90TH LEGISLATURE

ENROLLED SENATE BILL No. 336

AN ACT to amend 1954 PA 116, entitled "An act to reorganize, consolidate, and add to the election laws; to provide for election officials and prescribe their powers and duties; to prescribe the powers and duties of certain state departments, state agencies, and state and local officials and employees; to provide for the nomination and election of candidates for public office; to provide for the resignation, removal, and recall of certain public officers; to provide for the filling of vacancies in public office; to provide for and regulate primaries and elections; to provide for the purity of elections; to guard against the abuse of the elective franchise; to define violations of this act; to provide appropriations; to prescribe penalties and provide remedies; and to repeal certain acts and all other acts inconsistent with this act," by amending section 358 (MCL 168.358), as amended by 1990 PA 7.

The People of the State of Michigan enact:

Sec. 358. (1) In every township, there shall be a general November election in each even-numbered year for the election of officers and the submission of propositions, as provided by law. At the 1980 general November election, there shall be elected by ballot all of the following township officers:

- (a) A supervisor.
- (b) A clerk.
- (c) A treasurer.
- (d) Two trustees.
- (e) Not more than 4 constables.

(f) If authorized by law and after a township takes the actions provided in section 11 of 1877 PA 164, MCL 397.211, 6 free public library directors.

(g) If a township takes the actions provided in section 1 of former 1931 PA 271 or section 6 of 1905 PA 157, MCL 41.426, the number of park commission members provided for under section 6 of 1905 PA 157, MCL 41.426.

(2) Except as otherwise provided in this subsection, the order of offices on the township portion of the ballots shall be the same as the order in which the officers are listed in subsection (1). Free public library directors shall be listed on the nonpartisan portion of the ballot.

(3) Subject to the limitation in subsection (1), the number of constables to be elected at the 1992 general November election and each general November election at which township offices are regularly to be elected after 1992 shall be determined by the township board by resolution not less than 6 months before the township primary election preceding the general November election. The resolution that specifies the number of constables to be elected applies in that township until a subsequent resolution is adopted altering that number. If a determination as to the number of constables to be elected is not made by the township board by the deadline under this subsection for the 1992 general

election, the number of constables to be elected shall be the same number that was elected in that township in the 1988 general November election until a resolution is adopted to provide for the election of a different number of constables.

(4) In a township having a population of 5,000 or more, or having 3,000 or more qualified and registered electors as shown by the registration records at the close of registration for the last preceding general November election, there may be elected 4 trustees. In other townships there shall be 2 trustees. A township shall not elect 4 trustees unless the election of additional trustees is approved by the voters at a general November election or by a majority of the voters attending at an annual meeting. The township board of a township having a population of 5,000 or more, or having 3,000 or more qualified and registered electors, shall cause the question of electing additional trustees to be voted on at the first general November election or annual meeting following the township's qualifying for additional trustees. If a majority of the electors voting on the question vote in favor of electing 4 trustees, the township shall thereafter elect 4 trustees. If a majority of the electors voting on the question do not vote in favor of electing 4 trustees, the township board may resubmit the question at a subsequent general November election or annual meeting or the question shall be submitted at the first general November election or annual meeting held not less than 84 days following the submission of a petition containing the signatures of not less than 10% of the registered and qualified electors of the township, as shown by the registration records at the close of registration for the last general November election, asking that the question be submitted.

(5) At the first general November election in a township held not less than 4 months after the provisions of this section relative to additional trustees are adopted by a township, there shall be elected the number of trustees necessary to make a total of 4 trustees. If the additional trustees are elected at a general November election that is not a regular township election, the additional trustees shall hold office only until a successor is elected at the next regular township election and qualifies for office.

(6) This section does not prohibit townships electing 4 trustees as of September 13, 1958 from continuing to do so.

Enacting section 1. This amendatory act does not take effect unless House Bill No. 4011 of the 90th Legislature is enacted into law.

This act is ordered to take immediate effect.
