Senate Bill 706 (Substitute S-1 as reported)  
Sponsor: Senator Leon Stille  
Committee: Education

**CONTENT**

The bill would amend the Revised School Code to do the following:

- Prohibit a public school employee or volunteer from knowingly selling or promoting the use of a dietary supplement that contained a performance-enhancing compound to a pupil with whom the employee had contact as part of his or her employment or the volunteer had contact as part of his or her volunteer activities.
- Permit a public school employee or volunteer to sell or endorse the use of a performance-enhancing dietary supplement to a pupil as part of an activity that did not occur on school property or at a school-related function; was separate from the person's public school employment or volunteer activities; and, did not involve information or contact with a pupil to whom the employee or volunteer had access as the result of being a public school employee or volunteer.
- Establish misdemeanor penalties for violating the bill.

Proposed MCL 380.1317
