House Bill 4114

Sponsor: Rep. Jessie Dalman

Committee: Conservation, Environment
and Great Lakes

Complete to 2-8-93

A SUMMARY OF HOUSE BILL 4114 AS INTRODUCED 2-2-93

The bill would amend the Recycling Makes Cents, Office Paper Recovery Act (Public Act 411 of 1988) to expand the act's definition of "wastepaper." Currently, "wastepaper" is defined in the act to mean any discarded paper that is generated after the completion of the paper manufacturing process, and includes (but is not limited to) trimmings, printed paper, cutting and converting paper, or postconsumer paper. The bill would add cardboard, newsprint, telephone books, and catalogs to this list.
