**History:** 1964, Act 282, Eff. Aug. 28, 1964;—Am. 2001, Act 115, Eff. Mar. 22, 2002.

**Constitutionality:** In an original action, plaintiffs challenged the plan for redistricting Michigan's fifteen seats in the U.S. House of Representatives adopted by 2001 PA 115. Plaintiffs claimed that the statute was not validly enacted because the bill passed by the Legislature was changed by the Secretary of the Senate before presentation to the Governor for his approval. Second, they contended that the redistricting plan failed to comply with Michigan statutory requirements for congressional redistricting established by 1999 PA 221.

The Michigan Supreme Court concluded: (1) 2001 PA 115 was validly enacted because the changes made before submission to the Governor were technical corrections that did not violate the provisions of the Michigan Constitution regarding enactment of legislation; (2) the redistricting guidelines of MCL 3.63 (c), as enacted by 1999 PA 211, were not binding on the Legislature's redistricting of Michigan's congressional seats in 2001; and (3) the reference to the 1999 guidelines in the 2001 redistricting act did not indicate legislative intent to make the redistricting plan reviewable using those guidelines. The Court denied plaintiff's application for review of the congressional redistricting plan. *LeRoux v Secretary of State*, 465 Mich 594 (2002).

### 3.52 Repeal.

Sec. 2. Act No. 249 of the Public Acts of 1963, being sections 3.11 and 3.12 of the Compiled Laws of 1948, is repealed.

**History:** 1964, Act 282, Eff. Aug. 28, 1964.

### 3.53 Map and legal description; preparation and conveyance by secretary of state; appropriation.

Sec. 3. (1) The secretary of state shall prepare a map and a legal description of each district constituted under this act. The legal description shall be in terms of political subdivisions, such as counties, cities, and townships; man-made features, such as streets, roads, highways, and railroads; and natural features, such as waterways, which political subdivisions and man-made and natural features form the boundaries of the district. The secretary of state shall convey the map and legal description of each district to the legislature and the governor.

(2) For the fiscal year ending September 30, 2012, there is appropriated for the department of state the sum of \$30,000.00 for the costs incurred by the secretary of state in complying with subsection (1).

**History:** Add. 2001, Act 115, Eff. Mar. 22, 2002;—Am. 2011, Act 128, Eff. Mar. 28, 2012.

**Constitutionality:** In an original action, plaintiffs challenged the plan for redistricting Michigan's fifteen seats in the U.S. House of Representatives adopted by 2001 PA 115. Plaintiffs claimed that the statute was not validly enacted because the bill passed by the Legislature was changed by the Secretary of the Senate before presentation to the Governor for his approval. Second, they contended that the redistricting plan failed to comply with Michigan statutory requirements for congressional redistricting established by 1999 PA 221.

The Michigan Supreme Court concluded: (1) 2001 PA 115 was validly enacted because the changes made before submission to the Governor were technical corrections that did not violate the provisions of the Michigan Constitution regarding enactment of legislation; (2) the redistricting guidelines of MCL 3.63 (c), as enacted by 1999 PA 211, were not binding on the Legislature's redistricting of Michigan's congressional seats in 2001; and (3) the reference to the 1999 guidelines in the 2001 redistricting act did not indicate legislative intent to make the redistricting plan reviewable using those guidelines. The Court denied plaintiff's application for review of the congressional redistricting plan. *LeRoux v Secretary of State*, 465 Mich 594 (2002).

### 3.54 Provisions applicable to redistricting plan.

Sec. 4. All of the following apply to the redistricting plan in section 1:

(a) In adopting the redistricting plan for congressional districts, it is the intention of the legislature to comply fully with section 3 of the congressional redistricting act, 1999 PA 221, MCL 3.63.

(b) The number of county breaks in the redistricting plan is determined by the following principles:

(i) Breaking a county line means assigning part of the population of a county to 1 or more counties in the formation of a district.

(ii) If population is shifted from a county to a single election district, including a district from 2 geographically-separate areas, there is 1 break. Except as provided in subparagraph (iii), if population from a county is shifted to 2 or more election districts, there are 2 or more breaks.

(iii) If 1 part of a county is shifted to a district and the rest of the county is shifted to another district, there is 1 break.

(c) The redistricting plan was designed to comply fully with both section 2 of the voting rights act of 1965, Public Law 89-110, 42 U.S.C. 1973, and the requirements of the equal protection clause of amendment XIV of the constitution of the United States, as set forth in *Shaw v Reno*, 509 US 630 (1993), and subsequent cases concerning racial gerrymandering. In light of these dual obligations, the plan avoids any practice or district lines that result in the denial of any racial or ethnic group's equal opportunity to elect a representative of its choice and, at the same time, does not subordinate traditional redistricting principles for the purpose of accomplishing a racial gerrymander or creating a majority-minority district. As a consequence, the plan does

not result in retrogression or dilution of minority voting strength, particularly in light of the demographic limitations caused by relative population losses and the neutral criteria set forth in section 3 of the congressional redistricting act, 1999 PA 221, MCL 3.63. However, the plan does not sacrifice traditional neutral principles, such as, most importantly, preservation of county and municipal boundaries, for the purpose of engaging in a gerrymander that unnecessarily favors 1 racial group over others.

(d) The plan furthers the underlying purpose of the state constitution of 1963 by facilitating effective representation in the legislature where elected representatives can advance the shared interests of unified municipalities or counties. It does so without sacrificing voting rights act of 1965 principles, equal electoral opportunities, or racial fairness.

(e) The redistricting plan for congressional districts consists of 15 single member districts comprised of convenient territories contiguous by land. All of the following apply to the plan:

(i) The population in each of districts 1-9 and 11-15 is 662,563. The population of district 10 is 662,562.

(ii) The number of breaks in county boundaries is 11.

(iii) The number of breaks in city and township lines is 14.

(iv) No congressional district is wholly contained within a city.

**History:** Add. 2001, Act 115, Eff. Mar. 22, 2002.

**Constitutionality:** In an original action, plaintiffs challenged the plan for redistricting Michigan's fifteen seats in the U.S. House of Representatives adopted by 2001 PA 115. The Court denied plaintiff's application for review of the congressional redistricting plan. LeRoux v Secretary of State, 465 Mich 594 (2002).

### **3.54a Redistricting plan; principles.**

Sec. 4a. All of the following apply to the redistricting plan in section 1a:

(a) The number of county breaks in the redistricting plan is determined by the following principles:

(i) Breaking a county line means assigning part of the population of a county to 1 or more counties in the formation of a district.

(c) The redistricting plan for congressional districts consists of 14 single-member districts composed of convenient territories contiguous by land.

### **3.55 "Block" and "tract" defined.**

Sec. 5. As used in this act:

(a) "Block" means block as that term is used by the United States department of commerce, bureau of the census in conducting the 2010 decennial census.

(b) "Tract" means tract as that term is used by the United States department of commerce, bureau of the census in conducting the 2010 decennial census.
