(h) A statement of the person's rights of redemption and notice that the rights of redemption will expire on the March 31 immediately succeeding the entry in an uncontested case of a judgment foreclosing the property under section 78k.

(2) The notice required under subsection (1) shall also be mailed to the property by first-class mail, addressed to "occupant", if the notice was not sent to the occupant of the property pursuant to subsection (1).

(3) A county treasurer may insert 1 or more additional notices in a newspaper published and circulated in the county in which the property is located, if there is one. If no newspaper is published in that county, publication may be made in a newspaper published and circulated in an adjoining county.

(4) The county treasurer may publish the street address, if available, of property subject to forfeiture under section 78g on the immediately succeeding March 1 for delinquent taxes or the street address, if available, of property subject to forfeiture under section 78g on the immediately succeeding March 1 for delinquent taxes and the name of the person to whom a tax bill for property returned for delinquent taxes was last sent and, if different, the name of the person identified as the owner of the property returned for delinquent taxes as shown on the current records of the county treasurer in a newspaper published and circulated in the county in which the property is located, if there is one. If no newspaper is published in that county, publication may be made in a newspaper published and circulated in an adjoining county.

Sec. 78g. (1) Except as otherwise provided in this subsection, on March 1 in each tax year, certified abandoned property and property that is delinquent for taxes, interest, penalties, and fees for the immediately preceding 12 months or more is forfeited to the county treasurer for the total amount of those unpaid delinquent taxes, interest, penalties, and fees. If property is forfeited to a county treasurer under this subsection, the foreclosing governmental unit does not have a right to possession of the property until the April 1 immediately succeeding the entry of a judgment foreclosing the property under section 78k or in a contested case until 22 days after the entry of a judgment foreclosing the property under section 78k. If property is forfeited to a county treasurer under this subsection, the county treasurer shall add a \$175.00 fee to each parcel of property for which those delinquent taxes, interest, penalties, and fees remain unpaid. A county treasurer shall withhold a parcel of property from forfeiture for any reason determined by the state tax commission. The procedure for withholding a parcel of property from forfeiture under this subsection shall be determined by the state tax commission.

(2) Not more than 45 days after property is forfeited under subsection (1), the county treasurer shall record with the county register of deeds a certificate in a form determined by the department of treasury for each parcel of property forfeited to the county treasurer, specifying that the property has been forfeited to the county treasurer and not redeemed and that absolute title to the property shall vest in the county treasurer on the March 31 immediately succeeding the entry of a judgment foreclosing the property under section 78k or in a contested case 21 days after the entry of a judgment foreclosing the property under section 78k. If a certificate of forfeiture is recorded in error, the county treasurer shall record with the county register of deeds a certificate of error in a form prescribed by the department of treasury. A certificate submitted to the county register of deeds for recording under this subsection need not be notarized and may be authenticated by a digital signature of the county treasurer or by other electronic means. If the county has elected under section 78 to have this state foreclose property under this act forfeited to the county treasurer under this section, the county treasurer shall immediately transmit to the department of treasury a copy of each certificate recorded under this subsection. The county treasurer shall upon collection transmit to the department of treasury within 30 days the fee added to each parcel under subsection (1), which may be paid from the county's delinquent tax revolving fund and shall be deposited in the land reutilization fund created under section 78n.

(3) Property forfeited to the county treasurer under subsection (1) may be redeemed at any time on or before the March 31 immediately succeeding the entry of a judgment foreclosing the property under section 78k or in a contested case within 21 days of the entry of a judgment foreclosing the property under section 78k upon payment to the county treasurer of all of the following:

(a) The total amount of unpaid delinquent taxes, interest, penalties, and fees for which the property was forfeited.

(b) In addition to the interest calculated under sections 60a(1) or (2) and 78a(3), additional interest computed at a noncompounded rate of 1/2% per month or fraction of a month on the taxes that were originally returned as delinquent, computed from the March 1 preceding the forfeiture.

(c) All recording fees and all fees for service of process or notice.

(4) If property is redeemed by a person with a legal interest as provided under subsection (3), any unpaid taxes not returned as delinquent to the county treasurer under section 78a are not extinguished.

(5) If property is redeemed by a person with a legal interest as provided under subsection (3), the person redeeming does not acquire a title or interest in the property greater than that person would have had if the property had not been forfeited to the county treasurer, but the person redeeming, other than the owner, is entitled to a lien for the amount paid to redeem the property in addition to any other lien or interest the person may have, which shall be recorded within 30 days with the register of deeds by the person entitled to the lien. The lien acquired shall have the same priority as the existing lien, title, or interest.

