259.627 Airport authority board; preparation, contents, and adoption of budget; determining fair and equitable share of each county, city, and township; appropriation by village; payment of sums certified by board; liability; reports.

Sec. 7. (1) Not later than April 1 of each year the airport authority board shall prepare a budget containing an itemized statement of the estimated current expenses and the expenses for capital outlay, including the amount necessary to pay the principal and interest of any outstanding bonds or other obligations of the authority maturing during the ensuing fiscal year or which have previously matured and are unpaid, and an estimate of the estimated revenue of the airport authority from all sources for the ensuing fiscal year. Airport authorities consisting only of 2 or more counties shall have until September 1 of each year to prepare this budget. The board shall adopt such budget as shall be deemed necessary and shall ascertain what appropriations are required from the several counties, cities, townships, and villages to meet their respective shares of the amount of the budget in excess of the estimated revenues.

(2) In determining the fair and equitable share of each county, city, and township, the board shall establish the ratio that the state equalized valuation of each for the year in which the appropriation is required bears to the total state equalized valuation for the year in which the appropriation is required of all the counties, cities, and townships included in the airport authority and use the applicable ratio in determining the amount of appropriation required from a county, city, or township. Any village included in the airport authority shall appropriate its proportionate share of the amount apportioned to the township in which it is located, and in determining the division between the township and village, the amount of their respective state equalized valuations for the year the appropriation is required shall be used as the basis for the determination. The board shall certify to each participating county, city, township, and village the amount to be raised by them, and the respective counties, cities, townships, and villages shall include such amounts in their next ensuing budgets and shall pay the amounts so certified from any funds they have available or from the proceeds of a tax which they are authorized to levy, in an amount sufficient therefor, but not exceeding 1 mill. Payment of sums so certified shall be due and payable to the airport authority 120 days subsequent to the date upon which local taxes become due and payable in counties, cities, villages, and townships participating in the airport authority. Each county, city, township, and village shall be liable for the amount so certified.

(3) The board shall also render to each participating county, city, township, and village, on each July 1, during the operation of the airport a certified report of the operation of the airport. Each report shall state the condition of the finances, the amount of money expended, and the money received from all sources. The board shall also file a copy of the report with the department of treasury together with any other information the department of treasury may require. Within 30 days after the formation of any new airport authority, and annually on July 1 thereafter, the airport authority board shall file with the secretary of state a report as the secretary of state may require, showing the date of formation, the names of the member communities, and any other information as the report may call for.

259.627a Applicability of section; levy of ad valorem property tax; election; resolution; form of proposition; collection; certification; payment; expenses; adoption of budget; dissolution of authority.

Sec. 7a. (1) This section applies only to an authority formed under this act that is composed of 1 county and another member or members all located wholly within the boundaries of that county. This section shall apply to such an authority in addition to any provisions of this act that are not inconsistent with this section, and in case of a conflict between this section and any other provisions of this act which are inconsistent with this section, this section shall prevail.

(2) Sections 4 and 7 shall not apply to an authority governed by this section, except that the revenue from the tax authorized to be levied pursuant to this section may be used for the same purposes described in section 4 for which the revenue may be used from a tax authorized to be levied pursuant to section 4. A member of the authority may voluntarily make an appropriation to the authority. The board of an authority governed by this section may levy an ad valorem property tax on taxable property within the county at a rate of not to exceed 1 mill upon approval of the majority of the qualified electors within the county voting on the question.

(3) An election on the question of whether to levy a tax authorized pursuant to subsection (2) may be called by resolution of the board of the authority. The secretary of the board of the authority shall file a copy of the resolution of the board calling the election with the county clerk, the county election scheduling committee, and the board of county election commissioners not less than 45 days before the date of the election. The resolution calling the election shall contain the proposition to be submitted to the electors. The calling of an election in the manner provided in this section, but prior to the effective date of this section, is ratified. Approval by the electors of a proposition in substantially the following form shall constitute authorization for the authority to impose the tax and to use the proceeds for any 1 or more of the purposes described in section 4:

“Shall the _____ Authority be authorized to levy upon property in _____ County a tax not to exceed _____ mill (\$_____ per \$1,000.00) in any 1 year, on assessed valuation as finally equalized, to be used to assist in acquiring, constructing, improving, enlarging, owning, maintaining, and operating property and facilities at _____ Airport(s)?

