House Bill 5330 would amend the act that establishes a revenue division within the Department of Treasury (PA122 of 1941) by making several minor, technical changes. Included is the stipulation that bulletins and/or letter rulings issued by the Commissioner be published and made available to the public in both printed and electronic format.

Because the act already specifies that the department is entitled to charge a reasonable fee for subscriptions to its publications, HB5330 should have no direct state or local fiscal impacts.
