- (2) Appropriation authorization adjustments required due to the negative appropriation for budgetary savings shall be made only after the approval of transfers by the legislature pursuant to section 393(2) of the management and budget act, 1984 PA 431, MCL 18.1393.
- Sec. 262. (1) It is the intent of the legislature that the department take steps to engage in cooperative efforts with county, city, township, and village law enforcement agencies in the coordination of law enforcement services and facilities.
- (2) From the funds appropriated in part 1, the department shall produce a study concerning the feasibility of the Jackson state police post, the Jackson County sheriff's department, and the city of Jackson police department sharing a common facility. The study shall also examine other ways these law enforcement agencies could work together to maximize the efficient delivery of law enforcement services. The study shall be delivered to the senate and house appropriations subcommittees on state police and military affairs not later than February 15, 2003.

Law enforcement assistance to city of Highland Park.

Sec. 263. The department of state police, in keeping with its role as the general law enforcement agency of the state and as the law enforcement agency of last resort for communities that are either without local law enforcement resources or are seriously underserved by local law enforcement resources, shall provide general law enforcement assistance to the city of Highland Park until adequate law enforcement services can be provided to the city of Highland Park by other means.

Marshall state police post; rental costs.

Sec. 264. Of the funds appropriated in part 1 for rent and building occupancy charges, funds shall be used for the necessary rental costs for a state police post in Marshall.

INFORMATION TECHNOLOGY

Michigan public safety communications system; report on collection and disposition of revenue.

Sec. 301. (1) Money appropriated under part 1 for the Michigan public safety communications system shall be expended upon approval of an expenditure plan by the state budget director.

- (2) The department of state police shall assess all subscribers of the Michigan public safety communications system reasonable access and maintenance fees.
- (3) All money received by the department of state police under this section shall be deposited to the state general fund pursuant to section 443 of the management and budget act, 1984 PA 431, MCL 18.1443.
- (4) The department of state police shall provide a report to the house and senate appropriations committees, house and senate fiscal agencies, and the state budget director on April 15, 2003 and on October 15, 2003, indicating the amount of revenue collected under this section and deposited to the state general fund for the immediately preceding 6-month period.

LEIN user fees; payment of service and contract maintenance costs.

Sec. 302. The money appropriated in part 1 for computer services shall be funded by LEIN user fees sufficient to pay 1/3 of the service and contract maintenance costs of the LEIN mainframe computer system.

Technology-related services and projects; payment of user fees.

Sec. 303. From the funds appropriated in part 1 for information technology, the department shall pay user fees to the department of information technology for technology-related services and projects. User fees shall be subject to provisions of an interagency agreement between the department and the department of information technology.

Designation of information technology as work projects.

Sec. 304. Amounts appropriated in part 1 for information technology may be designated as work projects and carried forward to support technology projects under the direction of the department of information technology. Funds designated in this manner are not available for expenditure until approved as work projects under section 451a of the management and budget act, 1984 PA 431, MCL 18.1451a.

LEIN system; access to and use of information; report.

Sec. 305. A portion of the funds appropriated in part 1 shall be used by the department to produce a written report detailing departmental policies regarding access to and use of information from the LEIN system. The report shall include a description of departmental measures to protect the security of information in the LEIN system including safeguards that would prevent unauthorized persons from obtaining information from the LEIN system. The department shall submit a copy of this report to the senate and house appropriations committees not later than April 1, 2003.

Unauthorized access or misuse of LEIN system information.

Sec. 306. The criminal justice information systems policy council shall encourage members of the law enforcement agencies in the state to be sensitive to, and note when necessary, activities or circumstances that may suggest the unauthorized access or misuse of information from the LEIN system. The criminal justice information systems policy council shall advise LEIN auditors, as a part of their audit of law enforcement agencies, to investigate in depth all suspected incidents of improper access or improper use of information from the LEIN system and determine whether or not those incidents were illegal. In those incidents that may be determined to be illegal, the executive secretary for the council shall determine whether those incidents were of a negligent or criminal nature. If an incident is determined to be an illegal act, the council shall inform the chairs of both the senate and house appropriations committees.

LEIN system; implementation of procedures for placement of information.

Sec. 307. (1) The department of state police, working with the criminal justice information system policy council, shall implement procedures by which all probation information is placed on the LEIN system. The LEIN system shall include information on each probationer, including any probation conditions placed on a probationer and the name of the probation officer assigned to a probationer. The LEIN system shall also include any nonstandard probation terms.

(2) If the department determines that amendments to the code of criminal procedure, 1927 PA 175, MCL 760.1 to 777.69, are required to include all probation information on the LEIN system, the department shall deliver to members of the senate and house appropriations subcommittees on state police and military affairs amendments to the code of criminal procedure, 1927 PA 175, MCL 760.1 to 777.69, that, in the department's view, are necessary to accomplish this goal. These proposed amendments shall be delivered to subcommittee members not later than December 1, 2002.

HIGHWAY SAFETY PLANNING

Secondary road patrol grant program; status report on assessments collected and authorized.

Sec. 401. On a quarterly basis, the department shall report to the senate and house appropriations subcommittees on state police and military affairs on the status of assessments collected and authorized under section 629e of the Michigan vehicle code, 1949 PA 300, MCL 257.629e, for the purposes of supporting the secondary road patrol grant program. Each quarterly report shall contain updated information on collection levels, revised projected grant allotments to counties for the year, a comparison of projected collections and grant distribution levels with the funds appropriated in part 1 for the secondary road patrol program, and the extent collection levels have exceeded or failed to meet appropriated levels for the current fiscal year or expenditure levels from the previous fiscal year.

FORENSIC SCIENCES

Sec. 701. (1) Subject to subsection (4), in addition to the funds appropriated under part 1, the following amounts are appropriated for the fiscal year ending September 30, 2003:

- (a) \$431,400.00 is appropriated to the Detroit police department crime laboratory from the state general fund.
- (b) \$289,700.00 is appropriated to the Detroit police department special events account from the state general fund.
- (2) From the funds appropriated for the Detroit police department crime laboratory, it is the intent of the legislature that the city of Detroit take effective measures so that within 3 years of the start of the 2002-2003 fiscal year the Detroit police laboratory will have earned accreditation from the American society of crime laboratory director's laboratory accreditation board and established the necessary standards within its DNA operations so that it will qualify to input data into the combined DNA identification system (CODIS).
- (3) The city of Detroit shall provide a written report to the department which shall include details regarding the expenditures made from the funds appropriated under subsection (1) and a progress report detailing the status toward meeting the objectives under subsection (2). This report shall be forwarded by the department to the house and senate appropriations subcommittees on state police and military affairs, the house and senate fiscal agencies, and the state budget director by January 15, 2003.

