September 15, 1998, Introduced by Rep. Nye and referred to the Committee on Tax Policy.

A bill to amend 1893 PA 206, entitled  
"The general property tax act,"  
by amending section 27 (MCL 211.27), as amended by 1994 PA 415.

## **THE PEOPLE OF THE STATE OF MICHIGAN ENACT:**

1       Sec. 27. (1) As used in this act, "TRUE cash value" means  
2 the usual selling price at the place where the property to which  
3 the term is applied is at the time of assessment, being the price  
4 that could be obtained for the property at private sale, and not  
5 at auction sale except as otherwise provided in this section, or  
6 at forced sale. The usual selling price may include sales at  
7 public auction held by a nongovernmental agency or person ~~when~~  
8 IF those sales have become a common method of acquisition in the  
9 jurisdiction for the class of property being valued. The usual  
10 selling price does not include sales at public auction ~~where~~ IF  
11 the sale is part of a liquidation of the seller's assets in a

1 bankruptcy proceeding or ~~where~~ IF the seller is unable to use  
2 common marketing techniques to obtain the usual selling price for  
3 the property. A sale or other disposition by the state or an  
4 agency or political subdivision of the state of land acquired for  
5 delinquent taxes or an appraisal made in connection with the sale  
6 or other disposition or the value attributed to the property of  
7 regulated public utilities by a governmental regulatory agency  
8 for rate-making purposes ~~shall~~ IS not ~~be considered~~ control-  
9 ling evidence of true cash value for assessment purposes. In  
10 determining the TRUE CASH value, the assessor shall also consider  
11 the advantages and disadvantages of location; quality of soil;  
12 zoning; existing use; present economic income of structures,  
13 including farm structures; present economic income of land if the  
14 land is being farmed or otherwise put to income producing use;  
15 quantity and value of standing timber; water power and privi-  
16 leges; and mines, minerals, quarries, or other valuable deposits  
17 known to be available in the land and their value. IN DETERMIN-  
18 ING THE TRUE CASH VALUE, THE ASSESSOR SHALL NOT CONSIDER THE  
19 DECREASE IN TRUE CASH VALUE THAT IS A RESULT OF THE SALE OR  
20 TRANSFER OF DEVELOPMENT RIGHTS.

21 (2) The assessor shall not consider the increase in true  
22 cash value that is a result of expenditures for normal repairs,  
23 replacement, and maintenance in determining the true cash value  
24 of property for assessment purposes until the property is sold.  
25 For the purpose of implementing this subsection, the assessor  
26 shall not increase the construction quality classification or  
27 reduce the effective age for depreciation purposes, except if the

1 appraisal of the property was erroneous before nonconsideration  
2 of the normal repair, replacement, or maintenance, and shall not  
3 assign an economic condition factor to the property that differs  
4 from the economic condition factor assigned to similar properties  
5 as defined by appraisal procedures applied in the jurisdiction.  
6 The increase in value attributable to the items included in sub-  
7 divisions (a) to (o) that is known to the assessor and excluded  
8 from true cash value shall be indicated on the assessment roll.  
9 This subsection applies only to residential property. The fol-

18 included in the purchase price of the property in the last con-  
19 veyance of the property.
- 20 (c) Amounts paid for surveying the property pursuant to the  
21 last conveyance of the property. The legislature may require  
22 local units of government, including school districts, to submit  
23 reports of revenue lost under subdivisions (a) and (b) and this  
24 subdivision so that the state may reimburse those units for that  
25 lost revenue.

7 (4) As used in subsection (1), "present economic income"  
8 means for leased or rented property the ordinary, general, and  
9 usual economic return realized from the lease or rental of prop-  
10 erty negotiated under current, contemporary conditions between  
11 parties equally knowledgeable and familiar with real estate  
12 values. The actual income generated by the lease or rental of  
13 property is not the controlling indicator of its TRUE cash value  
14 in all cases. This subsection does not apply to property subject  
15 to a lease entered into before January 1, 1984 for which the  
16 terms of the lease governing the rental rate or tax liability  
17 have not been renegotiated after December 31, 1983. This subsec-  
18 tion does not apply to a nonprofit housing cooperative subject to  
19 regulatory agreements between the state or federal government  
20 entered into before January 1, 1984. As used in this subsection,  
21 "nonprofit cooperative housing corporation" means a nonprofit  
22 cooperative housing corporation that is engaged in providing  
23 housing services to its stockholders and members and that does  
24 not pay dividends or interest upon stock or membership investment  
25 but that does distribute all earnings to its stockholders or  
26 members.

1       (5) Beginning December 31, 1994, the purchase price paid in  
2 a transfer of property is not the presumptive true cash value of  
3 the property transferred. In determining the true cash value of  
4 transferred property, an assessing officer shall assess that  
5 property using the same valuation method used to value all other  
6 property of that same classification in the assessing  
7 jurisdiction. As used in this subsection, "purchase price" means  
8 the total consideration agreed to in an arms-length transaction  
9 and not at a forced sale paid by the purchaser of the property,  
10 stated in dollars, whether or not paid in dollars.
