570.1107 Construction lien generally.

Sec. 107. (1) Each contractor, subcontractor, supplier, or laborer who provides an improvement to real property has a construction lien upon the interest of the owner or lessee who contracted for the improvement to the real property, as described in the notice of commencement given under section 108 or 108a, the interest of an owner who has subordinated his or her interest to the mortgage for the improvement of the real property, and the interest of an owner who has required the improvement. A construction lien acquired pursuant to this act shall not exceed the amount of the lien claimant's contract less payments made on the contract.

(2) A construction lien under this act attaches to the entire interest of the owner or lessee who contracted for the improvement, including any subsequently acquired legal or equitable interest.

(3) Each contractor, subcontractor, supplier, or laborer who provides an improvement to real property to which the person contracting for the improvement had no legal title has a construction lien upon the improvement for which the contractor, subcontractor, supplier, or laborer provided labor, material, or

equipment. The forfeiture, surrender, or termination of any title or interest held by an owner or lessee who contracted for an improvement to the property, an owner who subordinated his or her interest to the mortgage for the improvement, or an owner who has required the improvement does not defeat the lien of the contractor, subcontractor, supplier, or laborer upon the improvement.

(4) If the rights of a person contracting for an improvement as a land contract vendee or a lessee are forfeited, surrendered, or otherwise terminated, any lien claimant who has provided a notice of furnishing or is excused from providing a notice of furnishing under section 108, 108a, or 109 and who performs the covenants contained in the land contract or lease within 30 days after receiving actual notice of the forfeiture, surrender, or termination is subrogated to the rights of the contracting vendee or lessee as those rights existed immediately before the forfeiture, surrender, or termination.

(5) For purposes of this act, if the real property is owned or leased by more than 1 person, there is a rebuttable presumption that an improvement to real property under a contract with an owner or lessee was consented to by any other co-owner or co-lessee. If enforcement of a construction lien through foreclosure is sought and the court finds that the improvement was consented to by a co-owner or co-lessee who did not contract for the improvement, the court shall order the entire interest of that co-owner or co-lessee, including any subsequently acquired legal or equitable interest, to be subject to the construction lien. A deficiency judgment shall not be entered against a noncontracting owner, co-owner, lessee, or co-lessee.

(6) If the real property of an owner or lessee is subject to multiple construction liens, the sum of the construction liens shall not exceed the amount the owner or lessee agreed to pay the person with whom he or she contracted for the improvement as modified by all additions, deletions, and other amendments, less payments made by or on behalf of the owner or lessee, pursuant to either a contractor's sworn statement or a waiver of lien, in accordance with this act.

(7) After the effective date of the amendatory act that added this subsection, a construction lien of a subcontractor or supplier for an improvement to a residential structure shall only include an amount for interest, including, but not limited to, a time-price differential or a finance charge, if the amount is in accordance with the terms of the contract between the subcontractor or supplier and the contractor or subcontractor and does not include any interest that accrues after 90 days after the claim of lien is recorded.

History: 1980, Act 497, Eff. Jan. 1, 1982;—Am. 1981, Act 191, Eff. Jan. 1, 1982;—Am. 1982, Act 17, Eff. Mar. 1, 1982;—Am. 2006, Act 497, Eff. Jan. 3, 2007.

(10) Failure of an owner, lessee, or designee to provide a notice of commencement as required by this section extends the time within which a laborer may provide a notice of furnishing, as described in section 109, until 30 days after the notice of commencement actually has been furnished to the laborer, or until the time in which to provide the notice of furnishing in accordance with section 109 expires, whichever is later.

(11) An owner, lessee, or designee that fails to post or keep posted a copy of a notice of commencement as required by subsection (8) is liable to a subcontractor, supplier, or laborer who becomes a lien claimant for all actual expenses sustained by the lien claimant in obtaining the information otherwise provided by the posting.

(12) A contractor that has been provided with a notice of commencement from the owner, lessee, or designee and that fails to provide the notice of commencement on the request of a lien claimant that has a contract with the contractor for an improvement to the property is liable to the lien claimant for all actual expenses sustained by the lien claimant in obtaining the information otherwise provided by the notice of commencement. If a designee has not been named in the notice of commencement, or if the designee has died, service must be made on the owner or lessee named in the notice of commencement. If service of the notice of furnishing is made by certified mail, service is complete on mailing. A contractor is not required to provide a notice of furnishing to preserve lien rights arising from his or her contract directly with an owner or lessee.