 $[\]textbf{Compiler's note:} \ \ \textbf{The shaded text was vetoed by the Governor, whose veto message appears in this volume under the heading "Vetoes."}$

(4) The appropriations in subsection (1) shall become effective only if the tax on cigarettes under the tobacco products tax act, 1993 PA 327, MCL 205.421 to 205.436, is increased by 30 cents or more per pack of cigarettes on or before September 30, 2002.

DNA protocol; distribution of copies; changes.

Sec. 702. (1) The department shall distribute a copy of the department's protocol for retaining and purging DNA analysis samples and records to each police agency in this state.

(2) The department shall report to the house and senate appropriations subcommittees on state police and military affairs and the house and senate fiscal agencies when any changes to the department's DNA protocol are made.

Collection of evidence; inclusion of "standard recommended procedures for the emergency treatment of sexual assault victims."

Sec. 703. The department shall work with the department of community health, the Michigan hospital association, the Michigan state medical society, and the Michigan nurses association to ensure that the recommendations included in the "Standard Recommended Procedures for the Emergency Treatment of Sexual Assault Victims" are followed in the collection of evidence.

MICHIGAN COMMISSION ON LAW ENFORCEMENT STANDARDS

Maintenance and delivery of training to locals.

Sec. 801. The money appropriated to the MCOLES for maintenance and delivery of training to locals is provided in accordance with a state reimbursement policy in which 100% of the determined state reimbursement rate shall be distributed upon certification by the MCOLES.

Federal firearms laws; curricula on content and application.

Sec. 803. From the appropriations in part 1 for the training of new state troopers and other new police officers in the state and for the continuing education of all law enforcement officers in the state, sufficient funds shall be used to include curricula on the content and application of federal firearms laws, including the procedures necessary for law enforcement to turn appropriate cases over to the federal bureau of alcohol, tobacco, and firearms or any other applicable federal criminal justice agency.

FIRE MARSHAL

Performance of fire marshal division; report.

Sec. 901. (1) The department shall prepare a detailed report and deliver it to the senate and house subcommittees on the state police not later than May 15, 2003.

- (2) The report shall contain input from a delegate appointed from and by the following organizations:
 - (a) Michigan fire chiefs association.
 - (b) Michigan state fireman's association.
 - (c) Michigan firefighter's union.
 - (d) Michigan fire service instructors association.
 - (e) Michigan fire inspectors society.

 $[\]textbf{Compiler's note:} \ \ \textbf{The shaded text was vetoed by the Governor, whose veto message appears in this volume under the heading "Vetoes."}$

- (f) Michigan chapter of the international association of arson investigators.
- (3) The report shall contain information about the quality and adequacy of service from the state fire investigation, education, and training under the reorganization of the fire marshal division responsibilities. The report shall be based on the performance of the fire marshal division in the performance of its fire safety duties during fiscal year 2002-2003.

EMERGENCY MANAGEMENT

State of emergency or state of disaster; expenditures.

Sec. 1001. (1) The state director of emergency management may expend money appropriated under this act to call upon any agency or department of the state or any resource of the state to protect life or property or to provide for the health or safety of the population in any area of the state in which the governor proclaims a state of emergency or state of disaster under 1945 PA 302, MCL 10.31 to 10.33, or under the emergency management act, 1976 PA 390, MCL 30.401 to 30.421. The state director of emergency management may expend the amounts the director considers necessary to accomplish these purposes. The director shall submit to the state budget director as soon as possible a complete report of all actions taken under the authority of this section. The report shall contain, as a separate item, a statement of all money expended that is not reimbursable from federal money. The state budget director shall review the expenditures and submit recommendations to the legislature in regard to any possible need for a supplemental appropriation.

(2) In addition to the money appropriated in this act, the department may receive and expend money from local, private, federal, or state sources for the purpose of providing emergency management training to local or private interests and for the purpose of supporting emergency preparedness, response, recovery, and mitigation activity. If funds are expended beyond the appropriations enacted for these purposes in part 1, the department shall notify the house and senate appropriations subcommittees on state police and military and veterans affairs and the house and senate fiscal agencies within 30 days concerning the additional expenditures.

UNIFORM SERVICES

Traffic enforcement personnel; response to crimes or emergencies.

Sec. 1103. State police enlisted personnel who are employed to enforce traffic laws as provided in section 629e of the Michigan vehicle code, 1949 PA 300, MCL 257.629e, shall not be prohibited from responding to crimes in progress or other emergency situations, and are responsible for protecting every citizen of this state from harm.

SPECIAL OPERATIONS

Sale of aircraft; application of proceeds.

Sec. 1201. In addition to the appropriations in section 112 to the department of state police for the aviation program, the department is authorized to sell its aircraft and the proceeds from the sale are appropriated and may be applied to the renovation cost of replacement aircraft. If funds are expended beyond the appropriation enacted in part 1 for the aviation program, the department shall notify the house and senate subcommittees on state police and military and veterans affairs and the house and senate fiscal agencies within 30 days concerning the additional expenditures.

Sec. 1202. From the funds appropriated in part 1 for special operations, the department shall fund 1/3 of the cost of an aeronautics safety officer position within the department of transportation to coordinate safety functions between the department, the state transportation department, and the department of natural resources. It is the intent of the legislature that the safety officer position shall be equally funded by the 3 departments.

Recovery boat; station within Upper Peninsula.

Sec. 1203. From the funds appropriated in part 1 for special operations, the department shall station at least 1 recovery boat within the Upper Peninsula from its fleet of recovery boats.

CRIMINAL INVESTIGATIONS

Services in vicinity of state prison.

Sec. 1301. (1) There is sufficient money appropriated in section 113 to criminal investigations to ensure that the citizens in a service area of any state police post in the vicinity of a state prison do not experience a downgrading of state police services in their area. Criminal investigations shall be available by temporary or permanent assignment of a detective when either a temporary or permanent prison facility is opened.

(2) If the department is unable to comply with subsection (1) and there is a prison scheduled to open, the department shall provide troopers to serve as investigators on an interim basis.

MOTOR CARRIER ENFORCEMENT

School bus inspection.

