Senate Bill 927 (Substitute S-1 as reported)
Senate Bill 928 (Substitute S-1 as reported)
Sponsor: Senator Philip E. Hoffman
Committee: Appropriations

CONTENT

Senate Bill 927 (S-1) would amend Public Act 213 of 1965 (which provides for setting aside certain convictions) to increase in statute from \$25 to \$50 the fee required to be submitted to the Department of State Police for an application to set aside a conviction. (Under Executive Order 2001-9, the fee is \$30 for FY 2001-02.) The bill is tie-barred to Senate Bill 425 (which would amend the Private Security Business and Security Alarm Act).

Senate Bill 928 (S-1) would amend Public Act 120 of 1935 (which provides for fingerprinting State residents) to increase in statute from \$15 to \$30 the fee that the Department of State Police may charge for taking and processing fingerprints and completing a criminal record check for employment or licensing-related purposes. (Under Executive Order 2001-9, the fee is \$30 for FY 2001-02.) The bill also would prohibit a fee from being collected under this section if a fee for taking and processing fingerprints is provided for under any other law. The bill is tie-barred to Senate Bill 425.

MCL 780.621 (S.B. 927)
MCL 28.273 (S.B. 928)

FISCAL IMPACT

Senate Bill 927 (S-1) would generate approximately \$25,000 to cover Department costs involved in adjusting records to reflect a set-aside conviction. Senate Bill 928 (S-1) would generate approximately \$1.8 million in increased fee revenue, which would be used to support operations of the Department of State Police Criminal Justice Information Center. The Governor's FY 2002-03 budget recommendation is, in part, based upon the establishment of the fee levels within these two bills.
