(2) The necessary control work authorized pursuant to this section may be conducted by the state or a political subdivision or by an organized lake or improvement association on behalf of its members, or by the owner of property abutting on the waters of the state, or by an aquatic pest control applicator licensed under the pesticide control act, Act No. 171 of the Public Acts of 1976, being sections 286.551 to 286.581 of the Michigan Compiled Laws, after obtaining a permit from the department of natural resources.