(2) Except as otherwise provided in sections 108 and 108a, a laborer who contracts to provide an improvement to real property shall provide a notice of furnishing to the designee and the general contractor, if any, as named in the notice of commencement at the address shown in the notice of commencement, either personally or by mail, within 30 days after wages were contractually due but were not paid. (5) The failure of a lien claimant to provide a notice of furnishing within the time specified in this section does not defeat the lien claimant's right to a construction lien for work performed or materials furnished by the lien claimant after the service of the notice of furnishing.

(6) The failure of a lien claimant to provide a notice of furnishing within the time specified in this section does not defeat the lien claimant's right to a construction lien for work performed or materials furnished by the lien claimant before the service of the notice of furnishing except to the extent that payments were made by or on behalf of the owner or lessee to the contractor pursuant to either a contractor's sworn statement or a waiver of lien in accordance with this act for work performed or material delivered by the lien claimant. This subsection does not apply to a laborer.

(7) The failure of a laborer to provide a notice of furnishing to the designee as required by subsection (2) defeats the laborer's lien for the wages for which the notice of furnishing is required.

(8) The failure of a laborer to provide a notice of furnishing to the designee as required by subsection (3) defeats the laborer's lien for the fringe benefits and withholdings for which the notice of furnishing is required.

(9) The failure of a laborer to provide a notice of furnishing to the general contractor within the time specified in subsection (2) or (3) does not defeat the laborer's right to a construction lien, but the laborer is liable for any actual damages sustained by the general contractor as a result of the failure.

(10) One or more laborers may authorize an agent to prepare and serve a notice of furnishing in the manner provided in this section. Notice of furnishing under this section may contain the notice of furnishing of more than 1 laborer and must contain the information required by subsection (4) as to each laborer for whom it is prepared. A court shall consider the notice of furnishing of each lien claimant under this subsection on its own merits.

(5) The contractor or subcontractor is not required to list in the sworn statement material furnished by the contractor or subcontractor out of his or her own inventory that was not purchased specifically for performing the contract.

(6) On receipt of a sworn statement regarding an improvement to a residential structure, the owner, lessee, or designee shall give notice of its receipt, either in writing, by telephone, or personally, to each subcontractor, supplier, and laborer who has provided a notice of furnishing under section 109 or, if a notice of furnishing is excused under section 108 or 108a, to each subcontractor, supplier, and laborer named in the sworn statement. If a subcontractor, supplier, or laborer entitled to notice under this subsection requests a copy of the sworn statement, the owner, lessee, or designee shall provide the requester a copy within 10 business days after receiving the request.

(7) After the contractor or subcontractor provides the sworn statement, the owner or lessee may withhold or, upon written demand from the contractor, shall withhold from the amount due or to become due to the contractor or to the subcontractor for work already performed an amount sufficient to pay all sums due to subcontractors, suppliers, or laborers, as shown by the sworn statement, or due to lien claimants who have provided a notice of furnishing under section 109. From the amount withheld, the owner or lessee may directly pay subcontractors, suppliers, or laborers the amount they are due as shown by the sworn statement. If the contract provides for payments by the owner to the general contractor in the normal course of construction, but the owner elects to pay lien claimants directly under this section, the first time the owner elects to make payment directly to a lien claimant, he or she shall provide at least 5 business days' notice to the general contractor of the intention to make direct payment. Subsequent direct disbursements to lien claimants need not be preceded by the 5-day notice provided in this section unless the owner first returns to the practice of paying all sums to the general contractor. As between the owner or lessee and the contractor or subcontractor, all payments made under this subsection are considered the same as if paid directly to the contractor or subcontractor. If an amount is withheld under this subsection from the contractor or subcontractor, the owner or lessee, upon request, shall prepare and provide to the contractor or subcontractor an itemized statement of the sums withheld. If an amount is paid directly to a lien claimant under this section, the owner or lessee shall, if requested by the contractor or subcontractor, provide to the contractor or

subcontractor an itemized statement of the sums paid.

(8) An owner, lessee, designee, mortgagee, or contractor may rely on a sworn statement prepared by a party other than himself or herself to avoid the claim of a subcontractor, supplier, or laborer unless the subcontractor, supplier, or laborer has provided a notice of furnishing as required under section 109 or unless the notice of furnishing is excused under section 108 or 108a.

(9) If a contractor fails to provide a sworn statement to the owner or lessee before recording the contractor's claim of lien, the contractor's construction lien is not invalid. However, the contractor is not entitled to any payment, and a complaint, cross-claim, or counterclaim may not be filed to enforce the construction lien, until the sworn statement has been provided.

