**A SUMMARY OF HOUSE BILL 5036 AS INTRODUCED 9-22-93**

House Bill 5036 would add a new provision to the Social Welfare Act to establish a Child Welfare Training Revolving Fund. The fund would be administered by the Department of Social Services, and would be used only to provide specialized training -- according to a federally-approved training plan -- for child protective service workers, foster parents, and adoptive parents. Money, including interest earned by the fund, remaining in the fund at the end of a fiscal year would be carried over to the next and succeeding fiscal years and would not revert to the general fund.
