10 whether an offender is placed on active GPS tether, passive GPS
11 tether, radio frequency tether, or some combination of these or
12 other types of electronic monitoring.

13 (c) Monthly data on the number of offenders on active GPS
14 tether, passive GPS tether, radio frequency tether, and any other
15 type of tether.

16 Sec. 611. The department shall prepare by March 1 individual

15 utilization and the cost effectiveness of the program.

16 Sec. 612. (1) The department shall review and revise as
17 necessary policy proposals that provide alternatives to prison for
18 offenders being sentenced to prison as a result of technical
19 probation violations and technical parole violations. To the extent
20 the department has insufficient policies or resources to affect the
21 continued increase in prison commitments among these offender
22 populations, the department shall explore other policy options to
23 allow for program alternatives, including department or OCC-funded
24 programs, local level programs, and programs available through
25 private agencies that may be used as prison alternatives for these
26 offenders.

27 (2) To the extent policies or programs described in subsection

1 (1) are used, developed, or contracted for, the department may
2 request that funds appropriated in part 1 be transferred under

8 sanctions and services when appropriate. The department shall
9 periodically evaluate such guidelines for modification, in response
10 to emerging information from the demonstration projects for
11 substance abuse treatment provided under this article and

3 the report shall list violations by type, by length of time since
4 release from prison, by the most recent violation, and by the
5 number of violations occurring since release from prison.

6 (c) The educational history of those offenders, including how

26 identified may be considered for commutation of their sentence with

1 a condition of parole.

2 (2) By January 1, 2015, the department shall release a request
3 for proposal for competitive bids for a pilot nursing care project
4 that will detail the costs on a per capita basis for those who are
5 medically frail or disabled which the department classifies as
6 eligible for medically frail or disability commutation. The
7 location of the nursing care pilot project shall not be classified
8 as a secure facility and shall have features of a general
9 population nursing home.

10 (3) The department shall not execute the proposal unless the
11 savings generated through the competitive bidding process exceed
12 the current costs of the medically frail and disabled individuals.

13 (4) By March 1, the department shall issue a report detailing
14 the annual utilization of the medically frail and disabled
15 commutation. The report shall also specify the amount of health
16 care costs for each prisoner in the preceding 3 fiscal years and

13 release medical or other incarceration records information
14 regarding a prisoner.

15 (3) The department shall assure that any such signed release
16 forms shall follow a prisoner upon transfer to another department
17 facility or to the supervision of a parole officer. A release of

12 administration region.

13 Sec. 812. (1) The department shall provide the department of
14 human services with a monthly list of prisoners newly committed to
15 the department of corrections. The department and the department of
16 human services shall enter into an interagency agreement under
17 which the department of human services provides the department of
18 corrections with monthly lists of newly committed prisoners who are
19 eligible for Medicaid benefits in order to maintain the process by
20 which Medicaid benefits are suspended rather than terminated. The
21 department shall assist prisoners who may be eligible for Medicaid
22 benefits after release from prison with the Medicaid enrollment
23 process prior to release from prison.

24 (2) The department shall provide the senate and house
25 appropriations subcommittees on corrections, the legislative

22 day cost for each prisoner security custody level. This calculation
23 shall include all actual direct and indirect costs for the previous
24 fiscal year, including, but not limited to, the value of services
25 provided to the department by other state agencies and the
26 allocation of statewide legacy costs. To calculate the per

1 prisoner/per day costs, the department shall divide these direct
2 and indirect costs by the average daily population for each custody
3 level. For multilevel facilities, the indirect costs that cannot be
4 accurately allocated to each custody level can be included in the
5 calculation on a per-prisoner basis for each facility. A report
6 summarizing these calculations and the direct and indirect costs
7 included in them shall be submitted to the senate and house

6 programs, track records, accommodate transfers and prisoners with
7 health care needs, and reduce waiting lists.

8 (d) The number of prisoners paroled without a high school
9 diploma and the number of prisoners paroled without a GED.

10 (e) An explanation of the value and purpose of each program,

10 Sec. 924. The department shall evaluate all prisoners at
11 intake for substance abuse disorders, developmental disorders,
12 serious mental illness, and other mental health disorders.
13 Prisoners with serious mental illness or developmental disorders
14 shall not be confined in administrative segregation for behavior
15 due to serious mental illness or developmental disorders. Due to
16 persistent high violence risk or severe disruptive behavior that is
17 unresponsive to treatment, prisoners may be placed in secure
18 specialized housing programs that will facilitate access to
19 institutional programming and ongoing mental health services, under
20 the supervision of a mental health professional. A prisoner with
21 serious mental illness or a developmental disorder who is confined

9 administrative segregation.

10 Sec. 929. From the funds appropriated in part 1, the
11 department shall do all of the following:

12 (a) Ensure that any inmate care and control staff in contact
13 with prisoners less than 18 years of age are adequately trained
14 with regard to the developmental and mental health needs of
15 prisoners less than 18 years of age. By April 1, 2015, the
16 department shall report to the senate and house appropriations
17 subcommittees on corrections, the senate and house fiscal agencies,
18 and the state budget director on the training curriculum used and
19 the number and types of staff receiving annual training under that
20 curriculum.

