CATHODE RAY TUBE PROHIBITED FROM LANDFILLS

Bill/Sponsor **HOUSE BILL 4296 As introduced, Rep. Chris Kolb**

House Committee Land Use and Environment

Analysis

Summary

This bill would ban Cathode Ray Tubes (CRT's) from landfills. The Department of Environmental Quality would convene a task force to review landfill regulatory programs and the handling of electronic waste containing CRT's.

Fiscal Impact

There would be an indeterminate impact on the Department of Environmental Quality. The actual impact would depend on the support costs for the landfill electronic waste task force. There would be no fiscal impact on local governmental units.
