Popular name: Act 116

Popular name: Child Care Licensing Act

722.115m Child care center, group child care home, or family child care home; requirements for licensure.

Sec. 5m. (1) This section and sections 5n to 5s apply only to a child care center, group child care home, or family child care home.

(2) A person, partnership, firm, corporation, association, nongovernmental organization, or governmental organization shall not establish or maintain a child care center, group child care home, or family child care home unless licensed by the department. Application for a child care center, group child care home, or family child care home license shall be made on forms provided, and in the manner prescribed, by the department, including the fees required under subsection (10). Before issuing or renewing a child care center, group child care home, or family child care home license, the department shall investigate the applicant's activities and

proposed standards of care and shall make an on-site visit of the proposed or established child care center, group child care home, or family child care home. Except as otherwise provided in this subsection and sections 5q and 5r, if the department is satisfied as to the need for a child care center, group child care home, or family child care home, as to its financial stability, and that the service, facility, applicant, licensee, child care staff member, or member of the household is conducive to the welfare of the children, the department shall issue or renew the child care center, group child care home, or family child care home license. If the department determines that a service, facility, applicant, licensee, child care staff member, or member of the household is not conducive to the welfare of the children, the department shall deny that application or revoke that licensee's license according to section 11.

(3) To assess whether the service, facility, applicant, licensee, child care staff member, or member of the household is conducive to the welfare of the children, the department may utilize available information, including, but not limited to, any of the following:

- (a) Investigative report, such as a law enforcement report and a children's protective services report.
- (b) Medical report.
- (c) Public record.
- (d) Child care center, group child care home, or family child care home record.
- (e) Inspection of the child care center, group child care home, or family child care home.

(4) The department may use information obtained under section 5k to obtain reports prepared independently for police, law enforcement, or other purposes to make a determination under this section.

(5) The department shall issue a group child care home or family child care home license to a person who has successfully completed an orientation session offered by the department and who meets the requirements of this act. The department shall make available to group child care home or family child care home applicants for licensure an orientation session regarding this act, the rules promulgated under this act, and the needs of children in child care before issuing a group child care home or family child care home license.

(6) Except as provided in subsection (2), the department shall issue an original or renewal license under this act for a child care center, group child care home, or family child care home not later than 6 months after the applicant files a completed application. Receipt of the application is considered the date the application is received by the department. If the application is considered incomplete by the department, the department shall notify the applicant in writing or make notice electronically available within 30 days after receipt of the incomplete application, describing the deficiency and requesting additional information. If the department identifies a deficiency or requires the fulfillment of a corrective action plan, the 6-month period is tolled until either of the following occurs:

(a) Upon notification by the department of a deficiency, until the date the requested information is received by the department.

(b) Upon notification by the department that a corrective action plan is required, until the date the department determines the requirements of the corrective action plan have been met.

(7) The determination of the completeness of an application is not an approval of the application for the license and does not confer eligibility on an applicant determined otherwise ineligible for issuance of a license.

(8) Except as provided in subsection (2), if the department fails to issue, deny, or refuse to renew a license to a child care center, group child care home, or family child care home within the time required by this section, the department shall return the application fee required under subsection (10) and shall reduce the application fee for the applicant's next renewal application, if any, by 15%. Failure to issue, deny, or refuse to renew a license to a child care center, group child care home, or family child care home within the time period required under this section does not allow the department to otherwise delay the processing of the application. A completed application shall be placed in sequence with other completed applications received at that same time. The department shall not discriminate against an applicant in processing of an application based on the fact that the application fee was refunded or discounted under this subsection.

(9) If, on a continual basis, inspections performed by a local health department delay the department in issuing or denying a license for a child care center, group child care home, or family child care home under this act within the 6-month period, the department may use department staff to complete the inspection instead of the local health department causing the delays.

(10) The department shall assess fees as provided in the following schedule:

(a) Family child care home license, \$50.00 for an original license application and \$25.00 for renewal.

(b) Group child care home license, \$100.00 for an original license application and \$50.00 for renewal.