(10) If a subcontractor fails to provide a sworn statement under subsection (2) to the owner or lessee before recording the subcontractor's claim of lien, the subcontractor's construction lien is valid. However, a complaint, cross-claim, or counterclaim may not be filed to enforce the construction lien until the sworn statement has been provided.

(11) A contractor or subcontractor who desires to draw money and gives or causes to be given to any owner or lessee a sworn statement required by this section that is false, with intent to defraud, is guilty of a crime as follows:

(a) If the statement involved is for less than \$200.00, the contractor or subcontractor is guilty of a misdemeanor punishable by imprisonment for not more than 93 days or a fine of not more than \$500.00 or 3 times the statement amount, whichever is greater, or both imprisonment and a fine.

(b) If any of the following apply, the contractor or subcontractor is guilty of a misdemeanor punishable by imprisonment for not more than 1 year or a fine of not more than \$2,000.00 or 3 times the statement amount, whichever is greater, or both imprisonment and a fine:

(i) The statement involved is for \$200.00 or more but less than \$1,000.00.

(ii) The statement involved is for less than \$200.00 and the contractor or subcontractor has 1 or more prior convictions for committing or attempting to commit an offense under this act.

(c) If any of the following apply, the contractor or subcontractor is guilty of a felony punishable by imprisonment for not more than 5 years or a fine of not more than \$10,000.00 or 3 times the statement amount, whichever is greater, or both imprisonment and a fine:

(i) The statement involved is for \$1,000.00 or more but less than \$20,000.00.

(ii) The statement involved is for more than \$200.00 but less than \$1,000.00 and the contractor or subcontractor has 1 or more prior convictions for violating or attempting to violate this act. For purposes of this subparagraph, however, a prior conviction does not include a conviction for a violation or attempted violation described in subdivision (a) or (b)(i).

(d) If any of the following apply, the contractor or subcontractor is guilty of a felony punishable by imprisonment for not more than 10 years or a fine of not more than \$15,000.00 or 3 times the statement amount, whichever is greater, or both imprisonment and a fine:

(i) The statement involved is for \$20,000.00 or more.

(ii) The statement involved is for \$1,000.00 or more but less than \$20,000.00 and the contractor or subcontractor has 2 or more prior convictions for committing or attempting to commit an offense under this act. For purposes of this subparagraph, however, a prior conviction does not include a conviction for a violation or attempted violation described in subdivision (a) or (b)(i).

(12) For purposes of subsection (11), statements involved in separate incidents pursuant to a scheme or course of conduct within any 12-month period may be aggregated to determine the total amount involved in the statements.

(13) If the prosecuting attorney intends to seek an enhanced sentence for a violation under this section based upon the defendant having 1 or more prior convictions, the prosecuting attorney shall include in the complaint and information a statement listing the prior conviction or convictions. The existence of the defendant's prior conviction or convictions shall be determined by the court, without a jury, at sentencing or at a separate hearing for that purpose before sentencing. The existence of a prior conviction may be established by any evidence relevant for that purpose, including, but not limited to, 1 or more of the following:

(a) A copy of the judgment of conviction.

(b) A transcript of a prior trial, plea-taking, or sentencing.

(c) Information contained in a presentence report.

(d) The defendant's statement.

(14) If the sentence for a conviction under this section is enhanced by 1 or more convictions, those prior convictions shall not be used to further enhance the sentence for the conviction pursuant to section 10, 11, or 12 of chapter IX of the code of criminal procedure, 1927 PA 175, MCL 769.10, 769.11, and 769.12.

Sec. 113. (1) An owner or lessee who contracts for an improvement, upon receipt of a written demand by a lien claimant, shall make available for inspection and copying to the lien claimant, within 10 days after receipt of the written demand, a copy of the contract for the improvement between the owner or lessee and the contractor, and a written statement of the amount due and unpaid on that date on the contract. A lien claimant who fails to provide a statement within 10 days after receipt of a written demand shall be liable to the owner, lessee, or contractor for actual damages sustained by the owner, lessee, or contractor due to the failure. The contract required under this section shall contain a statement, in type no smaller than that of the body of the contract, stating all of the following:

(a) That a residential builder or a residential maintenance and alteration contractor is required to be licensed under article 24 of the occupational code, 1980 PA 299, MCL 339.2401 to 339.2412. (3) A person who brings an action to recover for the performance of an act or contract for which a license is required as described in section 114 shall allege in the complaint and has the burden of proving that he or she was properly licensed.

570.1115 Waiver of construction lien.

Sec. 115. (1) A person shall not require, as part of any contract for an improvement, that the right to a construction lien be waived in advance of work performed. A waiver obtained as part of a contract for an improvement is contrary to public policy, and shall be invalid, except to the extent that payment for labor and material furnished was actually made to the person giving the waiver. Acceptance by a lien claimant of a promissory note or other evidence of indebtedness from an owner, lessee, or contractor shall not of itself serve to waive or discharge otherwise valid construction lien rights.