Sec. 1401. (1) The department shall report to the house and senate appropriations subcommittees on state police and the house and senate fiscal agencies by March 1, 2003 regarding the inspection of school buses and other motor vehicles under section 715a of the Michigan vehicle code, 1949 PA 300, MCL 257.715a, and section 39 of the pupil transportation act, 1990 PA 187, MCL 257.1839. The report shall include the following information regarding inspections conducted in calendar year 2002:

- (a) The number of buses and vehicles inspected by the department.
- (b) The number of buses and vehicles passing and failing inspection.
- (c) The estimated number of buses and vehicles not inspected.
- (2) If each school bus within a school system receives a 100% successful state inspection on its first inspection in a given year, the department shall award a certificate to that school system.

Enforcement of motor carrier laws and regulations.

Sec. 1402. (1) It is the intent of the legislature that funds appropriated for the motor carrier enforcement division be used to the maximum extent possible for the enforcement of motor carrier laws and regulations, particularly for the acquisition of equipment, modern technology, and personnel to do the job.

(2) The department shall submit a written report to the senate and house appropriations subcommittees on state police by November 15, 2002, detailing the department's allocation plan for funds appropriated for motor carrier enforcement for fiscal year 2002-2003. Included in the report shall be the allocation plan for any funds and FTEs appropriated by the legislature which were of a greater amount than contained in the governor's recommendation for fiscal year 2002-2003.

This act is ordered to take immediate effect.

Approved July 25, 2002.

Filed with Secretary of State July 25, 2002.

PART 2

PROVISIONS CONCERNING APPROPRIATIONS

GENERAL SECTIONS

Total state spending; payments to local units of government.

Sec. 201. Pursuant to section 30 of article IX of the state constitution of 1963, total state spending from state resources under part 1 for fiscal year 2002-2003 is \$311,808,900.00 and state spending from state resources to be paid to local units of government for fiscal year 2002-2003 is \$16,221,000.00. The itemized statement below identifies appropriations from which spending to units of local government will occur:

DEPARTMENT OF CONSUMER AND INDUSTRY SERVICES	
Fire protection grants	\$ 3,721,000
Liquor law enforcement	6,000,000
Local manufactured housing inspections	250,000

Remonumentation grants	6,000,000
Subgrantees	250,000
Total department of consumer and industry services	\$ 16.221.000

Appropriations subject to §§ 18.1101 to 18.1594.

Sec. 202. The appropriations authorized under this act are subject to the management and budget act, 1984 PA 431, MCL 18.1101 to 18.1594.

Definitions.

Sec. 203. As used in this appropriation act:

- (a) "AFC" means adult foster care.
- (b) "Department" means the department of consumer and industry services.
- (c) "DOE" means the United States department of energy.
- (d) "DOE-OEERE" means the DOE office of energy efficiency and renewable energy.
- (e) "DOL" means the United States department of labor.
- (f) "DOL-ETA" means the DOL employment and training administration.
- (g) "DOT" means the United States department of transportation.
- (h) "DOT-RSPA" means the DOT research and special programs administration.
- (i) "EEOC" means equal employment opportunity commission.
- (j) "Fiscal agencies" means Michigan house fiscal agency and Michigan senate fiscal agency.
 - (k) "FTE" means full-time equated.
 - (1) "HHS" means the United States department of health and human services.

 - (o) "MES" means Michigan employment security.
- (p) "Subcommittees" means all members of the subcommittees of the house and senate appropriations committees with jurisdiction over the budget for the department.

Billing by department of civil service.

Sec. 204. The department of civil service shall bill departments and agencies at the end of the first fiscal quarter for the 1% charge authorized by section 5 of article XI of the state constitution of 1963. Payments shall be made for the total amount of the billing by the end of the second fiscal quarter.

Hiring freeze; exceptions.

- Sec. 205. (1) A hiring freeze is imposed on the state classified civil service. State departments and agencies are prohibited from hiring any new full-time state classified civil service employees and prohibited from filling any vacant state classified civil service positions. This hiring freeze does not apply to internal transfers of classified employees from 1 position to another within a department.
- (2) The state budget director shall grant exceptions to this hiring freeze when the state budget director believes that the hiring freeze will result in rendering a state department or agency unable to deliver basic services, cause a loss of revenue to the state, result in the inability of the state to receive federal funds, or would necessitate additional

expenditures that exceed any savings from maintaining a vacancy. The state budget director shall report quarterly to the chairpersons of the senate and house of representatives standing committees on appropriations the number of exceptions to the hiring freeze approved during the previous month and the reasons to justify the exception.

Contingency funds; availability for expenditure.

Sec. 206. (1) In addition to the funds appropriated in part 1, there is appropriated an amount not to exceed \$23,500,000.00 for federal contingency funds. These funds are not available for expenditure until they have been transferred to another line item in this act pursuant to section 393(2) of the management and budget act, 1984 PA 431, MCL 18.1393.

- (2) In addition to the funds appropriated in part 1, there is appropriated an amount not to exceed \$12,200,000.00 for state restricted contingency funds. These funds are not available for expenditure until they have been transferred to another line item in this act pursuant to section 393(2) of the management and budget act, 1984 PA 431, MCL 18.1393.
- (3) In addition to the funds appropriated in part 1, there is appropriated an amount not to exceed \$180,800.00 for local contingency funds. These funds are not available for expenditure until they have been transferred to another line item in this act pursuant to section 393(2) of the management and budget act, 1984 PA 431, MCL 18.1393.
- (4) In addition to the funds appropriated in part 1, there is appropriated an amount not to exceed \$50,000.00 for private contingency funds. These funds are not available for expenditure until they have been transferred to another line item in this act pursuant to section 393(2) of the management and budget act, 1984 PA 431, MCL 18.1393.

Privatization; project plan.

Sec. 207. At least 60 days before beginning any effort to privatize, the department shall submit a complete project plan to the subcommittees and the fiscal agencies. The plan shall include the criteria under which the privatization initiative will be evaluated. The evaluation shall be completed and submitted to the fiscal agencies and to the subcommittees within 30 months.

Reporting requirements; use of Internet.

Sec. 208. Unless otherwise specified, the department shall use the Internet to fulfill the reporting requirements of this act. This may include transmission of reports via electronic mail to the recipients identified for each reporting requirement or it may include placement of reports on the Internet or Intranet site. Quarterly, the department shall provide to the subcommittees, state budget office, and the fiscal agencies an electronic and paper copy listing of the reports submitted during the most recent 3-month period along with the Internet or Intranet site of each report, if any.