(c) Child care center license with a capacity of 1 to 20, \$150.00 for an original license application and \$75.00 for renewal.

(d) Child care center license with a capacity of 21 to 50, \$200.00 for an original license application and

\$100.00 for renewal.

(e) Child care center license with a capacity of 51 to 100, \$250.00 for an original license application and \$125.00 for renewal.

(f) Child care center license with a capacity of over 100, \$300.00 for an original license application and \$150.00 for renewal.

(11) The department shall use the fees collected under this section only to fund the program licensing child care centers, group child care homes, and family child care homes. Funds remaining at the end of the fiscal year shall not lapse to the general fund but shall remain available to fund the program in subsequent years.

(12) Fees described in this section are payable to the department at the time an application is submitted for original issuance or renewal. If a license is denied, revoked, or refused renewal, or an application is rejected as provided in section 15(4), the department shall not refund fees paid to the department.

(13) As used in this section:

(a) "Completed application" means an application complete on its face and submitted with any applicable fees as well as any other information, records, approval, security, or similar item required by law or rule from a local unit of government, a federal agency, a state department or agency of another state, or a private entity but not from another department or agency of this state. A completed application does not include a health inspection performed by a local health department.

(b) "Conducive to the welfare of the children" means:

(i) The service and facility comply with this act and the administrative rules promulgated under this act.

(ii) The disposition, temperament, condition, and action of the applicant, licensee, licensee designee, program director, child care staff member, and member of the household promote the safety and well-being of the children served.

(a) Review its database of individuals with previous disciplinary action within a child care center, group child care home, or family child care home or an adult foster care facility.

(b) Conduct a search of the individual through the national sex offender registry.

(c) Request a search of the individual through all state criminal registries or repositories for any states of residence in the past 5 years.

(d) Request that the department of state police perform a criminal history check on the individual, child care staff member, or adult member of the household.

(2) If the individual, child care staff member, or adult member of the household has resided out of the United States within the preceding 5 years, equivalent clearances of those described in subsection (1)(b) and (d) and section 5q from each country must be provided, if available. If the country does not have the equivalent clearance, the individual must sign a self-certifying statement that he or she is not ineligible to receive a license, to be an adult member of the household, or to be a child care staff member as prescribed by sections 5q and 5r. An individual who provides or is determined to have provided false information or knowingly omits information in the self-certification statement is ineligible for that application.

(3) Each individual listed in subsection (1) shall give written consent at the time of the license application and before a group child care home or family child care home allows an individual to be a member of the household, or before becoming a child care staff member to allow the department of state police to conduct the criminal history check required under subsection (1). The department shall require the individual to submit his or her fingerprints to the department of state police and the Federal Bureau of Investigation for the criminal history check as required in subsection (1).

(4) The department shall request a criminal history check required under this section on a form and in the manner prescribed by the department of state police.

(5) Within a reasonable time after receiving a complete request for a criminal history check on a person under this section, the department of state police shall conduct the criminal history check and provide a report of the results to the department. The report shall contain any criminal history record information on the person maintained by the department of state police and the Federal Bureau of Investigation.

(6) The department of state police may charge the department a fee for a criminal history check required under this section that does not exceed the actual and reasonable cost of conducting the check. The department may pass along to the individual fingerprinted the actual cost or fee charged by the department of state police, the Federal Bureau of Investigation, or a vendor approved by the department of state police for performing a criminal history check required under this section.

(7) The department shall provide whether the individual is eligible or ineligible as provided by sections 5q and 5r within 45 days after the date on which the request was submitted.

(8) The individual may serve as a child care staff member pending the results of the record and database checks required by this section and section 5q if the individual is supervised at all times.

(9) Within 45 days after the date on which the request was submitted, the department shall provide a statement to the child care center, group child care home, or family child care home that indicates whether the individual is eligible or ineligible to be, a licensee, an adult member of the household, or a child care staff member as provided under sections 5q and 5r without revealing any disqualifying crime or other related information regarding the individual.