(6) If property is redeemed as provided under subsection (3), the county treasurer shall issue a redemption certificate in quadruplicate in a form prescribed by the department of treasury. One of the quadruplicate certificates shall be delivered to the person making the redemption payment, 1 shall be filed in the office of the county treasurer, 1 shall be recorded in the office of the county register of deeds, and 1 shall be immediately transmitted to the department of treasury if this state is the foreclosing governmental unit. The county treasurer shall also make a note of the redemption certificate in the tax record kept in his or her office, with the name of the person making the final

redemption payment, the date of the payment, and the amount paid. If the county treasurer accepts partial redemption payments, the county treasurer shall include in the tax record kept in his or her office the name of the person or persons making each partial redemption payment, the date of each partial redemption payment, the amount of each partial redemption payment, and the total amount of all redemption payments. A certificate and the entry of the certificate in the tax record by the county treasurer is prima facie evidence of a redemption payment in the courts of this state. A certificate submitted to the county register of deeds for recording under this subsection need not be notarized and may be authenticated by a digital signature of the county treasurer or by other electronic means. If a redemption certificate is recorded in error, the county treasurer shall record with the county register of deeds a certificate of error in a form prescribed by the department of treasury. A copy of a certificate of error recorded under this section shall be immediately transmitted to the department of treasury if this state is the foreclosing governmental unit.

(7) If a foreclosing governmental unit has reason to believe that a property forfeited under this section may be the site of environmental contamination, the foreclosing governmental unit shall provide the department of environmental quality with any information in the possession of the foreclosing governmental unit that suggests the property may be the site of environmental contamination.

Sec. 78i. (1) Not later than May 1 immediately succeeding the forfeiture of property to the county treasurer under section 78g, the foreclosing governmental unit shall initiate a search of records identified in subsection (6) to identify the owners of a property interest in the property who are entitled to notice under this section of the show cause hearing under section 78j and the foreclosure hearing under section 78k. The foreclosing governmental unit may enter into a contract with 1 or more authorized representatives to perform a title search or may request from 1 or more authorized representatives another title search product to identify the owners of a property interest in the property as required under this subsection or to perform other functions required for the collection of delinquent taxes under this act.

(2) After conducting the search of records under subsection (1), the foreclosing governmental unit or its authorized representative shall determine the address reasonably calculated to apprise those owners of a property interest of the show cause hearing under section 78j and the foreclosure hearing under section 78k and shall send notice of the show cause hearing under section 78j and the foreclosure hearing under section 78k to those owners, to a person entitled to notice of the return of delinquent taxes under section 78a(4), and to a person to whom a tax deed for property returned for delinquent taxes was issued pursuant to section 72 as determined by the records of the state treasurer or county treasurer as applicable, by certified mail, return receipt requested, not less than 30 days before the show cause hearing. If after conducting the search of records under subsection (1) the foreclosing governmental unit is unable to determine an address reasonably calculated to inform a person with an interest in a forfeited property, or if the foreclosing governmental unit discovers a deficiency in notice under subsection (4), the following shall be considered reasonable steps by the foreclosing governmental unit or its authorized representative to ascertain the address of a person entitled to notice under this section or to ascertain an address necessary to correct the deficiency in notice under subsection (4):

(a) For an individual, a search of the records of the probate court for the county in which the property is located.

(b) For an individual, a search of the qualified voter file established under section 509o of the Michigan election law, 1954 PA 116, MCL 168.509o, which is authorized by this subdivision.

(c) For a partnership, a search of partnership records filed with the county clerk.

(d) For a business entity other than a partnership, a search of business entity records filed with the department of labor and economic growth.

(3) The foreclosing governmental unit or its authorized representative or authorized agent shall make a personal visit to each parcel of property forfeited to the county treasurer under section 78g to ascertain whether or not the property is occupied. If the property appears to be occupied, the foreclosing governmental unit or its authorized representative shall do all of the following:

(a) Attempt to personally serve upon a person occupying the property notice of the show cause hearing under section 78j and the foreclosure hearing under section 78k.

(b) If a person occupying the property is personally served, orally inform the occupant that the property will be foreclosed and the occupants will be required to vacate unless all forfeited unpaid delinquent taxes, interest, penalties, and fees are paid, of the time within which all forfeited unpaid delinquent taxes, interest, penalties, and fees must be paid, and of agencies or other resources that may be available to assist the owner to avoid loss of the property.

(c) If the occupant appears to lack the ability to understand the advice given, notify the family independence agency or provide the occupant with the names and telephone numbers of the agencies that may be able to assist the occupant.

(d) If the foreclosing governmental unit or its authorized representative is not able to personally meet with the occupant, the foreclosing governmental unit or its authorized representative shall place the notice in a conspicuous manner on the property and shall also place in a conspicuous manner on the property a notice that explains, in plain English, that the property will be foreclosed unless forfeited unpaid delinquent taxes, interest, penalties, and fees are paid, the time within which forfeited unpaid delinquent taxes, interest, penalties, and fees must be paid, and the names, addresses, and telephone numbers of agencies or other resources that may be available to assist the occupant to avoid loss of the property. If this state is the foreclosing governmental unit within a county, the department of natural resources shall perform the personal visit to each parcel of property under this subsection on behalf of this state.