21 (b) Provide appropriate placement for prisoners less than 18
22 years of age who have serious mental illness, serious emotional
23 disturbance, or a developmental disorder and need to be housed
24 separately from the general population. Prisoners less than 18
25 years of age who have serious mental illness, serious emotional
26 disturbance, or a developmental disorder shall not be placed in
27 administrative segregation for behavior due to serious mental

1 illness, serious emotional disturbance, or a developmental
2 disorder. Due to persistent high violence risk or severe disruptive
3 behavior that is unresponsive to treatment, prisoners less than 18
4 years of age may be placed in secure specialized housing programs
5 that will facilitate access to institutional programming and
6 ongoing mental health services, under the supervision of a mental
7 health professional. A prisoner less than 18 years of age with
8 serious mental illness, serious emotional disturbance, or a
9 developmental disorder who is confined in these specialized housing
10 programs shall be evaluated by a medical or mental health
11 professional at a frequency of not less than every 12 hours.

12 (c) Implement a specialized re-entry program that recognizes
13 the needs of prisoners less than 18 years old for supervised re-
14 entry.

15 Sec. 937. No state department or agency shall issue a request
16 for proposal (RFP) for a contract in excess of \$5,000,000.00,
17 unless the department or agency has first considered issuing a
18 request for information (RFI) or a request for qualification (RFQ)
19 relative to that contract to better enable the department or agency
20 to learn more about the market for the products or services that
21 are the subject of the future RFP. The department or agency shall
22 notify the department of technology, management, and budget of the
23 evaluation process used to determine if an RFI or RFQ was not
24 necessary prior to issuing the RFP.

25 Sec. 940. (1) Any lease, rental, contract, or other legal
26 agreement that includes a provision allowing a private person or
27 entity to use state-owned facilities or other property to conduct a

1 for-profit business enterprise shall require the lessee to pay fair
2 market value for the use of the state-owned property.

3 (2) The lease, rental, contract, or other legal agreement
4 shall also require the party using the property to make a payment
5 in lieu of taxes to the local jurisdictions that would otherwise
6 receive property tax revenue, as if the property were not owned by
7 the state.

8 Sec. 942. The department shall ensure that any contract with a
9 public or private party to operate a facility to house state
10 prisoners includes a provision to allow access by both the office
11 of the legislative auditor general and the office of the
12 legislative corrections ombudsman to the facility and to
13 appropriate records and documents related to the operation of the
14 facility. These access rights for both offices shall be the same
15 for the contracted facility as for a general state-operated
16 correctional facility.

17 Sec. 947. The department may engage with a state of Michigan
18 501(c)(3) nonprofit agency to develop a pilot program to
19 manufacture prison clothing. This program shall utilize the
20 prisoner re-entry population and provide comprehensive job training
21 with the goal of transitioning into community employment. The pilot
22 program shall be funded from 15% of the current funds allocated to
23 Michigan services industry for the manufacture of prison clothing.
24 The nonprofit agency must have existing statewide capacity to serve
25 paroled prisoners. The agency selected will provide semi-annual
26 reports to the department, the senate and house appropriations
27 subcommittees on corrections, and the senate and house fiscal

1 agencies, detailing cost savings incurred and outcomes of parolee
2 employment programs.

3 **MISCELLANEOUS**

4 Sec. 1009. The department shall make an information packet for
5 the families of incoming prisoners available on the department's
6 website. The information packet shall be updated by February 1 of
7 each year thereafter. The packet shall provide information on
8 topics including, but not limited to: how to put money into
9 prisoner accounts, how to make phone calls or create Jpay email
10 accounts, how to visit in person, proper procedures for filing
11 complaints or grievances, the rights of prisoners to physical and
12 mental health care, how to utilize the offender tracking
13 information system (OTIS), truth-in-sentencing and how it applies
14 to minimum sentences, the parole process, and guidance on the
15 importance of the role of families in the reentry process. The
16 department is encouraged to partner with external advocacy groups
17 and actual families of prisoners in the packet-writing process to
18 ensure that the information is useful and complete.

19 Sec. 1011. The department shall accept in-kind services and
20 equipment donations to facilitate the addition of a cable network
21 that provides programming that will address the religious needs of
22 incarcerated individuals. This network shall be a cable television
23 network that presently reaches the majority of households in the
24 United States. A bilingual channel affiliated with this network may
25 also be added to department programming to assist the religious
26 needs of Spanish-speaking inmates. The addition of these channels

1 shall be of no additional cost to this state.

2 **CAPITAL OUTLAY**

3 Sec. 1051. The appropriations in part 1 for capital outlay
4 shall be carried forward at the end of the fiscal year consistent
5 with the provisions of section 248 of the management and budget
6 act, 1984 PA 431, MCL 18.1248.

7 PART 2A

8 PROVISIONS CONCERNING ANTICIPATED APPROPRIATIONS
9 FOR FISCAL YEAR 2015-2016

10 **GENERAL SECTIONS**

11 Sec. 1201. It is the intent of the legislature to provide

14 appropriations are anticipated to be the same as those for fiscal

18 determined after the January 2015 consensus revenue estimating
19 conference.

20 Sec. 1202. It is the intent of the legislature that the
21 department identify the amounts for normal retirement costs and
22 legacy retirement costs for the fiscal year ending on September 30,
23 2016 for the line items listed in part 1.