(10) If the individual is ineligible due to the records or database checks required under this section and section 5q, the department shall provide information related to each disqualifying item in a report to the individual who has been determined ineligible.

(11) An individual who has been determined to be ineligible as provided under sections 5q and 5r may request a redetermination by the department if he or she believes that the basis for the ineligible determination is inaccurate. The individual shall file the request for redetermination with the department within 30 calendar days after receiving the written notice that he or she was determined to be ineligible. If an individual has been determined to be ineligible based upon a conviction that has been expunged or set aside or a central registry case that has been expunged, the individual shall provide the supporting court, law enforcement, or department of health and human services, or equivalent department from another state, documents along with the request for redetermination. The individual shall not be determined to be ineligible based upon a conviction that has been set aside or expunged or a central registry case that has been expunged. The department shall review the request and issue a written decision within 30 business days after receiving the request for redetermination. The decision of the department is final.

(12) Each ineligible individual shall be given instructions about how to complete the request for redetermination process as provided in subsection (11).

(13) Except as otherwise provided in this subsection, not later than September 30, 2017, every child care center licensee, group child care home licensee, family child care home licensee, child care staff member, and adult member of the household shall submit his or her fingerprints to the department of state police and the Federal Bureau of Investigation in order to carry out the records and database checks required under this section and section 5q. If the department of education obtains an extension on the implementation of this program from the federal government, the provisions of this section may be implemented no later than September 30, 2018.

(14) If a licensee, licensee designee, or program director of a child care center, group child care home, or family child care home applying for a new license or to renew a license to operate a child care center, group child care home, or family child care home has previously undergone a criminal history check required under subsections (1) and (13) and has remained continuously licensed after the criminal history check has been performed, that licensee, licensee designee, or program director of a child care center, group child care home, or family child care home is not required to submit to another criminal history check upon renewal of, or application for, the license obtained under this act.

(15) Upon consent of an applicant as required in subsection (3) and upon request from a child care center, group child care home, or family child care home, the department shall review the information received from the criminal history check, if any, and notify the requesting child care center, group child care home, or family child care home of the information in the manner prescribed in subsection (7). Until the Federal Bureau of Investigation implements an automatic notification system as outlined in section 5k, a child care center, group child care home, or family child care home may rely on the criminal history record information provided by the department under this subsection and a new request as provided under this section is not necessary if all of the following requirements are met:

- (a) The criminal history check was conducted during the immediately preceding 5-year period.
- (b) The applicant has been continuously employed by a child care center, group child care home, or family child care home since the criminal history check was conducted in compliance with this section.
- (c) The applicant can provide evidence acceptable to the department that he or she has been a resident of this state for the immediately preceding 5-year period.

(16) The checks and clearances required in subsection (1)(a) to (c) and section 5q shall be updated at least every 5 years if the individual has been continuously licensed, has continuously been serving as a child care staff member, or has continuously been an adult member of the household.

(3) The department may modify the license of a child care organization to a provisional license when the licensee willfully and substantially violates this act, the rules promulgated under this act, or the terms of the license. A license cannot be modified unless the licensee is given written notice of the grounds of the proposed modification. If the proposed modification is not appealed, the license will be modified. The proposed modification must be appealed within 30 days after receipt by writing the director or director's designee. The formal notice and hearing requirement in this subsection does not apply if the licensee and the department comply with subsection (4).

(4) The department may immediately modify a license without providing written notice of the grounds of the proposed action or giving the licensee 30 days to appeal if the licensee, in writing, does the following:

(a) Waives the requirement that the department provide written notice of the grounds for the proposed action.

(b) Waives the 30-day time frame in which to submit a written appeal to the proposed action.

(c) Waives the right to implement the provisions of chapters 4 and 5 of the administrative procedures act of 1969, 1969 PA 306, MCL 24.271 to 24.292.

(d) A national accreditation program, only while on-site, for the purpose of review and accreditation of a child welfare program, agency, or organization.