(2) A lien claimant who receives full payment for his or her contract shall provide to the owner, lessee, or designee a full unconditional waiver of lien.

(3) A lien claimant who receives partial payment for his or her contract shall provide to the owner, lessee, or designee a partial unconditional waiver of the lien for the amount which the lien claimant has received, if the owner, lessee, or designee requests the partial unconditional waiver.

(4) A partial conditional waiver of lien or a full conditional waiver of lien shall be effective upon payment of the amount indicated in the waiver.

(5) For purposes of this act, retainage that is not payable under a contract until the happening of a certain event in addition to the providing of an improvement is not due as of the date of the providing of the improvement.

(6) A waiver of a lien under this section shall be effective when a person makes payment relying on the waiver unless at the time payment was made the person making the payment has written notice that the consideration for the waiver has failed.

(7) Subject to subsection (8), if the improvement is provided to property that is a residential structure, an owner, lessee, or designee shall not rely on a full or partial unconditional or conditional waiver of lien provided by a person other than the lien claimant named in the waiver if the lien claimant has either filed a notice of furnishing under section 109 or is excused from filing a notice of furnishing under section 108 or 108a unless the owner, lessee, or designee has first verified the authenticity of the lien waiver with the lien claimant either in writing, by telephone, or personally.

(8) An agent who is authorized to prepare and serve a notice of furnishing or to prepare, record, and serve a claim of lien on behalf of a laborer or group of laborers is automatically authorized to provide and responsible for providing waivers of lien, unless or until the laborer or group of laborers notifies the designee in writing that someone other than the agent is authorized to provide appropriate waivers. An individual laborer may

also provide waivers under this section instead of the agent.

570.1116 Claim of lien; vacation and discharge; bond; penal sum; filing; notification of lien claimant; objection to sufficiency of surety; appearance by surety; approval of bond; certificate; recordation; discharge of claim of lien and notice of lis pendens; action by obligee; court order or other relief.

Sec. 116. (1) The claim of lien of a contractor, subcontractor, supplier, or laborer may at any time be vacated and discharged if a bond, with the lien claimant as obligee, is filed with the county clerk for the county in which the property covered by the lien is located and a copy is given to the obligee lien claimant. The bond shall be in the penal sum of twice the amount for which the lien is claimed and shall be conditioned on the payment of any sum for which the obligee in the bond may obtain judgment on the claim for which the claim of lien was filed. The bond may be either a cash bond executed by a principal, or a surety bond executed by a principal and a surety company authorized to do business in this state.

(2) Within 10 days after receiving the bond, the county clerk shall notify each lien claimant that a bond has been filed and indicate the amount of the bond and the name of the surety on the bond. The lien claimants shall have 10 days after being notified of the bond within which to file an objection to the sufficiency of the surety on the bond, in which case the county clerk shall not approve the bond until the surety has appeared before the county clerk and answered under oath those questions asked by or on behalf of the lien claimant touching on the surety's financial responsibility. If an objection to the surety is not filed within the 10 days after being notified of the bond or if the county clerk approves the bond after the questioning of the surety, the county clerk shall at once give to the principal and the obligee named in the bond a certificate that a good and sufficient bond has been filed in accordance with this act. The certificate shall state the names of the obligor and obligee, the amount of the bond, and the description of the property covered by the claim of lien being discharged. Upon the recording of the certificate in the office of the register of deeds where the claim of lien was recorded, the claim of lien of the obligee lien claimant named in the claim of lien shall be discharged. If because of the pendency of proceedings to enforce the claim of lien, a notice of lis pendens has been recorded, the recording of the certificate shall also operate as a discharge of the notice of lis pendens. The obligee may make any obligor on the bond a party to an action to enforce a claim under the bond, and a judgment may be recovered in the action against all or any of the obligors.

(3) In an action brought in connection with the claim of the obligee, the court may do 1 or more of the following:

- (a) Order the amount of the bond to be reduced.
- (b) Order other or additional surety to be provided.
- (c) Grant any other relief the court considers to be equitable.

History: 1980, Act 497, Eff. Jan. 1, 1982.

570.1117 Action for enforcement of construction lien through foreclosure; notice of lis pendens; agent appointed to represent laborers; parties; action on contract by lien claimant; enforcement of lien by cross-claim or counterclaim where lien claimant party; sworn statement.