(4) If the foreclosing governmental unit or its authorized representative discovers any deficiency in the provision of notice, the foreclosing governmental unit shall take reasonable steps in good faith to correct that deficiency not later than 30 days before the show cause hearing under section 78j, if possible.

(5) If the foreclosing governmental unit or its authorized representative is unable to ascertain the address reasonably calculated to apprise the owners of a property interest entitled to notice under this section, or is unable to notify the owner of a property interest under subsection (2), the notice shall be made by publication. A notice shall be published for 3 successive weeks, once each week, in a newspaper published and circulated in the county in which the property is located, if there is one. If no paper is published in that county, publication shall be made in a newspaper published and circulated in an adjoining county. This publication shall be instead of notice under subsection (2).

(6) The owner of a property interest is entitled to notice under this section of the show cause hearing under section 78j and the foreclosure hearing under section 78k if that owner's interest was identifiable by reference to any of the following sources before the date that the county treasurer records the certificate required under section 78g(2):

(h) An explanation of the person's rights of redemption and notice that the rights of redemption will expire on the March 31 immediately succeeding the entry of a judgment foreclosing the property under section 78k, or in a contested case 21 days after the entry of a judgment foreclosing the property under section 78k.

(8) The published notice required under subsection (5) shall include all of the following:

(a) A legal description or parcel number of each property.

(b) The street address of each property, if available.

(c) The name of any person or entity entitled to notice under this section who has not been notified under subsection (2) or (3).

(d) The date and time of the show cause hearing under section 78j.

(e) The date and time of the hearing on the petition for foreclosure under section 78k.

(g) A statement that a person with an interest in the property may lose his or her interest in the property as a result of the foreclosure proceeding under section 78k.

(9) The owner of a property interest who has been properly served with a notice of the show cause hearing under section 78j and the foreclosure hearing under section 78k and who failed to redeem the property as provided under this act shall not assert any of the following:

(a) That notice was insufficient or inadequate on the grounds that some other owner of a property interest was not also served.

(b) That the redemption period provided under this act was extended in any way on the grounds that some other owner of a property interest was not also served.

(10) The failure of the foreclosing governmental unit to comply with any provision of this section shall not invalidate any proceeding under this act if the owner of a property interest or a person to whom a tax deed was issued is accorded the minimum due process required under the state constitution of 1963 and the constitution of the United States.

(11) As used in this section, "authorized representative" includes all of the following:

(a) A title insurance company or agent licensed to conduct business in this state.

(b) An attorney licensed to practice law in this state.

(c) A person accredited in land title search procedures by a nationally recognized organization in the field of land title searching.

(12) The provisions of this section relating to notice of the show cause hearing under section 78j and the foreclosure hearing under section 78k are exclusive and exhaustive. Other requirements relating to notice or proof of service under other law, rule, or legal requirement are not applicable to notice and proof of service under this section.

Sec. 78k. (1) If a petition for foreclosure is filed under section 78h, not later than the date of the hearing, the foreclosing governmental unit shall file with the clerk of the circuit court proof of service of the notice of the show cause hearing under section 78j, proof of service of the notice of the foreclosure hearing under this section, and proof of the personal visit to the property and publication under section 78i.

(2) A person claiming an interest in a parcel of property set forth in the petition for foreclosure may contest the validity or correctness of the forfeited unpaid delinquent taxes, interest, penalties, and fees for 1 or more of the following reasons:

(a) No law authorizes the tax.

(b) The person appointed to decide whether a tax shall be levied under a law of this state acted without jurisdiction, or did not impose the tax in question.

(c) The property was exempt from the tax in question, or the tax was not legally levied.

(d) The tax has been paid within the time limited by law for payment or redemption.

(e) The tax was assessed fraudulently.

(f) The description of the property used in the assessment was so indefinite or erroneous that the forfeiture was void.

(3) A person claiming an interest in a parcel of property set forth in the petition for foreclosure who desires to contest that petition shall file written objections with the clerk of the circuit court and serve those objections on the foreclosing governmental unit prior to the date of the hearing required under this section.

(4) If the court determines that the owner of property subject to foreclosure is a minor heir, is incompetent, is without means of support, or is undergoing a substantial financial hardship, the court may withhold that property from foreclosure for 1 year or may enter an order extending the redemption period as the court determines to be equitable. If the court withholds property from foreclosure under this subsection, a taxing unit's lien for taxes due is not prejudiced and that property shall be included in the immediately succeeding year's tax foreclosure proceeding.

(5) The circuit court shall enter final judgment on a petition for foreclosure filed under section 78h at any time after the hearing under this section but not later than the March 30 immediately succeeding the hearing with the judgment effective on the March 31 immediately succeeding the hearing for uncontested cases or 10 days after the conclusion of the hearing for contested cases. All redemption rights to the property expire on the March 31 immediately succeeding the entry of a judgment foreclosing the property under this section, or in a contested case 21 days after the entry of a judgment foreclosing the property under this section. The circuit court's judgment shall specify all of the following:

(a) The legal description and, if known, the street address of the property foreclosed and the forfeited unpaid delinquent taxes, interest, penalties, and fees due on each parcel of property.