(4) Notwithstanding subsection (3) and sections 5 and 7(2) of the child protection law, 1975 PA 238, MCL 722.625 and 722.627, information or records in the possession of the department or the department of licensing and regulatory affairs may be shared to the extent necessary for the proper functioning of the department or the department of licensing and regulatory affairs in administering child welfare or child care licensing under this act or in an investigation conducted under section 43b of the social welfare act, 1939 PA 280, MCL 400.43b. Sec. 11. (1) An original license shall not be granted under this act if the issuance of the license would substantially contribute to an excessive concentration of community residential facilities within a city, village, township, or county of this state.

(2) The department may deny, revoke, or refuse to renew a license of a child care organization when the licensee or applicant falsifies information on the application or willfully and substantially violates this act, the rules promulgated under this act, or the terms of the license. A license shall not be revoked, a renewal of a license shall not be refused, or an application for a license shall not be denied, unless the licensee or applicant is given notice in writing of the grounds of the proposed revocation, denial, or refusal. If revocation, denial, or refusal is appealed within 30 days after receipt of the notice by writing addressed to the department director, the department director or his or her designee shall conduct a hearing at which the licensee or applicant may present testimony and confront witnesses. If the proposed revocation, refusal, or denial is not appealed, the license shall be revoked, the license shall be refused renewal, or the application shall be denied. The proposed revocation, refusal, or denial must be appealed within 30 days after receipt by writing the department director or his or her designee. Upon receipt of the written appeal, the department director or his or her designee must initiate the provisions of chapters 4 and 5 of the administrative procedures act of 1969, 1969 PA 306, MCL 24.271 to 24.292. The decision of the director shall be made as soon as practicable after the hearing, and forwarded to the licensee or applicant by certified mail not more than 10 days after that. The formal notice and hearing requirements in this subsection do not apply if the licensee or applicant and the department comply with the provisions of subsection (7).

(4) The legislative body of a city, village, or township in which a child caring institution or foster family group home is located may file a complaint with the department to have the organization's license suspended, denied, or revoked according to the procedures outlined in this act and the rules promulgated under this act. The department director shall resolve the issues of the complaint within 45 days after the receipt of the complaint. Notice of the resolution of the issues shall be mailed by certified mail to the complainant and the licensee. Failure of the department director to resolve the issues of the complaint within 45 days after receipt of the complaint shall serve as a decision by the director to suspend, deny, or revoke the organization's license. If the decision to suspend, deny, or revoke the license or the resolution of the issues is protested by written objection of the complainant or licensee to the department director within 30 days after the suspension, denial, or revocation of the license or the receipt of the notice of resolution, the department

director or a designated representative of the director shall conduct a hearing according to the administrative procedures act of 1969, 1969 PA 306, MCL 24.201 to 24.328, at which the complainant and licensee may present testimony and cross-examine witnesses. The director's decision shall be mailed by certified mail to the complainant and the licensee. (5) The department shall not issue a license to or renew a license of a child care center, group child care home, or family child care home if the applicant or licensee has had a previous license or certificate of registration revoked or refused renewal or an application denied due to a violation of this act, the rules promulgated under this act, or the terms of the license or certificate of registration that resulted in the severe physical injury, sexual abuse, or death of a child while under its care.

(6) The department shall not issue a license to an individual who worked in a child care center, group child care home, or family child care home at the time of a violation of this act, the rules promulgated under this act, or the terms of a license that resulted in the severe physical injury or death of a child or resulted in a child being sexually abused if the individual had direct care and supervision of that child at the time of the violation.

(7) The department may immediately revoke or refuse to renew a licensee or deny an application for a license without providing written notice of the grounds of the proposed action or giving the licensee or applicant 30 days to appeal if the licensee or applicant, in writing, does all of the following:

(a) Waives the requirement that the department provide written notice of the grounds for the proposed action.

(b) Waives the 30-day time frame in which to submit a written appeal to the proposed action.

(c) Waives the right to implement the provisions of chapters 4 and 5 of the administrative procedures act of 1969, 1969 PA 306, MCL 24.271 to 24.292.

The circuit court may issue an order requiring a person to appear and give testimony or produce books, papers, documents, or other items. Failure to obey the order of the circuit court may be punished by the court as a contempt of court.

