

SENATE BILL No. 221

February 21, 2007, Introduced by Senator JELINEK and referred to the Committee on Appropriations.

A bill to amend 1979 PA 94, entitled
"The state school aid act of 1979,"
by amending sections 11 and 17b (MCL 388.1611 and 388.1617b), as
amended by 2006 PA 342.

THE PEOPLE OF THE STATE OF MICHIGAN ENACT:

1 Sec. 11. (1) ~~For the fiscal year ending September 30, 2006,~~
2 ~~there is appropriated for the public schools of this state and~~
3 ~~certain other state purposes relating to education the sum of~~
4 ~~\$11,200,813,200.00 from the state school aid fund established by~~
5 ~~section 11 of article IX of the state constitution of 1963, the sum~~
6 ~~of \$44,500,000.00 from the proceeds of capitalization of the school~~
7 ~~bond loan fund revolving fund, and the sum of \$62,714,000.00 from~~
8 ~~the general fund. For the fiscal year ending September 30, 2007,~~

1 there is appropriated for the public schools of this state and
2 certain other state purposes relating to education the sum of
3 ~~\$11,647,508,200.00~~ \$_____ from the state school aid fund
4 established by section 11 of article IX of the state constitution
5 of 1963 and the sum of ~~\$35,000,000.00~~ \$_____ from the
6 general fund. In addition, available federal funds are appropriated
7 for each fiscal year.

8 (2) The appropriations under this section shall be allocated
9 as provided in this act. Money appropriated under this section from
10 the general fund shall be expended to fund the purposes of this act
11 before the expenditure of money appropriated under this section
12 from the state school aid fund. If the maximum amount appropriated
13 under this section from the state school aid fund for a fiscal year
14 exceeds the amount necessary to fully fund allocations under this
15 act from the state school aid fund, that excess amount shall not be
16 expended in that state fiscal year and shall not lapse to the
17 general fund, but instead shall be deposited into the school aid
18 stabilization fund created in section 11a.

19 (3) If the maximum amount appropriated under this section from
20 the state school aid fund and the school aid stabilization fund for
21 a fiscal year exceeds the amount available for expenditure from the
22 state school aid fund for that fiscal year, payments under sections
23 11f, 11g, 11j, 22a, 26a, 26b, 31d, 31f, 51a(2), 51a(12), 51c, 53a,
24 and 56 shall be made in full. In addition, for districts beginning
25 operations after 1994-95 that qualify for payments under section
26 22b, payments under section 22b shall be made so that the
27 qualifying districts receive the lesser of an amount equal to the

1 1994-95 foundation allowance of the district in which the district
2 beginning operations after 1994-95 is located or \$5,500.00. The
3 amount of the payment to be made under section 22b for these
4 qualifying districts shall be as calculated under section 22a, with
5 the balance of the payment under section 22b being subject to the
6 proration otherwise provided under this subsection and subsection
7 (4). If proration is necessary, state payments under each of the
8 other sections of this act from all state funding sources shall be
9 prorated in the manner prescribed in subsection (4) as necessary to
10 reflect the amount available for expenditure from the state school
11 aid fund for the affected fiscal year. However, if the department
12 of treasury determines that proration will be required under this
13 subsection, or if the department of treasury determines that
14 further proration is required under this subsection after an
15 initial proration has already been made for a fiscal year, the
16 department of treasury shall notify the state budget director, and
17 the state budget director shall notify the legislature at least 30
18 calendar days or 6 legislative session days, whichever is more,
19 before the department reduces any payments under this act because
20 of the proration. During the 30 calendar day or 6 legislative
21 session day period after that notification by the state budget
22 director, the department shall not reduce any payments under this
23 act because of proration under this subsection. The legislature may
24 prevent proration from occurring by, within the 30 calendar day or
25 6 legislative session day period after that notification by the
26 state budget director, enacting legislation appropriating
27 additional funds from the general fund, countercyclical budget and

1 economic stabilization fund, state school aid fund balance, or
2 another source to fund the amount of the projected shortfall.

