(2) An adjustment to the escrow account pursuant to subsection (1) shall become effective for the periodic payment that is due not later than April 30, 1994.

(3) Any adjustments made to the escrow account shall be considered reasonable if the adjustment is a reduction of not less than 35% of the total property taxes levied for the 1993 calendar year.

(4) Upon the receipt of a written request by a mortgagor or a vendee of a land contract, the mortgagee, vendor, or their agent shall, within a reasonable time, adjust the escrow account maintained for the payment of the 1994 real property taxes by reducing the amount required to be escrowed based upon the actual amount of taxes levied on the property in 1993 for local school district and intermediate school district operating purposes. (6) This section shall not be construed to require a mortgagee, a vendor of a land contract, or their agent to

adjust the escrow account for a periodic payment that is due before April 1, 1994.