Purchase of foreign goods or services.

Sec. 209. Funds appropriated in part 1 shall not be used for the purchase of foreign goods or services, or both, if competitively priced and of comparable quality American goods or services, or both, are available.

Businesses in deprived and depressed communities; contracts to provide services or supplies.

Sec. 210. The director of each department receiving appropriations in part 1 shall take all reasonable steps to ensure businesses in deprived and depressed communities compete for and perform contracts to provide services or supplies, or both. Each director shall strongly encourage firms with which the department contracts to subcontract with certified businesses in depressed and deprived communities for services, supplies, or both.

Affirmative action programs.

Sec. 211. The department shall establish and maintain affirmative action programs based on guidelines developed by the state equal opportunity workforce planning council which was created by Executive Order No. 1996-13 in order to receive general fund/general purpose dollars.

Receipt and retention of reports.

Sec. 212. The departments and state agencies receiving appropriations under this act shall receive and retain copies of all reports funded from appropriations in part 1. These departments and state agencies shall follow federal and state guidelines for short-term and long-term retention of these reports and records.

Technology-related services and projects; user fees.

Sec. 259. From the funds appropriated in part 1 for information technology, the department shall pay user fees to the department of information technology for technology-related services and projects. Such user fees shall be subject to provisions of an interagency agreement between the department and the department of information technology.

Information technology; designation as work project.

Sec. 260. Amounts appropriated in part 1 for information technology may be designated as work projects and carried forward to support technology projects under the direction of the department of information technology. Funds designated in this manner are not available for expenditure until approved as work projects under section 451a of the management and budget act, 1984 PA 431, MCL 18.1451a.

Early retirement and budgetary savings; satisfaction of negative appropriation.

Sec. 261. (1) The negative appropriation for early retirement savings in part 1 shall be satisfied by savings realized from not filling all of the positions lost due to the early retirement plan for state employees enacted in 2002 PA 93 amendments to the state employees' retirement act, 1943 PA 240, MCL 38.1 to 38.69.

- (2) The negative appropriation for budgetary savings in part 1 shall be satisfied by savings from the hiring freeze imposed under section 205, efficiencies, and other savings identified by the department director and approved by the state budget director.
- (3) Appropriation authorization adjustments required due to negative appropriations for early retirement savings and budgetary savings shall be made only after the approval of transfers by the legislature pursuant to section 393(2) of the management and budget act, 1984 PA 431, MCL 18.1393.

Sec. 262. (1) Subject to subsection (2), in addition to the amounts appropriated under part 1, \$3,700,000.00 is appropriated to fire protection grants from the state general fund for the fiscal year ending September 30, 2003.

Compiler's note: The shaded text was vetoed by the Governor, whose veto message appears in this volume under the heading "Vetoes."

(2) The appropriations in subsection (1) shall become effective only if the tax on cigarettes under the tobacco products tax act, 1993 PA 327, MCL 205.421 to 205.436, is increased by 30 cents or more per pack of cigarettes on or before September 30, 2002.

DEPARTMENT OF CONSUMER AND INDUSTRY SERVICES

Fire protection grants; appropriation from liquor purchase revolving fund.

Sec. 301. The appropriation in part 1 for fire protection grants from the liquor purchase revolving fund shall be appropriated to cities, villages, and townships with state-owned facilities for fire services, instead of taxes, in accordance with 1977 PA 289, MCL 141.951 to 141.956.

Funds collected in connection with conservatorship pursuant to § 445.1682; expenses.

Sec. 302. The funds collected by the office of financial and insurance services in connection with a conservatorship pursuant to section 32 of the mortgage brokers, lenders, and servicers licensing act, 1987 PA 173, MCL 445.1682, shall be appropriated for all expenses necessary to provide for the required services. Funds are available for expenditure when they are received by the department of treasury and shall not lapse to the general fund at the end of the fiscal year.

Funds collected from corporations being liquidated; expenses.

Sec. 303. The funds collected by the department from corporations being liquidated pursuant to the insurance code of 1956, 1956 PA 218, MCL 500.100 to 500.8302, shall be appropriated for all expenses necessary to provide for the required services. Funds are available for expenditure when they are received by the department of treasury and shall not lapse to the general fund at the end of the fiscal year.

Customized listing of nonconfidential information; fee; use of revenue.

Sec. 304. The department may make available to interested entities otherwise unavailable customized listings of nonconfidential information in its possession, such as names and addresses of licensees, and charge for this information as follows: base fee for 1 to 1,000 records at the cost to the department; 1,001 to 10,000 records at 2.5 cents per record; and 10,001 or more records at .5 cents per record. The revenue received from this service may be used to offset expenses of programs as appropriated in part 1. The balance of this revenue collected and unexpended at the end of the fiscal year shall revert to the appropriate restricted revenue account or fund or, in absence of such an account or fund, to the general fund. The department shall submit an annual report on or before December 1 of each year to the state budget office and the subcommittees that states the amount of revenue received from the sale of information.

Members of commissions or boards; per diem payments.

Sec. 305. The appropriation in part 1 may be used for per diem payments to the members of commissions or boards for a full day of committee work at which a quorum is

 $[\]textbf{Compiler's note:} \ \ \textbf{The shaded text was vetoed by the Governor, whose veto message appears in this volume under the heading "Vetoes."}$

present or for performing official business as authorized by each respective commission or board. The per diem payments shall be \$50.00 per day.

Housing production goals.

Sec. 306. The Michigan state housing development authority shall annually present a report to the state budget office and the subcommittees on the status of the authority's housing production goals under all financing programs established or administered by the authority. The report shall give special attention to efforts to raise affordable multifamily housing production goals.

Child care organizations and adult foster care facilities; licensing and regulation fees.

Sec. 307. The department shall assess and collect fees in the licensing and regulation of child care organizations as defined in 1973 PA 116, MCL 722.111 to 722.128, and adult foster care facilities as defined in the adult foster care facility licensing act, 1979 PA 218, MCL 400.701 to 400.737. Fees collected by the department shall be used exclusively for the purpose of licensing and regulating child care organizations and adult foster care facilities.

Licenses, permits, and other elevator regulation fees.