(b) That fee simple title to property foreclosed by the judgment will vest absolutely in the foreclosing governmental unit, except as otherwise provided in subdivisions (c) and (e), without any further rights of redemption, if all forfeited delinquent taxes, interest, penalties, and fees are not paid on or before the March 31 immediately succeeding the entry of a judgment foreclosing the property under this section, or in a contested case within 21 days of the entry of a judgment foreclosing the property under this section.

(c) That all liens against the property, including any lien for unpaid taxes or special assessments, except future installments of special assessments and liens recorded by this state or the foreclosing governmental unit pursuant to the natural resources and environmental protection act, 1994 PA 451, MCL 324.101 to 324.90106, are extinguished, if all forfeited delinquent taxes, interest, penalties, and fees are not paid on or before the March 31 immediately succeeding the entry of a judgment foreclosing the property under this section, or in a contested case within 21 days of the entry of a judgment foreclosing the property under this section.

(d) That, except as otherwise provided in subdivisions (c) and (e), the foreclosing governmental unit has good and marketable fee simple title to the property, if all forfeited delinquent taxes, interest, penalties, and fees are not paid on or before the March 31 immediately succeeding the entry of a judgment foreclosing the property under this section, or in a contested case within 21 days of the entry of a judgment foreclosing the property under this section.

(e) That all existing recorded and unrecorded interests in that property are extinguished, except a visible or recorded easement or right-of-way, private deed restrictions, or restrictions or other governmental interests imposed pursuant to the natural resources and environmental protection act, 1994 PA 451, MCL 324.101 to 324.90106, if all

forfeited delinquent taxes, interest, penalties, and fees are not paid on or before the March 31 immediately succeeding the entry of a judgment foreclosing the property under this section, or in a contested case within 21 days of the entry of a judgment foreclosing the property under this section.

(f) A finding that all persons entitled to notice and an opportunity to be heard have been provided that notice and opportunity. A person shall be deemed to have been provided notice and an opportunity to be heard if the foreclosing governmental unit followed the procedures for provision of notice by mail, for visits to forfeited property, and for publication under section 78i, or if 1 or more of the following apply:

(i) The person had constructive notice of the hearing under this section by acquiring an interest in the property after the date the notice of forfeiture is recorded under section 78g.

(ii) The person appeared at the hearing under this section or filed written objections with the clerk of the circuit court under subsection (3) prior to the hearing.

(iii) Prior to the hearing under this section, the person had actual notice of the hearing.

(g) A judgment entered under this section is a final order with respect to the property affected by the judgment and except as provided in subsection (7) shall not be modified, stayed, or held invalid after the March 31 immediately succeeding the entry of a judgment foreclosing the property under this section, or for contested cases 21 days after the entry of a judgment foreclosing the property under this section.

(6) Except as otherwise provided in subsection (5)(c) and (e), fee simple title to property set forth in a petition for foreclosure filed under section 78h on which forfeited delinquent taxes, interest, penalties, and fees are not paid on or before the March 31 immediately succeeding the entry of a judgment foreclosing the property under this section, or in a contested case within 21 days of the entry of a judgment foreclosing the property under this section, shall vest absolutely in the foreclosing governmental unit, and the foreclosing governmental unit shall have absolute title to the property. The foreclosing governmental unit's title is not subject to any recorded or unrecorded lien and shall not be stayed or held invalid except as provided in subsection (7) or (9).

(7) The foreclosing governmental unit or a person claiming to have a property interest under section 78i in property foreclosed under this section may appeal the circuit court's order or the circuit court's judgment foreclosing property to the court of appeals. An appeal under this subsection is limited to the record of the proceedings in the circuit court under this section and shall not be de novo. The circuit court's judgment foreclosing property shall be stayed until the court of appeals has reversed, modified, or affirmed that judgment. If an appeal under this subsection stays the circuit court's judgment foreclosing property, the circuit court's judgment is stayed only as to the property that is the subject of that appeal and the circuit court's judgment foreclosing other property that is not the subject of that appeal is not stayed. To appeal the circuit court's judgment foreclosing property, a person appealing the judgment shall pay to the county treasurer the amount determined to be due to the county treasurer under the judgment on or before the March 31 immediately succeeding the entry of a judgment foreclosing the property under this section, or in a contested case within 21 days of the entry of a judgment foreclosing the property under this section, together with a notice of appeal. If the circuit court's judgment foreclosing the property is affirmed on appeal, the amount determined to be due shall be refunded to the person who appealed the judgment. If the circuit court's judgment foreclosing the property is reversed or modified on appeal, the county treasurer shall refund the amount determined to be due to the person who appealed the judgment, if any, and retain the balance in accordance with the order of the court of appeals.

(8) The foreclosing governmental unit shall record a notice of judgment for each parcel of foreclosed property in the office of the register of deeds for the county in which the foreclosed property is located in a form prescribed by the department of treasury.

