Where there is frustration, we ask for understanding.

And where there is tension, we ask for peace.

May our work here be in the true spirit of Your will.

I also ask You to bless the men and women serving in our armed forces who risk their lives everyday so we may enjoy so many freedoms of Life, Liberty, and the Pursuit of Happiness.

And finally Lord, we thank You for the countless blessings in our everyday lives. Continue to watch over us and guide us.

In Your name we pray. AMEN.”

Rep. Cushingberry, having reserved the right to explain his nay vote, made the following statement:

“Mr. Speaker and members of the House:

I voted no because this is an unfunded mandate on Ob-Gyn Doctors who already face significant challenges in Michigan from high malpractice insurance costs, low Medicaid Medicare reimbursement rates, shrinking practitioners and hospitals as well as constant second-guessing on how to conduct themselves in practice by HMO administrators. In many cases there is no need to do an ultrasound. Who will pay for this mandate? If it is not medically necessary the insurance industry will not pay. Can the State afford to pay? Where will the funds come from? We don’t have funds to appropriately care for hungry babies, the mentally infirmed, and individuals without health insurance. With a shrinking pool of medical providers, I can’t support this legislation. I refer you to the letter from the American College of Obstetricians and Gynecologist dated May 3, 2005 which was distributed by the Representative from the 109th district today as well as their website for a well reasoned logic to defeat this legislation.”

Rep. Ward moved that House Committees be given leave to meet during the balance of today’s session. The motion prevailed.

By unanimous consent the House returned to the order of