Sec. 308. The funds collected by the department for licenses, permits, and other elevator regulation fees set forth in R 408.8151 of the Michigan administrative code and as determined under section 8 of 1976 PA 333, MCL 338.2158, and section 16 of 1967 PA 227, MCL 408.816, that are unexpended at the end of the fiscal year shall carry forward to the subsequent fiscal year. The department shall submit a report on an annual basis to the state budget office and the subcommittees on the amount of funds available under this section.

Occupational safety and health, health systems administration, or radiological health administration.

Sec. 309. If the revenue collected by the department for occupational safety and health, health systems administration, or radiological health administration and projects from fees and collections exceeds the amount appropriated in part 1, the revenue may be carried forward into the subsequent fiscal year. The revenue carried forward under this section shall be used as the first source of funds in the subsequent fiscal year.

Fire safety programs; inspection and plan review fees.

Sec. 310. Money appropriated under this act for fire safety programs shall not be expended unless, in accordance with section 2c of the fire prevention code, 1941 PA 207, MCL 29.2c, inspection and plan review fees will be charged according to the following schedule:

Operation and maintenance inspection fee

Facility type	Facility size	Fee
Hospitals	Any	$$8.00 per \overline{bed}$

Plan review and construction inspection fees for hospitals and schools

Project cost range	Fee
\$101,000.00 or less	minimum fee of $$15\overline{5.00}$
\$101,001.00 to \$1,500,000.00	\$1.60 per \$1,000.00
\$1,500,001.00 to \$10,000,000.00	\$1.30 per \$1,000.00
\$10,000,001.00 or more	\$1.10 per \$1,000.00
	or a maximum fee of \$60,000,00.

Juvenile residential facilities; evaluation reports.

Sec. 311. The department shall furnish the clerk of the house, the secretary of the senate, the state budget office, and all members of the house and senate appropriations committees with a summary of any evaluation reports and subsequent approvals or disapprovals of juvenile residential facilities operated by the family independence agency, as required by section 6 of 1973 PA 116, MCL 722.116. If no evaluations are conducted during the fiscal year, the department shall notify the fiscal agencies and all members of the appropriate subcommittees of the house and senate appropriations committees.

Nursing homes, county medical care facilities, and hospital long-term care; inspectors.

Sec. 312. (1) From the amount appropriated in part 1 to health systems administration, the department shall provide funding for not less than 113 inspectors to annually survey and investigate the care and services delivered in nursing homes, county medical care facilities, and hospital long-term care units in accordance with provisions in the public health code, 1978 PA 368, MCL 333.1101 to 333.25211, and federal Medicare and Medicaid certification standards.

(2) The department, in keeping with the severity of the allegations, shall investigate complaints alleging poor care and services occurring on nights or weekends in nursing homes, county medical care facilities, and hospital long-term care units by conducting onsite investigations on nights or weekends.

Licensing and regulation fees; carrying forward excess revenue.

Sec. 313. If the revenue collected by the department from licensing and regulation fees exceeds the amount appropriated in part 1, the revenue may be carried forward into the subsequent fiscal year. The revenue carried forward under this section shall be used as the first source of funds in the subsequent fiscal year.

Michigan unemployment agency; expenditures for staffing and program expenses.

Sec. 314. Funds earned or authorized by the United States department of labor in excess of the gross appropriation in part 1 for the Michigan unemployment agency from the United States department of labor are appropriated and may be expended for staffing and related expenses incurred in the operation of its programs. These funds may be spent after the department notifies the state budget office and the subcommittees of the purpose and amount of each grant award.

Sale of documents.

Sec. 315. The department shall sell documents at a price not to exceed the cost of production and distribution. Money received from the sale of these documents shall revert to the department. The funds are available for expenditure when they are received by the department of treasury and may only be used for costs directly related to the continued updating and distribution of the documents pursuant to this section. This section applies only for the following documents:

- (a) Corporation and securities division documents, reports, and papers required or permitted by law pursuant to section 1060(5) of the business corporation act, 1972 PA 284, MCL 450.2060.
- (b) The subdivision control manual, the state boundary commission operations manual, and other local government assistance manuals.

- (c) The Michigan liquor control code of 1998, 1998 PA 58, MCL 436.1101 to 436.2303.
- (d) The mobile home commission act, 1987 PA 96, MCL 125.2301 to 125.2349; the business corporation act, 1972 PA 284, MCL 450.1101 to 450.2098; the nonprofit corporation act, 1982 PA 162, MCL 450.2101 to 450.3192; and the uniform securities act, 1964 PA 265, MCL 451.501 to 451.818.
 - (e) Labor law books.
 - (f) Worker's compensation health care services rules.
 - (g) Minimum design standards for health care facilities.
 - (h) Construction code manuals.
 - (i) Copies of transcripts from administrative law hearings.

Nursing homes; survey reports.

Sec. 316. The department shall report to the state budget office, the fiscal agencies, and the subcommittees on April 30, 2003 and October 31, 2003 on the initial and follow-up surveys conducted on all nursing homes in this state. The report shall include all of the following information:

- (a) The number of surveys conducted.
- (b) The number requiring follow-up surveys.
- (c) The number referred to the Michigan public health institute for remediation.
- (d) The number of citations per home.
- (e) The number of night and weekend complaints filed.
- (f) The number of night and weekend responses to complaints conducted by the department.
- (g) The average length of time for the department to respond to a complaint filed against a nursing home.
 - (h) The number and percentage of citations appealed.
 - (i) The number and percentage of citations overturned and/or modified.

Bureau of safety and regulation; report on number of individuals killed and injured.

Sec. 317. The department, bureau of safety and regulation, shall provide an annual report by February 1 of each year to the state budget office, the fiscal agencies, and the subcommittees on the number of individuals killed and the number of individuals injured on the job within industries regulated by the bureau during the preceding calendar year.

Nursing home complaint investigation backlog; status report.

Sec. 318. The department shall report by November 1, 2002 to the state budget office, the legislature, and the fiscal agencies the status of the nursing home complaint investigation backlog.

Health systems administration; duty of department to investigate complaints.

Sec. 319. As a condition for receiving the general fund/general purpose appropriations in part 1 for health systems administration, the department shall provide assistance to any person making an oral request for a nursing home investigation in putting his or her request into writing, shall initiate investigations on all written nursing home complaints

filed with the department within 15 days of receipt of the complaint, and shall provide a written response to the complainant within 30 days of receipt of the written complaint.

Unemployment agency offices; operation within Upper Peninsula.

