**House Bill 6046 (Substitute H-1)**  
**Sponsor: Rep. Chris Ward**  
**Committee: Regulatory Reform**

**Complete to 9-15-04**

### **A SUMMARY OF HOUSE BILL 6046 (H-1) AS REPORTED FROM COMMITTEE**

The bill would amend the Stille-DeRossett-Hale Single State Construction Code Act to require the director of the Department of Labor and Economic Growth to make Michigan-specific codes—building, residential, plumbing, mechanical, uniform energy, and rehabilitation—available to the general public in a printed, electronic, or other form for at least 60 days before enforcing the code. The codes would have to be available in a form that does not require the user to purchase additional documents or data in order to have an updated complete version of those codes.

MCL 125.1504

### **FISCAL IMPACT:**

There is no direct fiscal impact by this bill on either the State or on local units of government.
