**House Bill 5101

Committee: Judiciary**

Complete to 11-29-93

A SUMMARY OF HOUSE BILL 5101 AS INTRODUCED 10-13-93

Public Act 319 of 1968, which provides for the Law Enforcement Information Network (LEIN), requires a law enforcement agency to conduct a preliminary investigation before "immediately" entering certain missing persons reports into LEIN. The bill would delete the requirement for a preliminary investigation, thus requiring such reports to be entered immediately.