Sec. 117. (1) Proceedings for the enforcement of a construction lien and the foreclosure of any interests subject to the construction lien shall not be brought later than 1 year after the date the claim of lien was recorded.

(2) At the time of commencing an action for the enforcement of a construction lien through foreclosure, the plaintiff shall record a notice of lis pendens with respect to the action in the office of the register of deeds for the county in which the real property involved in the action is located.

(3) As provided in section 111(6), an action to foreclose on a construction lien may be maintained by an agent appointed to represent laborers.

(4) Each person who, at the time of filing the action, has an interest in the real property involved in the action which would be divested or otherwise impaired by the foreclosure of the lien, shall be made a party to the action.

(5) In connection with an action for foreclosure of a construction lien, the lien claimant also may maintain an action on any contract from which the lien arose.

(6) Except as otherwise provided in subsection (1), a lien claimant who has been made a party to an action for foreclosure of a construction lien may enforce his or her own construction lien in the action by a cross-claim or counterclaim, and the owner or lessee may timely join other or potential lien claimants in the action.

(7) In an action brought by a contractor or subcontractor to enforce a construction lien through foreclosure, the complaint, cross-claim, or counterclaim must show that the owner or lessee was provided a sworn statement, if a sworn statement was requested or required, pursuant to section 110.

History: 1980, Act 497, Eff. Jan. 1, 1982;—Am. 1981, Act 191, Eff. Jan. 1, 1982.

570.1118 Action to enforce construction lien through foreclosure; circuit court; equitable nature of action; enforcement of lien by cross-claim or counterclaim filed in pending

action; duties of court; attorneys' fees.

Sec. 118. (1) An action to enforce a construction lien through foreclosure shall be brought in the circuit court for the county where the real property described in the claim of lien is located. If the real property is located in more than 1 county or judicial circuit, the action may be brought in any of the counties where the real property is located. An action to enforce a construction lien through foreclosure is equitable in nature. A construction lien also may be enforced by a cross-claim or counterclaim timely filed in a pending action involving title to, or foreclosure of mortgages or encumbrances on, real property.

(2) In an action to enforce a construction lien through foreclosure, the court shall examine each claim and defense that is presented and determine the amount, if any, due to each lien claimant or to any mortgagee or holder of an encumbrance and their respective priorities. The court may allow reasonable attorneys' fees to a lien claimant who is the prevailing party. The court also may allow reasonable attorneys' fees to a prevailing defendant if the court determines the lien claimant's action to enforce a construction lien under this section was vexatious.

History: 1980, Act 497, Eff. Jan. 1, 1982;—Am. 1982, Act 17, Eff. Mar. 1, 1982;—Am. 2010, Act 147, Imd. Eff. Aug. 23, 2010.

570.1118a Attachment of claim to residential structure; affidavit; rebuttable presumption of payment by owner or lessee to contractor.

Sec. 118a. (1) A claim of construction lien does not attach to a residential structure, to the extent payments have been made, if the owner or lessee files an affidavit with the court stating that the owner or lessee has paid the contractor for the improvement to the residential structure according to the contract, indicating in the affidavit the amount of the payment. The owner or lessee shall attach to the affidavit copies of the contract, any change orders, and any evidence of the payment that the owner or lessee has, including, but not limited to, a canceled check or a credit card or other receipt.

(2) If there is no written contract between the owner or lessee and the contractor as required by section 114, the filing of an affidavit under this section creates a rebuttable presumption that the owner or lessee has paid the contractor for the improvement. The presumption may be overcome only by a showing of clear and convincing evidence to the contrary.

History: Add. 2010, Act 147, Imd. Eff. Aug. 23, 2010.

570.1119 Claims of lien having equal priority; priority of construction lien over garnishments and over other interests, liens, or encumbrances; attachment; effect of recording; priority of recorded mortgage, lien, encumbrance, or other interest over construction lien; advances; retainage.

Sec. 119. (1) Except as otherwise provided by subsection (4), as between parties entitled to claim construction liens under this act, the liens have equal priority. This subsection applies and the construction liens have equal priority regardless of whether the lien arises at the time of the first actual physical improvement or at the time a notice is recorded under section 107a or 107b.

(2) A construction lien under this act has priority over all garnishments for the contract debt made after the lien arises, without regard to the date of recording of the claim of lien.

(3) A construction lien arising under this act has priority over all other interests, liens, or encumbrances that may attach to the building, structure, or improvement, or on the real property on which the building, structure, or improvement is erected, if the other interests, liens, or encumbrances are recorded after the construction lien arises.