(9) After the entry of a judgment foreclosing the property under this section, if the property has not been transferred under section 78m to a person other than the foreclosing governmental unit, a foreclosing governmental unit may cancel the foreclosure by recording with the register of deeds for the county in which the property is located a certificate of error in a form prescribed by the department of treasury, if the foreclosing governmental unit discovers any of the following:

(a) The foreclosed property was not subject to taxation on the date of the assessment of the unpaid taxes for which the property was foreclosed.

(b) The description of the property used in the assessment of the unpaid taxes for which the property was foreclosed was so indefinite or erroneous that the forfeiture of the property was void.

(c) The taxes for which the property was foreclosed had been paid to the proper officer within the time provided under this act for the payment of the taxes or the redemption of the property.

(d) A certificate, including a certificate issued under section 135, or other written verification authorized by law was issued by the proper officer within the time provided under this act for the payment of the taxes for which the property was foreclosed or for the redemption of the property.

(e) An owner of an interest in the property entitled to notice under section 78i was not provided notice sufficient to satisfy the minimum requirements of due process required under the state constitution of 1963 and the constitution of the United States.

(f) A judgment of foreclosure was entered under this section in violation of an order issued by a United States bankruptcy court.

(10) A certificate of error submitted to the county register of deeds for recording under subsection (9) need not be notarized and may be authenticated by a digital signature of the foreclosing governmental unit or by other electronic means.

Sec. 78l. (1) If a judgment for foreclosure is entered under section 78k and all existing recorded and unrecorded interests in a parcel of property are extinguished as provided in section 78k, the owner of any extinguished recorded or unrecorded interest in that property who claims that he or she did not receive any notice required under this act shall not bring an action for possession of the property against any subsequent owner, but may only bring an action to recover monetary damages as provided in this section.

(2) The court of claims has original and exclusive jurisdiction in any action to recover monetary damages under this section.

(3) An action to recover monetary damages under this section shall not be brought more than 2 years after a judgment for foreclosure is entered under section 78k.

(4) Any monetary damages recoverable under this section shall be determined as of the date a judgment for foreclosure is entered under section 78k and shall not exceed the fair market value of the interest in the property held by the person bringing the action under this section on that date, less any taxes, interest, penalties, and fees owed on the property as of that date.

(5) The right to sue for monetary damages under this section is not transferable except by testate or intestate succession.

Sec. 78m. (1) Not later than the first Tuesday in July, immediately succeeding the entry of judgment under section 78k vesting absolute title to tax delinquent property in the foreclosing governmental unit, this state is granted the right of first refusal to purchase property at the greater of the minimum bid or its fair market value by paying that amount to the foreclosing governmental unit if the foreclosing governmental unit is not this state. If this state elects not to purchase the property under its right of first refusal, a city, village, or township may purchase for a public purpose any property located within that city, village, or township set forth in the judgment and subject to sale under this section by payment to the foreclosing governmental unit of the minimum bid. If a city, village, or township does not purchase that property, the county in which that property is located may purchase that property under this section by payment to the foreclosing governmental unit of the minimum bid. If property is purchased by a city, village, township, or county under this subsection, the foreclosing governmental unit shall convey the property to the purchasing city, village, township, or county within 30 days. If property purchased by a city, village, township, or county under this subsection is subsequently sold for an amount in excess of the minimum bid and all costs incurred relating to demolition, renovation, improvements, or infrastructure development, the excess amount shall be returned to the delinquent tax property sales proceeds account for the year in which the property was purchased by the city, village, township, or county or, if this state is the foreclosing governmental unit within a county, to the land reutilization fund created under section 78n. Upon the request of the foreclosing governmental unit, a city, village, township, or county that purchased property under this subsection shall provide to the foreclosing governmental unit without cost information regarding any subsequent sale or transfer of the property. This subsection applies to the purchase of property by this state, a city, village, or township, or a county prior to a sale held under subsection (2).

(2) Subject to subsection (1), beginning on the third Tuesday in July immediately succeeding the entry of the judgment under section 78k vesting absolute title to tax delinquent property in the foreclosing governmental unit and ending on the immediately succeeding first Tuesday in November, the foreclosing governmental unit, or its authorized agent, at the option of the foreclosing governmental unit, shall hold at least 2 property sales at 1 or more convenient locations at which property foreclosed by the judgment entered under section 78k shall be sold by auction sale, which may include an auction sale conducted via an internet website. Notice of the time and location of the sales shall be published not less than 30 days before each sale in a newspaper published and circulated in the county in which the property is located, if there is one. If no newspaper is published in that county, publication shall be made in a newspaper published and circulated in an adjoining county. Each sale shall be completed before the first Tuesday in November immediately succeeding the entry of judgment under section 78k vesting absolute title to the tax delinquent property in the foreclosing governmental unit. Except as provided in subsection (5), property shall be sold to the person bidding the highest amount above the minimum bid. The foreclosing governmental unit may sell parcels individually or may offer 2 or more parcels for sale as a group. The minimum bid for a group of parcels shall equal the sum of the minimum bid for each parcel included in the group. The foreclosing governmental unit may adopt procedures governing the conduct of the sale and may cancel the sale prior to the issuance of a deed under this subsection if authorized under the procedures. The foreclosing governmental unit may require full payment by cash, certified check, or money order at the close of each day's bidding. Not more than 30 days after the date of a sale under this subsection, the foreclosing governmental unit shall convey the property by deed to the person bidding the highest amount above the minimum bid. The deed shall vest fee simple title to the property in the person bidding the highest amount above the minimum bid, unless the foreclosing governmental unit discovers a defect in the foreclosure of the property under sections 78 to 78l. If this state is the foreclosing governmental unit within a county, the department of natural resources shall conduct the sale of property under this subsection and subsections (4) and (5) on behalf of this state.

