Complete to 3-27-01

A SUMMARY OF HOUSE BILL 4505 AS INTRODUCED 3-21-01

House Bill 4505 would repeal the December 31, 2001 'sunset' provision in Public Act 57 of 1998. The act requires contractors to provide notices to governmental entities concerning improvements on real property, and also allows modifications of contracts for real property improvement. Under the bill the 'sunset' provision would be eliminated so that the act would not be repealed.