(4) A mortgage, lien, encumbrance, or other interest recorded before the construction lien arises has priority over a construction lien arising under this act. The priority of the mortgage exists as to all obligations secured by the mortgage except for indebtedness arising out of advances made after the construction lien arises. An advance made pursuant to the mortgage, but after the construction lien arises, has priority over a construction lien if, for that advance, the mortgagee has received a contractor's sworn statement as provided in section 110, has made disbursements pursuant to the contractor's sworn statement, and has received waivers of lien from the contractor and all subcontractors, laborers, and suppliers who have provided notices of furnishing. The construction lien of a lien claimant not set forth on the sworn statement on which an advance was made is subordinate to the lien of the mortgage, including the advance, unless before the advance the lien claimant provided the designee with a notice of furnishing if required by section 109 or recorded a claim of lien. An advance made after a notice of furnishing has been provided or has been excused as provided in sections 108, 108a, and 109 or after a claim of lien has been recorded is subordinate to the construction lien of the lien claimant unless before the advance the mortgagee received from the lien claimant either a full unconditional waiver of lien or a partial unconditional waiver of lien for the full amount due the lien claimant as of the date through which the lien is waived as shown on the lien waiver and the date through which the

lien is waived as shown on the partial unconditional waiver is within 30 days before the advance.

(5) For purposes of this section, retainage that is not payable under a contract until a certain event happens in addition to an improvement being provided, is not due as of the date the improvement is provided.

(6) For purposes of determining priorities under this section, a construction lien arises as follows:

(a) Except as provided in subdivision (b), at the time of the first actual physical improvement.

(b) As to a lien claimed by a person after the person has recorded a notice under section 107a or 107b, at the time a notice is recorded, subject to any applicable limitation under section 107a(4) or 107b(4).

570.1120 Failure of owner or lessee to perform contract; compensation and additional damages.

Sec. 120. If a lien claimant, by reason of the failure of an owner or lessee to perform the contract, and without fault on the part of the lien claimant, has been prevented from completely performing the contract, the lien claimant shall be entitled to compensation for as much as was performed by the claimant under the contract, in proportion to the price stipulated for complete performance of the whole contract, less any payments made to the lien claimant and also to any additional damages which the lien claimant may be entitled to as a matter of law.

History: 1980, Act 497, Eff. Jan. 1, 1982.

570.1121 Judgment of foreclosure; sale of real property or improvement; satisfaction of lien from rents, profits, and income; adding tax and insurance premium payments; affidavit; redemption period; conduct of sale; right, title, and interest vested in grantee; final order; deficiency judgment; surplus; bringing sale proceeds into court; redemption.

Sec. 121. (1) If the court finds that a lien claimant is entitled to a construction lien upon the real property to which he or she furnished an improvement, and the amount adjudged to be due has not been paid, the court may enter a judgment ordering the sale of any interest in the real property, or a part of the real property, to which the construction lien attaches. If the construction lien attaches only to the improvement furnished, the court may order a sale of the improvement. If the court finds that there is an interest in or encumbrance against the real property which is superior to the construction lien being foreclosed, the order for sale shall indicate that fact. The court may order a construction lien satisfied out of the rents, profits, and income from the real property to which the construction lien has attached.

(2) In a judgment of foreclosure, the court may provide for adding to the amount determined to be due any amount paid by any lien claimant, mortgagee, or receiver appointed by the court, after the foreclosure sale and before the expiration of the period of redemption, for taxes assessed against the real property sold or for that portion of the premium of an insurance policy covering the building located on the real property, which premium portion is required to keep the policy in force until the expiration of the period of redemption. After the making of any tax or premium payments, an affidavit with respect to the payments shall be recorded immediately in the office of the register of deeds for the county in which the deed on foreclosure sale was recorded.

(3) In the order for the foreclosure sale, the court shall fix a period for redemption. The period of redemption shall not exceed 4 months. The sale shall be conducted in the same manner as a sale on execution. The sale shall become final, subject to the period of redemption, upon the entry of an order of confirmation by the court. Pursuant to section 119(3) and subject to subsection (1), the foreclosure, upon becoming final, shall vest in the grantee named in the deed all the right, title, and interest in the real property which the owner, co-owner, lessee, or co-lessee whose interest is being foreclosed had at the date of the execution of the contract or at any time thereafter.

(4) The court shall enter a final order directing the distribution of all of the funds obtained from the foreclosure sale in accordance with the priorities of the parties as determined by the court. The court shall adjudicate the rights, if any, of lien claimants to a deficiency judgment against any owner or lessee contracting for an improvement. After the making of all payments directed by the court, any surplus from the proceeds of the sale of property on the foreclosure of a construction lien under this act shall be paid over to the owner, co-owner, lessee, co-lessee, or such other person as may be entitled to the surplus. However, the surplus shall be subject to a subsequent judgment or execution under this act in the same manner as if the surplus was derived from a sale made under the subsequent execution.