(3) For sales held under subsection (2), after the conclusion of that sale, and prior to any additional sale held under subsection (2), a city, village, or township may purchase any property not previously sold under subsection (1) or (2) by paying the minimum bid to the foreclosing governmental unit. If a city, village, or township does not purchase that property, the county in which that property is located may purchase that property under this section by payment to the foreclosing governmental unit of the minimum bid.

(4) If property is purchased by a city, village, township, or county under subsection (3), the foreclosing governmental unit shall convey the property to the purchasing city, village, or township within 30 days.

(5) All property subject to sale under subsection (2) shall be offered for sale at not less than 2 sales conducted as required by subsection (2). The final sale held under subsection (2) shall be held not less than 28 days after the previous sale under subsection (2). At the final sale held under subsection (2), the sale is subject to the requirements of subsection (2), except that the minimum bid shall not be required. However, the foreclosing governmental unit may establish a reasonable opening bid at the sale to recover the cost of the sale of the parcel or parcels.

(6) On or before December 1 immediately succeeding the date of the sale under subsection (5), a list of all property not previously sold by the foreclosing governmental unit under this section shall be transferred to the clerk of the city, village, or township in which the property is located. The city, village, or township may object in writing to the transfer of 1 or more parcels of property set forth on that list. On or before December 30 immediately succeeding the date of the sale under subsection (5), all property not previously sold by the foreclosing governmental unit under this section shall be transferred to the city, village, or township in which the property is located, except those parcels of property to which the city, village, or township has objected. Property located in both a village and a township may be transferred under this subsection only to a village. The city, village, or township may make the property available under the urban homestead act, 1999 PA 127, MCL 125.2701 to 125.2709, or for any other lawful purpose.

(7) If property not previously sold is not transferred to the city, village, or township in which the property is located under subsection (6), the foreclosing governmental unit shall retain possession of that property. If the foreclosing governmental unit retains possession of the property and the foreclosing governmental unit is this state, title to the property shall vest in the land bank fast track authority created under section 15 of the land bank fast track act.

(8) A foreclosing governmental unit shall deposit the proceeds from the sale of property under this section into a restricted account designated as the “delinquent tax property sales proceeds for the year ____”. The foreclosing governmental unit shall direct the investment of the account. The foreclosing governmental unit shall credit to the account interest and earnings from account investments. Proceeds in that account shall only be used by the foreclosing governmental unit for the following purposes in the following order of priority:

(a) The delinquent tax revolving fund shall be reimbursed for all taxes, interest, and fees on all of the property, whether or not all of the property was sold.

(b) All costs of the sale of property for the year shall be paid.

(c) Any costs of the foreclosure proceedings for the year, including, but not limited to, costs of mailing, publication, personal service, and outside contractors shall be paid.

(d) Any costs for the sale of property or foreclosure proceedings for any prior year that have not been paid or reimbursed from that prior year’s delinquent tax property sales proceeds shall be paid.

(e) Any costs incurred by the foreclosing governmental unit in maintaining property foreclosed under section 78k before the sale under this section shall be paid, including costs of any environmental remediation.

(f) If the foreclosing governmental unit is not this state, any of the following:

(i) Any costs for the sale of property or foreclosure proceedings for any subsequent year that are not paid or reimbursed from that subsequent year’s delinquent tax property sales proceeds shall be paid from any remaining balance in any prior year’s delinquent tax property sales proceeds account.

(ii) Any costs for the defense of title actions.

(iii) Any costs incurred in administering the foreclosure and disposition of property forfeited for delinquent taxes under this act.

(g) If the foreclosing governmental unit is this state, any remaining balance shall be transferred to the land reutilization fund created under section 78n.

(9) Two or more county treasurers of adjacent counties may elect to hold a joint sale of property as provided in this section. If 2 or more county treasurers elect to hold a joint sale, property may be sold under this section at a location outside of the county in which the property is located. The sale may be conducted by any county treasurer participating in the joint sale. A joint sale held under this subsection may include or be an auction sale conducted via an internet website.

(10) The foreclosing governmental unit shall record a deed for any property transferred under this section with the county register of deeds. The foreclosing governmental unit may charge a fee in excess of the minimum bid and any sale proceeds for the cost of recording a deed under this subsection.

