(14) The applicants for arts and cultural grant funds shall be charged a nonrefundable application fee of \$100.00 or 1% of the grant, whichever is less. The application fee may be used by the department to recover direct and indirect costs as appropriated in part 1.

(15) It is the intent of the legislature that the Michigan council for arts and cultural affairs continue to take appropriate steps to ensure that all organizations receiving state arts anchor organization grants have combined grant awards, as defined in subsection (17), of no more than 15.0% of operating revenue for the fiscal year ending September 30, 2005 and beyond. As used in this subsection, "operating revenue" is defined in the same manner as it was defined during the fiscal year 2000 state arts anchor organization application process.

(16) The council shall continue and expand its efforts to encourage and support nonprofit arts and cultural organizations transitioning from solely volunteer-based organizations to professional directed operations. This includes the provision of funds and services from the arts organization development, partnership, arts projects, regional services provider, and regional regranting programs as well as the rural arts and culture initiative to support professional development within these organizations. Criteria for support include the requirement of collaboration between these organizations and other community organizations.

(18) The council shall make available to an awardee any written comments that are available regarding that awardee's application and peer review process.

(19) The council shall provide for fair, equitable, and efficient distribution of funds granted through the regional regranting program. The council shall provide for an annual assessment of grant management and distribution of mini-grant awards by designated regional regranting agencies and review the methodology employed and report these findings to the state budget office and the subcommittees.