(10) As used in this section:

(a) "Substantially violates" means repeated violations or noncompliance of this act, a rule promulgated under this act, or the terms of a license that jeopardizes the health, safety, care, treatment, maintenance, or supervision of individuals receiving services or, in the case of an applicant, individuals who may receive services.

722.123a Placement in a qualified residential treatment program; requirements; assessment of qualified individual; duties of court or administrative body; dispositional review; approval for continued placement; definitions.

Sec. 13a. (1) In the case of a child in foster care who is placed in a qualified residential treatment program,

the following requirements apply:

(a) Within 30 days after the start of each placement in a qualified residential treatment program, a qualified individual shall do all of the following:

(i) Assess the strengths and needs of the child using an age-appropriate, evidence-based, validated, functional assessment tool approved by the secretary.

(ii) Determine whether the needs of the child can be met with family members or through placement in a foster family home or, if not, which setting would provide the most effective and appropriate level of care for the child in the least restrictive environment and be consistent with the short-term and long-term goals for the child, as specified in the child's permanency plan.

(iii) Develop a list of child-specific short-term and long-term mental and behavioral health goals.

(b) The child placing agency responsible for care and supervision of the child shall assemble a team for the child in accordance with the requirements of subdivision (a)(i) and (ii). The qualified individual conducting the assessment required under subdivision (a) shall work in conjunction with the child's team while conducting and making the assessment.

(c) The child's team, as described in subdivision (b), shall consist of all appropriate biological family members, relatives, and other supportive adults of the child, as well as professionals who are a resource to the family of the child, such as teachers, medical or mental health providers who have treated the child, or clergy. In the case of a child who has attained age 14, the team shall include members of the permanency planning team for the child that are selected by the child.

(d) The child placing agency responsible for the child's care and supervision shall document in the child's case plan all the following:

(i) The reasonable and good-faith effort to identify and include all the individuals described in subdivision (c) on the child's team.

(ii) All contact information for members of the team, as well as contact information for other relatives and supportive adults who are not part of the child's team.

(iii) Evidence that meetings of the team, including meetings relating to the assessment required under subdivision (a), are held at a time and place convenient for family.

(iv) If reunification is the goal, evidence demonstrating that the parent from whom the child was removed provided input to the members of the child's team.

(v) Evidence that the assessment required under subdivision (a) is determined in conjunction with the child's team.

(vi) The placement preference of the child's team relative to the assessment that recognizes a child should be placed with his or her sibling unless there is a finding by the court that such placement is contrary to the child's best interests.

(vii) If the placement preferences of the child's team and the child are not the placement setting recommended by the qualified individual conducting the assessment under subdivision (a), the reason why the preferences of the child's team and of the child were not recommended.

(2) If the qualified individual conducting the assessment determines the child should not be placed in a foster family home, the qualified individual shall specify in writing the reason why the needs of the child cannot be met by the family of the child or in a foster family home. A shortage or lack of foster family homes is not an acceptable reason for determining that the needs of the child cannot be met in a foster family home. The qualified individual shall specify in writing why the recommended placement in a qualified residential treatment program is the setting that will provide the child with the most effective and appropriate level of care in the least restrictive environment and how that placement is consistent with the short-term and long-term goals for the child, as specified in the permanency plan for the child.

(3) Within 60 days after the start of each placement in a qualified residential treatment program, the court, or an administrative body appointed or approved by the court, independently, shall do the following:

(a) Consider the assessment, determination, and documentation made by the qualified individual.

(b) Determine whether the needs of the child can be met through placement in a foster family home or, if not, whether placement of the child in a qualified residential treatment program provides the most effective and appropriate level of care for the child in the least restrictive environment and whether that placement is consistent with the goals for the child, as specified in the permanency plan for the child.

(c) Approve or disapprove the qualified residential treatment program placement.

(4) The written documentation of the determination and approval or disapproval of the placement in a qualified residential treatment program by a court or administrative body under subsection (3) shall be included in and made part of the case plan for the child.