(11) As used in this section, "minimum bid" is the minimum amount established by the foreclosing governmental unit for which property may be sold under this section. The minimum bid shall include all of the following:

(a) All delinquent taxes, interest, penalties, and fees due on the property. If a city, village, or township purchases the property, the minimum bid shall not include any taxes levied by that city, village, or township and any interest, penalties, or fees due on those taxes.

(b) The expenses of administering the sale, including all preparations for the sale. The foreclosing governmental unit shall estimate the cost of preparing for and administering the annual sale for purposes of prorating the cost for each property included in the sale.

(12) For property transferred to this state under subsection (1), a city, village, or township under subsection (6) or retained by a foreclosing governmental unit under subsection (7), all taxes due on the property as of the December 31 following the transfer or retention of the property are canceled effective on that December 31.

(13) For property sold under this section, transferred to this state under subsection (1), a city, village, or township under subsection (6), or retained by a foreclosing governmental unit under subsection (7), all liens for costs of demolition, safety repairs, debris removal, or sewer or water charges due on the property as of the December 31 immediately succeeding the sale, transfer, or retention of the property are canceled effective on that December 31. This subsection does not apply to liens recorded by the department of environmental quality under this act or the land bank fast track authority act.

(14) If property foreclosed under section 78k and held by or under the control of a foreclosing governmental unit is a facility as defined under section 20101(1)(o) of the natural resources and environmental protection act, 1994 PA 451, MCL 324.20101, prior to the sale or transfer of the property under this section, the property is subject to all of the following:

(a) Upon reasonable written notice from the department of environmental quality, the foreclosing governmental unit shall provide access to the department of environmental quality, its employees, contractors, and any other person expressly authorized by the department of environmental quality to conduct response activities at the foreclosed property. Reasonable written notice under this subdivision may include, but is not limited to, notice by electronic mail or facsimile, if the foreclosing governmental unit consents to notice by electronic mail or facsimile prior to the provision of notice by the department of environmental quality.

(b) If requested by the department of environmental quality to protect public health, safety, and welfare or the environment, the foreclosing governmental unit shall grant an easement for access to conduct response activities on the foreclosed property as authorized under chapter 7 of the natural resources and environmental protection act, 1994 PA 451, MCL 324.20101 to 324.20302.

(c) If requested by the department of environmental quality to protect public health, safety, and welfare or the environment, the foreclosing governmental unit shall place and record deed restrictions on the foreclosed property as authorized under chapter 7 of the natural resources and environmental protection act, 1994 PA 451, MCL 324.20101 to 324.20302.

(d) The department of environmental quality may place an environmental lien on the foreclosed property as authorized under section 20138 of the natural resources and environmental protection act, 1994 PA 451, MCL 324.20138.

(15) If property foreclosed under section 78k and held by or under the control of a foreclosing governmental unit is a facility as defined under section 20101(1)(o) of the natural resources and environmental protection act, 1994 PA 451, MCL 324.20101, prior to the sale or transfer of the property under this section, the department of environmental quality shall request and the foreclosing governmental unit shall transfer the property to the state land bank fast track authority created under section 15 of the land bank fast track act if all of the following apply:

(a) The department of environmental quality determines that conditions at a foreclosed property are an acute threat to the public health, safety, and welfare, to the environment, or to other property.

(b) The department of environmental quality proposes to undertake or is undertaking state-funded response activities at the property.

(c) The department of environmental quality determines that the sale, retention, or transfer of the property other than under this subsection would interfere with response activities by the department of environmental quality.

Sec. 131. (1) The director of the department of natural resources may withhold from sale any property that he or she determines to be suitable for state forests, state parks, state game refuges, public hunting, or recreational grounds. The director of the department of natural resources may set a minimum price for property not withheld from sale. Property not withheld from sale and not held by a local tax collecting unit shall be offered for sale by the director of the department of natural resources, at a price to be determined by the director of the department of natural resources, pursuant to 1873 PA 21, MCL 322.261 to 322.266. A bid shall not be accepted for less than the minimum price set by the director of the department of natural resources. If no bids are received or accepted by the director of the department of natural resources, the director of the department of natural resources may sell the property to a person applying to purchase the property at a price not less than the minimum price affixed by the director of the department of natural resources. The proceeds of the sale, after deducting costs paid for maintaining the property in condition to protect the

public health and safety shall be accounted for to the state, county, local tax collecting unit, and school district in which the property is situated, pro rata according to their interests in the property arising from the nonpayment of taxes and special assessments on the property as that interest appears in the offices of the state, county, city, and local tax collecting unit treasurers. A person who purchases property under this section shall, in addition to paying the purchase price, pay to the state a fee of \$10.00 per parcel of property purchased, plus 5% of the purchase price. The \$10.00 charge and 5% of the purchase price shall be transmitted to the department of treasury for deposit in the general fund of this state to the credit of the delinquent property tax administration fund. This section does not apply to sales conducted under section 78m. For each parcel of property under the jurisdiction of the director of the department of natural resources under this section, the director of the department of natural resources shall continue to perform the functions assigned under this section until the parcel of property is transferred to the state land bank fast track authority under section 20 of the land bank fast track act.

