Sponsor: Rep. Steve Vear

Committee: Transportation

Complete to 9-28-99

A SUMMARY OF HOUSE BILL 4884 AS INTRODUCED 9-29-99

House Bill 4884 would amend the Michigan Vehicle Code to require the Department of Transportation, with the assistance of the County Road Association and the Michigan Municipal League, to produce a written pamphlet describing the manner in which speed limits are determined, and in what manner the limits may be increased or decreased on the various highways, roads, and streets in the state. The bill would require that the pamphlet be written in plain English and updated as necessary to reflect changes in law or policy. The bill also would require that copies of the pamphlet be available at the secretary of state branch offices and at local governmental offices, and also be produced in electronic format.