(5) As long as a child remains placed in a qualified residential treatment program, the department shall submit evidence at each dispositional review hearing and each permanency planning hearing held with respect

to the child that does the following:

(a) Demonstrates that ongoing assessment of the strengths and needs of the child continues to support the determination that the needs of the child cannot be met through placement in a foster family home, that the placement in a qualified residential treatment program provides the most effective and appropriate level of care for the child in the least restrictive environment, and that the placement is consistent with the short-term and long-term goals for the child, as specified in the permanency plan for the child.

(b) Documenting the specific treatment or service needs that will be met for the child in the placement and the length of time the child is expected to need the treatment or services.

(c) Documents the reasonable efforts made by the department to prepare the child to return home or to be placed with a fit and willing relative, a legal guardian, or an adoptive parent, or in a foster family home.

(6) At each dispositional review hearing and permanency planning hearing held with respect to the child, the court shall approve or disapprove the qualified residential treatment program placement.

(7) In the case of a child who is placed in a qualified residential treatment program for more than 12 consecutive months or 18 nonconsecutive months, or, in the case of a child who has not attained age 13, for more than 6 consecutive or nonconsecutive months, the department shall obtain the signed approval of the director of the department for the continued placement of the child in that setting.

(8) In response to the restrictions on title IV-E foster care payments for child caring institutions in section 472(k) of the family first prevention services act, 42 USC 672(k), the department shall not enact or advance policies or practices that would result in a significant increase in the population of youth in the juvenile justice system.

(9) As used in this section:

(a) "Qualified individual" means a trained professional or licensed clinician who is not an employee of the department and who is not connected to, or affiliated with, any placement setting in which children are placed by the department. The department may seek a waiver from the secretary to approve a qualified individual who does not meet the criteria in this subdivision to conduct the assessment. The individual must maintain objectivity with respect to determining the most effective and appropriate placement for the child.

(b) "Secretary" means the United States Secretary of the Department of Health and Human Services.

Popular name: Act 116

Popular name: Child Care Licensing Act

722.124e Legislative findings and declaration; requirement to provide services that conflict with child placing agency's religious beliefs prohibited; adverse action against child placing agency prohibited; information to be provided to applicant; defense in administrative or judicial proceeding; ability of another child placing agency to provide services not limited; definitions.

Sec. 14e. (1) The legislature finds and declares all of the following:

- (a) When it is necessary for a child in this state to be placed with an adoptive or foster family, placing the child in a safe, loving, and supportive home is a paramount goal of this state.
- (b) As of September 9, 2015, there are 105 licensed adoption and foster care agencies in this state that are authorized to participate in and assist families with adoption and foster parent placements of children.
- (c) Having as many possible qualified adoption and foster parent agencies in this state is a substantial benefit to the children of this state who are in need of these placement services and to all of the citizens of this state because the more qualified agencies taking part in this process, the greater the likelihood that permanent child placement can be achieved.
- (d) As of September 9, 2015, the adoption and foster care licensees of this state represent a broad spectrum

of organizations and groups, some of which are faith based and some of which are not faith based.

(e) Private child placing agencies, including faith-based child placing agencies, have the right to free exercise of religion under both the state and federal constitutions. Under well-settled principles of constitutional law, this right includes the freedom to abstain from conduct that conflicts with an agency's sincerely held religious beliefs.

(f) Faith-based and non-faith-based child placing agencies have a long and distinguished history of providing adoption and foster care services in this state.

(g) Children and families benefit greatly from the adoption and foster care services provided by faith-based and non-faith-based child placing agencies. Ensuring that faith-based child placing agencies can continue to provide adoption and foster care services will benefit the children and families who receive publicly funded services.

(h) Under well-established contracting practices of the department, a private child placing agency does not receive public funding with respect to a particular child or particular individuals referred by the department unless that agency affirmatively accepts the referral.

(i) Under well-settled principles of constitutional law distinguishing "private action" from "state action", a private child placing agency does not engage in state action when the agency performs private-adoption or direct-placement services. Similarly, a private child placing agency does not engage in state action relative to a referral for services under a contract with the department before the agency accepts the referral.

