# **ENROLLED HOUSE BILL No. 4659**

AN ACT to amend 1978 PA 368, entitled "An act to protect and promote the public health; to codify, revise, consolidate, classify, and add to the laws relating to public health; to provide for the prevention and control of diseases and disabilities; to provide for the classification, administration, regulation, financing, and maintenance of personal, environmental, and other health services and activities; to create or continue, and prescribe the powers and duties of, departments, boards, commissions, councils, committees, task forces, and other agencies; to prescribe the powers and duties of governmental entities and officials; to regulate occupations, facilities, and agencies affecting the public health; to regulate health maintenance organizations and certain third party administrators and insurers; to provide for the imposition of a regulatory fee; to provide for the levy of taxes against certain health facilities or agencies; to promote the efficient and economical delivery of health care services, to provide for the appropriate utilization of health care facilities and services, and to provide for the closure of hospitals or consolidation of hospitals or services; to provide for the collection and use of data and information; to provide for the transfer of property; to provide certain immunity from liability; to regulate and prohibit the sale and offering for sale of drug paraphernalia under certain circumstances; to provide for the implementation of federal law; to provide for penalties and remedies; to provide for sanctions for violations of this act and local ordinances; to provide for an appropriation and supplements; to repeal certain acts and parts of acts; to repeal certain parts of this act; and to repeal certain parts of this act on specific dates," by amending section 20906 (MCL 333.20906), as amended by 2000 PA 375.

*The People of the State of Michigan enact:*

Sec. 20906. (1) "Life support agency" means an ambulance operation, nontransport prehospital life support operation, aircraft transport operation, or medical first response service.

(2) "Limited advanced life support" means patient care that may include any care an emergency medical technician specialist is qualified to provide by emergency medical technician specialist education that meets the educational requirements established by the department under section 20912 or is authorized to provide by the protocols established by the local medical control authority under section 20919 for an emergency medical technician specialist.

(3) "Local governmental unit" means a county, city, village, charter township, or township.

(4) "Medical control" means supervising and coordinating emergency medical services through a medical control authority, as prescribed, adopted, and enforced through department-approved protocols, within an emergency medical services system.

(5) "Medical control authority" means an organization designated by the department under section 20910(1)(g) to provide medical control.

(6) "Medical director" means a physician who is appointed to that position by a medical control authority under section 20918.

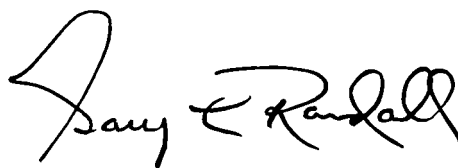

(7) "Medical first responder" means an individual who has met the educational requirements of a department approved medical first responder course and who is licensed to provide medical first response life support as part of a medical first response service or as a driver of an ambulance that provides basic life support services only. Medical first responder does not include a police officer solely because his or her police vehicle is equipped with an automated external defibrillator.

(8) "Medical first response life support" means patient care that may include any care a medical first responder is qualified to provide by medical first responder education that meets the educational requirements established by the department under section 20912 or is authorized to provide by the protocols established by the local medical control authority under section 20919 for a medical first responder.

(9) "Medical first response service" means a person licensed by the department to respond under medical control to an emergency scene with a medical first responder and equipment required by the department before the arrival of an ambulance, and includes a fire suppression agency only if it is dispatched for medical first response life support. Medical first response service does not include a law enforcement agency, as defined in section 8 of 1968 PA 319, MCL 28.258, unless the law enforcement agency holds itself out as a medical first response service and the unit responding was dispatched to provide medical first response life support.

(10) "Medical first response vehicle" means a motor vehicle staffed by at least 1 medical first responder and meeting equipment requirements of the department.

This act is ordered to take immediate effect.
