A SUMMARY OF HOUSE BILL 6204 AS INTRODUCED 6-13-02

The bill would amend to Child Protection Law (Public Act 238 of 1975) to permit the Family Independence Agency to provide to an individual, upon his or her written request, documentation stating that the individual is not listed in the central registry. The written request would have to include a statement by the individual stating that he or she is applying for employment or seeking to volunteer in a child care center.