(5) If all claims of lien are not ascertained when a sale is ordered, or if for any other reason it is deemed proper to postpone the order of distribution of the proceeds of a sale on foreclosure, the court may direct the party making the sale to bring the proceeds of the sale into court, to be disposed of according to order of the

court.

(6) Redemption from a foreclosure sale is complete upon payment of all sums set forth in the judgment of foreclosure, together with any sums due for the payment of taxes or insurance premiums as provided in subsection (2). If there is not a redemption from the foreclosure sale, taxes and insurance premiums paid after the sale shall not be included in any deficiency judgment.

570.1122 Appointing receiver in action to enforce construction lien through foreclosure or in action to foreclose mortgage; petition; motion; finding; appointment; nominations by mortgagee and lien claimant; fiduciary responsibility; appointment of receiver for residential structure or certain apartment buildings prohibited; power of receiver.

Sec. 122. (1) If the improvement to the real property is not completed as of the date of commencement of an action in which enforcement of a construction lien through foreclosure is sought or in any action to foreclose a mortgage on the real property on which the incomplete improvement exists, any lien claimant or mortgagee may petition the court for the appointment of a receiver. The petition shall be heard as a motion. A receiver may be appointed by the court upon finding that a substantial unpaid construction lien exists, or that the mortgage on the real property is in default and that the lien claimant, the mortgagee, or both, are likely to sustain substantial loss if the improvement is not completed.

(2) When making an appointment of a receiver under this section, the court shall give consideration to the nominations of the mortgagee and the lien claimant. Any receiver appointed under this section shall be deemed a fiduciary for the benefit of all persons having or claiming interests in the real property, and shall exercise his or her office accordingly.

(3) A receiver shall not be appointed under this section for any residential structure, nor for any apartment building containing 4 or less apartments.

(4) The receiver shall be entitled to possession of the real property upon his or her appointment. Unless otherwise limited by the court, and subject to his or her fiduciary responsibility as provided in this act, the receiver shall have all powers generally exercised by a receiver in a court of equity, including the right to be compensated for his or her services and those of his or her agents and attorneys.

History: 1980, Act 497, Eff. Jan. 1, 1982;—Am. 1981, Act 191, Eff. Jan. 1, 1982.

570.1123 Petition by receiver for authority to complete construction of improvements, borrow money, grant security, or sell real property under foreclosure; sale; redemption period; purchase of real property by lien claimant or mortgagee; right, title, and interest vested in grantee.

Sec. 123. (1) The receiver may petition the court for authority to complete construction of improvements to the real property in full or in part, to borrow money to complete the construction, and to grant security, by way of mortgage or otherwise, for the borrowings. The priority of the security shall be determined by the court. A petition for authority to complete construction of improvements shall not be granted unless the court finds that the value added to the real property which will result from the construction is likely to exceed the cost of the additional construction, including all estimated overhead and administrative costs, together with interest on any funds that are to be borrowed for the construction. The receiver also may be authorized by the court to borrow funds for other purposes, including such purposes as preserving and operating the real property.

(2) The receiver may petition the court for authority to sell the real property interest under foreclosure for cash or on other terms as may be ordered by the court. The sale may be by private or public sale and shall be held in the manner directed by the court. A sale under this subsection shall become final upon the entry of an order of confirmation by the court, unless the court allows a period for redemption. The redemption period, if allowed, shall not exceed 4 months.

(3) Any lien claimant or mortgagee may purchase the real property at a sale on foreclosure or a sale by the receiver, and may apply on the purchase price any sums which would be payable to him or her from the proceeds of the sale.

(4) Pursuant to section 119(3) and subject to section 121(1), a sale by the receiver, upon becoming final, shall vest in the grantee named in the deed all the right, title, and interest in the real property which the owner, co-owner, lessee, or co-lessee whose interest is being foreclosed had at the date of the execution of the contract for the improvement or at any time thereafter.

570.1124 Final account of receiver; final order directing distribution of assets; order of priority; deficiency judgment; notice of hearing.

Sec. 124. (1) Upon the completion of the sale of the real property, the receiver shall prepare and submit a final account for examination and approval by the court. The court shall enter a final order directing the distribution of all funds or other assets held by the receiver. Repayment of funds borrowed by the receiver, under court authority, for the completion of improvements, or for any other purpose shall have priority in the distribution, unless a different priority has been ordered by the court. The next priority shall be that of funds expended by the receiver, including his or her fees and those of his or her attorneys and agents. The remaining funds shall be distributed to the parties in the order of the priority of their respective liens, encumbrances, or other rights as determined by the court. The court shall adjudicate the right, if any, to a deficiency judgment against any contracting party.