Yes _____
No _____”.

The county clerk, each city and township clerk, and all other county, city, and township officials, shall undertake those steps to properly submit the proposition to the electors in the county at the election specified in the resolution of the authority. The election shall be conducted and canvassed in accordance with the Michigan election law, Act No. 116 of the Public Acts of 1954, being sections 168.1 to 168.992 of the Michigan Compiled Laws. The results of the election shall be certified to the board of the authority promptly after the date of the election. The authority shall not call more than 1 election within a calendar year for the approval of the tax authorized by subsection (2) without the approval of the legislative bodies of a majority of the members of the authority. If no election or nomination to any state, county, district, or other local office is on the ballot in a given political subdivision within the county on the day of the election regarding the airport authority proposition, and if in that subdivision there is no ballot proposition, proposal, or question submitted by that subdivision, the authority shall pay all, or if the authority proposition is not the only proposition, proposal, or question before the electorate, a pro rata portion of the reasonable costs of the election incurred by that political subdivision as determined by the county clerk.

(4) The tax authorized by this section shall be levied and collected as are all ad valorem property taxes in the state, and the secretary of the board of the authority shall at the appropriate times certify to the proper tax assessing or collecting officers of each city and township in the county the amount of taxes to be levied and collected each year for the authority by each city and township. The board of the authority shall determine on which tax roll of the city or township, if there is more than 1 roll, that the tax authorized by this section shall be collected. However, the tax shall not be levied on a July tax roll unless certified by the authority not later than the immediately preceding June 15, and shall not be levied on a December tax roll unless certified not later than the immediately preceding October 1, except that a tax authorized by this section and approved at an election held on November 3, 1987, may be levied on a December 1987 tax roll. Each tax assessing and collecting officer shall levy and collect the taxes certified by the authority and pay those taxes to the county treasurer in accordance with the same schedule as is applicable pursuant to section 43 of the general property tax act, Act No. 206 of the Public Acts of 1893, being section 211.43 of the Michigan Compiled Laws, with respect to the delivery of county taxes. The county treasurer shall account for and deliver to the authority the tax collections for authority purposes, received by the county treasurer from local collecting officers, within

10 business days after the county treasurer receives the funds. If a tax is certified for levy on a December 1987 tax roll, the reasonable and actual expenses incurred by a township, county, or city in assessing and collecting the tax on that roll, to the extent these expenses are in addition to the expense of collection and assessing any other taxes at the same time and exceed the amount of any fees imposed for the collection of the tax, shall be billed to and paid by the authority.

(5) The budget of the authority, other than the first budget, shall be adopted before commencement of the fiscal year to which the budget relates.

(6) The resolution creating the airport authority may establish or may have established conditions under which the authority shall be dissolved.

The governing bodies of the member communities immediately shall provide for an election in accordance with the resolution passed by the authority, in which the question of issuing the bonds and pledging the authority's revenues, including all or any part of the amounts assessed against the respective municipalities as provided for by this act, shall be submitted. The ballots for use in the election shall be provided by the authority and the election shall be conducted in the respective communities except that if any part or all of a village belonging to an airport authority is located in a township belonging to the same authority, the township election shall include that part of the village located in it and the village shall not be required to hold an election except in that portion of the village not located in a township belonging to the authority. The governing bodies of the member communities shall act as a board of canvassers and shall certify the results of the election to the airport authority board, within 5 days after the date of the election, on forms provided by the airport authority. The airport authority board shall compile and tabulate the vote as required from the member communities and certify the result of the election by resolution upon the records of the authority. A majority of the total valid votes cast at such an election voting "yes" on the question submitted shall constitute an approval of the issuance of the bonds.
