Constitutionality: In *People v Stanton*, 400 Mich. 192; 253 NW2d 650 (1977), the Michigan supreme court declared 1972 PA 105, which amended this section, unconstitutional due to a defect in the title to 1909 PA 17. The law as embodied in the 1972 amendment was voided, not the act title. The amendment of the title by 1977 PA 164 following the declaration of unconstitutionality of a portion of the act itself did not suffice to resurrect the voided portion. If the voided portion is to be once again considered a part of the law, it must be "revised, altered, or amended" and "re-enacted and published at length" pursuant to Const 1963, art IV, § 25. *People v Clabin*, 411 Mich 472; 307 NW2d 682 (1981). This section and the title to 909 PA 17 were subsequently amended by 1982 PA 343.

800.283a Cellular telephone or wireless communication device to prisoner prohibited; confiscation.

Sec. 3a. (1) A person shall not sell, give, or furnish, or aid in the selling, giving, or furnishing of, a cellular telephone or other wireless communication device to a prisoner in a correctional facility, or dispose of a cellular telephone or other wireless communication device in or on the grounds of a correctional facility.

(2) A prisoner shall not possess or use a cellular telephone or other wireless communication device in a correctional facility or on the grounds of a correctional facility except as authorized by the department of corrections.

(3) A cellular telephone or other wireless communication device sold, given, furnished, possessed, or used

in violation of this section is subject to confiscation and disposal under this section as contraband. If a cellular telephone or other wireless communication device is confiscated under this section, and the cellular telephone or other wireless device is serviceable but no longer needed for purposes of a criminal prosecution under this section, the cellular telephone or other wireless device shall be donated to a nonprofit organization that provides cellular telephones and other wireless communication devices to military personnel, or to any other charity approved by the warden of the facility where the device was confiscated.

The chief administrator of a correctional facility may search, or have searched, any person coming to the correctional facility as a visitor, or in any other capacity, who is suspected of having any weapon or other implement which may be used to injure a prisoner or other person or in assisting a prisoner to escape from imprisonment, or any alcoholic liquor, prescription drug, poison, or controlled substance upon his or her person.

800.285 Violation as felony; penalty; prosecution for delivery or possession of controlled substance.

If the possession of a controlled substance is a felony punishable by imprisonment for more than 5 years under part 74 of Act No. 368 of the Public Acts of 1978, a person who possesses, or brings into a correctional facility, a controlled substance in violation of section 1 of this act shall not be prosecuted under this section for that possession.