3 (4) If proration is necessary, the department shall calculate
4 the proration in district and intermediate district payments that
5 is required under subsection (3) as follows:

6 (a) The department shall calculate the percentage of total
7 state school aid allocated under this act for the affected fiscal
8 year for each of the following:

9 (i) Districts.

10 (ii) Intermediate districts.

11 (iii) Entities other than districts or intermediate districts.

12 (b) The department shall recover a percentage of the proration
13 amount required under subsection (3) that is equal to the
14 percentage calculated under subdivision (a) (i) for districts by
15 reducing payments to districts. This reduction shall be made by
16 calculating an equal dollar amount per pupil as necessary to
17 recover this percentage of the proration amount and reducing each
18 district's total state school aid from state sources, other than
19 payments under sections 11f, 11g, 11j, 22a, 26a, 26b, 31d, 31f,
20 51a(2), 51a(12), 51c, and 53a, by that amount.

21 (c) The department shall recover a percentage of the proration
22 amount required under subsection (3) that is equal to the
23 percentage calculated under subdivision (a) (ii) for intermediate
24 districts by reducing payments to intermediate districts. This
25 reduction shall be made by reducing the payments to each
26 intermediate district, other than payments under sections 11f, 11g,
27 26a, 26b, 51a(2), 51a(12), 53a, and 56, on an equal percentage

1 basis.

2 (d) The department shall recover a percentage of the proration
3 amount required under subsection (3) that is equal to the
4 percentage calculated under subdivision (a)(iii) for entities other
5 than districts and intermediate districts by reducing payments to
6 these entities. This reduction shall be made by reducing the
7 payments to each of these entities, other than payments under
8 sections 11j, 26a, and 26b, on an equal percentage basis.

9 (5) Except for the allocation under section 26a, any general
10 fund allocations under this act that are not expended by the end of
11 the state fiscal year are transferred to the school aid
12 stabilization fund created under section 11a.

13 Sec. 17b. (1) Not later than October 20, November 20, December
14 20, January 20, February 20, March 20, April 20, May 20, June 20,
15 July 20, and August 20, the department shall prepare electronic
16 files of the amount to be distributed under this act in the
17 installment to the districts and intermediate districts and deliver
18 the electronic files to the state treasurer, and the state
19 treasurer shall pay the installments on each of those dates or, if
20 the date is not a business day, on the immediately preceding
21 business day before that date. Except as otherwise provided in this
22 act, the portion of the district's or intermediate district's state
23 fiscal year entitlement to be included in each installment shall be
24 1/11. A district or intermediate district shall accrue the payments
25 received in July and August to the school fiscal year ending the
26 immediately preceding June 30.

27 (2) The state treasurer shall make payment under this section

1 by drawing a warrant in favor of the treasurer of each district or
2 intermediate district for the amount payable to the district or
3 intermediate district according to the electronic files and
4 delivering the warrant to the treasurer of each district or
5 intermediate district, or if the state treasurer receives a written
6 request by the treasurer of the district or intermediate district
7 specifying an account, by electronic funds transfer to that account
8 of the amount payable to the district or intermediate district
9 according to the electronic files. The department may make
10 adjustments in payments made under this section through additional
11 payments when changes in law or errors in computation cause the
12 regularly scheduled payment to be less than the amount to which the
13 district or intermediate district is entitled pursuant to this act.

14 (3) Except as otherwise provided in this act, grant payments
15 to districts and intermediate districts under this act shall be
16 paid according to **THE INSTALLMENT SCHEDULE UNDER** subsection (1).

17 (4) Upon the written request of a district or intermediate
18 district and the submission of proof satisfactory to the department
19 of a need of a temporary and nonrecurring nature, the
20 superintendent, with the written concurrence of the state treasurer
21 and the state budget director, may authorize an advance release of
22 funds due a district or intermediate district under this act. An
23 advance authorized under this subsection shall not cause funds to
24 be paid to a district or intermediate district more than 30 days
25 earlier than the established payment date for those funds.