Sec. 320. The unemployment agency, during its transition to the remote initial claims system, may operate a sufficient number of unemployment agency offices, including itinerant or satellite offices, within Michigan's Upper Peninsula to ensure that the citizens of the Upper Peninsula can access these offices without excessive travel or, in cases where unemployment claims are filed or renewed by phone, without excessive long-distance toll charges.

Emergency medical services personnel serving in rural areas; grants and contracts.

Sec. 321. The department shall continue to work with grantees supported through the appropriation in part 1 for emergency medical services grants and contracts to ensure that a sufficient number of qualified emergency medical services personnel exist to serve rural areas of the state.

Utility consumer representation; public service announcements.

Sec. 322. From the funds appropriated in part 1 for utility consumer representation, the department shall produce and facilitate the airing of public service announcements that inform utility customers of the availability and purpose of these funds. The utility consumer participation board shall report to the subcommittees, fiscal agencies, and state budget office by September 30, 2003 on its efforts in this area, including the amount of expenditures made for this purpose.

Nursing home regulation; clarification of terms; training.

Sec. 323. (1) The department in consultation with nursing home provider groups, the department of community health, the state long-term care ombudsman, and the federal health care finance administration shall continue to work to clarify the following terms as those terms are used in title XVIII and title XIX and applied by the department to provide more consistent regulation of nursing homes in Michigan:

- (a) Immediate jeopardy.
- (b) Harm.
- (c) Potential harm.
- (d) Avoidable.
- (e) Unavoidable.
- (2) The department shall semiannually provide for joint training with nursing home surveyors and providers on at least 1 of the 10 most frequently issued federal citations in this state during the past calendar year. The department shall provide a mechanism to measure the effect of the training and shall report to the legislature and the state budget office on the effect of the training by January 15, 2003.

Unemployment agency 1-stop center.

Sec. 324. The unemployment agency shall work collaboratively with the department of career development to ensure each 1-stop center has the ability to assist individuals or respond to inquiries regarding unemployment benefits and the remote initial claims system.

Nursing home inspection; posting summary.

Sec. 325. (1) The department shall post on the Internet the executive summary of the latest inspection for each licensed nursing home.

(2) The department shall work toward posting inspection summaries for licensed day care centers on the Internet.

General industry inspectors, construction industry inspectors, and hygienists; staffing levels.

Sec. 326. From the appropriations in part 1 for occupational safety and health, the department shall provide funding for at least 76 general industry safety inspectors, construction industry safety inspectors, and industrial hygienists. The department shall submit a report to the subcommittees, fiscal agencies, and state budget office by February 15, 2003 on the staffing levels for these categories. No budgetary savings shall be taken from the funding for inspection staffing.

Nursing home inspectors; long-term care experience.

Sec. 327. When hiring any new nursing home inspectors funded through appropriations in part 1, the department shall make every effort to hire individuals with past experience in the long-term care industry.

Board of psychology license renewal; continuing education requirements.

Sec. 328. It is the intent of this legislature that beginning January 1, 2004, the board of psychology shall require a licensee seeking renewal of a license to furnish the board with satisfactory evidence that during the 2 years before application for renewal the licensee has attended continuing education courses or programs approved by the board totaling not less than 36 credits. The applicant shall be responsible for maintaining records of continuing education attendance. The board is authorized to request verification of continuing education records at the time of renewal of application. Verification may be conducted periodically by sample or by means other than reviewing every application.

Nursing scholarship program; recruitment.

Sec. 329. The department shall work to promote the nursing scholarship program funded from appropriations in part 1 to health services. The department shall focus its promotional efforts on recruiting undergraduate students into the nursing field in order to address the current nursing shortage. The department shall also make every effort to utilize scholarship funds in a manner which encourages undergraduate students to enter the nursing field.

RICCS; option to speak with unemployment agency employee.

Sec. 330. (1) The unemployment agency shall include in the remote initial claims center (RICCS) automated phone system a choice to speak with an employee of the unemployment agency as an option. This option should be provided in the system as early as possible as deemed appropriate in the system design. The department shall monitor the system to ensure compliance with these guidelines.

(2) The unemployment agency should continue to provide training opportunities to employees affected with the implementation of the RICCS.

Total patient care hours and percentage of pool staff used; report.

Sec. 331. Nursing facilities shall report in the quarterly staff report to the department, the total patient care hours provided each month, by state licensure and certification classification, and the percentage of pool staff, by state licensure and certification classifica-

tion, used each month during the preceding quarter. The department shall make available to the public, the quarterly staff report compiled for all facilities including the total patient care hours and the percentage of pool staff used, by classification.

Administrative law hearings.

Sec. 332. It is the intent of the legislature that the department make every effort to hold administrative law hearings on actions initiated by the department against regulated businesses or against individuals in regulated occupations in locations that are within 150 miles of the regulated business or of the office of the individual in a regulated occupation. In addition, it is the intent of the legislature that the department make every effort to hold administrative law hearings on actions initiated by an individual outside the department in locations within 150 miles of the home of the individual bringing the action if that individual wishes to testify at the hearing.

Displaced state workers; training and employment opportunities.

Sec. 333. The department shall work cooperatively with the department of civil service to identify state employees who will lose their jobs as a result of an agency program being reorganized, modified, or eliminated and shall develop training programs and provide training to these individuals that will provide them with the opportunity and skills necessary to secure new employment within the state government or the private sector. It shall be a priority of the department to provide training and employment opportunities to these displaced state employees through Michigan's employment service locations.

Day care facility to inspector ratio.

Sec. 334. From the funds appropriated in part 1 for adult foster care, children's welfare, and day care licensure, the department shall make every effort to maintain a day care facility to day care inspector ratio of no more than 210 to 1.

Low-income/energy efficiency assistance.

Sec. 335. (1) The public service commission shall report by June 1 of each year to the subcommittees, the state budget office, and the fiscal agencies on the distribution of funds appropriated in part 1 for the low-income/energy efficiency assistance program.

(2) Of the funds appropriated in part 1 for low-income/energy efficiency assistance, \$3,000,000.00 shall be allocated to community action agencies across the state to support shut-off protection programs for low-income individuals. Funds shall be distributed to the community action agencies no later than November 1 of each year. The community action agencies shall abide by any reporting and monitoring requirements imposed by the public service commission on other grant recipients receiving funding through this program.

Office of financial and insurance services; expenditures report.

Sec. 336. The department shall provide the subcommittees, fiscal agencies, and state budget director with a report on or before December 1, 2002 outlining actual expenditures for the last completed fiscal year for each division within the office of financial and insurance services.

