c) Any other information concerning the source state, volume, or method of transportation of motor fuel as the department may require.

(d) Any other information the department considers reasonably necessary.

(2) The department may waive any or all of the reporting requirements in subsection (1) if it determines that jurisdictions outside the United States have adopted and implemented reciprocal terminal reporting requirements adequate to assure the department that it receives complete information concerning motor fuel removed by or on behalf of a supplier from a terminal in a jurisdiction outside the United States which is destined for this state.

(3) Except as otherwise provided in subsection (4), a licensed bonded importer shall file with the department on forms or in a format prescribed by the department a report of its operations within this state. The report shall include all of the following information:

(a) The number of gallons of motor fuel where the tax imposed by this act has been prepaid to a supplier upon removal from a terminal outside the United States.

(b) The number of gallons of motor fuel subject to tax remittance by the bonded importer under section 78 sorted by source state by supplier and by terminal or bulk plant.

(c) Any other information concerning the source state, volume, or method of transportation of motor fuel as the department may require.

(4) The department may waive any or all of the reporting requirements in subsection (3) if it determines that a jurisdiction outside this state has adopted and implemented reciprocal terminal reporting requirements adequate to assure the department that it receives complete information concerning motor fuel removed by and on behalf of a supplier from a terminal outside this state which is destined for this state.

(5) A person who knowingly violates or knowingly aids and abets another to violate this section is guilty of a misdemeanor.

(1) Except as otherwise provided in this act, the tax imposed by section 8 on motor fuel imported from another country shall be paid by the licensed bonded importer who imported the motor fuel other than dyed diesel fuel on or before the twentieth day of the month following the month in which the motor fuel was imported. An importer shall report the total number of gallons of motor fuel imported but shall take a deduction from total gallons for dyed diesel fuel before calculating the tax.