(2) To the fullest extent permitted by state and federal law, a child placing agency shall not be required to provide any services if those services conflict with, or provide any services under circumstances that conflict with, the child placing agency's sincerely held religious beliefs contained in a written policy, statement of faith, or other document adhered to by the child placing agency.

(3) To the fullest extent permitted by state and federal law, the state or a local unit of government shall not take an adverse action against a child placing agency on the basis that the child placing agency has declined or will decline to provide any services that conflict with, or provide any services under circumstances that conflict with, the child placing agency's sincerely held religious beliefs contained in a written policy, statement of faith, or other document adhered to by the child placing agency.

(4) If a child placing agency declines to provide any services under subsection (2), the child placing agency shall provide in writing information advising the applicant of the department's website, the Michigan adoption resource exchange or similar subsequently utilized websites, and a list of adoption or foster care service providers with contact information and shall do at least 1 of the following:

(a) Promptly refer the applicant to another child placing agency that is willing and able to provide the declined services.

(b) Promptly refer the applicant to the webpage on the department's website that identifies other licensed child placement agencies.

(5) A child placing agency may assert a defense in an administrative or judicial proceeding based on this section.

(6) If a child placing agency declines to provide any services under subsection (2), the child placing agency's decision does not limit the ability of another child placing agency to provide those services.

(7) For the purpose of this section:

(a) "Adverse action" includes, but is not limited to, denying a child placing agency's application for funding, refusing to renew the child placing agency's funding, canceling the child placing agency's funding, declining to enter into a contract with the child placing agency, refusing to renew a contract with the child placing agency, canceling a contract with the child placing agency, declining to issue a license to the child placing agency, refusing to renew the child placing agency's license, canceling the child placing agency's license, taking an enforcement action against a child placing agency, discriminating against the child placing agency in regard to participation in a government program, and taking any action that materially alters the terms or conditions of the child placing agency's funding, contract, or license.

(b) "Services" includes any service that a child placing agency provides, except foster care case management and adoption services provided under a contract with the department.

722.124f Decision to accept or not accept referral; defense in administrative or judicial proceeding; "adverse action" defined.

Sec. 14f. (1) If the department makes a referral to a child placing agency for foster care case management or adoption services under a contract with the child placing agency, the child placing agency may decide not to accept the referral if the services would conflict with the child placing agency's sincerely held religious beliefs contained in a written policy, statement of faith, or other document adhered to by the child placing agency. Before accepting a referral for services under a contract with the department, the child placing agency has the sole discretion to decide whether to engage in activities and perform services related to that referral. The department shall not control the child placing agency's decision whether to engage in those activities or perform those services. For purposes of this subsection, a child placing agency accepts a referral by doing either of the following:

(a) Submitting to the department a written agreement to perform the services related to the particular child or particular individuals that the department referred to the child placing agency.

(b) Engaging in any other activity that results in the department being obligated to pay the child placing agency for the services related to the particular child or particular individuals that the department referred to the child placing agency.

(2) The state or a local unit of government shall not take an adverse action against a child placing agency on the basis that the child placing agency has decided to accept or not accept a referral under subsection (1).

(3) If a child placing agency decides not to accept a referral under subsection (1), that occurrence shall not be a factor in determining whether a placement in connection with the referral is in the best interest of the child.

(4) A child placing agency may assert a defense in an administrative or judicial proceeding based on this section.

(5) For the purpose of this section, "adverse action" includes, but is not limited to, denying a child placing agency's application for funding, refusing to renew the child placing agency's funding, canceling the child placing agency's funding, declining to enter into a contract with the child placing agency, refusing to renew a contract with the child placing agency, canceling a contract with the child placing agency, declining to issue a license to the child placing agency, refusing to renew the child placing agency's license, canceling the child placing agency's license, taking an enforcement action against a child placing agency, discriminating against the child placing agency in regard to participation in a government program, and taking any action that materially alters the terms or conditions of the child placing agency's funding, contract, or license.