Licensing and contract review team pilot.

Sec. 337. The department shall work cooperatively with the family independence agency and with representatives from the Michigan federation of private child and family agencies to form a licensing and contract compliance review team pilot to coordinate and conduct joint reviews of 1 child placing agency and 1 child caring institution between October 1, 2002 and February 1, 2003. The Michigan federation of private child and family

agencies will survey team participants and involved agencies regarding the process and provide feedback to the department. The department shall report during the annual budget presentation to the subcommittees regarding pilot outcomes.

Nursing shortage issues; research.

Sec. 338. Of the funds appropriated in part 1 for health services, \$125,000.00 shall be allocated to the center for nursing to conduct research that will address nurse workforce planning, the supply of and demand for nurses, and nurse recruitment and retention issues. The center for nursing shall recommend ways to address the shortage of nurses.

Sec. 339. From the amount appropriated in part 1 for administration of the bureau of worker's and unemployment compensation, the department shall provide funding for 6 worker's compensation mediators positions annually.

Filings of health maintenance organizations.

Sec. 340. The office of financial and insurance services shall provide copies of the quarterly and annual financial filings of health maintenance organizations to the senate and house fiscal agencies on a timely basis.

This act is ordered to take immediate effect. Approved July 25, 2002. Filed with Secretary of State July 25, 2002.

[No. 528]

(HB 5646)

AN ACT to make, supplement, and adjust appropriations for the departments of attorney general, civil rights, civil service, information technology, management and budget, state, and treasury, the executive office, and the legislative branch for the fiscal year ending September 30, 2003; to provide for the expenditure of these appropriations; to provide for the funding of certain work projects; to provide for the imposition of certain fees; to establish or continue certain funds, programs, and categories; to transfer certain funds; to prescribe certain requirements for bidding on state contracts; to provide for disposition of year-end balances for the fiscal year ending September 30, 2003; to prescribe the powers and duties of certain principal executive departments and state agencies, officials, and employees; and to provide for the disposition of fees and other income received by the various principal executive departments and state agencies.

Billing by department of civil service.

Sec. 204. The department of civil service shall bill departments and agencies at the end of the first fiscal quarter for the 1% charge authorized by section 5 of article XI of the state constitution of 1963. Payments shall be made for the total amount of the billing by the end of the second fiscal quarter.

Hiring freeze; exceptions.

Sec. 205. (1) A hiring freeze is imposed on the state classified civil service. State departments and agencies are prohibited from hiring any new full-time state classified civil service employees and prohibited from filling any vacant state classified civil service positions. This hiring freeze does not apply to internal transfers of classified employees from 1 position to another within a department.

(2) The state budget director shall grant exceptions to this hiring freeze when the state budget director believes that the hiring freeze will result in rendering a state department or agency unable to deliver basic services, cause loss of revenue to the state, result in the inability of the state to receive federal funds, or necessitate additional expenditures that exceed any savings from maintaining a vacancy. The state budget director shall report quarterly to the chairpersons of the senate and house of representatives standing committees on appropriations the number of exceptions to the hiring freeze approved during the previous quarter and the reasons to justify the exception.

Privatization; project plan.

Sec. 207. At least 60 days before beginning any effort to privatize, the departments and agencies receiving appropriations in part 1 shall submit a complete project plan to the senate and house of representatives standing committees on appropriations subcommittees on general government and the senate and house fiscal agencies. The plan shall include the criteria under which the privatization initiative will be evaluated. The evaluation shall be completed and submitted to the senate and house of representatives standing committees on appropriations subcommittees on general government and the senate and house fiscal agencies within 30 months.

Reporting requirements; use of Internet.

Sec. 208. Unless otherwise specified, departments and agencies receiving appropriations in part 1 shall use the Internet to fulfill the reporting requirements of this act. This requirement may include transmission of reports via electronic mail to the recipients identified for each reporting requirement, or it may include placement of reports on an Internet or Intranet site.

Purchase of foreign goods or services.

Sec. 209. Funds appropriated in part 1 shall not be used for the purchase of foreign goods or services, or both, if competitively priced and of comparable quality American goods or services, or both, are available.

Businesses in deprived and depressed communities; contracts for services and supplies.

Sec. 210. The director of each department receiving appropriations in part 1 shall take all reasonable steps to ensure businesses in deprived and depressed communities compete for and perform contracts to provide services or supplies, or both. Each director shall strongly encourage firms with which the department contracts to subcontract with certified businesses in depressed and deprived communities for services, supplies, or both.

Appropriation to countercyclical budget and economic stabilization fund.

Sec. 211. Pursuant to section 352 of the management and budget act, 1984 PA 431, MCL 18.1352, that provides for a transfer of state general funds into the countercyclical budget and economic stabilization fund, there is appropriated into the countercyclical budget and economic stabilization fund the sum of \$0.00. The calculation required by section 352 of the management and budget act, 1984 PA 431, MCL 18.1352, is determined as follows:

	2001	2002
Michigan personal income (millions)	\$295,108	\$303,666
less: transfer payments	40,958	44,256
Subtotal	254,150	259,411
Divided by: Detroit CPI for 12 months		
Ending June 30 (1982=1.00)	1.729	1.762
Equals: real adjusted Michigan personal income	\$146,992	\$147,238
Percentage change		0.2%
Percentage change under 0%		0.2%
Multiplied by: estimated GF/GP revenue in		
FY 2001-2002 (millions)		8,406.0
Equals: countercyclical budget and economic		
stabilization fund calculation for the fiscal year		
ending September 30, 2003		\$0.00

Receipt and retention of reports.

Sec. 212. The departments and agencies receiving appropriations in part 1 shall receive and retain copies of all reports funded from appropriations in part 1. Federal and state guidelines for short-term and long-term retention of records shall be followed.

Purchase or ownership interest in casino or gambling operation; use of funds prohibited.

Sec. 213. Funds appropriated in part 1 shall not be used by this state, a department, an agency, or an authority of this state to purchase an ownership interest in a casino enterprise or a gambling operation as those terms are defined in the Michigan gaming control and revenue act, the Initiated Law of 1996, MCL 432.201 to 432.226.

Technology-related services and projects; user fees.

Sec. 214. From the funds appropriated in part 1 for information technology, departments and agencies shall pay user fees to the department of information technology for technology-related services and projects. Such user fees shall be subject to provisions of an interagency agreement between the departments and agencies and the department of information technology.

