A SUMMARY OF HOUSE BILL 4760 AS INTRODUCED 5-11-93

Under the Income Tax Act, taxpayers may donate \$2 or more of their tax refunds to the Nongame Fish and Wildlife Trust Fund to support state nongame fish and wildlife programs. Under the act, contributions may be made for tax years 1983 through 1994, or until the fund reaches \$6 million, whichever occurs first. House Bill 4760 would amend the act to extend the contribution date through the 1999 tax year.