(2) Each person who appeared in the foreclosure action shall receive a notice of hearing on any court action concerning the receivership.

History: 1980, Act 497, Eff. Jan. 1, 1982.

570.1125 Assignability of construction lien; powers and obligations of assignee.

Sec. 125. A construction lien which arises under this act is assignable. Proceedings for the enforcement of the lien may be maintained by, and in the name of, the assignee. In that case, the assignee shall have the same power to enforce the construction lien, and shall be subject to the same obligations, as if the proceedings were being taken by, and in the name of, the lien claimant.

History: 1980, Act 497, Eff. Jan. 1, 1982.

570.1126 Construction lien concerning condominium; limitations; definitions.

Sec. 126. (1) A construction lien, concerning a condominium, arising under this act is subject to the following limitations:

(a) Except as otherwise provided in this section, a construction lien for an improvement furnished to a condominium unit or to a limited common element shall attach only to the condominium unit to which the improvement was furnished.

(b) A construction lien for an improvement authorized by the developer of a condominium project and performed upon the common elements shall attach only to condominium units owned by the developer at the time of recording of the claim of lien.

(c) A construction lien for an improvement authorized by the association of coowners of condominium units shall attach to each condominium unit only to the proportional extent that the coowner of the condominium unit is required to contribute to the expenses of administration, as provided by the condominium documents.

(d) A construction lien shall not arise or attach to a condominium unit for work performed on the common elements, if the work was not contracted for by the developer or the association of coowners of condominium units.

(2) This section shall be subject to the definitions and limitations of Act No. 59 of the Public Acts of 1978, being sections 559.101 to 559.272 of the Michigan Compiled Laws.

History: 1980, Act 497, Eff. Jan. 1, 1982.

570.1127 Full payment of claim of lien; certificate; discontinuance or dismissal of action to enforce lien through foreclosure and to discharge notice of lis pendens; documents; providing discharges of lien and other documents.

Sec. 127. (1) When any claim of lien has been fully paid, the lien claimant shall deliver to the owner, lessee, or other person making payment a certificate, witnessed and acknowledged in the same manner as a discharge of mortgage, that the claim has been paid and is now discharged. If an action to enforce the construction lien through foreclosure is pending, the lien claimant also shall furnish, upon request, those documents which are necessary to effect a discontinuance or dismissal of the action and a discharge of any notice of lis pendens filed in connection with the action.

(2) An agent who is authorized to prepare and serve a notice of furnishing on behalf of a laborer or group of laborers or an agent who is authorized to prepare, record, and serve a claim of lien on behalf of a laborer or group of laborers is automatically authorized to provide discharges of lien and other documents described in subsection (1), unless or until the laborer or group of laborers notifies the designee in writing that someone other than a previously authorized agent is duly authorized to provide the appropriate documents. An agent who is authorized to prepare and serve a notice of furnishing or a claim of lien on behalf of a laborer or group of laborers shall be responsible for providing discharges of lien and the other documents described in

subsection (1) on behalf of such laborer or laborers pursuant to this section. An agent who is authorized to prepare and serve a claim of lien on behalf of a laborer or group of laborers shall be responsible for providing discharges of lien and the other documents described in subsection (1) on behalf of such laborer or laborers pursuant to this section. An individual laborer may also provide discharges of lien and the other documents described in subsection (1) pursuant to this section instead of the agent.

570.1128 Failure to commence proceedings to enforce lien within time provided by law; certificate; recording; affidavit showing time statement or claim of lien recorded.

Sec. 128. If any statement or claim of lien has been recorded in the office of a register of deeds, and the time within which proceedings to enforce the lien through foreclosure has elapsed without commencement of the proceedings, a person with an interest in the real property affected by the lien, or that person's agent or attorney, may make and present to the county clerk of the county in which the statement or claim of lien was recorded, an affidavit showing the time when the statement or claim of lien was recorded and the names of the parties to the statement or claim of lien. The county clerk shall examine the records of his or her office, and if it appears that proceedings to enforce the lien have not been commenced with the time provided by law, the county clerk shall execute and deliver to the owner a certificate of that fact, bearing the seal of the circuit court. The certificate may be recorded in the office of the register of deeds for the county where the statement or claim of lien was recorded, after which the statement or claim of lien shall have no effect.