Employee communication with legislature; disciplinary action prohibited.

Sec. 215. A department or state agency shall not take disciplinary action against an employee for communicating with a member of the legislature or their staff.

Early retirement and budgetary savings; satisfaction of negative appropriations.

Sec. 216. (1) The negative appropriations for early retirement savings in part 1 shall be satisfied by savings realized from not filling all of the positions lost due to the early retirement plan for state employees enacted in 2002 PA 93 amendments to the state employees' retirement act, 1943 PA 240, MCL 38.1 to 38.69.

- (2) The negative appropriations for budgetary savings in part 1 shall be satisfied by savings from the hiring freeze imposed under section 205, efficiencies, and other savings identified by the department directors and approved by the state budget director.
- (3) Appropriation authorization adjustments required due to negative appropriations for early retirement savings and budgetary savings shall be made only after the approval of transfers by the legislature under section 393(2) of the management and budget act, 1984 PA 431, MCL 18.1393.

DEPARTMENT OF ATTORNEY GENERAL

Contingency funds; availability for expenditure.

Sec. 300. (1) In addition to the funds appropriated in part 1, there is appropriated an amount not to exceed \$1,500,000.00 for federal contingency funds. These funds are not available for expenditure until they have been transferred to another line item in this act under section 393(2) of the management and budget act, 1984 PA 431, MCL 18.1393.

- (2) In addition to the funds appropriated in part 1, there is appropriated an amount not to exceed \$1,500,000.00 for state restricted contingency funds. These funds are not available for expenditure until they have been transferred to another line item in this act under section 393(2) of the management and budget act, 1984 PA 431, MCL 18.1393.
- (3) In addition to the funds appropriated in part 1, there is appropriated an amount not to exceed \$100,000.00 for local contingency funds. These funds are not available for

expenditure until they have been transferred to another line item in this act under section 393(2) of the management and budget act, 1984 PA 431, MCL 18.1393.

(4) In addition to the funds appropriated in part 1, there is appropriated an amount not to exceed \$100,000.00 for private contingency funds. These funds are not available for expenditure until they have been transferred to another line item in this act under section 393(2) of the management and budget act, 1984 PA 431, MCL 18.1393.

Attorney general; legal services.

- Sec. 301. (1) The attorney general shall perform all legal services, including representation before courts and administrative agencies rendering legal opinions and providing legal advice to a principal executive department or state agency. A principal executive department or state agency shall not employ or enter into a contract with any other person for services described in this section.
- (2) The attorney general shall defend judges of all state courts if a claim is made or a civil action is commenced for injuries to persons or property caused by the judge through the performance of the judge's duties while acting within the scope of his or her authority as a judge.
- (3) The attorney general shall perform the duties specified in 1846 RS 12, MCL 14.28 to 14.35, and 1919 PA 232, MCL 14.101 to 14.102, and as otherwise provided by law.

Attorney general; sale of biennial report.

Sec. 302. The attorney general may sell copies of the biennial report in excess of the 500 copies that the attorney general may distribute on a gratis basis. The attorney general shall sell copies of the report at not less than the actual cost of the report and shall deposit the money received into the general fund.

Department of attorney general; legal representation of cases handled by accident fund.

Sec. 303. The department of attorney general has retained the responsibility for legal representation for state of Michigan state employee worker's disability compensation cases handled by the accident fund company. The accident fund company revenue appropriation in part 1 is to be satisfied by billings from the department of attorney general to the accident fund company for the actual costs of legal representation, including salaries and support costs.

Costs associated with food stamp fraud cases; reimbursement.

Sec. 304. In addition to the funds appropriated in part 1, up to \$400,000.00 shall be reimbursed per fiscal year for food stamp fraud cases heard by the third circuit court of Wayne County that were initiated by the department of attorney general pursuant to the existing contract between the family independence agency, the prosecuting attorneys association of Michigan, and the department of attorney general. The source of this funding is money earned by the department of attorney general under the agreement after the allowance for reimbursement to the department of attorney general for costs associated with the prosecution of food stamp fraud cases. It is recognized that the federal funds are earned by the department of attorney general for its documented progress on the prosecution of food stamp fraud cases according to the United States department of agriculture regulations and that once earned by this state, the funds become state funds.

Proceeds from tobacco settlement agreement.

Sec. 305. Any proceeds from a lawsuit initiated by or settlement agreement entered into on behalf of this state against a manufacturer of tobacco products by the attorney general are state funds and are subject to appropriation as provided by law.

Unobligated antitrust enforcement revenue; carrying forward excess funds.

Sec. 306. Any unobligated antitrust enforcement revenue in excess of the funds appropriated in part 1, not to exceed \$250,000.00, is carried forward and available for appropriation in the succeeding fiscal year.

Payment of attorney fees.

Sec. 307. In addition to the funds appropriated in part 1, there is appropriated up to \$500,000.00 from litigation expense reimbursements awarded to the state. The funds may be expended for the payment of attorney fees assessed against the governor or the attorney general when acting in an official capacity as the named party in litigation against the state. The funds may also be expended for the payment of state costs incurred under section 16 of chapter X of the code of criminal procedure, 1927 PA 175, MCL 770.16. Unexpended funds at the end of the fiscal year are carried forward for expenditure in the following year, up to a maximum authorization of \$500,000.00.

Attorney general; annual salary.

Sec. 308. Effective January 1, 2003, the annual salary for the attorney general shall be \$135,500.00, unless an amendment to the state constitution gives the state officers compensation commission the authority to determine the salary of the attorney general.

DEPARTMENT OF CIVIL RIGHTS

Contingency funds; availability for expenditure.

Sec. 400. In addition to the funds appropriated in part 1, there is appropriated an amount not to exceed \$500,000.00 for federal contingency funds. These funds are not available for expenditure until they have been transferred to another line item in this act under section 393(2) of the management and budget act, 1984 PA 431, MCL 18.1393.

Department of civil rights; receipt and expenditure of funds; report.

Sec. 401. (1) In addition to the appropriations contained in part 1, the department of civil rights may receive and expend funds from local or private sources for all of the following purposes:

- (a) Developing and presenting training for employers on equal employment opportunity law and procedures.
 - (b) The publication and sale of civil rights related informational material.
 - (c) The provision of copy material made available under freedom of information requests.
 - (d) Other copy fees, subpoena fees, and witness fees.