(2) A deed issued under this section shall remain subject to any restrictions or notices approved by this state or the foreclosing governmental unit and recorded with the register of deeds pursuant to the natural resources and environmental protection act, 1994 PA 451, MCL 324.101 to 324.90106.

Sec. 131e. (1) For all property the title to which vested in this state under this section after October 25, 1976, the redemption period on property deeded to the state under section 67a shall be extended until the owners of a recorded property interest in the property have been notified of a hearing before the department of treasury. Proof of the notice of a hearing under this section shall be recorded with the register of deeds in the county in which the property is located in a form prescribed by the department of treasury. If a notice is recorded in error, the department of treasury or a local unit of government may correct the error by recording a certificate of error with the register of deeds. A notice under this subsection need not be notarized and may be authenticated by digital signature or other electronic means.

(2) For all property the title to which vested in this state under this section after October 25, 1976, 1 hearing shall be held to allow each owner of a recorded property interest the opportunity to show cause why the tax sale and the deed to the state should be canceled for any reason specified in section 98. The hearing shall be held after the expiration of the redemption periods provided in section 131c. The department of treasury may hold combined or separate show cause hearings for different owners of a recorded property interest.

(3) For tax reverted property that was transferred to a local unit of government under section 2101 or 2102 of the natural resources and environmental protection act, 1994 PA 451, MCL 324.2101 and 324.2102, or under former section 461 of 1909 PA 223, if the local unit of government determines that the owner of a recorded property interest was not properly served with a notice of the hearing under this section, the local unit of government may conduct a hearing to show cause why the tax sale and tax deed to the state should be canceled for any reason specified in section 98. Notice of the hearing shall be provided to the department of treasury, which may provide evidence why the tax sale and tax deed to the state should not be set aside. The local unit of government may hold combined or separate show cause hearings for different owners of a recorded property interest.

(4) For all property the title to which vested in this state under this section after October 25, 1976, after expiration of the redemption periods provided in section 131c, on the first Tuesday in November after title to the property vests in this state, an owner of a recorded property interest may redeem the property up to 30 days following the date of hearing for that owner of a recorded property interest provided by this section by payment of the amounts set forth in subsection (5) and in section 131c(1), plus an additional penalty of 50% of the tax on which foreclosure was made. The additional penalty shall be credited to the delinquent property tax administration fund. A redemption under this section shall reinstate title as provided in section 131c(4).

(5) For all property the title to which vested in this state under this section after October 25, 1976, if property redeemed under this section has been exempt from taxes levied in any year after the year of foreclosure because a deed to that property was issued to the state, an amount equal to the sum of the following amounts shall be paid, as required by subsection (4), before redemption of the property:

(a) For taxes and ad valorem special assessments levied before January 1, 1997, an amount computed by applying the special assessment and ad valorem property tax rates levied by taxing units in which the property is located in the years the property was exempt against the most recently established state equalized valuation of the property. For taxes and ad valorem special assessments levied after December 31, 1996, an amount computed by applying the special assessment and ad valorem property tax rates levied by taxing units in which the property is located in the years the property was exempt against the most recently established taxable value of the property. For purposes of this subsection, special assessments do not include special assessments or special assessment installments deferred under section 67a.

(b) If the levy of an ad valorem special assessment on the property's taxable value is found to be invalid by a court of competent jurisdiction, the levy of the ad valorem special assessment may be levied on the property's state equalized value.

(c) Interest on the delinquent taxes or special assessments to be computed from the date title vested in this state to the date of the application to redeem under this section.

(d) Interest and penalties on taxes and special assessments identified by subdivision (a) that would have been imposed by law or charter and would have accrued if the property had not been exempt, computed from the date title vested in the state to the date of the application to redeem under this section.

(6) For all property the title to which vested in this state under this section after October 25, 1976, the owner of a recorded property interest who has been properly served with a notice of a hearing under this section and who fails to redeem the property as provided under this section shall not assert any of the following:

(a) That notice was insufficient or inadequate on the grounds that some other owner of a property interest was not also served.

(b) That the redemption period provided under this section was extended in any way on the grounds that some other owner of a property interest was not also served.

(7) For tax reverted property that was transferred to a local unit of government under section 2101 or 2102 of the natural resources and environmental protection act, 1994 PA 451, MCL 324.2101 and 324.2102, or under former section 461 of 1909 PA 223, the local unit of government may initiate an expedited quiet title and foreclosure action to quiet title to the property in the same manner as a land bank fast track authority under section 9 of the land bank fast track act. A local unit of government may initiate an action under this subsection as an alternative to a hearing by the local unit of government under this section.

(8) As used in this section, "local unit of government" means a county, city, village, or township and includes a department or agency of the county, city, village, or township.
